SCHEDULE L

INVESTMENT COMPANIES (See Instruction 35)

- 1. DEFINITION OF INVESTMENT COMPANY: "Investment company" shall mean any corporation whose business during the period covered by its report consisted to the extent of at least 90% thereof, of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents, patent rights and other securities, for its own account. But this shall not include any corporation which: (1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the same and selling the same to customers; or (2) had less than 90% of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report; or (3) is a banking corporation or a financial business corporation as defined in the Corporation Business Tax Act.
- 2. NOTE: If taxpayer does not qualify under this definition, it is not entitled to report as an investment company.
- In order to qualify as an investment company, taxpayer must submit a schedule showing that it meets the following three-part business test and the assets test.
 - (a) i Income Adjusted: For purposes of the 90% requirement above, taxpayer, during the entire period covered by its report, must have derived 90% or more of its total income before deductions as reported for Federal income tax purposes from cash and/or investment type assets. Total income before deductions as reported for Federal income tax purposes must be adjusted as follows:
 - Add gross receipts or gross sales adjusted for gross profit (loss) reported for Federal income taxes;
 - (2) Add gross sales price from the disposition of assets adjusted for capital gain or loss or net gain or loss reported for Federal income taxes;
 - (3) Add interest on Federal, State, municipal and other obligations included in determining New Jersey net income, but not otherwise included in Federal total income;

- (4) Do not add any capital loss carry back or carry forward in computing total income.
- ii Income Unadjusted: For purposes of the 90% requirement above, taxpayer during the entire period covered by its report, must have derived 90% or more of its total income before deductions as reported for Federal income tax purposes from cash and/or investment type assets, plus interest on Federal, State municipal and other obligations not otherwise included in Federal taxable income and exclusive of any capital loss carry back or carry forward.
 - (1) A gain resulting from the disposition of an asset and reported on the installment basis for Federal income taxes is considered income for purposes of the investment company statute in the year in which the installment is received under both 3(a) i and ii above. Income reported on the installment basis is treated as investment type income only if it is generated by the sale of an investment type asset. Interest income received in conjunction with each installment is deemed investment type income.
- iii Deductions: For purposes of the 90% requirement above, the taxpayer, during the entire period covered by its report, must have incurred 90% or more of its total deductions as reported for Federal income tax purposes for holding, investing and reinvesting in cash and/or investment type assets.
- (b) Assets test: For purposes of the 90% requirement provided by 1.(2) above, at least 90% of the taxpayer's gross assets located in New Jersey, valued at cost, must consist of cash and/or investment type assets, during the period covered by its report.
- The election to report as an investment company is effective only for the particular year covered by the return and if desired for a subsequent year must be renewed.
- The minimum tax is computed in accordance with instruction 11(d) and Schedule A-GR.
