Inspirations 2020

NEW WORK: WELCOME TO THE MODERN AND COLOURFUL HOME OFFICE!

Grey and monotone coloured office life is a thing of the past – with the right colours at your desk at home or in the office you can create the right environment for productive work. Colours not only affect our well-being; they also have a positive effect on our work: So, transform your work space with stylish office products that reflect your personality. Work more relaxed with practical office helpers that light up every office with their beautiful colour.

The secret of successful people is a structured and tidy workplace! Smart storage options and stylish office accessories help you to create a feel-good atmosphere in the office space and structure your surroundings more easily. Without distraction, you can develop the best ideas

for your job. Use different colour combinations to find your content more easily. High-quality decoration and useful office supplies will instantly create a tidy desk and shelves and bring an inspiring atmosphere to your office.

TIME FOR MODERN DESK-ACCESSORIES

Minimalist design meets smart function. You have endless options available to combine. Organiser trays with inductive charging and pen holders to amplify the speaker function of your smartphone. The water resistant travel pouches provide easy organisation and smart storage of cosmetics while flying. The Leitz collection gives every workplace a unique look.

Transform your office into your own personal oasis where you just feel comfortable! Who says, that your workplace can't be fun or stylish. Practical storage boxes, clocks and your personal travel mug fit right into your office environment alongside vivid splashes of colour that give your productivity the right kick.

Combine style with purpose. Desk essentials and practical helpers with beautiful and up to date colours get rid of clutter on your desk. What looks good, feels good and makes work so much easier.

Office accessories are ideal for adding more flair to your desk. With coloured letter trays, matching utensils such as scissors and tape dispenser, you can show your own personality.

CLEVER OFFICE EQUIPMENT TO MAKE YOU FEEL GOOD

Change the office routine with Leitz Ergo WOW. Get into the perfect work-life balance with striking colours and the right posture at the desk. The range offers a variety of essential products that take care of your body and soul. Bring your identity to work and reflect your favourite colour.

With these ergonomic products you can energise your life at work and beyond, keeping your circulation flowing and your mind and body alert.

**FIT FOR WORK
FIT FOR LIFE™**

TECH THAT FITS

Kensington has utilised over 35 years expertise in tech and workplace wellbeing to produce a range of mice, keyboards and presenters that keep you fit for work, whilst increasing your productivity.

Organisations depend on their people, and smart organisations keep them at their best. The **Kensington Wellbeing Range** is designed to provide a solution for all areas of the body. Our unique SmartFit® System means that the best option is now the easiest one. Simple sizing and smooth adjustment means you always get the right solution for your entire team.

PAPER BIN 2.0 - PLAY IT SAFE

Does the **GDPR** apply when you are **working from home**? The answer to this question is yes. The use of a paper shredder is recommended in every home office. Our Leitz IQ shredders do not only help you shredding papers - they also look good under every desk.

Rexel Momentum Shredders are ideal for destroying your personal documents and sensitive information at home due to their compact and convenient size.

Don't throw away your privacy at home, shred all sensitive documents.

Smaller Momentum shredders deliver all the technology of larger Momentum shredder models in a compact footprint that is ideal for personal offices or home use.

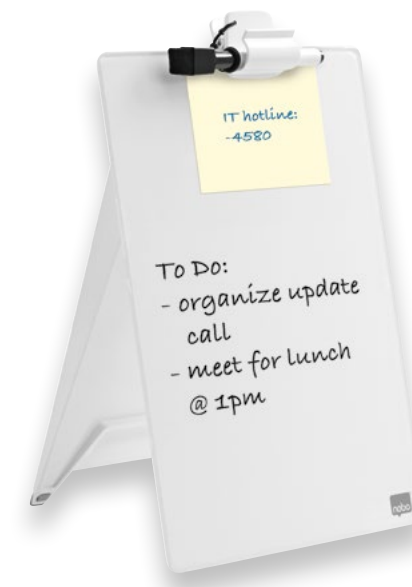

INSPIRE PRODUCTIVITY AT HOME

Magnetic square whiteboard tiles add some colour to your home workspace, ideal for small spaces to jot down important notes. Mix and match these vibrant coloured whiteboard tiles to make a personal modular display.

Desk whiteboards are a great addition to your home working set-up; for increased productivity and a versatile writing space. The **Glass Desktop Whiteboard Pad** fits perfectly between your keyboard and monitor.

Mastering working at home is about finding the right equipment and tools to stay productive, organised and connected; where ever you are. Nobo offers various home office visual communication products to support your personal office set-up; whether you need a small whiteboard for the desk or wall, a flipchart, mobile easel or a noticeboard to keep your notes and projects organised

No more excuses. With practical Leitz boxes, organising has never been so easy. For fast and attractive storage of cables, tools, smaller accessories and documents, Mybox provides the optimal content management solutions for real office life and home. Made of food-safe material, the Leitz Mybox is the perfect complement to any kitchen or meeting room – ideal for the storage of coffee capsules, fruit, biscuits and snacks.

Storage boxes for every occasion that makes organising easy. Made with robust and high-quality materials, they highlight the room with their modern two-tone look. Eye catching effect guaranteed.

**COLOURFUL
ORGANISING MIRACLES**

FLEXIBILITY WITH A WOW-FACTOR

Flexible storage solutions that adapt to your needs and looks good. The collection in contemporary design offers you the perfect box for small and larger things. Perfect for whatever size you want to store away.

Storage space, whenever you need it. Elegant office design on the outside, sturdy cardboard inside. Create storage solutions when and where you need it with the flexible Click & Store range.
