Secretary – Lynette Keiser

Parents,

I hope everyone had a relaxing and wonderful Spring Break. It is hard to believe that we are in our final quarter of the school year.

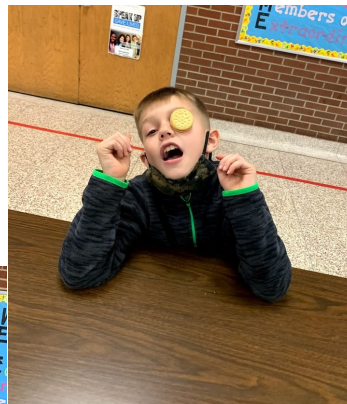

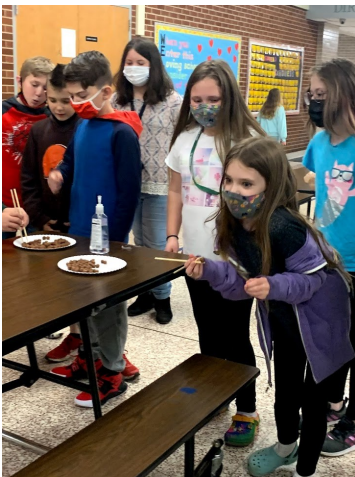

Next week we will begin state testing for third and fourth grade students. Please be sure that if you have a child testing that they get a good night's rest and breakfast. Breakfast is served each day and is free for all students. The specific day each grade is testing is shown on the included calendar.

A huge thank you to all that supported our flower fundraiser. Flowers will be delivered on April 30th.

Finally, students had a great time playing Minute to Win It games at our March PBIS event. Check our pictures in the newsletter.

Educationally,

Mrs. Wigton

Don't Forget Your Water Bottle!

Please don't forget to send your child to school with a water bottle each day as the water fountains are currently turned off to help eliminate the spread of COVID-19. A huge thank you to many of our families who were kind enough to donate water for students who might accidentally forget to bring their water bottle. If anyone is interested in donating more water, please contact us as we seem to quickly go through our supply. We appreciate your support.
