ELEMENT He10-W MOBILE TABLET

element™

## ELEMENT BUMP CASE

Element He10-W Bump Case is a protective case for your Element tablet. The case includes an inbuilt 360 degree rotating handle, kick stand and shoulder strap.

Code: [TTELHE10CW002](#)

element™

## ELEMENT MPOS TABLET STAND BLK FOR RW60/RW873

- Multi-functional design
- 360° Multi-angle rotation
- Suitable for a variety of retail & hospitality applications
- Adjustable clips

Code: [PRELMPOSSTD001](#)

element™

*Printer & Tablet not included*

## VPOS UNIVERSAL TABLET MOUNT

The lightweight design allows for simple setup, 360-degree device rotation, as well as the ability to pivot the display to face the customer.

The VPOS Tablet Mount magnetically fastens on top of any VPOS cash drawer or cash drawer wrap.

- Magnetic base keeps the tablet holder firmly in place on top of the cash drawer
- 360-degree rotation to switch between customer and staff facing screen
- Lightweight
- No assembly required
- Perfect for any small to medium business such as cafés, restaurants and retail outlets

Code: [MSVPIMOTIONB](#)

VPOS

## SPACEPOLE VARIO CASE

The SpacePole Vario™ sled is a new solution for the Element He10-W Tablet to support mobility in the workplace. The Vario not only protects the tablet, but it also enables the use of accessories including pouches, straps and quick release options for attaching mobile payment devices and other mobile technology.

Code: [MSSPSOSHE1002](#)

## SPACEPOLE VARIO CASE ACCESSORIES

The Vario is comfortable to use and is compatible with a range of hand straps, shoulder straps and carrying pouch to create the ideal configuration to protect your staff by ensuring workplace ergonomics and helping to secure and protect the tablet.

Code: [MSSPSOS10517](#)

Code: [MSSPSOS10402](#)

Code: [MSSPSOS108](#)

## SPACEPOLE A FRAME

A-Frame is a versatile stand, which supports a variety of use cases from unattended self-service to fixed tablet POS. It can be used as a fully secured solution for unattended applications and information points along with customer self-service applications.

Code: [MSSPSPAF203HE1002](#)

*Stand\* & Tablet not included*

*\* SpacePole Select Pole Curved (PN: MSSPSPM10202)*

## SPACEPOLE C FRAME

With a simple and functional design, the C-Frame is an ideal solution for tablet POS. It is elegant, but still robust. It gives protection to your tablet, but without hiding it and provides the flexibility to give your counter a personal look. Perfect for the specialist retailer, pop-up shop, bar, or restaurant, the SpacePole C-Frame is a versatile stand-alone point of sale solution for the Element He10-W Tablet.

Code: [MSSPSPCFHE1002](#)

## SPACEPOLE TABPRINT FOR EPSON TM-M30

Designed to be used in combination with the A-Frame, Spider Frame and X-Frame tablet enclosures.

Rather than having a separate tablet and printer with all the clutter and cabling issues that entails, TabPrint integrates both in one stylish combination, within an ergonomic form factor while cable management is taken care of internally.

Code: [MSSPSPTP10202](#)

*Printer & Tablet & Frame not included*

Contact our distributor for accessory availability (refer [www.elementpos.co](http://www.elementpos.co)). Not all items stocked and maybe subject to lead times and minimum order quantities.

## SPACEPOLE SPIDER FRAME

Compatible with a range of SpacePole mounting solutions, Spider-Frame can be desk, wall or floor stand mounted. The Spider-Frame tablet stand is perfect for a wide range of applications for the retail and hospitality marketplaces.

Code: [MSSPSEKTOR01202](#)

## SPACEPOLE X FRAME

X-Frame is a lightweight, easy to handle, low profile solution that keeps the essential buzz of using a tablet whilst offering a secure mount with a range of options depending upon the requirements of the application.

Code: [MSSPSPXFHE1002](#)

*Stand\* & Tablet not included*

*\* Duratilt X Frame Stand (PN: MSSPDTP101)*

## STUDIO PROPER UNIVERSAL TABLET STAND

Built-in smooth hinge enables the perfect viewing angle, and seamless screen flipping for shared viewing. Connecting your tablet is achieved by a simple twist to lock and unlock motion. Formed from precision cut aircraft grade Aluminium, it matches your tablet in looks and functionality, with a slim, sleek and clutter free appearance.

Code: [MSSPSPEKUPVS4](#)

PROPER

## STUDIO PROPER STAND CONNECT POS PIVOT KIT

A low-set countertop stand designed to blend seamlessly into the interior of any environment, putting an emphasis on human interaction, while keeping your point-of-sale hardware virtually invisible.

Code: [MSSPSPEKUPOSPVS3](#)

PROPER

## STUDIO PROPER X LOCK PLATE UNIVERSAL

Used in conjunction with any of Studio Propers Stands or accessories the adaptor securely attaches to the back of a tablet or shell case using 3M adhesive.

Use with MSSPSPEPTMM30V1 (See Page 6)

Code: [SPCIPAUXP1](#)

PROPER

## STUDIO PROPER X LOCK HAND STRAP

The X Lock hand strap lets you hold the Element He10-W Tablet comfortably, all day, and allows for simple movement between landscape and portrait while in use.

Code: [SPCIPAHS1](#)

PROPER
