DOCKET NO. 080121-WS

FILED: February 12, 2010

**AQUA UTILITIES FLORIDA, INC.'S
SUPPLEMENTAL FOURTH REQUEST FOR CONFIDENTIAL CLASSIFICATION
OF CUSTOMER-SPECIFIC INFORMATION RELATING TO
QUALITY OF SERVICE MONITORING PLAN**

Aqua Utilities Florida, Inc. ("AUF"), pursuant to Section 367.156, Florida Statutes, and Rule 25-22.006(4), Florida Administrative Code, supplements its September 21, 2009 request for confidential classification of customer-specific information to be supplied by AUF to the Commission in connection with the quality of service monitoring plan in Order No. PSC-09-0385-FOF-WS (the "Order"). In support of its request, AUF states:

1. The Order required AUF to submit to the Commission (i) a monthly report listing all customer complaints for the first six (6) months after the Order issued and (ii) sound recordings of customer complaints for the month for the first six (6) months after the Order issued. Order at 22. The Order also required AUF to submit to Commission Staff meter reading route schedules for the six (6) months after the Order issued and meter reading logs for the same six (6) month period. *Id.*

2. On September 21, 2009, AUF filed with the Commission its fourth listing of the meter reading logs, with documentation it thought included meter reading logs for the month of August 2009. On the morning of February 11, 2010, Staff brought to AUF's attention that tAUF inadvertently submitted on September 21, 2009, meter reading logs for the month of July 2009, instead of the intended meter reading logs for the month of August 2009. Accordingly, to correct

its September 21, 2009 submission, AUF is now submitting meter reading logs for the month of August 2009.

3. The meter reading logs contain proprietary customer-specific information, the disclosure of which would harm the privacy interests of individual customers and subject those customers to other harm, including potential identity theft. Accordingly, AUF is submitting the meter reading logs for the month of August 2009 in redacted form to protect certain specified confidential information.

4. The meter reading logs are entitled to confidential classification pursuant to Section 367.156(3), Florida Statutes, and Rule 25-22.006, Florida Administrative Code, and are exempt from Section 119.07(1), Florida Statutes, and Article I, Section 24(a), of the Florida Constitution, because such information constitutes "proprietary confidential business information" as defined in Section 367.156(3), Florida Statutes.¹

5. Pursuant to Florida Administrative Code Rule 25-22.006, detailed justification for the confidential classification of the monthly meter reading logs are set forth below.

Monthly Meter Reading Logs

6. As explained above, Staff has requested, and AUF has agreed to provide, amended meter reading logs for the month of August 2009. The meter reading logs contain sensitive customer-specific information such as customer name and address.

7. As discussed above, the Commission has consistently ruled that detailed customer-specific information such as customer name and address are confidential proprietary

¹ § 367.156(3), Fla. Stat., defines proprietary confidential business information as "information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or a private agreement that provides that the information will not be released to the public."

information, "the disclosure of which would harm the privacy interest of individual customers and deter customers from contacting the Company in the future if such information is subject to public disclosure[.]" *See, e.g., In re: Review of Florida Power Corporation's earnings, including effects of proposed acquisition of Florida Power Corporation by Carolina Power & Light*, 02 F.P.S.C. 3:215, Docket No. 000824-EI, Order No. PSC-02-0356-CFO-EI (Mar. 15, 2002).

8. The following columns in the monthly meter reading logs for August 2009 are confidential and have been redacted for the following reasons:

- Column A - contains the customer name which is detailed customer-specific information that the Commission has routinely protected as proprietary confidential business information.
- Column B - contains the customer address which is detailed customer-specific information that the Commission has routinely protected as proprietary confidential business information.

Documents Attached to the Request

9. The following documents supporting this request are attached hereto and incorporated by reference herein:

Exhibit "A": The original and fifteen (15) copies of the redacted monthly meter reading logs for the month of August 2009 have been contemporaneously filed in this docket with this Request.

Exhibit "B": Meter reading logs for the month of August 2009 with the confidential information subject to this request highlighted in transparent ink. **This document has been placed in a sealed envelope marked "CONFIDENTIAL" and should receive confidential treatment by the Commission.** One (1) copy of Exhibit "B" is attached to the original filing hereof.

Exhibit "C": One (1) copy of a CD containing the meter reading logs for the month of August 2009 with the confidential information subject to this request highlighted. Because the information in Exhibit "C" is stored in electronic format, it is not possible to redact the confidential information contained therein. **This CD has been placed in a sealed enveloped marked "CONFIDENTIAL" and should receive confidential treatment by the Commission.**

WHEREFORE, AUF requests that the specified confidential information in the meter reading logs highlighted in Exhibit "B", and the electronically stored material of meter reading logs contained in the CD designated as Exhibit "C", be classified as confidential and exempt from Chapter 119, Florida Statutes, and Article I, Section 24(a), of the Florida Constitution for the maximum period.
