Thank you to everyone who came out to support Literacy Night. It was a great night.

4th Grade Wax Museum. Great Job, 4th Graders!

March Green Party.

Dear Families,

I hope you all had a wonderful Spring Break. It is hard to believe that we are in our last quarter of the 2017-2018 school year. This week we will be getting started with our AIR testing. Fourth grade will start on Wednesday of this week while third grade will get started on Wednesday of next week. It is very important that our students do their best work on these test and show off what they know. Please be sure that if your child is testing that he/she receives a good night's rest the night before. A healthy breakfast the day of is also helpful as well. Breakfast is served each day here at school until 8:45. Thank you for your support with this!

Also, if you know any families that have a child entering kindergarten for the 2018-2019 school year, please let them know that **kindergarten registration** is the week of April 16-20th.

## Parents,

I wanted to let you know that our district has decided against using the Stop-It program. Our students have done a fantastic job reporting any concerns and we want to continue to have them do so. We feel the best way to ensure that concerns are addressed in a timely manner is to report them directly to school staff. Thank you for your ongoing support in keeping our school safe.

Congratulations to the entire cast and crew of 101 Dalmatians. You all did a wonderful job. I am very proud of all of the time and commitment that everyone had to make it such a great program!
