**Tablet mounting RAM Suction**  
Ref : 4992/RAM/TAB/UNI/SUC  
Carried weight : 2 Kg

## PROTECTIS...

In 1993, François Picot and Gérard Truffier-Blanc devised a revolutionary new concept to protect laptops on the go: protective cases that provided lasting protection for mobile computing equipment during transport and during use. This concept is unique in the world.

MOBILIS has today become an international group with 7 distribution subsidiaries (France, England, Germany, Spain, Holland, USA and South Africa) marketing a wide and varied range of laptops bags & cases in over 25 countries.

• Compatible with Clip Mobilis 06 and 04

• 2 years guarantee
