

**MINUTES OF THE MISSISSIPPI ENVIRONMENTAL QUALITY PERMIT BOARD  
HELD IN JACKSON, MISSISSIPPI, ON TUESDAY, JANUARY 8, 2013**

The Mississippi Environmental Quality Permit Board held a meeting in the Commission Hearing Room of the Department of Environmental Quality, located at 515 East Amite Street, on January 8, 2013. Jan Boyd called the meeting to order at 9:00 a.m. with the following members and designated representatives present:

Jan Boyd for William Walker, Chairman  
Dennis Riecke for Sam Polles, Vice Chairman  
Michael Bograd  
Jamie Crawford for Richard Ingram  
Jim Lipe for Cindy Hyde-Smith  
Leslie Royals for Dr. Mary Currier  
David Snodgrass for Lisa Ivshin  
Benny French

Lisa Ouzts, Senior Attorney for MDEQ Legal Division, was present as legal counsel. Pursuant to state law Mr. Benny French is restricted to vote only on matters pertaining to the Office of Land and Water Resources. On motion by Mr. Mike Bograd and seconded by Mr. Jim Lipe, the minutes of the regular meeting on December 11, 2012, were approved.

**THE PERMIT BOARD CONSIDERED THE FOLLOWING  
OFFICE OF POLLUTION CONTROL MATTER:**

**ENVIRONMENTAL PERMITS DIVISION  
Agricultural Branch**

**JW Farms (Jason and Ray Warren) MSG201709**

Jason and Ray Warren are proposing to construct and operate six (6) poultry houses with 153,000 broilers in Copiah County, Mississippi. Mr. Warren submitted the Dry Litter Poultry Notice of Intent (NOI), a Manure Export Plan (MXP) and a Storm Water Pollution Prevention Plan (SWPPP) seeking issuance under the Multimedia Dry Litter Poultry Animal Feeding Operation General Permit No. MSG201709 on October 18, 2012. The applicant sent out contiguous landowner notifications as required by the permit. MDEQ received five (5) letters of concern from Mr. Patrick Maxwell, Ms. Toni Goza, Mr. Joe Green, Mr. John Green and Mr. Ken Papizan. All are opposed to this facility due to odor and dust concerns and potential decrease in property value. The Greens are also concerned about traffic and safety of young children in the area. Site inspections were performed by the MDEQ Regional office on November 16, 2012, and again by the Environmental Permits Division of December 19, 2012. The inspections found that all buffer distances are in compliance. Mr. Terry Goza, Mr. Johnny Green, Mr. Pat Maxwell and Mr. Joe Green spoke in opposition. Mr. Jason Warren spoke in favor of the project. At the request of the Permit Board, Ms. Tracy Tomkins of MDEQ made a recommendation to the Permit Board to issue the coverage to JW Farms based on technical merits of the Notice of Intent, the MXP, the SWPPP, and MDEQ site inspections for compliance with siting criteria. On motion by Mr. Lipe and seconded by Mr. Bograd, the Permit Board voted to follow staff recommendations and approve permit MSG201709 to Jason and Ray Warren. [Ms. Royals opposed].

**THE PERMIT BOARD CONSIDERED THE FOLLOWING  
OFFICE OF GEOLOGY MATTERS:**

**MINING AND RECLAMATION DIVISION**

**Surface Mining Permit Transfer**

On motion by Dennis Riecke and seconded by Jamie Crawford, the Permit Board approved transfer of the following: (Mr. Bograd abstained)

Blackwell Sand Company, Inc., transfer to Blackwell Sand & Gravel, Inc.	Lauderdale	P01-016T
--	------------	----------

**Surface Mining Permit to Cancel**

On motion by Dennis Riecke and seconded by Jim Lipe, the Permit Board approved cancellation of the following: (Mr. Bograd abstained)

Eutaw Construction Company, Inc.	Marshall	P12-023
----------------------------------	----------	---------

**Surface Mining Application**

Krystal Gravel, Inc.

Copiah

A1853

Krystal Gravel proposed to open pit mine 13 acres to a total depth of 47 feet for gravel in Section 5, T1N, R2W, Copiah County. On September 22, 2012, the application for a Surface Mining Permit was presented at this location. At that time, Mr. Terry Singleton, a neighboring landowner spoke in opposition. Mr. Harvey Keith spoke on behalf of Krystal Gravel for the proposed mine and the Surface Mining Permit was denied. The operator has since submitted a new application for the same location and it is the staff's understanding that Mr. Singleton and Krystal Gravel have reached an agreement.

No one spoke against the project. Mr. Singleton no longer had any objections to the proposed mine site. Krystal Gravel had helped him build a privacy fence that he believed would keep his children safe. Ms. Royals inquired as to regulations regarding the haul road. Mr. James Matheny explained to her that it must be watered to minimize dust, and Mr. Keith spoke of Krystal Gravel's willingness to water the haul roads when necessary. A map showing the location of the haul road was provided to the Board that had previously been submitted by Krystal Gravel. The Singleton's house and the landowner's house were pointed out to the Permit Board members.

The Permit Board on motion by Mr. Lipe and seconded by Mr. Crawford, approved the issuance of the Surface Mining permit. [Mr. Bograd and Mr. Riecke abstained; Ms. Royals voted no, and Mr. Lipe, Mr. Crawford, Mr. Snodgrass, and Mr. Boyd voted yes].

**REPORT OF STAFF PERMIT ACTIONS/CERTIFICATIONS**

Staff reported to the Permit Board that staff had taken action on various permits since the December 11, 2012, Permit Board Meeting pursuant to the regulations delegating this authority to the Executive Director and the Executive Director's delegation of this authority to the staff in accord with those regulations. The Permit Board voted to note and record in its minutes the reports of permit actions/certifications by staff since the December 11, 2012, Permit Board Meeting. [Jamie Crawford abstained from voting on all Land and Water Resources permits and Michael Bograd abstained on all of the Office of Geology permits.]
