

HP ProBook 450 G4 Notebook PC (ENERGY STAR) (Z3Y47PA)

Active as of 15/09/2016

Overview

Equipped for the demands of your work

Built for productivity, the HP ProBook 450 delivers the performance and security features essential for today's workforce. The sleek and tough design provides professionals a flexible platform to stay productive in or out of the office.

Designed for mobility

Work in style with the powerful 15.6-inch diagonal HP ProBook 450 with a new asteroid silver design. Confidently take on the day with a PC that's designed to pass MIL-STD 810G testing², built with an aluminum reinforced keyboard.

Powerful processing

Power through projects with 7th Gen Intel® Core™ processors³ and optional NVIDIA® GeForce® discrete graphics⁴.

Safeguard data and devices

Help keep sensitive data secure with comprehensive security features like HP BIOSphere⁵ as well as the embedded TPM and an optional fingerprint reader⁶.

Immersive experience

Enjoy the rich user experience of the HP ProBook 450 with long battery life and features designed to create a stunning visual and audio experience with HP Audio Boost, HP Noise Cancellation, and options like an FHD display⁴, and an HD touch display⁴.

Specifications

Operating system

Windows 10 Pro 64

Processor family

7th Generation Intel® Core™ i5 processor

Processor

Intel® Core™ i5-7200U with Intel HD Graphics 620 (2.5 GHz, up to 3.1 GHz with Intel Turbo Boost Technology, 3 MB cache, 2 cores)

MDA key selling point

Windows 10 Pro 64

Chipset

Chipset is integrated with processor

Environmental

Low halogen

Security management

HP Fingerprint Reader; Security lock slot; Preboot Authentication; HP Security Manager; TPM 2.0 (1.2 optional)

Memory, standard

8 GB DDR4-2133 SDRAM (1 x 8 GB)

Memory slots

2 SODIMM

Hard drive description

1 TB 5400 rpm SATA

Optical drive

DVD-Writer

Ports

1 AC power; 1 HDMI; 1 headphone/microphone combo; 1 RJ-45; 1 USB 3.0; 1 VGA; 2 USB 2.0; 1 USB 3.0 Type-C™ port

Expansion slots

1 multi-format digital media reader

Camera

720p HD webcam

Audio features

Integrated stereo speakers; Headphone/microphone combo jack; Integrated microphone

Pointing device

Glass ClickPad (with chemically etched surface), taps and gestures enabled by default, two-finger scrolling, two finger zoom (pinch)

Keyboard

HP Premium Keyboard, full-sized, backlit, chiclet, spill resistant with numeric keypad

Network interface

Realtek Ethernet (10/100/1000)

Wireless

Intel® Dual Band Wireless-AC 8265 802.11 a/b/g/n/ac (2x2) WiFi and Bluetooth® 4.2 Combo (non-vPro)

Power

65 W Smart AC adapter

Battery type

HP 3-cell, 48 Wh Long Life Li-ion

Energy efficiency

ENERGY STAR® certified

Minimum dimensions (W x D x H)

38.2 x 26.3 x 2.44 cm (non-touch)

Weight

Starting at 2.04 kg

Country of origin

China

Software

Buy Office, Skype, HP Mobile Connect, HP ePrint Driver, Absolute Persistence Module

Warranty

1 year standard parts, labour and on-site limited warranty, depending on country (upgrades available), 1 year limited warranty on primary battery

Overview

- 1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- 2 MIL STD 810G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- 3 Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- 4 Sold separately or as an optional feature.
- 5 HP BIOSphere features may vary depending on the PC platform and configurations.
- 6 HP Touchpoint Manager supports Android™, iOS and Windows operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information. Touchpoint Manager requires purchase of a subscription. Out-of-band HP only Wipe, Lock, Unlock and reporting of BIOS boot error codes is available on select HP EliteBooks and select HP Elite x2 devices requires an internet connection, Intel® vPro™ technology and functions in S3/Sleep, S4/Hibernate and S5/Soft Off power states. SATA drives are wiped. The remote wipe of Self Encrypting Drives that have hardware encryption active is not supported. Some features require a Pro subscription.

Success story (2)

New England Institute of Technology relies on high performance of HP technology

To meet its needs for reliability and high-end performance, New England Institute of Technology standardized on HP products ranging from HP All-in-One and EliteBook PCs to HP Digital Signage. HP Workstations are showcased in the new HP Gaming Lab.

Penn-Delco educators and students choose HP ProBook for 1:1 program

To ensure its high school students graduate college-ready, Penn-Delco School District decided to launch a 1:1 PC program. The district evaluated a variety of devices and the top choice of student and educators alike was the HP ProBook Notebook PC.

Security management

HP Fingerprint Reader; Security lock slot; Preboot Authentication; HP Security Manager; TPM 2.0 (1.2 optional)

Services (Care Pack)

This HP services offers notebook users on the go prompt, reliable coverage in major geographies of the world, for 3 years. For more information on Care Pack services, please visit www.hp.com/go/cpc.

Software

Buy Office, Skype, HP Mobile Connect, HP ePrint Driver, Absolute Persistence Module

Software footnote number

[9,10,11,12,15]

Tech spec footnote

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

Tech spec footnote

[10] HP Mobile Connect is only available on preconfigured devices with WWAN. For geographic availability refer to www.hp.com/go/mobileconnect.

Tech spec footnote

[11] Requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter).

Tech spec footnote

[12] Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement>. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

Tech spec footnote

[13] External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

Tech spec footnote

[14] Battery is internal and not replaceable by customer.

Tech spec footnote

[15] CyberLink Power Media Player only available with optical drive.

Tech spec footnote

[16] Windows 10/MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

Tech spec footnote

[17] Your product does not support Windows 8 or Windows 7. In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on

Tech spec footnote

[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

Tech spec footnote

[3] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

Tech spec footnote

[4] Double-layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. Note that this drive cannot read or write to 2.6 GB single-sided/5.2 GB double-sided – version 1.0 media. Don't copy copy-right protected materials.

Tech spec footnote

[5] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

Tech spec footnote

[6] Mobile Broadband requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, and in all regions.

Tech spec footnote

[7] HD content required to view HD images.

Tech spec footnote

[8] Internet access required.

Tech spec footnote

[9] Skype is not offered in China.
