SERVICES OFFERINGS				
ENTERPRISE SUPPORT				

The Enterprise Support Program (ESP) is a proactive service level above Premier Support. The offering includes assignment of a Technical Account Manager (to a single location), enhanced support SLAs, professional services credits, quarterly health checks, Support Account Manager Assignment, Support Analytics, and Quarterly Business and Strategy Reviews. This offering is sold in year increments, and must be co-termed with Premier Support.

**Target Customers:** Large customers looking for more proactive guidance, deep account intimacy, tighter SLA expectations, and/or the desire for frequent account touch irrespective of support ticket activity. Typically, appealing to customers with 750K+ lifetime software spends and multi-data centers or large, complex environments.

**Program Guidelines:** ESP is a Maintenance offering and are not subject to discount without WW VP of Technical Services or WW VP of Support Approval and the Senior Manager, WW Support Contracts.

**Pricing Example:** To Turn On Enterprise Support, the customer must, first, purchase Premier Support and purchase the Enterprise Support – Main SKU (ENTSUPPMAIN-1). The Enterprise Support- Main SKU enables global entitlement to enterprise support with Technical Account Manager coverage at a single, named location, as well as a single services credit of 25K USD to be used in the same country as the location of the designated, main (named) location.

For more information, please refer to the Enterprise Support Program documents on Maintenance Advantage:
