

Elevate Single-Surface Electric Desk

Elevate® Adjusta Dual-Surface Electric Desk
 Push a button to move the front and back surfaces simultaneously. Then squeeze a lever to position the front keyboard surface exactly where you want it.
 A spacious front surface runs the full width of the desk. Position the front surface below or above.

Sit-Stand Desks: WorkFit® and Elevate®

Improve energy and productivity with an ergonomic, sit-stand desk. Sit and stand throughout the workday to experience computing comfort and a healthier way to work. All WorkFit Desks feature our patented Constant Force™ lift technology for easy height adjustments. 

COMING SOON! WorkFit-DL— The updated styling of WorkFit-DL makes it a perfect addition to modern environments. It features a spacious, solid worksurface with easy height adjustability. Pre-drilled for an optional Underdesk Keyboard Arm (97-582-009). Add a display mount for enhanced workflow efficiency. Choose from 48" or 60" widths and 3 laminate finishes. (Black shown here)
