COMPLAINT

Plaintiffs, by and through their attorneys, bring this action against Defendants Mandalay Bay, LLC f/k/a Mandalay Corp., Mandalay Resort Group, MGM Resorts Festival Grounds, LLC, MGM Resorts Venue Management, LLC, MGM Resorts International (hereinafter collectively

1 “MGM” or “Defendants”), with personal knowledge as to their own actions, and upon information
2 and belief as to those of others, and respectfully allege the following:

3 **NATURE OF THE ACTION**

4 1. This action seeks to redress MGM’s inadequate, unreasonable, and egregiously
5 deficient security, which resulted in an MGM VIP Guest (“Shooter”) orchestrating the deadliest
6 mass shooting in United States history, causing injuries to Plaintiffs attending an MGM promoted
7 event held on MGM premises (“Mass Shooting”).

8 2. For three to six days prior to the Mass Shooting, MGM conveyed certain privileges
9 to the Shooter, including use of a service elevator not intended to be accessible to guests or the
10 public, which the Shooter used, with the assistance of MGM employees, to carry approximately
11 24 suitcases and/or bags and a large white container carrying at least 23 guns, including 22 assault
12 rifles, to two adjacent suites on the 32nd floor of the Mandalay Bay Resort and Casino Las Vegas
13 located at 3950 South Las Vegas Boulevard, Las Vegas, NV 89119 (“Mandalay Bay”).

14 3. Despite having repeated interactions with the Shooter, not a single MGM staff
15 member, manager, or security team member inquired with the Shooter about the nearly 25 bags
16 and containers he brought with him, even though he apparently remained alone his entire stay.

17 4. During those three to six days, while the Shooter prepared for the Mass Shooting,
18 MGM failed to exercise due care for the safety of its guests, deliberately ignoring countless signs
19 of suspicion that, if noticed, would have prevented, or significantly thwarted, the Shooter’s efforts.

20 5. In addition to the suspiciously large number of bags the Shooter had, he carried his
21 guns through hotel passages openly available to Mandalay Bay patrons, and he specifically
22 requested two rooms overlooking the Route 91 Harvest Festival (“Route 91 Festival”). The
23 Shooter procured a second room, using his girlfriend’s name, despite being alone his entire stay.
24 He also installed an elaborate surveillance system in the hotel, installing two cameras in the
25 hallway outside of his suites and one in the peep hole on his door.

4 **GENERAL ALLEGATIONS**

5 **A. MGM Failed to Exercise Due Care**

6 4347. Plaintiffs reallege and incorporate by reference every allegation contained in this
7 Complaint as though fully set forth herein. Based on information and belief, Plaintiffs assert the
8 additional allegations below.

9 4348. The Shooter was a VIP guest of Mandalay Bay, was permitted to specifically select
10 his room—choosing rooms with a vantage point from which to carry out the Mass Shooting.

11 4349. Because of his VIP status, MGM gave the Shooter extra leeway and privileges, and
12 either relaxed or failed to enforce the inadequate security policies and procedures that it has in
13 place for the safety of its guests.

14 4350. On Monday, September 25, 2017, six days before the October 1, 2017 Mass
15 Shooting, the Shooter checked into corner suite 32-135 on the 32nd Floor of the Mandalay Bay, a
16 suite specifically selected by the Shooter with a view overlooking the Route 91 Festival.

17 4351. On September 29, 2017, the Shooter, despite apparently being alone his entire stay,
18 used his girlfriend's name to check into suite 32-134, which connected with room 32-135 via a
19 door in between.

20 4352. MGM, including the Mandalay Bay premises, has a "strict no weapons" policy. In
21 so doing, MGM voluntarily assumed, and continues to assume, a duty to protect its patrons by
22 prohibiting firearms on its premises, recognizing such prohibition as being necessary for their
23 safety.

24 4353. MGM failed to enforce this policy against the Shooter, which resulted in the
25 Plaintiffs' damages.
26

1 4354. MGM's employees allowed the Shooter to use a service elevator to transport
2 numerous bags, which contained an arsenal of weapons, explosive material, and ammunition, to
3 his room.

4 4355. It is against MGM's policy, which is designed for the safety of its guests, to allow
5 non-employees to use the service elevators or bring firearms onto hotel premises.

6 4356. Upon information and belief, not only was MGM negligent in prohibiting firearms,
7 ammunition, and explosives to accumulate in rooms 32-135 and 32-134, but MGM's employees
8 escorted, delivered, carried and/or helped the Shooter carry the prohibited and dangerous items to
9 the rooms.

10 4357. MGM's employees negligently and carelessly failed to discover and/or notify law
11 enforcement of the Shooter's wrongful, dangerous, suspicious, and potentially harmful conduct.

12 4358. That, sometime between September 28, 2017 and October 1, 2017, the Shooter used
13 power tools to bolt the stairwell door closed, which, remarkably, MGM either ignored given the
14 Shooter's VIP status, or it went undetected until immediately prior to the Mass Shooting because
15 of Mandalay Bay's inadequate security.

16 4359. On October 1, 2017, between approximately 2:23 pm and 7:40 pm, the doors of
17 rooms 32-134 and 32-135 were manipulated multiple times, which MGM detected, but ignored.

18 4360. During this period, the Shooter used power tools to install one camera in the
19 peephole of his suite and at least two more cameras in the hallway, with one of the cameras on a
20 Mandalay Bay food service cart left by the Shooter in the hallway outside his room. The Shooter
21 used these video cameras to keep a lookout into on the hallway, and to attempt to thwart security
22 and/or law enforcement:

23 4361. MGM either intentionally ignored this surveillance system entirely given the
24 Shooter's VIP status, or it went completely undetected until after the Mass Shooting had ended
25 because of Mandalay Bay's inadequate security.

26 4362. That, MGM was either on notice that guests on its premises could be harmed by the
27 Shooter, or, at a minimum, failed to enforce its "strict no weapons" policy and failed to exercise
28

1 due care for the safety of its patrons or other persons on its premises that would have prevented
2 the Mass Shooting from occurring.

6 **B. MGM's Negligence During the Mass Shooting**

7 4363. Leading up to the Route 91 Festival event, MGM actively promoted the event,
8 including comping its patrons with free tickets to the festival and having its employees, including
9 dealers at Mandalay Bay, promote the event to the hotel's patrons.

10 4364. On the Route 91 Festival website, Mandalay Bay and MGM's other hotels—with
11 the majority of properties belonging to Mandalay Resort Group—were promoters of the event,
12 offering exclusive hotel offers to those in attendance:

13 4365. MGM also used social media to promote the Route 91 Festival, including the twitter
14 accounts of both MGM Resorts International and Mandalay Bay:

15 4366. On October 1, 2017, Plaintiffs entered the Route 91 Festival, which took place at
16 the Las Vegas Village, a recreational facility owned by MGM that is adjacent to and used or
17 maintained in connection with MGM's Mandalay Bay, and other MGM hotels.

18 4367. As they entered the Las Vegas Village, the Plaintiffs' person and possessions were
19 searched for weapons.

20 4368. At approximately 8:40 p.m., a HotSOS alarm (triggered when a guest's room door
21 is left ajar for a predetermined amount of time) was generated from room 32-129.

22 4369. MGM has a policy to investigate such alarms in order to ensure the safety of its
23 guests and its guests' belongings.

24 4370. MGM deliberately waited until approximately 9:11 p.m., over 30 minutes after the
25 alarm was generated, to assign Mandalay Bay's security guard Jesus Campos to investigate room
26 32-129.
27

1 4371. That, Mr. Campos waited until approximately 9:47 p.m., more than one hour after
2 the HotSOS alarm was first generated, to investigate room 32-129.

3 4372. Plaintiffs are informed and believe and herein allege that this inexcusable delay was
4 due to a lack of security staffing, and MGM's inadequate security policy and procedures, which
5 forced Mr. Campos, the only security guard responsible for the 100-wing section of the Mandalay
6 Bay at the time, to investigate four other HotSOS alarms first.

7 4373. While on route to room 32-129 through the 100-wing stairwell, Mr. Campos noticed
8 the stairwell entrance to the 32nd floor had been barricaded, preventing his access to the 32nd
9 Floor. At approximately 10:00 p.m., after walking up to the 33rd floor and using a guest elevator
10 to get to the 32nd Floor, Mr. Campos confirmed room 32-129 was secure. He then checked the
11 entrance to the 100-wing stairwell and discovered an "L" bracket screwed into the door and frame,
12 preventing it from being opened.

13 4374. Inexplicably, Mr. Campos reported this finding to the Maintenance Department
14 instead of MGM Security.

15 4375. Due to MGM's lack of staffing and inadequate security policies and procedures,
16 Mr. Campos failed to immediately check the HotSOS alarm for room 32-129, which would have
17 resulted in Mr. Campos investigating the 100-wing stairwell entrance much sooner.

18 4376. At approximately 10:00 p.m., during the performance of Jason Aldean, the Shooter
19 broke out two windows in his Mandalay Bay Hotel rooms, and began firing gunshots at the Route
20 91 Festival on the adjacent MGM owned property.

21 4377. Shortly after the shooting began, Mr. Campos walked down the 100-wing hallway
22 when the Shooter fired shots at Mr. Campos, striking him in the left calf with a bullet fragment.

23 4378. Despite Mr. Campos telling his dispatcher that shots had been fired from room 32-
24 135, MGM failed to immediately and correctly report this information to law enforcement, leading
25 to a delayed and imprecise response by law enforcement, causing and contributing to the injuries
26 and damages suffered by Plaintiffs.
27

1 4379. At approximately 10:10 p.m., hotel engineer, Stephen Schuck, arrived on the 32nd
2 floor to investigate the “L” bracket blocking the stairwell entrance. While on route, Mr. Schuck
3 reported to Mandalay Bay personnel that someone was shooting a rifle in the 100-wing hallway
4 on the 32nd floor. Still, MGM failed to immediately and correctly report this information to law
5 enforcement, leading to a delayed and imprecise response by law enforcement, causing and
6 contributing to the injuries and damages suffered by Plaintiffs.

7 4380. For several minutes, the Shooter used an arsenal of weapons firing hundreds of
8 rounds at the Route 91 Festival without interruption, fatally injuring 58 people, and injuring
9 hundreds of others.

10 4381. Despite having direct knowledge of the exact location of the Shooter, at no point
11 did MGM take any action to stop, deter, minimize the harm caused by the Shooter, or otherwise
12 intervene.

13 4382. Despite the fact that Mr. Campos and Mr. Schuck both reported that shots were
14 coming from room 32-135 and the 100-wing hallway of the 32nd floor, MGM failed to properly
15 relay the Shooter’s exact location to law enforcement or immediately send its own security to stop
16 the Shooter.

17 4383. That, conflicting information on the exact location of the Shooter(s) whether it was
18 on the 31st, 32nd, or 33rd floors. Further when strike teams arrived, each group was given
19 information the Shooter was possibly on the 29th or 31st floor and taken there by elevator.
20 Additional wrong information resulted in law enforcement being sent to the Foundation Room on
21 the top floor of the Mandalay Bay. These failures caused by MGM allowed the Shooter to continue
22 the Mass Shooting uninterrupted, causing and contributing to Plaintiffs’ injuries.

23 4384. MGM failed to keep the Las Vegas Village venue reasonably safe, which also
24 caused and contributed to Plaintiffs and other festival attendees’ injuries. For instance, the festival
25 lacked a sufficient number of available exits for rapid disbursement of a crowd, as MGM had
26 closed, blocked off, locked or completely barricaded many exits. Likewise, the few exits that were
27 available were not sufficiently marked with signs and/or were not well lit.
28

1 4385. Upon information and belief, Plaintiffs believe that many of the venue exits for the
2 venue were sealed to reduce MGM’s security costs, and to prevent people from entering the festival
3 without paying, thereby maximizing MGM’s profits. Rather than employing additional security
4 personnel to watch and maintain the additional emergency exits, Plaintiffs believe MGM cut
5 staffing costs by sealing those exits.

7 **C. MGM’s Inadequate Security Policies and Procedures**

8 4386. While the Mass Shooting itself lasted less than twenty minutes, it should not, could
9 not, and would not have occurred but for the ongoing negligent acts and omissions of MGM.

10 4387. MGM employed, and continues to employ, inadequate security policies,
11 procedures, and safeguards to detect improper and/or prohibited items and conduct, such as those
12 used, and actions taken, by the Shooter.

13 4388. MGM holds itself out as the leading hospitality and entertainment company in the
14 world. While it owns several hotel properties, MGM views and promotes itself as “one united
15 entertainment and hospitality company.”

16 4389. MGM Resorts International grew its collection of properties, including some of its
17 signature brands, in part by way of various mergers and acquisitions. Of consequence to the
18 allegations made herein, MGM Resorts International announced in June 2004 that it entered into a
19 definitive merger agreement with Mandalay Resort Group where the former would acquire the
20 latter for an estimated \$7.9 billion. As part of the acquisition, MGM Resorts International obtained
21 Mandalay Resort Groups’ portfolio of properties, including without limitation Mandalay Bay.

22 4390. MGM Resorts International sought, and continues to seek, to maximize its revenues
23 in order to drive profit growth.

24 4391. Upon information and belief, MGM Resorts International achieves this by
25 consolidating certain operations upon the completion of each merger and/or acquisition in order to
26 eliminate redundancies and reduce its operating costs. By way of example, MGM uses a single
27 rewards program for its guests known as “M Life” for all its hotels. Additionally, prospective
28

1 employees of MGM are required to apply online at a single online portal containing available job
2 postings for all properties.

3 4392. Upon further information and belief, and at all times relevant herein, Mandalay
4 Bay's security operations were also consolidated with MGM Resorts International in order to
5 eliminate redundancies and reduce operating costs. Additionally, it is further believed that
6 Mandalay Bay then adopted the security policies, procedures and/or protocols of MGM Resorts
7 International, which are implemented and/or enforced across MGM's collection of properties. It
8 is also believed that Mandalay Bay and MGM's other hotels use a common security management
9 and record keeping system.

10 4393. The majority of MGM's security is deliberately geared towards surveilling,
11 monitoring, and/or observing gaming related activities to guard against theft. This includes,
12 without limitation, access to the casino cage; the use of multiple security personnel when
13 transporting markers, chips, or case; and employing thousands of cameras to surveil table games
14 to prevent internal and external theft.

15 4394. These security policies, procedures, and safeguards are intended to maximize
16 MGM's profits, rather than ensure patrons' safety, by identifying instances of theft, recovering any
17 lost monies stolen from the casino, identifying those individuals engaging in such conduct, and
18 preventing such individuals from returning onto the property in the future.

19 4395. MGM's additional security resources are focused on accommodation over security,
20 where security personnel perform tasks unrelated to security such as carrying luggage, opening
21 doors, and otherwise providing exceptional customer service. This, again, is intended to maximize
22 MGM's profits, rather than take reasonable security measures for its patrons' safety.

23 4396. Plaintiffs are informed and believe and herein allege that MGM's security resources
24 are not dedicated to proactively detecting suspicious activity, firearms, and other prohibited
25 weapons of that nature that could harms its guests, despite MGM's express prohibition of such
26 items. Indeed, MGM deliberately allows its VIP guests, such as the Shooter, to breach its security
27 policies and procedures in order to retain its VIP guests' business.

1 4397. In addition, MGM has not updated its security policies, procedures, or safeguards
2 to reflect and/or be commensurate with the increased volume of visitors coming onto its properties,
3 especially at Mandalay Bay, notwithstanding its active efforts in soliciting such business.

4 4398. Likewise, MGM has not updated its security policies, procedures or safeguards to
5 reflect and/or be commensurate with the prevalence of terroristic threats and mass shootings in our
6 society, which many other Las Vegas hotels have done.

7 4399. It was foreseeable to MGM that something catastrophic and/or similar to this event
8 could occur, especially if one assisted and allowed an individual to accumulate approximately 22
9 assault rifles, one long rifle, one handgun, 5,000 rounds of ammunition, homemade gasmasks,
10 sledge hammers, glass cutters, and power tools in its room overlooking a 20,000 person festival.

11 4400. MGM's industry also foresaw something similar to the Mass Shooting
12 approximately 18 months prior to it actually occurring.

13 4401. In January 2016, an unfortunately prophetic article appeared in Casino Journal
14 titled, "*The Growing and Changing Role of Casino Surveillance.*" In it, the author notes, "It's no
15 longer all about card cheats and small-time criminals. It's about ensuring that our employees and
16 guests are not attacked **or shot** . . . Today, security and surveillance teams must be constantly
17 prepared for a critical event or emergency, **such as an active Shooter** . . . This has become a
18 continuing saga, and unfortunately it isn't going away for a while, if it ever does . . . our security
19 and surveillance teams must be prepared to immediately **react properly to an active Shooter. It**
20 **is, sadly, an event that we may have to handle one day.** Our world has changed, and so has
21 protecting our casino property." Therefore, it was foreseeable to MGM that something
22 catastrophic, identical, and/or similar to the Mass Shooting could occur.

23 4402. MGM knew of industry opinion for potential active or mass shooters in 2013 or
24 2014 when they began training its "security" personnel on active or mass shooters. Unfortunately,
25 that training was inadequate and/or not followed between September 25 and October 1, 2017,
26 which resulted in the injuries and damages to Plaintiffs.
27

1 4403. The events leading up to, in addition to, the Mass Shooting were foreseeable
2 because MGM knew of this industry opinion and had notice and/or knowledge of prior incidents
3 and/or similar wrongful acts occurring on Mandalay Bay premises, including assault and non-
4 assault weapons found and confiscated on the casino floor and nightclubs.

5 4404. The events leading up to, in addition to, the Mass Shooting were foreseeable
6 because MGM knew of this industry opinion and had notice and/or knowledge of prior incidents
7 and/or similar wrongful acts occurring on Mandalay Bay premises, including assault
8 weapons/firearms found and confiscated in hotel rooms.

9 4405. The events leading up to, in addition to, the Mass Shooting were foreseeable
10 because MGM knew of this industry opinion and had notice and/or knowledge of prior incidents
11 and/or similar wrongful acts occurring on Mandalay Bay premises, including weapons/firearms
12 found and confiscated in hotel rooms.

13 4406. Based on information and belief, MGM had knowledge of one or more active
14 gunman and/or gunfire incidents at Mandalay Bay and/or MGM's other properties prior to the
15 Mass Shooting, showing such incidents were reasonably foreseeable.

16 4407. Despite having knowledge that an active shooter was reasonably foreseeable, MGM
17 failed to have adequate and effective plans, policies, and procedures in place to deal with an active
18 shooter.

19 4408. Upon information and belief, in the timeframe immediately leading up to Mass
20 Shooting, MGM significantly reduced its workforce, including, but not limited to, security
21 personnel.

22 4409. Because of MGM's inadequate security measures:

- 23
- 24 a. A single guest can check into multiple rooms, including under another person's
 - 25 name, without that named person ever appearing at the hotel;
 - 26 b. A single guest can carry seven large, heavy bags and suitcases containing assault
 - 27 rifles and ammunition at a time, and request to avoid the public elevators without
 - 28 MGM's concern;

1 c. Over the course of several days, a single guest can carry approximately 25 bags and
2 suitcases into his room containing an arsenal of weapons, with MGM's help and
3 without MGM's concern; and

4 d. With or without the consent or escort of MGM, can use service elevators for
5 whatever purpose they choose, including to move oversized or numerous pieces of
6 luggage, necessarily removing patrons from the normal security protocols in place
7 at the hotel and against MGM's security policy.

8 4410. MGM's security measures are woefully deficient in dealing with the large number
9 of guests visiting the property. As a result, this enabled, and continues to enable, individuals to
10 bring prohibited items onto the property such as explosives, ammunition, and/or firearms which
11 enabled, and continues to enable, individuals to engage in prohibited activities and use dangerous
12 items while on MGM's premises.

13 4411. MGM's systemic security failures enabled and contributed to the Shooter bringing
14 and using dangerous, prohibited items while on the premises.

15 4412. But for these inadequate and defective security policies, procedures, and safeguards
16 employed by MGM, among other negligent conduct, the Mass Shooting would not and could not
17 have occurred.

18 4413. But for MGM's reduction in security personnel, among other negligent conduct, the
19 Mass Shooting would not and could not have occurred.

20 4414. But for MGM's failure to intervene, among other negligent conduct, Plaintiffs
21 would not have been injured or killed.

22 4415. But for MGM's failure to take basic minimum precautions that are reasonably
23 expected from a hotel owner, among other negligent conduct, Plaintiffs would not have been
24 injured or killed.

25 4416. But for MGM focusing on identifying instances of theft, recovering lost monies
26 stolen from the casino, watching money during scheduled pit drops and slot drops, and other acts
27 that may affect its profits, Plaintiffs would not have been injured or killed.

1 c. MGM, each of them, and as co-venturers, agreed to share jointly, or in proportion
2 to capital contributed, in profits and losses from the Route 91 Festival.

3 4424. Upon information and belief, and as part of the joint venture, MGM Resorts Festival
4 Grounds provided the land for MGM to hold the Route 91 Festival and/or MGM Resorts Venue
5 Management served as the event promotor of the Route 91 Festival.

6 4425. As part of the joint venture, MGM's properties served as the official hotels for
7 concert attendees also advertising marketing, and/or promoting the Route 91 Festival in and outside
8 of their respective premises. This included giving free tickets to its hotel patrons and/or guests,
9 providing exclusive hotel discounts only available to concert attendees, and providing
10 transportation to and from the hotel/concert venue.

11 4426. MGM was acutely aware that music festivals historically lose money in their
12 inaugural years of operation. "You've got to have a lot of stomach to put these big festivals on
13 knowing that you will lose money in the first two to three years," stated Chris Baldizan, MGM
14 Resorts International Senior Vice President.¹ "We invested some money into the site — it was
15 essentially a run-down parking lot. We put some power in the venue, we paved it and cleaned it
16 up. But there's nothing really permanent on the site," according to Mr. Baldizan.²

17 4427. It is believed that MGM invested, minimal amounts for the venue, instead putting
18 the majority of financial resources into attracting high caliber talent to perform at the event at the
19 expense of patron security. Such minimal investment includes, but is not limited to, the following:

- 20 a. Temporary chain link fencing around the perimeter of the venue;
- 21 b. Insufficient number of entrances for ingress/egress;
- 22 c. The absence of permanent signage denoting specific areas of ingress and egress (*i.e.*
23 emergency exits); and/or

1 d. An accessible communication system for public use when ordinary communications
2 are unavailable (*i.e.* emergency sirens).

3 4428. As a result of MGM's conscious decision to invest more on talent and less on the
4 venue itself, the Las Vegas Village ultimately was, and continues to be, an inherently unsafe venue
5 susceptible to any type of mass casualty event whether a natural disaster, fire and/or act of
6 terrorism.

7 4429. MGM's inadequate security at the venue caused and/or contributed to the endless
8 injuries and deaths that occurred on 1 October, including Plaintiffs.

9 4430. Upon information and belief, and at all times relevant herein, Defendants were
10 responsible for hiring, managing, training, and/or supervising event staff working at the Las Vegas
11 Village.

12 4431. Pursuant to local codes and/or ordinances, Defendants were required to obtain an
13 outdoor festival permit in order to hold the Festival. As permit holders, Defendants were required
14 to meet certain conditions prior to holding such an event, which included submitting a detailed
15 security plan.

16 4432. That Defendants, each of them, collaborated, discussed, organized, drafted and/or
17 otherwise prepared a security plan for the Festival.

18 4433. A detailed security plan necessarily includes an emergency evacuation plan as well
19 as policies and procedures in handling a mass casualty event, if and when it occurs.

20 4434. MGM failed to reasonably hire staff with the requisite experience and/or to properly
21 train them in executing an emergency evacuation plan and responding to a mass casualty event.

22 Such failures include, but are not limited to, the following:

- 23
- 24 a. Not communicating, instructing, directing, assisting and/or guiding concert
25 attendees to designated exits during an emergency; and/or
 - 26 b. Not executing an emergency evacuation plan to allow concert attendees to evacuate
27 the premises.
- 28

1 4442. At all relevant times, MGM knew or should have known that it was reasonably
2 foreseeable that a breach of its duties to keep its premises reasonably safe and free from firearms
3 and weapons would result in injury or death to its guests.

4 4443. This is especially true where MGM allowed a single guest to carry approximately
5 25 bags and suitcases containing approximately 22 assault rifles, one long rifle, one handgun, 5,000
6 rounds of ammunition, tripods, homemade gas masks, power tools, glass cutters, and sledge
7 hammers into one or two rooms of its Mandalay Bay hotel, which overlooked a concert with
8 approximately 20,000 attendees that MGM promoted to its guests.

9 4444. MGM breached its duty of reasonable care by failing to maintain the Mandalay Bay
10 premises in a reasonably safe condition, including, but not limited to, the following:

- 11 a. failing to properly surveil people coming and going from the hotel;
- 12 b. failing to monitor the hotel premises with a closed-circuit television;
- 13 c. failing to discover some or all of the Shooter's arsenal of weapons,
14 ammunition, explosive material or other prohibited items between
15 September 25, 2017 and October 1, 2017;
- 16 d. assisting the Shooter with transporting all or part of his arsenal of
17 weapons, ammunition, explosive material and other prohibited items
18 between September 25, 2017 and October 1, 2017, through the
19 nonpublic service elevator;
- 20 e. assisting the Shooter on September 29, 2017, with checking into a
21 second suite in his girlfriend's name, despite the Shooter staying alone;
- 22 f. failing to conduct any investigation into a single individual that carried
23 approximately 25 bags and suitcases into two rooms, which oversaw the
24 Route 91 Festival grounds owned by MGM (in which he stayed in
25 alone);
- 26 g. failing to timely respond to, or otherwise act upon, the Shooter's
27 internal shooting at Mandalay Bay, including, but not limited to, the

shooting of Mandalay Bay security guard Jesus Campos (who waited nearly one hour before going to the 32nd floor after receiving an alert coming from another guests' room);

- h. failing to notice or take precautions against the Shooter's delivery of guns, ammunition, explosive material, and other prohibited items to his hotel room;
- i. failing to notice or take action against the Shooter's installation and setup of surveillance cameras outside his hotel rooms;
- j. failing to adequately prevent, respond or timely discover the Shooter's breaking out and opening of the Mandalay Bay hotel room windows;
- k. failing to adequately train and supervise employees on the reporting and discovery of suspicious individuals, persons, and/or activities;
- l. failing to investigate the Shooter's room after a "Do Not Disturb" sign remained on the Shooter's door for more than 36 hours;
- m. failing to timely discover the stairwell door bolted closed;
- n. failing to discover and/or investigate the use of power tools by the Shooter, which modified the Hotel Premises;
- o. failure of MGM personnel to discover and report the arsenal of weapons, ammunition, explosive material and other prohibited items in the Shooter's rooms;
- p. failing to report the arsenal of weapons, ammunition, explosive material and other prohibited items discovered by MGM personnel servicing the room and its hotel guests;
- q. failing to employ adequate safety measures;
- r. failing to exercise due care;
- s. failing to take minimal safety precautions to ensure the safety of guests on its premises;

- t. failing to properly train and supervise employees, contractors, vendors, guests of the plan of action in case of an active Shooter situation;
- u. failing to properly respond to an emergency situation;
- v. failing to properly implement and execute active Shooter plan.

4445. In addition, Defendants breached their duty of reasonable care by failing to maintain the Las Vegas Village in a reasonably safe condition, including, but not limited to, for having as follows:

- a. Temporary chain link fencing around the perimeter of the venue;
- b. Insufficient number of entrances for ingress/egress;
- c. The absence of permanent signage denoting specific areas of ingress and egress (*i.e.* emergency exits); and/or
- d. An accessible communication system for public use when ordinary communications are unavailable (*i.e.* emergency sirens).

4446. Defendants failed to reasonably hire staff with the requisite experience and/or to properly train them in executing an emergency evacuation plan and responding to a mass casualty event, including, but are not limited to:

- a. Communicating, instructing, directing, assisting and/or guiding concert attendees to designated exits during an emergency; and/or
- b. Executing an emergency evacuation plan to allow concert attendees to evacuate the premises.

4447. Defendants are further liable for the negligence of its employees pursuant to the doctrine of *respondeat superior*, and the negligence of its agents under the doctrine of vicarious liability.

4448. Based on the totality of the circumstances surrounding the Shooter's September 25, 2017 to October 1, 2017 stay at Mandalay Bay, MGM knew, or should have known, that it was foreseeable that the Shooter could cause harm to someone on and/or adjacent to its premises.

1 4449. That Defendants acted recklessly, maliciously, and/or oppressively with intent to
2 allow injury to Plaintiffs.

3 4450. That Defendants' failures amount to a conscious disregard for the safety of
4 Plaintiffs, and others so as to constitute malice and oppression, and Plaintiffs are entitled to
5 exemplary or punitive damages in an amount in excess of Fifteen Thousand Dollars (\$15,000.00).

6 4451. As a direct and proximate result of Defendants' wrongful conduct, Plaintiffs, and
7 each of them, sustained personal, physical and emotional injuries, all or some of which conditions
8 may be permanent and disabling, and all to their damage in a sum in excess of Fifteen Thousand
9 Dollars (\$15,000.00).

10 4452. As a direct and proximate result of Defendants' wrongful conduct, Plaintiffs, and
11 each of them, have received medical, psychological and other treatment for the aforementioned
12 injuries, and said services, care, and treatment is continuing and shall continue in the future, all to
13 their damage in a sum in excess of Fifteen Thousand Dollars (\$15,000.00).

14 4453. As a direct and proximate result of Defendants' wrongful conduct, Plaintiffs, and
15 each of them, are entitled to recover damages for the pain, suffering, anxiety, disability, emotional
16 distress, physical injuries and medical treatment, both past and future, in an amount in excess of
17 Fifteen Thousand Dollars (\$15,000.00).

18 4454. As a direct and proximate result of Defendants' wrongful conduct, Plaintiffs, and
19 each of them, sustained physical impairments, mental anguish, and loss of enjoyment of life, all to
20 their damage in an amount in excess of Fifteen Thousand Dollars (\$15,000.00).

21 4455. As a direct and proximate result of Defendants' wrongful conduct, Plaintiffs, and
22 each of them, have sustained loss of earning capacity, past and future, as well as loss of wages, all
23 to their damage in an amount in excess of Fifteen Thousand Dollars (\$15,000.00).

24 4456. As a direct and proximate result of Defendants' wrongful conduct, each Decedent's
25 Estate is entitled to general damages and exemplary or punitive damages that each Decedent would
26 have recovered had they survived, in an amount in excess of Fifteen Thousand Dollars
27 (\$15,000.00).
28

1 4457. As a result of Defendants' wrongful conduct as alleged herein Plaintiffs, and each
2 of them, have been required to retain the services of attorneys, and to incur attorney's fees and
3 costs thereby.

11 operator, and/or controller of the premises and common area known as Las Vegas Village located
12 at 3901 South Las Vegas Boulevard, Las Vegas, NV 89119.

13 4460. At all times mentioned herein, MGM was the owner, manager, supervisor,

8 **THIRD CLAIM FOR RELIEF**

9 **Negligent Infliction of Emotional Distress**

10 4485. Plaintiffs reallege and incorporate by reference every allegation contained in this
11 Complaint as though fully set forth herein.

12 4486. Defendants owed a duty to exercise due care not to subject Plaintiffs to foreseeable
13 risk of mental, emotional and/or physical injury, and Defendants knew or reasonably should have
14 known that such acts and/or omissions of acts as herein alleged, were likely to result in mental,
15 emotional and/or physical injury to Plaintiffs.

16 4487. Defendants while engaging in the aforementioned conduct did negligently inflict
17 extreme mental and emotional distress, indignity, embarrassment, and humiliation upon Plaintiffs,
18 and each of them, and did breach that duty to all Plaintiffs.

19 4488. Plaintiffs have suffered and continue to suffer serious emotional distress causing
20 physical injury and illness as a result of the negligence and wrongful conduct of Defendants, all to
21 their damage in an amount in excess of Fifteen Thousand Dollars (\$15,000.00).

25 **Nuisance**

26 4490. Plaintiffs reallege and incorporate by reference every allegation contained in this
27 Complaint as though fully set forth herein.
28

1 4491. Plaintiffs were ticket holders with the right to occupy, attend, and/or otherwise be
2 present at the venue for the Route 91 Festival, including grounds and adjacent property controlled
3 and owned by MGM.

4 4492. MGM, by way of its acts and omissions, created and/or permitted an ongoing
5 condition, namely MGM's failure in operating a high traffic resort hotel without adequate security
6 measures in place to detect, identify, and/or otherwise prevent patrons with dangerous weapons
7 from coming onto its premises.

8 4493. The existence of that ongoing condition was harmful to Plaintiffs' health, safety and
9 welfare so as to substantially interfere with Plaintiffs' comfortable enjoyment of life.

10 4494. This condition substantially interfered with Plaintiffs' use of the hotel and concert
11 venue, including enjoyment of the Route 91 Festival and Plaintiffs did not consent to MGM's
12 conduct.

13 4495. An ordinary person would be disturbed by MGM's conduct.

14 4496. MGM's failure in operating its business without adequate security measures in place
15 was a substantial factor in causing Plaintiffs' harm.

16 4497. The seriousness of the harm outweighed the public benefit of MGM's conduct,
17 namely that MGM must enact, develop and/or implement reasonable security measures so patrons
18 in close proximity to such business operations will not be unreasonably harmed as a result.

19 4498. As a direct and proximate result of all the foregoing and as a result of the acts and/or
20 omissions of MGM, Plaintiffs, and each of them have sustained damages in an amount in excess of
21 Fifteen Thousand Dollars (\$15,000.00), both individually and collectively.

24 for the rights and safety of Plaintiffs, and MGM should be punished and made an example of by
25 imposition of punitive or exemplary damages in an amount in excess of Fifteen Thousand Dollars
26 (\$15,000.00).
27

22 (\$15,000.00).
