SALAMANDER + SHARP
ALIGNED FOR YOU

Salamander supports Sharp to bring together elegant professional display technology and premium AV furniture for mutual integrators and end customers. These turn-key systems feature innovative cabinets and mobile carts designed for professional displays to provide stunning aesthetics and ergonomically-correct display positioning for the best possible user experience.

Complete Deployment for a Better Experience

- Sleek, Cabinets and Mobile Carts specifically designed for all professional displays

- ADA compliant with UL-listed display mount

- Unique depths for greater space optimization

- Accessible, comfortable, ergonomic display positions for improved productivity and user experience

- Low impact installation - no wall reinforcement, simple toggle bolt installation for anti-tip

- Rapid Global Deployment with standardized, simplified AV solutions that save time and money

- Retrofit-friendly and easily upgradeable

PREFERRED PARTNER PROGRAM

TEAM **SALAMANDER**

Sharp
PN-L751H

SALAMANDER
FPS1/ELT/GG

"At Sharp we recognize the value of aligning with like-minded companies to work together to provide the best possible user experience for our customers. By collaborating with Salamander Designs, we can assure that Sharp Integrators and customers achieve maximum productivity and the greatest benefit from their investment."
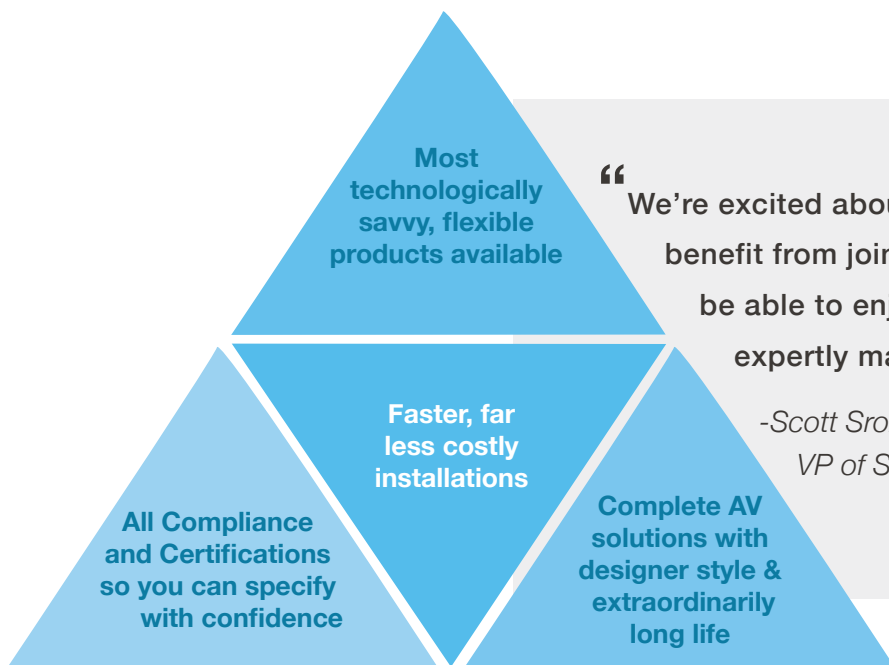

-Gary Bailer, Director of Product Planning & Marketing,
Pro AV Products Sharp Imaging & Information Company of America

SALAMANDER + SHARP
WORKING FOR YOU

The Salamander and Sharp difference lies in the seamless intersection of premium furniture design with AV technology that makes your projects faster to specify, easier to install and more visually appealing than ever before. Considered the "go to" furniture brand by integrators the world over, Salamander has a 25-year history of delivering high-quality workplace furniture, seating and AV-support structures. When coupled with Sharp, there is simply no better integrated system for your projects

#1 Furniture Brand is Designed For You

- 25+ years of providing innovative AV furniture and seating solutions

- #1 furniture brand in CE Pro Analysis - for 14 years in a row

- Premium products manufactured in a 100% solar-powered USA factory

- Uniquely quick-shipped with in days

- Backed by unprecedented service and Limited Lifetime Warranty

Most technologically savvy, flexible products available

Faster, far less costly installations

All Compliance and Certifications so you can specify with confidence

Complete AV solutions with designer style & extraordinarily long life

"We're excited about our alliance with Sharp. Integrators will benefit from joint training, sales and marketing — and will be able to enjoy quality, turn-key solutions that expertly match Sharp technology."

-Scott Srolis
VP of Sales and Marketing, Salamander Designs

SALAMANDER PRODUCTS
FOR SHARP

The following Salamander products are designed to work with professional displays for quick ordering and rapid deployment. Regardless of your specific application, we offer a range of Cabinets for fixed or variable installations, Mobile Stands for projects requiring movement between spaces, and fully adjustable FPS Stands that can convert to a flat, tabletop configuration. Select from our latest styles, materials, sizes and finishes to suit all your interactive display needs.

Salamander products accommodate the Sharp professional displays from 50" to 90", meaning there is a size for every meeting or learning space.

CABINET
SOLUTIONS

- Durability and Safety tested. UL Listed Display Mount

- ADA compliant solutions solve "Protrusion and Operable Part reach limits"

- Low Impact Installation - No wall reinforcement, simple toggle bolt installation for anti-tip

- Rapid Global Deployment with standardized/simplified AV solutions that save time and money

- A unique, shallow depth allows for minimal screen providing accessible, comfortable, ergonomic position that improves productivity and user experience

- Full customizable from accessories to look and feel - upgradeable with new style/skin or easy replacement of tops, end-panels and doors as desired.

- Made in America and backed by Limited Lifetime Warranty

CABINETS / LOW PROFILE

Designed For Sharp Professional Displays
Ergonomic - minimal screen reach

Wall Mounted - provides convenience and frees up floor space

ADA COMPLIANT SOLUTIONS

Low-profile, shallow depth cabinets are sleek, streamlined solutions for supporting AV/IT technology. Our innovative design conceals all equipment and cables, and simple installation allows them to be affixed to any wall without special preparation. A unique, shallow depth provides a comfortable working position for interactive display users.
