Overview

- 1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- 2 MIL STD 810G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- 3 Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
- 4 HP Sure Start Gen 3, available on HP EliteBook products equipped with Intel® 7th generation processors.
- 5 HP Sure View integrated privacy screen is an optional feature that must be configured at purchase expected to be available Q2 2017.

Specifications

- 24 HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Solution brief (2)

Provide exceptional care with exceptional notebook computing

it is imperative that physicians and medical staff work with notebook PCs that are efficient and protect patient information. So deliver care efficiently with user-friendly HP Notebooks that include long battery life and enhanced security.

Better communication leads to better experiences

Together with Visual Health Solutions, a leading provider of patient education, HP technology is helping to solve patient education and health literacy challenges.

Success story (3)

New England Institute of Technology relies on high performance of HP technology

To meet its needs for reliability and high-end performance, New England Institute of Technology standardized on HP products ranging from HP All-in-One and EliteBook PCs to HP Digital Signage. HP Workstations are showcased in the new HP Gaming Lab.

Environmental Systems Design

Environmental Systems Design (ESD), a global architectural engineering firm based in Chicago, Ill., relies on HP Z Workstations. Needs range from basic office functions to graphics-intensive 3D modeling and collaboration software.

Helvetia Schweiz chooses HP for its workplace rollout

Helvetia has provided its entire Swiss workforce with HP EliteBooks. The company was looking for devices that were not only lightweight with excellent performance, but that were also able to be rolled out across all of its main sites and branches incredibly quickly.

Technical white paper (1)

Help improve patient outcomes through patient education

Visual Health Solution's retrospective analysis of health education and healthcare quality literature documents the superiority of 3D animation and other multimedia content over text-based education in producing better patient experiences.
