IE INFORMATION NOTICE NO. 82-38: CHANGE IN FORMAT AND DISTRIBUTION SYSTEM  
FOR IE BULLETINS, CIRCULARS, AND INFORMATION  
NOTICES

Addressees:

All NRC licensees.

Purpose:

This information notice is to advise recipients of IE bulletins, circulars, and information notices of a change to the format and the distribution systems for those documents.

Discussion:

All IE bulletins, circulars, and information notices are now distributed by the Office of Inspection and Enforcement (IE) through the NRC Document Management Branch in Washington, DC rather than the Regional Office. This centralized distribution has resulted in the elimination of a separate transmittal memorandum to each recipient from the respective Regional Administrator.

Any requests for additions, changes or deletions to the distribution list for these documents should be addressed to the attention of the Chief, Document Management Branch, Office of Administration, U.S. Nuclear Regulatory Commission, Washington, DC 20555. If you should have any questions or require additional information regarding this information notice, please contact the Regional Administrator of the appropriate NRC Regional Office.
