

**Date:** January 12, 2016  
**To:** OPW Retail Fueling Distributors, District Managers and Customer Service  
**From:** Mike Bartush, Manager of Sales Operations, OPW Retail Fueling

## OPW Retail Fueling 2016 Price Increase Notification

### Dear Valued Distributor:

OPW Retail Fueling is implementing a price increase effective **February 1, 2016**. OPW strives to minimize this increase by reviewing our operations and purchasing of all related materials.

**NOTE:** OPW has a unique discount plan for Clean Energy Products, so a separate price list has been created to eliminate any confusion.

### The following is attached:

#### **INTERNATIONAL**

1. 2016 International Products and Parts Price List
2. 2016 Clean Energy Products & Parts List
3. Terms & Policies

As always, we appreciate your continued support of OPW products. If you have any questions, please contact your District Manager or our Customer Service Department at 1(800) 422-2525. For more information on our complete product line, please visit our website at [www.opwglobal.com](http://www.opwglobal.com).

# OPW Standard Distributor Product Warranties

PTP  
Effective: February 1, 2016

NOTICE: FlexWorks by OPW, Inc., VAPORSAVER™ and all other OPW products must be used in compliance with all applicable federal, state, provincial and local laws, rules and regulations. Product selection is the sole responsibility of the customer and/or its agents and must be based on physical specifications and limitations, compatibility with the environment and material to be handled. All illustrations and specifications in this literature are based on the latest production information available at the time of publication. Prices, materials and specifications are subject to change at any time, and models may be discontinued at any time, in either case, without notice or obligation.

OPW warrants solely to its customer (the initial purchaser and any subsequent purchasers within the warranty period) that the following products sold by OPW will be free from defects in materials and workmanship under normal use and conditions for the periods indicated:

PRODUCT	WARRANTY PERIOD
FlexWorks Primary Pipe	10 years from date of manufacture
All Products and replacement parts installed in the State of California Certified to California CP-201 and/or CP-206 Standards*	1 year from date of installation (proof of purchase from certified contractors/technicians required) OPW warrants ongoing compliance with the standards and specifications for the duration of the warranty period required by the State of California; this limited warranty is under the condition the equipment was installed and maintained by trained and certified contractors/technicians unless noted in Installation Manual
All Other Products	1 year from date of manufacture
*Products certified to California CP-201 and/or CP-206 Standards have been factory tested and met all applicable performance standards and specifications and will have an OPW registration card enclosed/attached to the product	

OPW's exclusive obligation under this limited warranty is, at its option, to repair, replace or issue credit (in an amount not to exceed the list price for the product) for future orders for any product that may prove defective within the applicable warranty period (repairs or replacements are subject to prorated warranty coverage for remainder of the original warranty period). Complete and proper warranty claim documentation and proof of purchase required. All warranty claims must be made in writing and delivered during the applicable warranty period to OPW at OPW 9393 Princeton-Glendale Road Hamilton, Ohio, USA 45011, Attention: Customer Service Manager. No products may be returned to OPW without its prior written authority.

This limited warranty shall not apply to any FlexWorks or VAPORSAVER™ product unless it is installed by an OPW attested installer. This limited warranty also shall not apply to any FlexWorks, VAPORSAVER™ or other OPW product: unless all required site and warranty registration forms are completed and received by OPW within 60 days of installation; unless all piping connections are installed with a nationally-recognized or state-approved leak detection device in each tank and dispenser sump (which are not for storage and from which all discharge hydrocarbons must be removed, and the systems completely cleaned, within 24 hours); unless testable sumps utilize FlexWorks pipe and access fittings; unless a sump inspection log or an EPA recommended/required checklist is maintained and the results are furnished to OPW upon request; and unless OPW is notified within 24 hours of any known or suspected product failure and is provided with unrestricted access to the product and the site. This limited warranty also shall not apply to any product which has been altered in any way, which has been repaired by anyone other than a service representative authorized by OPW, or when failure or defect is due to: improper installation or maintenance (including, without limitation, failure to follow FlexWorks Quick Reference Manual Installation Guide and all product warning labels); abuse or misuse; violation of health or safety requirements; use of another manufacturer's, or otherwise unauthorized, substances or components; soil or other surface or subsurface conditions; or fire, flood, storm, lightning, earthquake, accident or any other conditions, events or circumstances beyond OPW's control.

THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AND ALL OTHER WARRANTIES INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY EXCLUDED.

OPW shall have no other liability whatsoever, whether based on breach of contract, negligence, gross negligence, strict liability or any other claim, including, without limitation, for special, incidental, consequential or exemplary damages or for the cost of labor, freight, excavation, clean-up, downtime, removal, reinstallation, loss of profit, or any other cost or charges. No person or entity is authorized to assume on behalf of OPW any liability beyond this limited warranty. This limited warranty is not assignable.

PTP

## ACCEPTANCE OF ORDERS

Orders are subject to approval and acceptance only at the office of OPW Fueling Components, Cincinnati, Ohio. All orders and any changes to existing orders at OPW **must be made in writing**. No changes can be made to an order after 24 hours or shipments have been started against the order, whichever occurs first. Orders received after 4:00 p.m. EST will be processed the following business day. Note: Rush orders may not be changed or cancelled.

## SPECIAL PRODUCTS

Parts/products that are not listed in the current OPW price list are considered "special." These special parts/products are subject to the additional terms listed below:

- Orders are subject to OPW approval and must be in writing and accompanied by a Purchase Order
- Minimum order quantities and additional lead times may exist for special parts/products
- Special parts/products can be discounted at OPW's sole discretion
- Cancellations or reductions of "special" parts/products ordered must be at OPW's consent and will be subject to a charge determined by OPW to be sufficient to cover all costs incurred. Cancellations or order changes for "special" parts/products must be in writing.
- Customer may be responsible for overruns of up to 10 percent for "special" parts/products ordered.

## RUSH ORDERS

- Rush orders must be received by 2:00 p.m. EST
- Rush orders will ship same day pending product availability
- Rush orders will receive current published list prices less standard (Non-Optimum) discount
- Net rush orders cannot exceed US \$1,500
- Note: Rush orders may not be changed or cancelled

## PICK UP ORDERS

Contact Customer Service to arrange for pick up. Product availability must be confirmed and a scheduled time must be set in order to provide delivery. If product is not picked up within 48 hours of the arranged time, the product will be shipped to the branch location on the PO.

## CANCELLATIONS / CHANGES

Orders shall not be subject to change of specifications or cancellation without the consent of OPW and then only at a charge determined by OPW to be sufficient to cover all costs incurred up to 100%. **Cancellations must be made in writing. No changes can be made to an order after 24 hours or after shipments/manufacturing has been started against the order. Parts, FlexWorks, Vaporsaver™, OPW island forms/bumper guards, multi-ports, sealants and resins are not eligible for cancellations.**

## PRICES / DISCOUNTS

Prices shown in price list are Suggested List. All prices are in U.S. Dollars. Prices are for prompt acceptance and are subject to change without notice and become firm under our acceptance of your order, as evidenced by our acknowledgement. Prices do not include any applicable sales, use, excise, duties or other taxes.

See Confidential Discount Plans for discount information.

## MINIMUM ORDERS

**All OPW orders are subject to the current minimum order policy:**

Products and Parts      US \$400 NET

## FlexWorks CUSTOM LENGTH PIPE

- ¾" and 1" Pipe cut to any length in 1 ft. increments; No Charge or minimum length.
  - 1-½", 2", 3" Pipe cut to length in 10 ft. increments with a cut fee; Minimum 50 ft. length.
- See part number FLEX-CUTTING and FLEX-REEL for custom cut fee. See 2016 price list for pricing. Contact OPW Customer Service on availability of excess short run pipe with no cut fees.

## PAYMENT TERMS

Terms of sale are one (1) percent, ten (10) days, date of invoice, net thirty (30) days. Discount available is precalculated on the invoice. Discounts are not allowed unless the account is current.

## FREIGHT

### U.S. Distributor Freight Allowance

All shipments under US \$5,000 net are Ex-works Our Factory, and will ship prepay and add or collect.

All shipments over \$5,000 net FCA unloaded to any continental U.S. city. Orders totaling \$5,000 net or above (after discount) will receive free freight to one location only on all OPW products.

The goods shall be delivered to the Buyer FCA or Ex-works Seller's plant, and title thereto and liability for loss or damage in transit shall pass to Buyer upon Seller's delivery of goods to a common carrier for shipment to the Buyer. Claims for damages in transit must be asserted against the carrier.

#### Routing

OPW reserves the right to select freight routing and will strive to ship the best possible way. Orders requesting alternative routing will not qualify for freight allowances.

#### Drop Shipments

In order to promote active local inventory, drop shipments will be invoiced as follows:

- 10 percent of final net (after discount) will be added to the invoice. 10 percent will NOT apply to FlexWorks shipments.

## PRICE CHANGE

Prices are subject to change without notice. Orders on hand at the time of a price increase will be invoiced at the older price, provided they are for immediate shipment. Orders entered or scheduled for shipment after the effective date of the price change will be invoiced at new prices.

## CREDIT WORTHINESS

An account which is delinquent may be subject to restricted or non-shipment of goods and may be subject to a 1-½ percent per month finance charge on past due invoices.

## SHORTAGES

**Claims for shortages in shipments and errors in freight charges must be reported in writing to OPW Customer Service Department within five (5) days after receipt of order. Please note the following regarding shortage claims:**

- All palletized shipments have been shrink wrapped and have blue and white "OPW" logo tape around the top of the skid
- If the tape is in place when the skid(s) is delivered, you have our assurance that the piece count on the skid is complete
- If the tape is missing, broken, or pulled loose from the skid, please review the delivery receipt and verify the piece count
- If you suspect a shortage, please sign only for the number of cartons received, and file a claim with the trucking company
- If the tape is not broken and you detect a shortage, please contact your Customer Service Representative at 1-800-422-2525
- All freight damages must be noted on Bill of Lading at time of acceptance.

## RETURNS

**Returns are at OPW's sole discretion and prior approval.**

### (1) Restocking Charge Returns

To help cover the normal costs of handling, inspecting and testing, a charge of 25 percent of the original purchased value or current price, whichever is lower, will be charged. Minimum handling charge is US \$40.

OPW will always attempt to cooperate if the distributor requests permission to return goods for credit. Products to be returned must be standard catalog products, current merchandise, less than one year old, and resalable as new. Invoice number must accompany the RGA number on the return. **Parts, FlexWorks, Vaporsaver™, OPW island forms/bumper guards, AST spill containers, multi-ports, sealants and resins, hand insulators, splash guards, Fibrelite Sumps, Manholes, Covers and CleanEnergy™ are not eligible for returns.**

### (2) Warranty Returns

See return procedures on back page.

### (3) Special Product Returns

Parts/products not listed in the current OPW price list are considered "special." **Special parts/products are not eligible for returns, including annual returns.**

## RETURNS CONTINUED

### (4) Return Procedures

No products may be returned without an approved Returned Goods Authorization (RGA). Products rejected by OPW will be returned to the distributor at the expense of the distributor. OPW will only accept products approved on the RGA.

All returns must be accompanied by a Returned Goods Authorization (RGA).

1. Contact an OPW Customer Service Representative by phone at 1-800-422-2525 or by fax at 1-800-421-3297. Please have the following information available so we may process your request quickly:

- All freight is customer's responsibility
- Distributor name and customer number
- Reason for return
- Original purchase order and or invoice number under which the part was purchased
- Product being returned (The complete part number including suffix identification)
- Distributor purchase order number to be used in conjunction with the OPW RGA number

2. The Customer Service Representative will issue a Returned Goods Authorization (RGA) number over the telephone. Please reference this RGA number when making inquiries about this transaction.

3. **RGA paperwork will be mailed or faxed to you upon request.** The exception is annual return RGAs, which will be sent to you for your pricing reference.

4. **Clearly print the RGA number on the outside of all cartons you return and reference the RGA number on any paperwork you generate.** OPW will not accept cartons without the RGA number printed legibly on the outside.

5. All approved returned goods must be received by OPW within 30 days of issuance of the RGA.

**Please return to the following address:**

**(All nozzles, swivels, breakaways, and products shipping from the Hamilton location)**

OPW Fueling Components  
Attn: RGA (provide RGA number)  
9393 Princeton-Glendale Road  
Hamilton, Ohio 45011

**Please return to the following address:**

**(All spill containers, Fueling Containment Systems/ Fibrelite products shipping from POMECO and Fueling Containment Systems location)**

OPW Fueling Containment Systems  
Attn: RGA (provide RGA number)  
3250 US Highway 70 Business West  
Smithfield, NC 27577

No warranty considerations will be given to products that are:

- Returned with orange warranty tag not completed
- Repaired by others
- Show signs of abuse, damage or excess forces
- Disassembled
- Missing parts or components
- Out of warranty period
- Misapplied
- Contains foreign material
- Corroded

If a returned product qualifies for warranty, OPW may elect to repair or replace the unit and return it to you, or issue credit at the lowest distributor price in the last 12 months. See Standard Product Warranty for complete details. **If the product does not qualify for warranty, it will be returned to the distributor freight collect.**

**Note:** Automatic nozzles out of warranty or damaged will not be returned.
