1 Diplo Mail must be strictly diplomatic mail and contained in a diplomatic pouch/bag. Such commodity is subjected to x-ray screening. And if found to contain non-DOC images, it will be held by Customs for verification of content with the embassy and such.

WPX

All commodity with value of USD 500 and above or with weight of 100 kgs and above will require Formal (FML) Clearance (CL) Processing. Importer MUST be accredited with Bureau of Customs (BOC) Account Management Office (AMO) or CL will not be allowed by Customs. A 3rd party Broker would have to be nominated by the importer to clear their shipment (shpt). DHL PH will not be able to process clearance of shpts on behalf of importer without Customs accreditation. Importer is responsible for the payment of duties and taxes for FML shpts under DAP. Amendment from DAP to DDP is not allowed, thus all DDP shpts should be properly and clearly marked in the waybill and the invoice, as per Global SOP. For new DTP shippers into PH, send pre-alert to mnl.clearancesupervisor@dhl.com to check if importer is DDP enabled in Customs database. Expect a min of 1-day delay. For multiple items, require Packing List; Declared value on all shipper ppwks must be the correct value & item(s) properly described. - Shipments (shpts) with value (val) <USD 500 and weight <100kgs will be processed under Informal CL; Accreditation with customs AMO is NOT required. Shpts which are commercial (COMML) in nature should be accompanied with a COMML Invoice; otherwise Proforma Invoice is acceptable. Customs require Full Commodity Description in the invoice, otherwise commodity will be physically inspected which will entail delay of 2-3 days. PH Customs Administrative Order 2-2016 states COMML invoices of import shpts must state the true val of the goods. Phrases without COMML val or of no COMML val or val declared is for customs purposes only on import invoices will be considered by PH Customs as unclear declarations and will result to CL delays particularly for shpts declared with low val. Note: shpts not cleared in 30 days from arrival date will be seized by customs as an abandoned shpt. NDS DOES NOT APPLY FOR FREE TRADE ZONE CONSIGNMENTS.

- 4 Compact Discs or DVDs: Must indicate contents: such as office files or reports or personal pictures. If contained data is personal pictures, refer to footnote 8; if contents are software, refer to footnote 11. If contents are music videos, refer to footnote 10
- 5 Details such as the name & type of software should be stated on HAWB description field or in goods description field of data entry (manifested description). The term "software" is too general & will result in physical inspections & upgrading of value by PH Customs.
- 6 PH Customs allows duty-free importation for MNL shipments given the following conditions (1) Below 2 pcs of the same item and total is < 10 pcs ; (2) Total value <= USD 20 and (3) HAWB & invoice must indicate that the samples are either marked or mutilated. Customs can exercise discretion on such even if above are complied with.
- 7 Prior importation, importer must obtain censorship from Movie and Television Review Classification Board/ MTRCB (8mm, 16mm & 35mm; VHS) or Optical Media Board/OMB (if in CD, VCD or DVD format). If imported by an individual, MTRCB or OMB will only approve 12 pcs combination of these items per shpt and the remaining will be confiscated by Customs.
- 8 Food and Drug Administration (FDA) allows personal importation of foodstuff and other regulated products on a very limited quantity otherwise shipments will be abandoned to Customs for lack of FDA permit and clearance. Commercial importation requires importer to be registered with FDA thru the License to Operate (LTO) and each product to be registered thru Certificate of Product Registration (CPR). Please ensure shipper is able to validate with importer if they can process FDA Permit and/or License to Operate. There may not be an option to RTO the shipment if the importer is unable to provide the needed requirement. Refer to link for complete guidelines. - 2 CITES Certificate and/or Certificate of origin required, when applicable.
- 3 Auto motion parts (i.e. brakes) containing asbestos considered prohibited.
- 4 For private individuals, no permit is needed. For companies, if the goods are imported as samples and not for sale, no permit is needed as well. The import permit from the National Authority of Medicines and Health Products (INFARMED) must be provided by consignee. Include: blood samples.
- 5 Depending on commodity types, specific authorization may be required (contact PT import GTW for details).
- 6 If consigned to a private individual, the import of medicine is forbidden by Customs. If consigned to authorized laboratories, a proof of PT pharmaceutical registration is required.
- 7 Laser Pointers - If the importer is an individual and if the quantity is two or less, the importer can clear the shipment by simply providing a written term of responsibility, plus a legal document (provided by DHL) informing the classification of the laser product. If the importer is a company, to import such goods they must have an authorisation from the INETI government department, (NOTE: delays are expected of at least 1 week) In both cases this type of product must have a full description on the invoice, including their class (type of Laser product).
- 8 According EU Regulation 95/2006/EC (Directive LVD), all electric/electronic products that work on a tension superior to 50V must bear a "CE" mark placed on the goods as well as a certificate of conformity issued by the supplier/Manufacturer of goods. If both of these requirements are not met simultaneously, the products cannot be imported.
- 9 For Electronic Cigarettes and Peripherals please check 16.
- 10 Authorization from Public Security Police (PSP) required for import.
- 11 Phytosanitary Certificate from origin might be needed, depending on goods. For sweets, declaration of origin stating composition and percentage of ingredients is required. For all foodstuff either a list of ingredients or a Certificate of Analysis is required by Customs (depending on the type of foodstuff). For SUPPLEMENTS: To import food supplements its mandatory for the costumer to provide local authorities with a list of ingredients invoking legal basis for EU entry of each of those ingredients.
- 12 A Phytopathological Certificate is required from origin and destination. Serious delays are expected.
- 13 To import this kind of product the importer must request this permit personally from the Regulatory Government Entity located in Lisbon (House of Treasury). Delays should be expected.
- 14 Can only be imported by an authorized subject on excisable goods in PT. It is consignee's responsibility to check whether or not it can be imported.
- 15 Is FORBIDDEN to import Electronic Cigars and Refills by private individuals.
