

DP-1095MWL

95" diagonal 16:10 manual pull-up screen

- **95" diagonal 16:10 manual pull-up screen**
- **Intelligent support bar and handle**
- **Level adjustment feet**
- **Light weight portable design**

This unique, portable pull up screen is easy to use and very stable with its high quality casing.

This transportable screen can be used both indoors or outdoors. It is an ideal solution for rental properties or if flexibility is required rather than a screen permanently mounted to a wall or ceiling.

Perfect for use with any projector and a great screen for business presentation use.
