NOTE:

Modesto Junior College will only accept other high school/college transcripts that are submitted in sealed envelopes by the transmitting institution.

IMPORTANT REMINDER:

It is important that students maintain accurate mailing addresses with the college. With increased costs of postage, colleges can waste many dollars when a student mailing is returned because of a "bad" address.

Beginning with the end of the Fall Semester, when a piece of mail is returned to the college because of a "bad" address, a hold will be placed on the student record until the address is corrected.

You can check the address the college has on file for you by going to the PiratesNet and clicking on "My Profile." If you need to correct your address, please present a picture identification at any of the following offices the next time you are on campus: Admissions, Records, Welcome Center, Business Office, or the Financial Aid Office. Keep your address current!
