

HP Color LaserJet Enterprise flow M880z Multifunction Printer

Ordering Information

Commercial model number:
A2W75A (BGJ)
A2W75A (201/Gov't)
A2W75A (AAZ/220 volt model)

Canada model number:
A2W75A

Sidebar

In the box:

Print cartridge (1 each black, cyan, yellow, magenta)
Image drums (1 each black, cyan, magenta, yellow)
Software and documentation on CD-ROM
Power cord
HP Jetdirect Gigabit Ethernet Print Server (embedded)
100-sheet multipurpose tray 1
500-sheet input tray 2
Automatic duplexer (built-in)
Encrypted Hard Drive
Fax
Fax cable
3 x 500-sheet paper input

Software:

HP PCL 6 Discrete Printer Driver
Mac SW Link to Web (Mac Installer)
Windows Installer

Standard warranty:

1 year next business day onsite

Streamline and accelerate workflows across your business with a top-of-the-line enterprise MFP.

Accelerate business workflows and easily connect users throughout your office. Share documents without delay, using flexible send-to options. Complete big jobs fast, thanks to versatile paper-handling tools.

[Enlarge Image](#)

Boost productivity and avoid delays. Employees can scan two-sided documents in one pass and add professional finishing touches with minimal effort.

Eliminate the wires and complications from mobile printing. Enable easy printing from smartphones, tablets, and laptops at work, home, or on the go. Give users simple access through wireless direct printing and touch-to-print technology.^{1,2}

Help protect your printer investment and manage printing across the enterprise. Easily upgrade and add capabilities as your needs change. Manage the printing fleet from a single location. Expect high efficiency for the long term.

Compatible Operating Systems

Standard Desktop

Windows XP	32-bit/64-bit (SP2 or higher)
Windows Server 2003	32-bit/64-bit (SP1 or higher)
Windows Server 2008	32-bit/64-bit

The information contained herein is subject to change without notice. The only warranties for HP products and services are set forth in the express warranty statements accompanying such products and services. Nothing herein should be construed as constituting an additional warranty. HP shall not be liable for technical or editorial errors or omissions contained herein.

1. Touch-to-print capability is standard in the HP Color LaserJet Enterprise flow MFP M880z+ D7P71A model, and may be added as an option to the HP Color LaserJet Enterprise M880z + A2W76A and M880z A2W75A. Mobile device must support near-field communications-enabled printing. For a list of supported devices, see hp.com/go/mobileprinting.
2. Wireless direct printing is standard in the HP Color LaserJet Enterprise flow MFP M880z+ D7P71A model, and may be added as an option to the HP Color LaserJet Enterprise M880z + A2W76A and M880z A2W75A. Mobile device may require an app or driver. Wireless performance is dependent on physical environment and distance from the printer. For details, see hp.com/go/wirelessprinting.
3. Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent upon physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an internet connection to a HP Web-connected printer. App or software may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.
4. Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver and document complexity.
5. Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance and application software.
6. Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
7. HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
8. Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
