

# MX MASTER FOR BUSINESS

Wireless Mouse

## THE PRECISION INSTRUMENT FOR MASTERS OF THEIR CRAFT.

MX Master wireless mouse is Logitech's flagship mouse, designed to give power users the ultimate comfort, control and precision. It offers a perfectly crafted, hand-sculpted contour, advanced features, a stunning design, and is optimised for Windows and Mac. MX Master is equipped with a precision wheel that auto-shifts from click-to-click to hyper-fast scrolling, a unique thumbwheel for side-to-side scrolling and more, the Darkfield laser sensor for flawless tracking – even on glass – and a rechargeable battery with up to 40 days battery life.\* The mouse can be connected using the included Logitech Unifying™ Receiver or with *Bluetooth*® low energy technology.

\* Battery life may vary based on user and computing conditions
