## PREAMBLE

The parties to this Agreement affirm their mutual commitment to the goals of effective and efficient public service, high employee morale, sound and responsible management of County business, and amicable employer-employee relations. The parties acknowledge that productivity improvement can only be achieved as a by-product to valuing people.

The parties encourage the highest possible degree of friendly cooperative relationships between their respective representatives at all levels and with and between all employees.

## RECOGNITION

## ELIGIBLE UNITS:

- ALL UNITS

Pursuant to the provisions of the Employee Relations Code of the County of San Bernardino and applicable State law, the San Bernardino Public Employees Association (SBPEA) was certified, on July 20, 1977, by the County's Employee Relations Panel as the exclusive recognized employee organization for County employees in the CLERICAL UNIT; CRAFT, LABOR \& TRADES UNIT; MANAGEMENT UNIT; SUPERVISORY UNIT; and TECHNICAL \& INSPECTION UNIT; on March 10, 1989, for County employees in the ADMINISTRATIVE SERVICES UNIT previously found to be appropriate by said Employee Relations Panel; and on April 20, 2004, for employees in the NURSES SUPERVISORY \& MANAGEMENT UNIT previously found to be appropriate pursuant to said Employee Relations Code.

Effective April 14, 2015, SBPEA entered into an affiliation agreement with the International Brotherhood of Teamsters.

The County hereby recognizes Teamsters Local 1932 (herein after referred to as Teamsters) as the exclusive recognized employee organization for the employees in the employee classifications comprising said Units as listed in the Appendix B hereof, as well as employees in such classes as may be added to these Units hereafter by the County.

## ACCESS TO PERSONNEL RECORDS

## ELIGIBLE UNITS:

- ALL UNITS

Personnel records are confidential and access to personnel records of the employee shall be limited to the Director of Human Resources, the appointing authority, the Board of Supervisors, or their authorized representatives. Employees currently employed by the County of San Bernardino and/or their representatives, designated by the employee in writing, will be allowed to review the employee's personnel records during regular business hours.

The County recognizes Teamsters Local 1932's ability to obtain and/or review employee personnel records or data, balancing the employee's privacy interest and the Union's need for the requested relevant and necessary information.

Letters of reference and other matters exempted by law shall be excluded from the right of inspection by the employee.

Negative information may be purged from the personnel records maintained by either the Department or Human Resources, subject to legal constraints, at the sole discretion of Human Resources or upon the request of the employee or the appointing authority, and upon approval of Human Resources and the employee shall be so notified.

Employees desiring to review such records shall make such request in writing at least twenty-four (24) hours in advance to their appointing authority or Human Resources as appropriate.

## ACCESS TO WORK LOCATIONS

## ELIGIBLE UNITS:

- ALL UNITS

The parties recognize and agree that in order to maintain good employee relations, it is necessary for Representatives of Teamsters to confer with County employees during working hours.

Therefore, Teamsters Representatives will be granted access to work locations during regular working hours to investigate and process grievances or appeals, or meet with members for the purpose of representing members in their relations with the County. Teamsters Labor Relations Representatives shall be granted access upon obtaining authorization from the appointing authority or designated management representative prior to entering a work location and after advising of the general nature of the business. However, the appointing authority or designated management representative may deny access or terminate access to work locations if, in their judgment, it is deemed that the visit would interfere with the efficiency, safety, or security of County operations. The appointing authority shall not unreasonably withhold timely access to work locations. The appointing authority shall ensure that there is at all times someone designated who shall have full authority to approve access. If a request is denied, the appointing authority or designated management representative shall establish a mutually agreeable time for access to the employee.

Teamsters Representatives granted access to work locations shall limit such visits to a reasonable period of time, taking into consideration the nature of the grievance or appeal.

The appointing authority or designated management representative may mutually establish with the Teamsters Representative reasonable limits as to the number of visits authorized with the same employee on the same issue, and reasonable limits as to the number of employees who may participate in a visit when several employees are affected by a specific issue. The County shall not unduly interfere with Teamsters access right to work locations.

- NURSES SUPERVISORY \& MANAGEMENT UNIT

Only Includes "MANAGEMENT LEVEL" Nurses in the Unit (i.e., Clinical Director II, Clinical Director I, Unit Manager, Clinic Unit Manager)

Effective pay period 1 of each year, an employee in a regular position who is in paid status will be provided with eighty (80) hours of administrative leave time for the employee's use. An employee who is not in paid status (i.e., not coding paid hours) who later returns to paid status during that calendar year or employees hired after the beginning of pay period 1, shall be credited with administrative leave prorated on a monthly basis, based upon the annual rate of eighty (80) hours (i.e., 6.67 hours per month, or any portion thereof). Such administrative leave may be cashed out at the employee's then current base rate of pay in increments of one (1) hour one (1) time during the calendar year to the extent that the hours would have accrued at the rate of 6.67 hours per month minus any hours used up to that time. Any administrative leave accrual balances in effect at the end of pay period 26 of each year (or if applicable, pay period 27) will automatically be paid at the employee's then current base rate of pay. Employees may designate that cash-out of administrative leave be allocated to the County's Section 457 Deferred Compensation Plan consistent with the requirements and restrictions of such Plan. Upon termination of employment or appointment to a position in another occupational unit, unused administrative leave will
be paid at the employee's current base rate of pay only by the amount of hours that would have been accrued at the rate of 6.67 hours per month minus the total number of hours previously used and cashed out.

Administrative leave may be used on the same basis and under the same conditions as vacation leave. Employees may only submit amended Time and Labor Reports to charge or restore administrative leave for pay periods in which another leave type was requested, approved and charged, if such amended Time and Labor Reports are submitted within two (2) pay periods of the pay period to be amended.

## ELIGIBLE UNITS:

- SUPERVISORY UNIT

Effective pay period 1 of each year, an employee in a regular position who is in paid status will be provided with forty (40) hours of administrative leave time for the employee's use. Administrative leave may be used on the same basis and under the same conditions as vacation leave. Employees may only submit amended Time and Labor Reports to charge or restore administrative leave for pay periods in which another leave type was requested, approved and charged, if such amended Time and Labor Reports are submitted within two (2) pay periods of the pay period to be amended.

## ELIGIBLE UNITS:

- NURSES SUPERVISORY \& MANAGEMENT UNIT

## Excluding "MANAGEMENT LEVEL" Nurses in the Unit (i.e., Clinical Director II, Clinical Director I, Unit Manager, Clinic Unit Manager)

Effective pay period 1 of each year, an employee in a regular position who is in paid status will be provided with forty (40) hours of administrative leave time for the employee's use. An employee who is not in paid status (i.e., not coding paid hours) who later returns to paid status during that calendar year or employees hired after the beginning of pay period 1, shall be credited with administrative leave prorated on a monthly basis, based upon the annual rate of forty (40) hours (i.e., 3.33 hours per month, or any portion thereof). ## ANNUAL LEAVE AND ATTORNEY LEAVE

## ELIGIBLE UNITS:

- SUPERVISORY UNIT
- NURSES SUPERVISORY \& MANAGEMENT UNIT Excluding "MANAGEMENT LEVEL" Nurses in the Unit (i.e., Clinical Director II, Clinical Director I, Unit Manager, Clinic Unit Manager)

Effective pay period 1 of each year, an employee (except Supervising Deputy District Attorneys, Supervising Child Support Attorneys, and Supervising Deputy Public Defenders) in a regular position who is in paid status shall be credited with forty (40) hours of annual leave for the employee's use. An employee who is not in paid status (i.e., not coding paid hours) who later returns to paid status during that calendar year or employees hired after the beginning of pay period 1, shall be credited with annual leave prorated on a monthly basis, based upon the annual rate of forty (40) hours (i.e., 3.33 hours per month, or any portion thereof). Annual leave will be separate from and in addition to any vacation or holiday leave. If any annual leave remains at the end of pay period 26 (or 27 , when applicable), it shall not be cumulative into the next calendar year nor shall there be any conversion to cash.

Employees who are appointed to a position in an occupational unit that does not contain an annual leave provision and who have been denied in writing the opportunity to use the leave due to work urgency shall receive in cash payment the prorated amount of annual leave from the start of pay period 1 to the date of Unit change (i.e., 3.33 hours per month) minus any annual leave hours used up until that time. Where an employee has elected to use vacation leave in lieu of annual leave, the prorated annual leave shall be reduced by the number of vacation hours utilized. In those instances where an employee returns to the Unit prior to the end of the calendar year, the annual leave for the remainder of the calendar year shall be credited on a pro-rata share, i.e., 3.33 hours per month. This provision applies only to these specific circumstances and expressly excludes its application to any other set of circumstances.

Employees may only submit amended Time and Labor Reports to charge annual leave for pay periods in which another leave type was requested, approved and charged, if such amended Time and Labor Reports are submitted within two (2) pay periods of the pay period to be amended; provided, however, that annual leave may not be substituted for holiday leave.

Effective pay period 1 of each year, an employee who is in paid status in a regular position of Supervising Deputy District Attorney, Supervising Child Support Attorney, or Supervising Deputy Public Defender shall be credited with forty (40) hours of attorney leave for the employee's use. An employee who is not in
paid status (i.e., not coding paid hours) who later returns to paid status during that calendar year or employees hired after the beginning of pay period 1 of each subsequent year, shall be credited with attorney leave prorated on a monthly basis, based upon the annual rate of forty (40) hours (i.e., 3.33 hours per month, or any portion thereof). The maximum unused balance of attorney leave shall be 240 hours. Attorney leave will be separate from and in addition to any vacation or holiday leave, and may be taken with the approval of the appointing authority at such time as will not impair the work schedule or efficiency of the department but with consideration given to the well-being of the employee. If an employee has reached the maximum allowed unused balance and is unable to take attorney leave because of work urgency and has had requests to use such leave denied in writing, the appointing authority will notify the Auditor-Controller/Treasurer/Tax Collector of the situation and request a waiver of the maximum allowed unused balance for a period not to exceed twelve (12) months. Appointing authorities are encouraged to give first consideration for attorney leave requests to employees who have exceeded the maximum unused balance and have been granted a waiver of the maximum unused balance due to work urgency. Attorney leave shall not be a vested right and will not be convertible to cash. Any attorney leave remaining on the books upon termination or other separation from the Unit shall be forfeited.

Employees promoting from the Attorney Unit into the classification of Supervising Deputy District Attorney, Supervising Deputy Public Defender, or Supervising Child Support Attorney may carry forward up to a maximum of forty (40) hours of any unused accrued Attorney Leave.

Employees may only submit amended Time and Labor Reports to charge or restore attorney leave for pay periods in which another leave type was requested, approved and charged, if such amended Time and Labor Reports are submitted within two (2) pay periods of the pay period to be amended.

- ALL UNITS

## SECTION 1 - AUTHORIZED EMPLOYEE REPRESENTATIVES

If a Teamsters Business Agent is unavailable, Teamsters may designate employees as authorized employee representatives or alternates to represent employees in investigative interviews, in the processing of grievances, during disciplinary proceedings or as otherwise permitted by law, subject to the following rules and procedures:

Teamsters may designate at least one (1) authorized employee representative in each location for which the County maintains a work force. Teamsters shall be entitled to designate two (2) alternates for each authorized employee representative, provided that these alternates shall be located at the same major location as their appropriate representative.
(a) If there is no employee representative in this Unit at the work location, representation may be provided by an employee representative from another Unit, provided that rank and file employees are not represented by SUPERVISORY UNIT or MANAGEMENT UNIT employee representatives or vice versa.
(b) Teamsters will designate only employees who have obtained regular status.
(c) Teamsters shall file with the affected Department Head, Department Human Resources Business Partner, and the Employee Relations Division Chief, a written list of all employees designated as authorized employee representatives and alternates, such list to be kept current by Teamsters.
(d) Time spent during regularly scheduled work hours by an authorized employee representative or alternate in representing an employee shall only be compensated by the County at such representative's or alternate's base rate of pay.
(e) County vehicles and supplies may not be used. County telephones may not be used in implementing the provisions of this Article if such use would unduly interfere with the efficiency, safety, or security of the County operations and result in telephone costs to the County.
(f) The parties shall arrange and be available for meetings, investigatory interviews, etc., within a reasonable period of time, taking into account such things as the nature of the offense and/or the circumstances (e.g., employee on ERL, employee seeking return to work, etc.).
(g) Prior to conducting an investigative interview, the County must inform the employee of the type of impropriety and allow the employee and the representative an opportunity to confer privately about the subject of the impending interview.

## SECTION 2 - HANDLING OF GRIEVANCES AND DISCIPLINARY PROCEEDINGS

(a) At the request of an employee, an authorized employee representative or alternate may investigate a formal grievance and represent the employee at the resulting proceedings or during disciplinary proceedings, including Skelly hearings.
(b) Prior to participating in a grievance or disciplinary proceeding, the authorized employee representative or alternate and affected employee shall first obtain authorization from their immediate supervisor. The immediate supervisor may deny such request if it is deemed that such a request would unduly interfere with the efficiency, safety, or security of County operations. If the request is denied, the immediate supervisor will establish an alternate time convenient to the County and employees when the authorized employee representative or alternate and affected employee can reasonably expect to be released from their work assignment. A denial of permission will automatically constitute an extension of the time limits established in the Grievance Procedure equal to the amount of the delay.
(c) Employees must use the authorized employee representative or alternate assigned to their location and representation unit, except as otherwise provided herein.
(d) Sections 1 and 2 of this Article do not preclude authorized employee representatives from bringing one additional steward to a meeting (e.g., a meeting at a step in the grievance process, an administrative interview, etc.) for the purpose of training; provided, however, that the scheduling of the meeting shall not be delayed by the trainee steward's unavailability and his/her presence is authorized by his/her supervisor and does not unduly interfere with the efficiency, safety, or security of County operations. Further, the County shall be provided two working days advance notice of the trainee steward's anticipated presence unless a shorter period is agreed-upon or necessitated by
circumstance (e.g., scheduled less than 2 days in advance, etc.). Any time spent by trainee stewards at these meetings shall be processed in accordance with the Union Leave article.

## SECTION 3 - EMPLOYEE REPRESENTATIVE COMMITTEE

Up to eighty-seven (87) authorized employee representatives or alternates will be permitted to attend Employee Representative Committee meetings on County time; provided, however, that no such employee shall be released for more than two (2) hours per month. ## CLASSIFICATION

## ELIGIBLE UNITS:

- ALL UNITS

## SECTION 1 - PURPOSE

Classification review is a management tool to ensure the accurate reflection of tasks and duties involved in each County position for the purpose of recruitment, compensation, and organizational structuring. The County shall notify Teamsters in writing of all classification and salary changes to classifications allocated to a Teamsters Local 1932 Unit within two (2) working days after such changes have been approved by the Board of Supervisors. Whenever positions are subject to any change as a result of a classification review, such change will generally be determined by the County within one hundred and eighty (180) to two hundred and forty (240) days of receipt of the classification review request, subject to the classification appeal procedure. The parties recognize that there may be instances when a Teamsters classification request review may exceed two hundred and forty (240) days, and in those instances the County shall notify Teamsters of the anticipated duration of such review. New and revised classification specifications shall be furnished to Teamsters in a timely manner. Further, the County shall provide Teamsters Local 1932 with periodic status updates on classification studies/reviews. Such updates shall generally coincide with County's established submission deadlines (e.g., March and September). Finally,
the Teamsters may contact the Human Resources Business Partner after receiving the final recommendations to seek any additional clarification.

## SECTION 2 - IMPLEMENTATION OF CLASSIFICATION STUDY RESULTS

(a) Upgradings

An upgrading is the reclassification of a position from one classification to another classification having a higher base salary range. Whenever an incumbent employee is upgraded as a result of such reclassification, pursuant to the Personnel Rules, such employee's step placement in the new salary range shall be governed by the Article on "Promotions."
(b) Downgradings

A downgrading is the reclassification of a position from one classification to another classification having a lower base salary range. When a position is downgraded, the incumbent employee may continue at the same salary rate payment where the salary rate is within the new base salary range. Where an incumbent receives a salary rate payment greater than the maximum of the new base salary range, the Director of Human Resources may authorize continuation of the same salary rate payment to the incumbent employee that the employee received prior to the downgrading of the position by placing the employee on an " $X$ " step, provided that the employee shall receive no future salary rate increases until the salary range maximum of the new classification exceeds the " $X$ " step. In accordance with San Bernardino County Personnel Rule Section 3.6(b), upon request, an employee with regular status occupying a position which has been downgraded shall be placed on an eligibility list for any classification equivalent to his/her former classification for a period of two (2) years. Equivalent classification is hereby defined as one requiring all of the following: (1) the same kind and amount of experience; (2) the same degree of skills, knowledge, and abilities; and (3) a salary level no higher than the employee's former classification.
(c) Salary Rate (Equity) Adjustment

A salary rate (equity) adjustment is a change in the salary range assignment of an existing classification as a result of a compensation study. Step placement for incumbent employees whose classification is assigned to a higher base salary range shall be determined as follows:

The employee shall be placed on the step in the new range that is approximately a five percent (5\%) salary increase, not to exceed the maximum step of the new range. Service hours for the purpose of determining eligibility for the next merit advancement will not reset for employees receiving an equity adjustment. Subsequent step advances shall be administered in accordance with the Salary Rates and Step Advancements and Merit Advancements Articles of this Agreement.

## SECTION 3 - CLASSIFICATION APPEALS

In recognition that classification appeals can impact the terms and conditions of employment for Teamster-represented employees, only Teamsters Local 1932 shall be permitted to file classification appeals. The burden of proof on any classification appeal rests with the appellant to establish why the recommended allocation is not appropriate. The content of and decision on classification appeals shall be restricted to consideration of the recommended and the requested classification. All classification appeals shall be limited to a discussion of duties and responsibilities performed at the time the position was studied.

Classification appeals are heard by a mediator with classification expertise. The decision of the mediator shall be advisory. If the decision of the mediator has an economic impact, the decision of the mediator shall be in the form of a recommendation to the Board of Supervisors for final action. The mediator shall follow the appeal procedure established by the County and Teamsters, and provide written justification to the aforementioned parties on classification appeal recommendations. The cost of the mediator shall be split between the County Department of the employee/appellant and Teamsters.

Step 1 - At the conclusion of the classification study, Human Resources will make a written recommendation to the appointing authority, unless the mediator's recommendation would have an economic impact. In such cases, the Board of Supervisors would take final action.

Step 2-The appointing authority will notify position incumbent(s) of study results and the timeframes for filing an appeal.

## Step 3

(a) Teamsters Local 1932 may file a classification appeal individually or in groups provided that all positions represented were allocated to the same class and appealed to the same class. The appeal form should thoroughly explain why Teamsters Local 1932 believes that the allocation is not appropriate and why the requested class is more appropriate. Appeals must be based on the duties performed at the time the position was studied.

Changes subsequent to the study will be considered under Personnel Rule Section 3.4(c) upon withdrawal of the appeal.
(b) An appeal to a non-existent class must clearly show that no existing classification describes the duties and functional responsibilities of the position.
(c) Disagreements on title of a class, or on the format and wording of class specifications, are not bases for an appeal. Requests for revisions will be presented in writing to Human Resources for review.
(d) Revisions to a class specification may be appealed to the mediator in cases where it is alleged that a class specification was so significantly revised as to change the grade determinants of a class.
(e) Disagreements on salary matters for new classifications are excluded from this procedure and will be considered in the context of the meet and confer process. The salary of a classification for which a technical title change has been approved by the Board of Supervisors is not appealable. No salary action can be taken on an existing classification to the meet and confer process that would have the effect of reopening this Agreement. Salaries for new classes will be set by management, unless changes are made by an appeal and recommended by the meet and confer process.
(f) Disagreements on representation unit designations are excluded from this procedure.

Step 4 - Teamsters Local 1932 completes the Classification Appeal Form and files it within fifteen (15) working days of Board of Supervisors' approval; or within fifteen (15) working days from the appointing authority's notification to the employee.

## Step 5

(a) The appeal will be reviewed by Human Resources for changes in job duties or other substantial changes to the position description on which the allocation was based.
(b) Human Resources staff will respond in writing to the Appeal within fifteen (15) working days. Copies of the response will be sent to Teamsters Local 1932.

Step 6-A mandatory prehearing conference will be scheduled within a twenty (20) workday period from the date of Human Resources' response. Teamsters Local 1932 and Human Resources staff will meet and attempt to reach a settlement. At the request of parties involved, additional personnel may attend to offer clarification of job duties performed by the appellant(s). If no resolution is reached at this conference, Teamsters Local 1932 and Human Resources will stipulate the issue(s) in dispute.

Step 7-Following the prehearing conference, Human Resources staff and Teamsters Local 1932 will consider the information exchanged. Human Resources may revise its allocation recommendation, and appellant(s) may withdraw appeals.

Step 8 - Any additional supporting documentation must be filed with the mediator by both Teamsters Local 1932 and Human Resources staff fifteen (15) workdays subsequent to the prehearing conference. Lists of witnesses and all written materials/exhibits that are to be discussed at the hearing must be included in this final brief. All parties will receive copies of these briefs.

Step 9-All of the aforementioned timeframes may be lengthened or shortened upon the joint concurrence of Human Resources and Teamsters Local 1932.

Step 10 - Appeals which have not been resolved through the preceding steps will be forwarded to the mediator.

Step 11 - Appeals presentations will be limited to the incumbent employees or spokespersons elected from the group, exclusive recognized employee organization staff representatives, and members of Human Resources staff. Witnesses may be heard for the purpose of clarifying technical aspects of job duties.
(a) Prior to the appeal hearing, the mediator will have reviewed copies of the appeal documentation submitted by both parties.
(b) Appellants will present arguments first. The burden of proof is with Teamsters Local 1932 why the recommended classification allocation is not an appropriate recommendation. Twenty (20) minutes will be allowed for presentation. Time not taken for presentation will be forfeited. Arguments should be centered around why the classification allocation was not appropriate and what classification would be the most appropriate.
(c) Human Resources staff will present arguments. Twenty (20) minutes will be allowed for presentation of this argument. Time not taken will be forfeited.
(d) At the conclusion of the arguments, the mediator will have the opportunity to ask questions.

## Step 12

(a) Decisions of the mediator will be limited to the class recommended by Human Resources or the class requested by the appellant on the Classification Appeal Form.
(b) A written decision shall be given within thirty (30) days of the hearing, indicating the basis for the decision.

Step 13 - Following the appeal hearing, the mediator shall forward the written recommendations to Human Resources and Teamsters Local 1932. Both parties will be allowed a two (2) week review period prior to submission of the decision to the Board of Supervisors.

Step 14 - Parties will agree to support the recommendations of the mediator unless there is a failure to act in good faith in implementing the spirit and intent of these procedures.

Step 15 - This procedure shall remain in effect until it is changed through the meet and confer process. Requests for changes to the procedure may be presented at any time.

## SECTION 4 - ORGANIZATIONAL ANALYSIS

County agrees upon request from Teamsters Local 1932 to initiate an organizational analysis of ancillary departments at Arrowhead Regional Medical Center (ARMC) within 90 days following Board approval of the MOU. The analysis will assist ARMC in identifying if the structure and people strategy are appropriate and provide recommendations for consideration. The County will meet and confer with the union on potential impacts to employees.

## SECTION 5 - ANNUAL CLASSIFICATION EVALUATION REQUEST

Teamsters Local 1932 may submit a written request to Human Resources to evaluate the designated salary ranges for up to five (5) classifications per year. Once a classification has been reviewed, that classification is no longer eligible for review during the term of the Agreement. Teamsters Local 1932 will thoroughly explain in their written request why the classification is appropriate for an evaluation and provide supporting information. Both parties understand that various factors are used as part of the evaluation process to include external county salaries, retention, vacancy, recruitment data, and internal classification relations (vertical and horizontal). The County agrees to meet within 30 days of a Teamsters Local 1932 request to review the selected classifications to consider potential remedies.

If the parties have not reached mutual agreement within 90 days of the first meeting, unless a deadline extension is agreed upon, the parties agree to proceed to mediation. The mediator shall have classification expertise and the decision of the mediator shall be advisory. The decision of the mediator shall be made in the form of a recommendation to the Director of Human Resources for final consideration. The cost of the mediator shall be split between the parties.

This process is meant to be a standalone process and separate from other sections of this article.

If the employee held prior regular status in the demoted to classification, the employee shall resume said status. If the employee did not have prior regular status in the classification, the employee shall be required to serve a probationary period, unless waived by the Director of Human Resources. When considering whether to waive the probationary period the Director of Human Resources will take into consideration many factors, including whether the classification the employee is demoting from has the same duties the classification the employee is demoting to, but is distinguished by higher level complexities (e.g., Programmer II to Programmer I).

## DEPENDENT CARE ASSISTANCE PLAN

## ELIGIBLE UNITS:

- ALL UNITS

The purpose of this Section 125 Dependent Care Assistance Plan (DCAP) is to permit eligible employees to make an election to pay for certain dependent care expenses with salary reduction from compensation contributed to the Plan before federal income or social security taxes are paid to the Internal Revenue Service ("Salary Reduction") in accordance with Sections 125 and 129 of the Internal Revenue Code (IRC) of 1986 and regulations issued pursuant thereto. DCAP shall be construed to comply with said Code Sections and to meet the requirements of any other applicable provisions of law. DCAP exclusions from gross income do not affect compensation for retirement purposes.

DCAP will be administered by the County's Human Resources Department, Human Resources Division Chief, Employee Benefits and Services, consistent with said IRC Sections and the County's Dependent Care Assistance Plan Document.
(a) To be eligible to enroll in this benefit, an employee must be in a regular position.
(b) Enrollment in the Plan for current employees is required every Plan Year and is limited to the annual open enrollment period or no later than sixty (60) days following the date of becoming eligible due to a mid-year Change in Status event. Failure to submit participation agreement within the time frame shall result in an election to not participate in the Plan.
(c) An employee must elect to contribute to DCAP through salary reduction on forms approved by the Human Resources Division Chief, Employee Benefits and Services. An employee election to participate shall be irrevocable for the remainder of the Plan year. Once a salary reduction has begun, in no event will changes in elections be permitted during the Plan year except to the extent permitted under Internal Revenue Service rulings and regulations and the County's Dependent Care Assistance Plan Document.
(d) Pursuant to IRC Section 125, any amounts remaining in the employee's account at the end of a Plan Year must be forfeited except as permitted by the IRC and the County's Dependent Care Assistance Plan Document. ## SECTION 4 - SHIFT DIFFERENTIALS

ELIGIBLE UNITS:

- ALL UNITS - Except MANAGEMENT UNIT

## Special Provisions

The following differentials shall not be included in the base rate of pay when computing overtime or callback pay. Such differentials will be included in computing overtime for employees who are not exempt under the Fair Labor Standards Act (i.e., ADMINISTRATIVE SERVICES UNIT, CLERICAL UNIT, TECHNICAL \& INSPECTION UNIT, and CRAFT, LABOR \& TRADES UNIT).

Employees shall be eligible to receive shift differential compensation when the majority of hours worked are covered by a shift differential. Where the hours overlap more than one shift differential, the employee will receive the applicable shift differential based on the majority of the shift worked, for the total number
of hours worked during that shift.

Overtime worked is in addition to a scheduled tour of duty and is compensated separately in accordance with the overtime provisions of this Agreement.

## (a) Evening and Night Shift Differentials

Employees assigned to a continuous or regularly recurring evening or night shift tour of duty shall receive additional shift differential over and above the established base rates of pay. Further, employees who provide relief work for other employees assigned to continuous or regularly recurring evening or night shift tours of duty shall receive shift differential compensation with prior approval of the appointing authority.

Employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 6:00 p.m. and 12:00 a.m. (midnight), shall receive one dollar and twenty cents ( $\$ 1.20$ ) per hour over and above their base hourly rate. Effective August 10, 2024, employees who work the majority of the shift, including at least four (4) hours with or without intervening meal time, between 6:00 p.m. and 12:00 a.m. (midnight), shall receive one dollar and thirty five cents (\$1.35) per hour over and above their base hourly rate.

Employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive one dollar and seventy cents (\$1.70) per hour over and above their base hourly rate. Effective August 10, 2024, employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive one dollar and eighty-five cents (\$1.85) per hour over and above their base hourly rate.

As provided above, employees shall be eligible to receive shift differential compensation only when the majority of hours worked are covered by a shift differential. For example, an employee is assigned to work from 12:30 p.m. to 10:00 p.m. (i.e., a 9 hour shift with a 30 minute meal period). Since the majority of hours worked (i.e., 5.5 hours less a 30 minute meal period) are not covered by a shift differential, the employee is not eligible to receive shift differential compensation.

When hours worked overlap more than one shift differential period, employees shall receive the applicable shift differential based on the majority of shift worked, for the total number of hours during that shift. For example, an employee is assigned to work from 8:00 p.m. to 5:30 a.m. (i.e., a 9 hour shift with a 30 minute meal period). Since the majority of hours (i.e., 5.5 hours less the 30 minute meal period) are worked during the period of time covered by the Night Shift differential, the employee would receive the Night Shift differential (i.e., REG3) for all hours during that shift (i.e., 9 hours).

Employees who are assigned to a continuous evening or night shift tour of duty shall receive such differential in addition to base pay when computing paid leave compensation.

Employees eligible for the differential shall not receive the differential during a leave of more than a full pay period (e.g., sick, vacation for sick leave purposes, etc.), provided, however, that employees who, with the approval of the appointing authority, take a vacation of more than a full pay period (e.g., vacation leave, etc.) excluding employees who are using paid leave time to extend their years of service prior to retirement, shall be eligible to receive the differential.
(b) Medical Support Shift Differentials

Those eligible employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive three dollars and thirty five cents ( $\$ 3.35$ ) per hour over and above their base hourly rate. This paragraph shall apply to the types of positions and units listed below:

## NURSES SUPERVISORY \& MANAGEMENT UNIT All classifications requiring licensure by the Board of Registered Nursing as a registered nurse

As provided above, employees shall be eligible to receive shift differential compensation only when the majority of hours worked are covered by a shift differential. For example, an employee is assigned to work from 12:30 p.m. to 10:00 p.m. (i.e., a 9 hour shift with a 30 minute meal period). Since the majority of hours worked (i.e., 5.5 hours less a 30 minute meal period) are not covered by a shift differential, the employee is not eligible to receive shift differential compensation.

When hours worked overlap more than one shift differential period, employees shall receive the applicable shift differential based on the majority of shift worked, for the total number of hours during that shift. For example, an employee is assigned to work from 8:00 p.m. to 5:30 a.m. (i.e., a 9 hour shift with a 30 minute meal period). Since the majority of hours (i.e., 5.5 hours less the 30 minute meal period) are worked during the period of time covered by the Night Shift differential, the employee would receive the Night Shift differential (i.e., REG3) for all hours during that shift (i.e., 9 hours).

Employees eligible for the differential shall not receive the differential during a leave of more than a full pay period (e.g., sick, vacation for sick leave purposes, etc.), provided, however, that employees who, with the approval of the appointing authority, take a vacation of more than a full pay period (e.g., vacation leave, etc.) excluding employees who are using paid leave time to extend their years of service prior to retirement, shall be eligible to receive the differential.
(c) Medical Support Weekend Differential

Employees designated in this paragraph assigned to hospital, mental, or correctional institutions, who work on a scheduled weekend day off, shall be paid an additional three dollars and fifty cents ( $\$ 3.50$ ) per hour over and above their base hourly rate. Weekend for purposes of this provision is between 11:00 p.m. Friday through 11:00 p.m. Sunday night. This paragraph shall apply to the types of classifications and units listed below:

## NURSES SUPERVISORY \& MANAGEMENT UNIT All classifications requiring licensure by the Board of Registered Nursing as a registered nurse

Employees in the additional classifications below assigned to hospital, mental, or correctional institutions, who work on a scheduled weekend day off, shall be paid an additional three dollars and fifty cents ( $\$ 3.50$ ) per hour actually worked over and above their base hourly rate. Weekend for purposes of this provision is between 11:00 p.m. Friday through 11:00 p.m. Sunday night. In no event shall an employee receive the Weekend Day differential and another shift differential for the same hours.

As provided above, employees shall receive the applicable shift differential amount based on the majority of shift worked, for the total number of hours worked during that shift. For example, an employee is assigned to work Saturday from 11:30 a.m. to 10:00 p.m. (i.e., a 10 hour shift with a 30 minute meal period). Since the majority of hours (i.e., 6.5 hours less the 30 minute meal period) are worked during the period of time covered by the Weekend Day differential, the employee would receive the Weekend Day differential (i.e., CAHL) for all hours during that shift (i.e., 10 hours).

Prior approval may be in the form of standing orders issued by the appointing authority. Failure to obtain prior approval may result in denial of any expense claim (or excess amount) not pre-approved.

## SECTION 3 - TRAVEL AUTHORIZATION

(a) Travel outside the State of California must be approved by the Chief Executive Officer or designee except when the trip outside California is within twenty (20) miles of the California border or travel

Rental vehicles are covered for liability and vehicle physical damage under the County's self-insurance program. Reimbursement will not be provided for the additional costs incurred if any employee purchases additional insurance or signs a Collision Damage Waiver (CDW) when renting a vehicle for County business. Requests for reimbursement for gasoline for rental vehicles must be accompanied by a copy of the rental agreement or rental receipt and gasoline receipt.

## (d) Travel Via Ride-Share Service, Taxi, or Public/Mass Transit

Reimbursement will be provided for the cost of using a ride-share service, (e.g., Uber or Lyft), taxi, or public/mass transit (e.g., bus, streetcar, and ferry) if such expenses are incurred for County business and approved by the appointing authority.
(e) Travel Via Air

When commercial aircraft transportation is approved, the "cost of public carrier" shall mean the cost of air coach class rate including tax and security surcharges.

## (f) Incidental Travel Expenses

Reimbursement will be provided for the cost of incidental travel expenses such as bridge tolls, road tolls and parking fees if such expenses are incurred as part of County business and approved by the appointing authority. Valet parking will not be reimbursed unless self-parking is not available or security is a concern.

## SECTION 7-MEALS AND LODGING

(a) Meal and lodging expenses shall not be allowed without prior approval of the appointing authority or designee as necessary for the purpose of conducting County business. Meal and lodging selections should represent a reasonable cost to the County and be generally consistent with the rates established by the General Services Administration (GSA). Excess charges for meals and lodging greater than the amounts listed below in paragraphs (b) and (c) may be authorized under special conditions, such as a convention or conference requirement (e.g., lodging at the hotel where the conference is held) or if County business requires lodging and meals in an area of unusually high cost (i.e., Non-Standard Areas as established by the GSA). Employees may be reimbursed for expenses in high cost areas for the actual cost incurred, but generally not to exceed the per diem amounts established by the GSA for that area and month. Receipts are mandatory to obtain reimbursement for all lodging expenses, and except as provided below for all meal expenses claimed.
(b) An employee may be reimbursed for lodging expenses at actual cost, generally not to exceed the standard lodging per diem rate as established by the GSA, except as otherwise provided in Section 7, paragraph (a) of this Article.
(c) Except as otherwise provided in Section 7, paragraph (a) of this Article, reimbursements for meal expenses for up to three (3) separate meals per day may be provided as follows:
(1) With receipts, an employee may be reimbursed for meal expenses at actual cost, not to exceed eleven dollars (\$11.00) for breakfast, fifteen dollars (\$15.00) for lunch, and twenty-four dollars (\$24.00) for dinner, plus tax and up to 15\% gratuity.
(2) Option Without receipts, an employee may be reimbursed for meal expenses at per diem rates not to exceed six dollars ( $\$ 6.00$ ) for breakfast, nine dollars $(\$ 9.00)$ for lunch, and nineteen dollars (\$19.00) for dinner, plus tax and up to $15 \%$ gratuity.
(3) Where the cost of a meal is included as part of a registration charge for an event (e.g., continental breakfast at a conference or training seminar) or in the cost of lodging, an employee may not claim reimbursement for that meal.
(d) The parties agree that it is the basic responsibility of employees to anticipate and make provision for their own meals. In emergency situations at the work site, if an employee is unable to obtain a meal due to extraordinary working conditions or an extremely remote work site, the County shall make every effort to provide meals.

## SECTION 8 - EXPENSE ADVANCES

Advancement of funds for business expenses can be obtained from the Auditor-Controller/Treasurer/Tax Collector through submission of the appropriate form. Advancements shall not exceed the maximum amounts for each meal as set forth in Section 7, paragraph (c)(2) herein. The minimum amount to be advanced is twenty-five dollars (\$25.00). Upon return from travel, the employee must submit an expense reimbursement form and all receipts documenting expenses incurred. If the employee does not submit
this accounting within fifteen (15) calendar days of return from travel, or prior to termination of County employment, the Auditor-Controller/Treasurer/Tax Collector may recover the amount advanced from the employee's pay.

## SECTION 9 - COUNTY CREDIT CARDS

The appointing authority may issue a County credit card to an employee and require business expenses be paid for with said card. Further, the County may require that meal and lodging expenses be limited to the maximum amounts listed in Section 7, paragraphs (b) and (c) above. If unauthorized charges are placed on the card, the employee shall be required to reimburse the County. If the employee fails to reimburse the County within fifteen (15) calendar days or prior to separation from County service, the Auditor-Controller/Treasurer/Tax Collector may recover any unauthorized charges from the employee's pay.

## EXTRA-HELP/RECURRENT EMPLOYEES

Extra-help and Recurrent employees are not covered by this MOU and should not displace existing regular employees. The County shall provide Teamsters, upon its request, a report each quarter of the department, employee name and total hours worked during the year of employees working in an extrahelp/recurrent capacity in Teamsters- represented classifications. The County is willing to meet with Teamsters if there are concerns regarding the results of the report.

The Country will create a separate job code for extra-help employees. The parties agree to meet, at Teamsters' request, quarterly to review the status of the job code reassignment.

Extra-Help employees shall be utilized in accordance with the County Ordinance Section 13.0628, and are intended to be on less than a year-round basis, including, but not limited to the following: to cover seasonal peak workloads; emergency extra work loads of limited duration; necessary vacation, holiday or sick leave relief; and other situations involving a fluctuating staff.

## FITNESS FOR DUTY

## ELIGIBLE UNITS:

- ALL UNITS

The parties agree that physical and mental fitness of County employees are reasonable requirements to perform the duties of the job and instill public confidence. Recognizing these important factors, the parties agree that during the term of this Agreement the County, with reasonable cause, may require medical and psychological assessments of employees provided the County pays and provides time off without loss of pay for such assessments. All such assessments shall be done by appropriately qualified health care professionals.

Medical and psychological reports shall be released to and retained by the Center for Employee Health and Wellness. The information in these reports shall only be released on a need-to-know basis, restricted to the purpose for which the examination was originally required, for the effective conduct of County business.

Any remedial or treatment action shall be the full responsibility of the employee, except as otherwise provided by law.

## FLEXIBLE SPENDING ACCOUNT

## ELIGIBLE UNITS:

- ALL UNITS

The purpose of this Section 125 Medical Expense Reimbursement Flexible Spending Account (FSA) is to permit eligible employees to make an election to pay for qualifying medical care expenses, as determined by Section 213 of the Internal Revenue Code of 1986 (IRC), on a pre-tax basis by salary reduction in accordance with Sections 125 and 105(b) of the IRC and regulations issued pursuant thereto. FSA shall be construed to comply with said Code Sections and to meet the requirements of any other applicable provisions of law. FSA exclusions from gross income do not affect compensation for retirement purposes.

FSA will be administered by the County Human Resources Department, Employee Benefits and Services Division, consistent with said IRC Sections and the County's Plan Document.
(a) To be eligible for this benefit, an employee must be in a regular position.
(b) Enrollment in the Plan for current employees is required every Plan year and is limited to the annual open enrollment period or no later than sixty (60) days following the date of becoming eligible due to a mid-year Change in Status event.
(c) Eligible employees may contribute on a pre-tax basis, to a flexible spending account, each bi-weekly pay period up to the established amount pursuant to the IRC annual maximum. An employee election to participate in the Plan shall be irrevocable for the remainder of the Plan year. Once a salary reduction has begun, in no event will changes to elections or discontinuation of contributions be permitted during the Plan year except to the extent permitted under Internal Revenue Service rulings and regulations and the County's Medical Expense Reimbursement Plan Document.

Employees who select the County-sponsored Blue Shield Access + HMO Plan or the Kaiser Choice HMO Plan or an equivalent Teamsters Local 1932-sponsored gold health plan and elect to enroll in the FSA shall be eligible for up to a $\$ 10.00$ per pay period match to the FSA to be credited on a quarterly basis.
(d) Any unused amounts remaining in an employee's account at the end of the Plan year must be forfeited except as permitted by the IRC and the County's Medical Expense Reimbursement Plan Document. The County will use any forfeited amounts to help defray the Plan's administrative expenses.

## FULL UNDERSTANDING, MODIFICATION AND WAIVER

## ELIGIBLE UNITS:

- ALL UNITS

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the full right and adequate opportunity to make demands and proposals with respect to any subject or matter within the scope of representation, and that the understandings arrived at after the exercise of that right are set forth in this Agreement. The express provisions of this Agreement for its duration therefore constitute the complete and total contract between the County and Teamsters with respect to wages, hours, and other terms and conditions of employment. Any prior or existing Agreement between the parties, whether formal or informal, regarding any such matters are hereby superseded and terminated in their entirety. Therefore, the County and Teamsters for the life of this Agreement, each voluntarily waives the right to meet and confer in good faith with respect to any subject or matter referred to or covered in this Agreement. The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions. This article shall not act as a waiver of any reserved or customary County management rights or act as a waiver of Teamsters' right to bargain the impact of the County's exercise of its exclusive management's rights if legally required to do so.

## GRIEVANCE PROCEDURE

## ELIGIBLE UNITS:

## - ALL UNITS

## SECTION 1 - PURPOSE

The County and Teamsters fully realize the importance of a viable Grievance Procedure to aid in the resolution of disputes among employees, supervisors, and management. It is recognized that conditions may arise which can create employee dissatisfaction, and that to maintain high employee morale and harmonious relations, an orderly method of processing grievances is necessary. This procedure is intended to establish a systematic means for obtaining answers and decisions regarding employee complaints. This procedure is not intended to be used to effect changes in the terms of this Agreement or those matters not covered by this Agreement. The Board of Supervisors and Teamsters have pledged that their representatives at all levels will extend active, aggressive and continuing efforts to secure prompt disposition of grievances. The initiation of a grievance in good faith by an employee shall not cause any adverse reflection on the employee's standing with immediate supervisors or loyalty as a County employee.

## SECTION 2 - DEFINITION OF A GRIEVANCE

A grievance is a disagreement between County management and an employee, group of employees, or Teamsters concerning the interpretation, application, or alleged violation of a specific Article(s) of this Agreement. Teamsters may not independently submit or process a formal grievance, unless it alleges that at least one (1) employee within the Unit has suffered detriment as a result of the aggrieved contract provision. Group grievances are defined as, and limited to, those grievances that allege more than one (1) employee suffered harm under similar facts and circumstances within the grievance filing period. Group grievances shall name all harmed employees and/or classifications and identify the departments and/or
work locations of such employees. Where a group grievance is filed, one (1) employee in the group shall be selected by Teamsters to process the grievance. A grievant shall be entitled to Teamsters representation at any step under this Grievance Procedure.

## SECTION 3 - JURISDICTION

The Director of Human Resources or designee, in consultation with the County Labor Relations Chief, shall have the sole authority within the County structure to provide the official management interpretation or application to any and all provisions of this Agreement. The arbitrator has the final authority within the County structure to adjudicate all grievances, as defined or otherwise provided herein. The arbitrator holds no jurisdiction over a grievance where the remedy has been granted.

## SECTION 4 - EXCLUSIONS

In that only regular employees are covered by the Personnel Rules, any dispute which may arise between parties involving the application, meaning, or interpretation of the Personnel Rules shall be settled by the Civil Service Commission in accordance with the appropriate appeal procedure established in the Personnel Rules except as modified by the parties in this Agreement via Section 11 of this Article. All matters are excluded from this procedure which deal with the "Non-Discrimination" Article; "County Management Rights" Article; the project compensation provisions of the "Temporary Performance of Higher Level Duties" Article; federal or state statutes, rules or regulations; or County Charter.

The appeal processes that include the Classification Appeal Process, the Civil Service Commission and the Memoranda of Understanding grievance adjudicatory process are mutually exclusive remedy bodies. Accordingly, there shall be no double or multiple requests or appeals for a same case/same set of circumstances where one adjudicatory body has rendered a decision on the same. Decision is to be interpreted as excluding a situation where an adjudicatory body has determined it has no jurisdiction in the matter.

Except as otherwise provided by this Agreement or state or federal statute, this Grievance Procedure shall be the sole and exclusive procedure for seeking recourse for any grievance, as defined in Section 2 of this Article.

Any grievance will be terminated once an EEO complaint is filed on the issue being grieved.

## SECTION 5 - REPRESENTATION

Aggrieved employee(s) may represent themselves, or may be represented by an authorized Teamsters employee representative, or by a Teamsters Labor Relations Representative. This representation may commence at any step in the Grievance Procedure. A representative of Human Resources may be in attendance at any step in the Grievance Procedure. The County agrees within reasonable limits to compensate the aggrieved employee(s) for time spent during regularly scheduled hours in the handling of real and prospective grievances.

## SECTION 6 - CONSOLIDATION OF GRIEVANCES

In order to avoid the necessity of processing numerous similar grievances at one time, similar grievances shall be consolidated whenever possible.

## SECTION 7 - TIME LIMITATIONS AND NOTIFICATION

Time limitations are established to settle a grievance quickly. Time limits may be modified only by agreement of the parties. If at any step of this Grievance Procedure, the grievant is dissatisfied with the decision rendered, it shall be the grievant's responsibility to initiate the action which submits the grievance to the next level of review within the time limits specified. Failure to submit the grievance within the time limits imposed shall terminate the grievance process and the matter shall be considered resolved. For purposes of this Grievance Procedure, notification to a party may be given either personally, by U.S. mail, telephonically, by facsimile, or via E-mail.

The County agrees to hold the Grievance Procedure time limitations in abeyance for any employee who is required to hold a Vocational Nurse license or are in the NURSES SUPERVISORY \& MANAGEMENT UNIT who file an assignment despite objection form within fifteen (15) days of the assignment, and the subject matter of the assignment despite objection is specifically covered in the MOU (i.e., grievable). The Manager shall log the filing date the objection form was received and the date the objection was responded to. The applicable Grievance Procedure time limitations shall begin effective upon the date the employee receives the Manager's response.

The grievant shall promptly proceed to the next step if a reviewing official does not respond within the time limits specified. A grievance may be entertained or advanced to any step beyond Step 2, Employee Relations Division, if the parties jointly so agree. A copy of such agreements bearing the signature of the parties shall be filed with the Employee Relations Division of Human Resources.

When notice is mailed to an employee, it shall be sent to the employee's current address of record. For the purpose of this procedure, notice by mail shall be deemed to have been completed on the fifth calendar day following deposit of notice with the United States Postal Service, unless the party can establish that notice was not actually received as a result of circumstances beyond the party's control.

## SECTION 8 - STEPS IN THE GRIEVANCE PROCEDURE

The procedures outlined herein constitute the steps necessary to resolve an employee's grievance. The attempt of settlement of grievances filed on behalf of an individual employee(s) at the employeesupervisor level is required. The grievance must be submitted within fifteen (15) working days after the employee is aware of the conditions precipitating the grievance.

Step 1 - Immediate Supervisor. Initially the employee having a grievance shall on a personal face-to-face basis discuss the complaint with the immediate supervisor. At this step, it is the responsibility of the employee to inform the supervisor that he/she is initiating the grievance process. Within three (3) working days the immediate supervisor shall give the decision to the employee orally.

Step 2 - Employee Relations Division. If a mutually acceptable solution has not been reached in Step 1, the grievant shall submit the grievance in writing on appropriate forms supplied by the Employee Relations Division which shall provide a detailed statement of the grievance, including dates, names, and places, applicable Agreement articles, and the specific remedy or action requested. The written grievance shall be filed in duplicate with the Employee Relations Division within five (5) working days of oral notification of the immediate supervisor's decision. The Employee Relations Division shall make a determination of whether the grievance is a matter for which the Grievance Procedure is appropriate after consultation with Teamsters. In making such determination, the Employee Relations Division shall determine if: (1) the grievance has been filed in a timely manner; (2) the initial step has been followed; (3) if the grievance alleges that a specific Memorandum of Understanding article(s) has been
misinterpreted, misapplied, or violated; and (4) The matter complained of in the grievance is covered by a specific provision of the MOU. The determination and notification to the grievant and Teamsters will be made within five (5) working days of receipt of the grievance. Teamsters may appeal this determination directly to an arbitrator in accordance with the provisions of this procedure within five (5) working days following notification by the Employee Relations Division.

If objection is made to the procedural and/or substantive grievability of a grievance at this step or any other step of the grievance procedure, the parties may mutually agree to continue processing the grievance on the merits. However, it is expressly agreed that such objections to the procedural and/or substantive grievability of a grievance are preserved in any arbitration hearing and that no waiver will result from the subsequent processing and discussion of the grievance on the merits.

Step 3 - Division Level. If the grievance is accepted, or the parties agree to hold in abeyance any objections to the procedural and/or substantive grievability of the grievance, the grievant shall submit the written grievance to the division level within five (5) working days of notification of the Employee Relations Division's determination. The Division/Section Head shall meet with the grievant and thoroughly discuss the grievance. The Division/Section Head shall submit a written response to the grievant within five (5) working days of receipt of the formal grievance from the employee.

Step 4 - Employee Relations Division. If a mutually acceptable solution has not been reached, Teamsters or the grievant shall submit the written grievance to the Employee Relations Division within five (5) working days of the receipt of written response of the Division/Section Head.

Following a review of the grievance with the appointing authority, the Director of Human Resources or designee, in consultation with the County Labor Relations Chief, shall have full and final authority on behalf of the County to mutually resolve the grievance with the employee/employee's representative within ten (10) working days of receipt of the written grievance of the employee. Such notification shall be rendered in writing to the grievant, Teamsters and the appointing authority.

Step 5 - Pre-Arbitration Process. If a grievance has not been satisfactorily resolved at Step 4, a written appeal to arbitration must be filed with the Employee Relations Division by Teamsters within five (5) working days of notification of the decision by the Director of Human Resources or designee. At the same time and upon mutual agreement of the parties, the grievance may advance to mediation in accordance with Section 10 of this Article, while concurrently seeking an arbitrator. The appeal must be presented on the aforementioned grievance form along with a copy of any pertinent documents

Grievances shall only be advanced to arbitration with the agreement of Teamsters. The cost for hearing all grievances advanced to arbitration shall be split equally between the County Department of the grievant and Teamsters, including any cancellation fee if both parties are mutually responsible, otherwise the party responsible shall pay the entire cancellation fee.

Pre-arbitration conferences are to be mandatory and no grievances shall be forwarded to the arbitration process without the same. Within twenty (20) working days of the approval to advance a grievance to arbitration, both parties are required to meet in such conference with the goal of resolving mutually identified grievance issues. If resolution is not attained, both parties are obligated at that time to jointly or individually declare stipulations, identify witnesses and exchange exhibits that will be carried forward to the arbitration process, the intent being full disclosure by both sides prior to the arbitration process.

## Step 6 - Arbitration

At the discretion of Teamsters, grievances that occur during the term of this agreement that are not resolved at a prior step in the process can proceed to arbitration. The Employee Relations Division and the Teamsters employee representative shall select an arbitrator by mutual agreement. Where mutual agreement cannot be reached, the parties shall request a list of arbitrators from the State Mediation and Conciliation Service, and mutually select an arbitrator within ten (10) working days of receipt of said list. Where mutual agreement cannot be made, the arbitrator shall be determined following a striking process. The determination as to which party strikes first shall be based on a coin flip. If the last remaining person on the list is not available, the previously stricken person(s) shall be contacted in reverse order until one is available. The parties shall contact the arbitrator to establish a hearing date acceptable to both parties.
(a) In reaching a decision and award the arbitrator shall limit himself to the allegations contained in the grievance presented in relation to the express provisions of the agreement alleged to have been violated. Further, the arbitrator shall have no authority to amend, change, add to, subtract from, or ignore any provisions of this Agreement. Lastly the arbitrator shall not substitute his judgment for that of the County on matters pertaining to the exercise of managerial discretion except where it can be shown by Teamsters that the County abused its discretion.
(b) The decision of the arbitrator will be in writing and transmitted to the parties within thirty (30) calendar days after the close of the hearing. This decision may require an appointing authority or a subordinate to cease and desist from the action, which is the subject of the grievance. The arbitrator may also require the appointing authority to take whatever action is necessary, within the control of the appointing authority, to remedy the grievance or take other action to relieve the loss, if any, to the employee. Under no conditions can the arbitrator order relief that exceeds the relief requested by the grievant and shall be limited to making the grievant whole. In the event the arbitrator determines that monetary relief is an appropriate remedy, he/she shall limit any retroactive award, including interest, to a date that is no earlier than fifteen (15) working days from the date the grievance was filed.
(c) The arbitrator's decision shall be transmitted to the Employee Relations Division and Teamsters with a copy to the grievant.
(d) All grievances shall be treated as confidential and no publicity will be given until the final resolution of the grievance.
(e) The decision by the arbitrator shall be final and binding on all parties unless there is a financial impact of greater than ten thousand dollars $(\$ 10,000)$, in which case it shall be subject to approval of the Board of Supervisors.
(f) For grievance decision with financial impact of greater than two thousand five hundred dollars $(\$ 2,500)$, the Employee Relations Division will submit the grievance decision to the next practicable meeting of the Board of Supervisors. If the Board of Supervisors fails to act within thirty (30) days following receipt of formal notice of the decision of the arbitrator, it shall become final and binding. A copy of the decision shall be filed with the Employee Relations Division of Human Resources, Teamsters and the grievant.

## SECTION 9 - UNFAIR LABOR PRACTICES/UNIT CHANGES

Unfair labor practice charges shall be adjudicated by the California Public Employment Relations Board and unit modification and unit determination disputes shall be adjudicated pursuant to the County's Employee Relations Ordinance.

## SECTION 10 - MEDIATION

Prior to Step 5 - Pre-Arbitration. The parties (Director of Human Resources or designee and Teamsters) may by mutual agreement utilize mediation for grievances filed under the provisions of this Agreement. Additionally, prior to the Prehearing Conference provided for by the Personnel Rules, the parties (Director of Human Resources or designee and Teamsters) may by mutual agreement utilize mediation for disciplinary appeals accepted for hearing under the Personnel Rules by the Civil Service Commission. The mediation process described in this Section may be invoked only by the two parties identified herein and is expressly an exception to the language contained in Section 5 of this Article.

The parameters of the mediation process, where mutual resolution of the grievance or disciplinary appeal is sought, are as follows:
(a) The parties (Director of Human Resources or designee and Teamsters) shall exchange in writing the agreement to refer a specific grievance or disciplinary appeal to mediation.
(b) The grievant/appellant shall have the right to be present, represented by Teamsters as the sole, exclusive bargaining agent.
(c) The grievant/appellant shall have Teamsters as the singular spokesperson and the County a representative from the Human Resources Employee Relations Division, with neither side allowed the presence of an attorney.
(d) Any written material submitted to the mediator shall be returned to the party providing the material at the conclusion of the mediation meeting.
(e) The mediation process shall be as follows:
(1) The mediation meeting shall be an informal process, limited to a one (1) hour presentation for each side, not restricted to the rules of evidence, no retention of a proceedings record.
(2) The mediator will meet jointly with the parties and separately, if necessary.
(3) The mediator has no authority to compel resolution of the matter mediated.
(4) The oral advisory opinion of the mediator shall be given at the conclusion of the meeting and the parties may opt to agree in writing to the opinion, reject the same mutually or singularly and proceed to the next step of the usual process, or remove the matter from the process by mutual agreement.
(5) The advisory opinion accepted in writing by the two parties does not constitute a precedent and is not admissible as evidence in any future process governed by this Agreement or Personnel Rules.
(f) Where possible the parties shall utilize the mediation services provided by the California State Mediation and Conciliation Service. In the event that the mediation process would result in fees for
service rendered by the State or by use of a private hearing officer, such costs shall be equally divided between the employee's department and Teamsters.
(g) The post-mediation process is restricted by the following:
(1) No person serving in the capacity as a mediator may serve as the hearing officer/arbitrator for the same case should the same be forwarded to arbitration or a Personnel Rules disciplinary hearing.
(2) No reference to a matter mediated may be utilized in a subsequent arbitration or hearing unless stated in writing at a step prior to the mediation. The penalty for violation of this understanding shall be forfeiture of the hearing or appeal by the party violating the same.
(h) This procedure may be modified by mutual agreement of both parties.

## SECTION 11 - DISCIPLINARY HEARINGS

(a) Formal Discipline

The parties agree that in the cases of "major discipline" (as defined in this Section) brought against an employee or employees represented by Teamsters, the costs for disciplinary hearing to be conducted by a hearing officer per Section X of the Personnel Rules shall be shared equally between the County Department of the appellant(s) and Teamsters when the appellant is represented by Teamsters. Upon mutual agreement of the parties, a case involving major discipline may be heard by the Civil Service Commission.

For the purposes of this Section, "major discipline" includes termination, demotion, or suspension of 30 or more calendar days. For all other disciplinary cases, either party may request the use of a hearing officer with costs to be shared equally. If only one party elects the use of a hearing officer, the party requesting the hearing officer will pay all hearing costs. For all disciplinary cases heard by a hearing officer, the parties shall jointly select a hearing officer from the list of hearing officers approved by the Civil Service Commission and utilize the striking process when a mutual selection of a hearing officer cannot be reached.

The Civil Service Commission shall either accept or reject the hearing officer's findings and recommendations in its entirety within thirty (30) days of receipt by the Commission. The only basis the Civil Service Commission can use to reject the hearing officer's decision in its entirety, is for one or more of the following reasons:
(1) The recommendation was procured by corruption, fraud, or other undue means.
(2) There was corruption in the hearing officer.
(3) The rights of a party were substantially prejudiced by the misconduct of the neutral hearing officer.
(4) The hearing officer exceeded his/her powers on the matter submitted.
(5) The rights of a party were substantially prejudiced by the refusal of the hearing officer to postpone the hearing upon sufficient cause being shown therefore, or by the refusal of the hearing officer to properly include or exclude evidence material to the controversy.

Should such be the case, the Commission must state in writing specific reason(s) for the decision (a, $\mathrm{b}, \mathrm{c}, \mathrm{d}$ or e) and subsequently conduct and complete a full and fair evidentiary hearing on the
disciplinary appeal within thirty (30) days of rejecting the hearing officer's findings and recommendations unless the hearing cannot for good cause be completed within thirty (30) days.
(b) Non-formal Discipline

Counseling memos (e.g., Memos of Counseling, Personnel Reports, Records of Discussion, Memos of Concern or other such documents) and Letters of Reprimand are not subject to the Grievance Procedure or the appeal process provided in the Personnel Rules. However, if the employee believes certain facts were not considered or presented prior to him/her receiving the non-formal discipline, the employee may contact his/her supervisor as soon as possible to schedule a meeting to discuss reconsideration of the non-formal discipline. If a mutually acceptable solution has not been reached, the employee may submit a written rebuttal to the Human Resources Business Partner assigned to his/her department as soon as practicable and may request to schedule a meeting to discuss reconsideration of the non-formal discipline. Counseling memos and Letters of Reprimand shall only be used to determine the level of formal discipline imposed if the documents are directly related to the current discipline, or involve conduct of a serious or egregious nature (e.g., harassment, violent, threats, substance abuse, etc.).

Upon request from an employee, counseling memos shall be removed from the Official Personnel File provided that the employee has been free of any other counseling memos or other discipline for a period of five (5) years and that the counseling memo was not related to conduct of a serious or egregious nature (e.g., harassment, violence, threats, substance abuse, etc.). However, if the document is removed from the Official Personnel File, the County will remain the document in a separate file for purposes of document retention and County defense for potential legal matters including litigation.

The County recognizes the importance of timely and appropriate disciplinary actions. Upon request from a Teamsters Supervising Business Agent, the County (via the Human Resources Centralized Investigations Unit) shall provide the status of an employee's administrative investigation.

## HEALTH AND SAFETY

It is the goal of the County of San Bernardino to promote a safe environment for all people in the workplace and a Zero Tolerance Standard with regard to threats and violent behavior in the work place. It is also the County's intent to properly manage any incidents that occur so as to minimize injury and other forms of loss. In order for the County to achieve its goals, it adheres to all federal, state and local regulations. Further, the County has also developed policies and procedures regarding employee health and safety (e.g., County Policy 13-07 Violence and Threats in the Workplace, etc.). Each and every individual must become familiar with such policies and procedures and follow and enforce the procedures. Consistent with such laws and regulations, County work sites and work practices shall be reviewed for the purpose of providing employee security and protection from the potential of reasonably foreseeable violent action. In the event that applicable health and safety laws and/or regulations differ from the language of this article, the higher standard shall be in effect if the County is required to comply with such law(s) and/or regulation(s).

While the County is responsible for developing and organizing such policies and procedures, and notifying employees of the policies, procedures, and reporting processes, it is the expectation of all employees to
report all threatening behavior or unsafe conditions to management immediately. Upon receipt of any such reports of threats and violent behavior, direct, indirect, actual or implied, the County shall commence an appropriate investigation. Employees who report such unsafe conditions or threatening behavior shall not be subject to retaliation or adverse action as a result of their reporting.

Workplace violence training shall be made available in person and/or online, and preventive measures can be addressed through departmental Labor Management Task Force.

## SECTION 6 - RETIREE COMPONENT OF TEAMSTERS HEALTHCARE TRUST

(a) Establishment. The parties have completed the agreed-upon meet and confer provisions pursuant to Section 5 of the Healthcare Trust article of the Teamsters Local 1932 Consolidated 2019-2023 MOU, which includes ADMINISTRATIVE SERVICES UNIT; CLERICAL UNIT; CRAFT, LABOR \& TRADES UNIT; MANAGEMENT UNIT; SUPERVISORY UNIT; NURSES SUPERVISORY \& MANAGEMENT UNIT; and TECHNICAL \& INSPECTION UNIT and have mutually agreed that Teamsters shall take appropriate steps to establish a retiree health component ("Retiree Trust") under the existing Teamsters Local 1932 Health and Welfare Trust Agreement ("Trust Agreement"). The Trust Agreement is a Teamsterssponsored trust that constitutes a voluntary employees' beneficiary association (VEBA) under section 501(c)(9) of the Internal Revenue Code. The Retiree Trust will provide eligible retirees of a Teamstersrepresented bargaining unit without regard to union membership with certain healthcare benefits, the terms of which are summarized in paragraph (b) below.
(b) Retiree Trust. Teamsters acknowledges that (i) the County is not a party to any part of the Trust Agreement, including but not limited to the Retiree Trust, (ii) the County is not subject to the terms of the Trust Agreement or any union welfare benefit plan or other arrangement funded by the Trust Agreement, and the County has no responsibility or authority whatsoever for providing or overseeing any benefits provided under the Trust Agreement or any such plan or arrangement, (iii) the preceding statements will continue to apply on and after the County's adoption of and expiration of this Section 6, and (iv) the County's sole obligation under this Section 6 is to distribute employee contributions to the Retiree Trust in accordance with paragraph (c) below.

Subject to the preceding paragraph, certain features of the Retiree Trust under the Trust Agreement are summarized below. Teamsters agrees that if at any time the provisions summarized below differ from or are inconsistent with the Retiree Trust (or any welfare benefit plan or arrangement funded by the Retiree Trust), or if the Trust Agreement's VEBA status is at issue or under investigation by any federal or state enforcement authority, Teamsters shall notify the County in writing as soon as administratively practicable but no later than fourteen (14) days from the effective date of any of the issues described above. In addition, Teamsters agrees to provide advance written notice to the County regarding any changes to the Retiree Trust's terms, including but not limited to any significant change affecting benefits funded by the Retiree Trust.
(1) Benefits. The assets of the Retiree Trust are dedicated to providing retiree healthcare benefits to eligible retirees and paying the administrative expenses incurred by the Retiree Trust (or any welfare benefit plan or arrangement funded by the Retiree Trust). The benefits will meet the definition of coverage under section 106 of the Internal Revenue Code. In accordance with section 106, the benefits may be in the form of reimbursement of eligible healthcare expenses ("Retiree Subsidy") or retiree healthcare coverage. Furthermore, the benefits will conform to the following provisions:
(i) Should the Retiree Trust offer coverage to retirees under a direct contract with an insurer(s) or provide self-funded retiree healthcare coverage, eligible retirees are not
required to enroll in healthcare coverage through the Retiree Trust in order to be eligible for the Retiree Subsidy (e.g., retirees enrolling in coverage through the individual marketplace, retirees living outside service area).
(ii) The amount of the Retiree Subsidy will be determined annually and will be a fixed dollar amount (i.e., not a percentage of premium). The amount of the Retiree Subsidy shall be based on available funding and may vary (increase or decrease) from year to year. As such, there will be no guarantee of any fixed subsidy amount or any guarantee that a certain percentage of premium costs shall be paid.
(iii) For purposes of establishing premium rates for any health insurance coverage provided under the Retiree Trust, should the Retiree Trust offer coverage to retirees under a direct contract with an insurer(s) or provide self-funded retiree healthcare coverage, the Retiree Trust will not blend active employees and retirees to determine a single premium rate for the combined group of active employees and retirees. The retiree population will be rated separately from active employees to determine the healthcare insurance premium rates for eligible retirees. As such, active employees will not implicitly subsidize the premiums of retirees.
(2) Eligibility. Participation in the Retiree Trust, including eligibility for the Retiree Subsidy, will only be available to eligible retirees who retire (i.e., terminates and refrains from full time employment for wages or profit and is eligible to begin pension benefit payments from SBCERA) following the effective date (anticipated to be July 1, 2023) of the Retiree Trust AND meet the following requirements:

Eligible retirees must have been (1) active County employees in a Teamsters-represented bargaining unit immediately preceding their retirement (i.e., did not defer retirement) and contributed to the Retiree Trust OR (2) were active County employees immediately preceding their retirement but not in a Teamsters-represented bargaining unit, provided they were previously in a Teamsters-represented unit for a minimum of 10 years and contributed to the Retiree Trust, OR (3) previously worked for the County in a Teamsters-represented bargaining unit for at least 20 years and deferred their retirement for a maximum deferral period of 2 years and contributed to the Retiree Trust. An eligible retiree is considered to have "contributed to the Retiree Trust" if they have contributed to the Retiree Trust as defined in section 6 (c) Employee Contributions.

Retirees will not be eligible for healthcare coverage under the Retiree Trust and will not be eligible for the Retiree Subsidy upon becoming eligible for Medicare. However, nothing is intended to preclude the Retiree Trust from providing supplemental coverage and/or a subsidy for Medicareeligible employees in the future. Similarly, the Retiree Trust may also establish a subsidy for certain otherwise eligible retirees who were hired before March 31, 1986 and are not eligible for Medicare coverage. Any benefit improvements will be solely funded by the Retiree Trust.

Eligibility for this Retiree Trust for all individuals is ultimately governed by the Plan Rules of the Teamsters Local 1932 Health and Welfare Trust Retiree Plan and may differ from the rules in this MOU, for the complete Plan Rules individuals should contact the Retiree Trust.
(3) Expenses. Any fees or expenses associated with the Retiree Trust (or any welfare benefit plan or arrangement funded by the Retiree Trust) will be paid by the Retiree Trust.
(c) Employee Contributions. Through a side letter agreement between the parties, Teamstersrepresented bargaining unit employees previously elected to (1) defer one-half percent (0.50\%) of
their across the board salary increase of an employee's base rate of pay effective July 31, 2021, and (2) defer an additional one percent (1.00\%) of their across the board salary increase of an employee's base rate of pay effective July 30, 2022, resulting in a combined deferral of one and a half percent (1.50\%) beginning July 30, 2022. The initial deferred employee contributions from July 31, 2021, through June 2, 2023 will be transferred to the Retiree Trust by June 30, 2023. The second and final deferred employee contributions from June 3, 2023, through August 11, 2023, will be transferred to the Retiree Trust by September 1, 2023.

Effective the pay period beginning August 12, 2023, the deferred one and a half percent (1.50\%) across the board salary increases of an employee's base rate of pay, shall be restored to all classifications covered by the MOU. Subsequently, a deduction of one and a half percent (1.50\%) of wages shall be deducted on a bi-weekly pre-tax basis from the employee's pay warrant. The County shall transfer these mandatory employee contributions on a bi-weekly basis to the Retiree Trust. The employee contributions shall not increase or decrease based on the cost of healthcare premiums, amount of the Retiree Subsidy, or coverages offered by the plans in the Retiree Trust. Under no circumstance shall the County be obligated to deduct from an employee's pay warrant any amount greater than this fixed percentage of an employee's base rate of pay. "Wages" for purposes of this article shall be defined as all earnings (including Modified Benefit Option) minus any flat rate differentials.
(d) Grievance. No aspect of the Trust Agreement, including but not limited to the Retiree Trust component or any benefit provided through or funded by the Trust Agreement or Retiree Trust component is subject to review through the Grievance Procedure.
(e) Applicability of Provisions of Prior Sections to Retiree Trust. It is expressly understood that the Retiree Trust is subject in the same manner as the sub-trust holding funds related to active members, including but not limited to the following provisions of the Healthcare Trust Article in the Consolidated 2019-2023 MOU: Sections 1(e); 1(f) and 1(h) in that the review of administration and the ability to audit the Healthcare Trust may include reviews of administration and audits of the Retiree Trust component separately and at different times from reviews of administration and audits of remainder of the Healthcare Trust; $1(\mathrm{i}) ; 1(\mathrm{j})$ in that to the extent the Trustees determine to terminate the healthcare coverage for retirees, the County would be notified of such termination 120 days prior to the date of termination; $1(k)$ in that the insurance coverages maintained by the Healthcare Trust which names the County as an additional insured on the Policy shall cover the Retiree Trust portion of the Healthcare Trust and the Healthcare Trust shall defend, indemnify, defend (with counsel reasonably approved by the County) and hold harmless the County and its authorized officers, employees, and agents, harmless from any claims, loss, liability, cause of action or administrative proceeding, or legal action arising out of, or in any way related to, the Healthcare Trust, including the Retiree Trust component and/or the healthcare plans administered and/or provided under the Healthcare Trust, including benefits provided to retirees pursuant to this Section 6.; 1(I); 1(n); 1(q); 3(a) is understood to include the Retiree Trust that is being added pursuant to Amended Resolution No. 1 to the January 14, 2020, Trust Agreement for the Teamsters Local 1932 Health and Welfare Trust; 3(b); 3(e); 3(f); 3(g); 4(a); 4(b); 4(c) in that the Teamsters Local 1932 shall defend (with counsel reasonably approved by the County), indemnify and hold harmless the County and its officers, employees, and agents, including the County's designated trustees, from any claim, loss, liability, cause of action or administrative proceeding arising out of the terms of the Retiree Trust or from any and all decisions and actions made by the Retiree Trust, the Trustees and Teamsters Local 1932 in relation to the Retiree Trust portion of the Healthcare Trust ; 5(a); 5(c); and 5(d). - NURSES SUPERVISORY \& MANAGEMENT UNIT

Employees shall be required to work during such hours as necessary to carry out the duties of their position, as designated by the appointing authority, and such hours may be varied so long as the work requirements and efficient operations of the County are assured.

Notwithstanding any other provisions of this Agreement, the Chief Executive Officer may authorize overtime compensation at straight time or time and one-half rates at any time (including retroactively for emergencies as defined in Section 13.022(h) of the County Code) to be paid to any employee in order to carry out the intent of a Board-approved program, to respond to an emergency, or to compensate for hours of work performed above that normally expected of such employee.

Employees in regular positions in these units are considered to be salaried for purposes of the Fair Labor Standards Act (FLSA). If, as a result of changes in legislation, federal regulations, or court decisions, employees are considered to be non-salaried, the County and Teamsters will meet and confer concerning changes to return the employees to salaried status.

Deductions from the pay of employees in these units for disciplinary and other reasons shall be made in a manner consistent with FLSA regulations. For example, employees covered by this Article who are disciplined by a suspension without pay shall only receive such suspension in increments of one (1) or more full days. Alternatively, an appointing authority may discipline an employee covered by this Article via a deduction of accrued leave time. The accrued leave time is limited to vacation, holiday, annual or administrative leave. Deductions of accrued leave time may be made in increments of less than one (1) work week. ## ELIGIBLE UNITS:

- ALL UNITS

The County agrees to meet and confer regarding the impact to employees covered by this agreement due to a disaster or emergency. ## HYBRID PENSION OPTION

## ELIGIBLE UNITS:

- ALL UNITS

If the parties agree, they shall support legislation necessary for the establishment of a hybrid pension option. It is expressly understood that a hybrid pension option shall not go into effect unless the county and Teamsters agree.

## IMPLEMENTATION

## ELIGIBLE UNITS:

- ALL UNITS

This Agreement constitutes a mutual agreement by all parties to be jointly submitted to the Board of Supervisors for approval. It is agreed that this Agreement shall not be binding upon the parties either in whole or in part unless and until approved by the Board of Supervisors.

Any economic changes to this Agreement, which do not have specific effective dates, become effective the beginning of the pay period following Board of Supervisors approval.

## JOB SHARING AND PART-TIME EMPLOYMENT

## ELIGIBLE UNITS:

- ALL UNITS

At the discretion of the appointing authority, an employee may be allowed to job share or to work on a part- time basis in a regular position. Job share is defined as two employees sharing one regular position. Part-time employment is defined as an employee working in a regular position that is scheduled for less than eighty (80) hours per pay period.

All fringe benefits for job sharing and part-time employees shall be pro-rated on regularly scheduled hours except as may otherwise be provided in a specific article. For example, an employee who is regularly scheduled twenty (20) hours per week is eligible for a maximum donation of five hundred and twenty (520) hours of Medical Emergency Leave. Fringe benefits not subject to proration include the following Leaves: Blood Donation, Examination Time, and Bereavement. Further, where a specific article provides a minimum hour requirement (e.g., must be full-time, or scheduled hours) job sharing and part-time employees shall be required to meet the minimum hour requirement in order to receive the benefit. For example, to be eligible to enroll in a medical and dental plan offered by the County an employee must be in a regular position and scheduled to work for a minimum of forty (40) hours per pay period. Therefore, job sharing and part-time employees in regular positions scheduled less than forty (40) hours per pay
period would not be eligible to enroll in a medical and dental plan offered by the County.

An appointing authority may discontinue part-time or job share status with a written notice at least two $(2)$ pay periods prior to the effective date of the change.

## LABOR MANAGEMENT TASK FORCE

The purpose of such task force(s) shall be to:
(a) Review and provide input on proposed departmental policies and procedures.
(b) Develop, review, and prioritize work simplification project proposals.

The chairperson(s) of each task force shall be selected by the appointing authority. Meetings will be held regularly to discharge the functions of each task force. Each task force will establish reasonable time frames for the accomplishment of its charges. For purposes of layoff, trainees and most recently hired dual appointments shall be treated the same as probationary employees. Employee status will be determined as of the date the layoff plan is approved by the Director of Human Resources.
(c) Probationary employees and employees assigned to a vacant higher level position, pursuant to the Temporary Performance of Higher Level Duties Article, who have regular status in another classification, shall be returned to their former classification where they will be subject to layoff under provisions applicable to other employees in that classification. Underfills shall have layoff rights in the underfill classification.
(d) When a classification has a dual concept or multiple options including extended range, the Director of Human Resources may authorize layoffs by specialty or option within the classification.
(e) Regular employees whose positions have been deleted shall be allowed to exercise their options, based on seniority, to select either a vacant position or to bump into any one of the filled junior positions within their current classification. Filled junior positions will be defined as the number of filled positions within the affected classification equal to the number of positions identified for deletion within that classification in the approved layoff plan, but not less than 20 , if they exist. An employee who elects not to bump into any position within the collective group of vacant and filled junior positions, thereby retaining his/her existing classification, shall be provided the opportunity to select from those options identified in (i) of this Article.
(f) If a regular employee whose position is to be deleted does not have sufficient seniority to bump another employee in their current classification within the department and has previously held regular status in a lower classification, reduction in classification (bumping) within the affected department shall be approved. Reductions in classification shall first be made to the next lower classification in which the employee has regular status. For purposes of bumping, the number of positions filled by the least senior employees in the affected classification(s) equal to the number of employees bumping into the classification shall be identified. Additionally, all vacant positions in the affected classification shall be made available to the affected employees. This collective group of positions shall then be subject to the bumping process.
(g) In the event a junior employee is bumped pursuant to (e) or (f) above, the junior employee being bumped will be separated or reduced in classification. If the classification to which an eligible employee is first considered for reduction is not authorized in the department, or if the employee does not have seniority in that classification, reduction shall then be made to the next lower classification in which the employee has regular status. This procedure shall continue until all reductions in classification and the ultimate separations are completed.
(h) Employees in unclassified positions do not have a right to bump employees in classified positions. A classified employee may refuse to bump into an unclassified position without waiving the right to bump a more junior employee in the same or lower classification.
(i) If bumping results in an assignment which the employee considers to be undesirable, such employee may request:
(1) A voluntary demotion to a vacant position.
(2) A leave of absence without right to return to work, but placement on an eligible list.
(3) To voluntarily resign.

Options (1) and (2) require the approval of the Director of Human Resources or designee.

## SECTION 4 - EXCEPTION TO ORDER OF LAYOFF

Whenever an appointing authority believes that the best interest of the service requires the retention of an employee with special qualifications, characteristics, and fitness for the work, the appointing authority may request that such employee be exempted from the bumping procedures. Such requests must be in writing and approved by the Director of Human Resources. If approved, Teamsters shall be immediately provided with a copy of the request.

## SECTION 5 - EMPLOYEE'S RIGHTS WHILE ON LAYOFF

(a) During the first two (2) years following a layoff, laid-off regular employees or an employee who is reduced in classification as a result of a layoff shall be assured the right of an interview for vacant positions for which they meet certification requirements prior to final selection and appointment to said vacant positions within their previous department in the same classification to the one in which the employee has previously held regular status.
(b) Any regular employee who is laid-off or reduced in classification as a result of a layoff may request that their name be placed on appropriate eligible lists for a period of two (2) years by submitting such a request and an application to the Director of Human Resources for determination of eligibility. Approval of such requests only entails placement on the list and does not guarantee employment or carry any bumping privileges. Placement on the eligible list shall be made pursuant to the provisions for requalification contained in the Personnel Rules.
(c) During the first twelve (12) months following a layoff laid-off regular employees or an employee who is reduced in classification as a result of a layoff shall be placed on a Department Reinstatement List, provided the employee was at least a "Meets Standards" at the time of the layoff. Such employees shall have reinstatement rights for the classification from which the employee was laid off or reduced in classification. The employee shall be entitled to three (3) work days to accept an offer to return to work from the date of the offer. Employees who decline or fail to respond to an offer shall be removed from the Department Reinstatement List.

Any vacancy to be filled within the Department shall be offered first in reverse order of the layoff. If there are any ties, such ties shall be broken pursuant to the process described in 3(a) of this article.

## SECTION 6 - LIST PLACEMENT AND TRAINING

Pursuant to Rule 5.3 of the Personnel Rules, the County will make every effort to place laid-off employees, or employees reduced in classification as a result of layoff, on current eligible lists, either related or nonrelated to their former classification, for which the salary is equivalent or lower and for which they meet the minimum qualifications. When departments hire layoff affected employees for positions non-related to their former job classifications, the department will be encouraged to consider the probationary period for training purposes in the non-related field.

## SECTION 7 - REEMPLOYMENT FROM LAYOFF

A regular employee who has been laid off from County employment and is subsequently rehired to a regular position shall be reemployed in the same manner as described in the Reemployment Article in this Agreement.

## LEAVE PROVISIONS

## ELIGIBLE UNITS:

- ALL UNITS

## SECTION 1 - SICK LEAVE

(a) Definitions
(1) Sick Leave - Sick leave with pay is an insurance or protection provided by the County to be granted in circumstances of adversity to promote the health of the individual employee. It is not an earned right to time off from work. Sick leave is defined to mean the authorized absence from duty of an employee because of physical or mental illness, injury, pregnancy, confirmed exposure to a serious contagious disease, for a medical, optical, or dental appointment, for certain purposes related to being a victim of domestic violence, sexual assault or stalking, or other purpose authorized herein.

An employee shall no identify more than one "designated person" as a family member in a 12-month period from the first day of designation. (b) Accumulation - Employees in regular positions shall accrue sick leave for each payroll period completed, prorated on the basis of 3.39 hours per pay period, except as provided in Section 5 of this Article. Earned sick leave shall be available for use the first day following the payroll period in which it is earned. Employees in regular positions paid less than eighty (80) hours per pay period or jobshared positions shall receive sick leave accumulation on a pro-rata basis. There shall be no limit on sick leave accumulation.
(c) Compensation - Approved sick leave with pay shall be compensated at the employee's base rate of pay, except as otherwise provided in this Agreement. The minimum charge against accumulated sick leave shall be fifteen (15) minutes.
(d) Administration
(1) Investigation - It shall be the responsibility and duty of each appointing authority to investigate each request for sick leave and to allow sick leave with pay where the application is determined to be proper and fitting, subject to approval of the Director of Human Resources.
(2) Notice of Sickness - In twenty-four (24) hour departments and for employees whose work assignment requires leaving their assigned work site together with one or more other employees shortly after reporting to work (e.g., clinic staff, road crews), the appointing authority or designee should be notified at least two (2) hours prior to the start of the employee's scheduled tour of
duty of a sickness on the first day of absence and must be notified at least one (1) hour prior to the start of the employee's scheduled tour of duty. In other departments, the appointing authority or designee must be notified within one- half (1/2) hour after the start of the employee's scheduled tour of duty of a sickness on the first day of absence.

It is the responsibility of the employee to keep the appointing authority informed as to continued absence beyond the first day for reasons due to sickness or occupational disability. Failure to make such notification shall result in denial of sick leave with pay. If the employee receives a doctor's off- work order and provides notice of same to the appointing authority, the employee is not required to contact the department daily. If the employee does not have an off-work order or has not notified the appointing authority that one has been issued, the employee shall be required to contact the department daily in accordance with the timeframe above.
(3) Review - The Director of Human Resources may review and determine the justification of any request for sick leave with pay and may, in the interest of the County, require information from a doctor to support a claim for sick leave pay.
(4) Proof - A doctor's certificate or other adequate proof shall be provided by the employee in all cases of absence due to illness if requested by the appointing authority. All requests for proof of illness shall be made in compliance with the Labor Code and other law.
(5) Improper Use - Evidence substantiating the use of sick leave for willful injury, gross negligence, intemperance, trivial indispositions, instances of misrepresentation, or violation of the rules defined herein will result in denial of sick leave with pay and shall be construed as grounds for disciplinary action including termination.
(e) Sick Leave for Other than Personal Illness/Injury
(1) Family Sick Leave - For all units, a maximum of one-half (1/2) of the employee's annual accrual of earned sick leave per calendar year may be used for attendance upon family members of the employee's who require the attention of the employee.

Upon approval of the appointing authority, the employee may use part of this annual allowance for attendance upon members of the employee's extended family residing in the employee's household who require the attention of the employee.

There shall be no limit for Clerical Unit employees' use of sick leave for care upon a family member of the employee's or extended family who reside in the employee's home.
(2) Bereavement - A maximum of three (3) days earned sick leave may be used per occurrence for bereavement due to the death of a family member of the employee's, or a member of the employee's extended family, as defined herein, or any relative who resided with the employee.
(3) Birth/Adoption - A maximum of forty (40) hours earned sick leave may be used per occurrence for arrival of an adoptive child at the employee's home. An employee who is the non-delivering parent may utilize on an annual basis no more than forty (40) hours of accumulated sick leave per calendar year for the birth of his/her child.
(4) Medical, Optical or Dental Appointments - The employee may use sick leave for medical, dental or optical appointments; however, every effort should be made to schedule the appointments at a time of day that will minimize the employee's time off work.

## (f) Return-to-Work Medical Clearance

(1) Under any of the following circumstances, all employees who have been off work due to an illness or injury will report to the San Bernardino County Center for Employee Health and Wellness for a medical evaluation of their condition and authorization to return to work before returning to work.
(i) Employees whose treating physician or other qualified medical provider has ordered job modification(s) as a condition for either continuing to work or for returning to work after an illness or injury. This applies to both occupational and non-occupational illness or injury.
(ii) Employees who have been off work due to communicable diseases such as, but not limited to, chicken pox and measles.
(iii) Employees who have been absent on account of a serious medical condition, when so directed by their appointing authority.
(2) Employees are required to attend return-to-work medical appointments at the Center for Employee Health and Wellness on their own time; however, mileage for attending such appointments are eligible for reimbursement pursuant to the Expense Reimbursement Article.
(3) It is the responsibility of the employee, covered by (1) (i) - (iii) above, to obtain written notice from their medical provider of their authorization to return to work with or without job modification. To ensure all necessary and relevant medical information is provided, the County shall make available forms to be completed by the medical provider. It is the responsibility of the employee to provide verbal notice to their appointing authority immediately upon receipt of their medical provider's authorization to return to work, and no later than 24 hours after receipt of the notice. The appointing authority or designee will schedule an appropriate medical evaluation for the employee with the Center for Employee Health and Wellness prior to the employee's return to work. The employee shall provide their medical provider's written notice of authorization to return to work to the Center for Employee Health and Wellness at or prior to the employee's scheduled appointment time.
(4) Exceptions to the above requirements may be made on a case-by-case basis by the Medical Director or designee for the Center for Employee Health and Wellness.
(5) The employee is obligated to attend the appointment as scheduled under the conditions outlined above. If the employee fails to adhere to the procedure, the employee is required to use sick leave or leave without pay for any work hours missed. If required notice has been provided and there is a delay between the employee's appointment with the Center for Employee Health and Wellness and the start of his/her scheduled tour of duty on the day that he/she was released to return to work, the County will pay for work hours missed, without charge to the employee's leave balances.
(6) The final decision on the employee's ability to return to work rests with the medical provider at the Center for Employee Health and Wellness. In the event the employee is not released to return to work by the medical provider at the Center for Employee Health and Wellness, the employee's status would continue on sick leave or, where there is no balance, leave without pay.
(g) Workers' Compensation
(1) "40-Time". Employees shall receive full salary in lieu of Workers' Compensation benefits and paid sick leave for up to forty (40) hours following an occupational injury or illness, if authorized off work by order of an accepted physician under the Workers' Compensation sections of the California Labor Code. The forty (40) hours (often referred " 40 Time") shall be eligible to be used to cover the three (3) day waiting period as provided by Labor Code 4652 and any subsequent follow-up appointments (e.g., doctor's appointment to remove a cast, physical therapy, etc.) related to that specific approved claim.
(2) Leave Integration. Employees may choose to use accumulated paid leave (e.g., vacation leave, sick leave, PTO, etc.) on a prorated basis to supplement such temporary disability compensation payments, provided that the total amount shall not exceed the regular gross salary of the employee. Employees eligible for salary continuation pursuant to Labor Code 4850 are not entitled to this paid time.
(3) 4850 Time. Employees covered by Section 4850 of the Labor Code who are injured in the line of duty are entitled to full salary in lieu of Workers' Compensation benefits and sick leave for a period not to exceed one (1) year. After the employee has used one (1) full year of such "4850 time," said employee may use accumulated sick leave with pay with the approval of the appointing authority to augment temporary disability payments if said employee is still temporarily disabled by order of an accepted physician under the Workers' Compensation sections or until said employee is retired.
(h) Separation - Unused sick leave shall not be payable upon separation of the employee, except as provided in the Retirement Medical Trust Fund Article.
(i) Perfect Attendance - Regular employees regularly scheduled at least seventy-two (72) hours per pay period, who do not utilize any sick leave, any leave (e.g., vacation) in lieu of sick leave, or benefits in lieu of sick leave (e.g., workers' compensation, Short-Term Disability partial/full integration, etc.), in pay periods 1 through 26 consecutively (or 27 when applicable) and who do not record any sick leave without pay, absent without pay, Medical Emergency Leave, or military leave during those consecutive pay periods shall be eligible for Perfect Attendance. Employees who qualify for Perfect Attendance shall be reimbursed up to a maximum of $\$ 299$ for an annual individual (employee only) health club membership. Health club membership cost must be incurred and submitted for reimbursement within a reasonable period of time from when it was awarded. In lieu of the reimbursement, the employee has the option of utilizing sixteen (16) hours of perfect attendance leave, no cash-out provision, from the pay period the perfect attendance leave is credited to the employee's leave balances until the end of pay period 26 (or 27 when applicable) of that year. Perfect Attendance benefits shall be prorated for employees scheduled less than eighty (80) hours per pay period. For example, an employee who is regularly scheduled 72 hours per pay period would be eligible for a $\$ 269$ health club reimbursement or 14.4 hours of perfect attendance leave. Failure to utilize perfect attendance leave by pay period 26 (or 27 when applicable) of the year in which it was credited to the employee's leave balances or if an employee is appointed to a position in an occupational unit that does not contain a perfect attendance leave provision shall result in forfeiture of the same.
(j) Sick Leave Conversion Option (except MANAGEMENT UNIT and "Management Level" nurses in the NURSES SUPERVISORY \& MANANGEMENT UNIT (i.e., Clinical Director II, Clinical Director I, Unit Manager, and Clinic Unit Manager)) - Employees who have used less than forty (40) hours of sick
leave in a fiscal year (i.e., pay period 15 through pay period 14 of the following year) may, at the employee's option, convert sick leave to vacation leave by the following formula: Hours of sick leave used are subtracted from forty (40). Sixty percent (60\%) of the remainder, or a portion thereof, may be added to vacation leave to be utilized in the same manner as other accrued vacation leave.

| Sick Leave Hours Used | Hours to be Converted | Vacation |
| :---: | :---: | :---: |
| 0 | 40 | 24.0 |
| 8 | 32 | 19.2 |
| 16 | 24 | 14.4 |
| 24 | 16 | 9.6 |
| 32 | 8 | 4.8 |
| 40 | 0 | 0.0 |

(k) Sick Leave Conversion Option (MANAGEMENT UNIT and "Management Level" nurses in the NURSES SUPERVISORY \& MANAGEMENT UNIT (i.e., Clinical Director II, Clinical Director I, Unit Manager, and Clinic Unit Manager Only)) - Any sick leave hours converted to vacation leave hours are not considered time accrued for the current calendar year. The following guidelines apply:
(1) Employees who have contributed to a public sector retirement(s) for over ten (10) years and have not withdrawn the contribution from the system(s) may exchange accrued sick leave hours in excess of eight hundred (800) hours for vacation time.
(2) Sick leave must be exchanged in ten (10) hour increments.
(3) A maximum of eighty (80) sick leave hours may be converted.
(4) The ratio of exchange is as follows:

| Sick Leave Balance at <br> Time of Conversion | Sick Leave to Vacation Leave <br> Conversion Ratio |
| :---: | :---: |
| 800 or more hours | 2 sick hours to 1 hour vacation |

## SECTION 2 - BEREAVEMENT LEAVE

Employees in regular positions may use up to three (3) days paid leave, not charged to the employee's personal leave balances, per occurrence for bereavement due to the death of a family member of the employee's as defined under Section 1(a)(2) of this Article, except for a person "designated" by the employee for sick leave purposes. All employees are entitled to a total of 5 days unpaid bereavement leave per occurrence. Bereavement leave time may be paid through the provision of this Section, Section $(e)(2)$ of this Article, other leave time or unpaid.

One (1) additional day shall be granted if the employee travels over six hundred (600) miles from his/her residence to the bereavement service(s). This additional day shall not be charged to the employee's personal leave balances.

## SECTION 3 - VACATION LEAVE

(a) Definition - Vacation is a right, earned as a condition of employment, to a leave of absence with pay for the recreation and well-being of the employee. If an employee has exhausted sick leave, vacation leave may be used for sick leave purposes upon a special request of the employee and with the approval of the appointing authority.
(b) Accumulation - Employees in regular positions shall accrue, on a pro-rata basis, vacation leave for completed pay periods. Except as provided in Section 5 of this Article, employees in regular positions paid less than eighty ( 80 ) hours per pay period or job-shared positions shall receive vacation leave accumulation on a pro-rata basis; provided, however, that there shall be no prorating of the maximum accumulations.

For employees in the ADMINISTRATIVE SERVICES UNIT, MANAGEMENT UNIT, SUPERVISORY UNIT, and NURSES SUPERVISORY \& MANAGEMENT UNIT, such vacation allowance shall be available for use on the first day following the pay period in which it is earned, provided an employee has completed 1,600 hours of continuous service from the employee's hire date.

| Length of Service <br> From Hire Date | Annual Vacation <br> Allowance | Maximum Allowed Unused <br> Balance |
| :---: | :---: | :---: |
| After 1,600 and through 8,320 <br> service hours | 80 hours | 160 hours |
| Over 8,320 and through 18,720 <br> service hours | 120 hours | 240 hours |
| Over 18,720 service hours | 160 hours | 320 hours |

For employees in the CLERICAL UNIT, TECHNICAL \& INSPECTION UNIT, and CRAFT, LABOR \& TRADES UNIT, such vacation allowance shall be available for use on the first day following the pay period in which it is earned, provided that an employee has completed 1,040 hours of continuous service from the employee's hire date.

| Length of Service <br> From Hire Date | Annual Vacation <br> Allowance | Maximum <br> Allowed Unused Balance |
| :--- | :---: | :---: |
| After 1,040 and through 8,320 <br> service hours | 80 Hours | 160 Hours |
| Over 8,320 and through 18,720 <br> service hours | 120 Hours | 240 Hours |
| Over 18,720 service hours | 160 Hours | 320 Hours |

(c) Administration
(1) Scheduling - Vacation periods should be taken annually with the approval of the appointing authority at such time as will not impair the work schedule or efficiency of the department but with consideration given to the well-being of the employee. No employee shall lose earned vacation leave time because of work urgency. If an employee has reached the maximum allowed unused balance and is unable to take vacation leave because of work urgency, the appointing authority will notify the Auditor-Controller/Treasurer/Tax Collector of the situation and approve a waiver of the maximum allowed unused balance for a period not to exceed one (1) thirteen (13) pay period waiver per calendar year.

Written request for vacation leave shall receive a written response from the appointing authority
within two (2) weeks of submission. In instances where a vacation leave request has received written, advance approval and is rescinded due to work urgency by the supervisor, that decision may be appealed to the Department Head/Group Administrator for an immediate review. In those instances where the direct supervisor is the Department Head/Group Administrator the rescission due to work urgency may be appealed to the Director of Human Resources for immediate review. In those instances where a financial hardship would occur because preapproval resulted in prepayment by the employee, a vacation would only be canceled under the most extreme work emergency.
(2) Minimum Charge - The minimum charge against accumulated vacation leave shall be fifteen (15) minutes. Vacation leave shall be compensated at the employee's base rate of pay, except as otherwise provided in this Agreement.
(3) Holiday During Vacation - When a fixed holiday falls within a vacation period, the holiday time shall not be charged against an employee's earned vacation benefits.
(4) Vacation Leave and Termination Date - Employees not planning to return to County employment at the expiration of a vacation leave, except those retiring, shall be compensated in a lump sum payment for accrued vacation at the employee's then base rate of pay and shall not be carried on the payroll. Retiring employees may elect to use vacation leave or to be compensated in a lump sum payment for accrued vacation leave, provided that each pay period the employee charges the number of hours in their regular scheduled tour of duty.
(5) Vacation Cash-Out - On one occasion each calendar year until the expiration of this contract, an employee who had used eighty (80) or more hours of PTO/vacation leave during the preceding calendar year may elect to convert up to sixty (60) hours of accrued vacation leave into a cash payment, at the base rate of pay in effect at the time of the cash-out. In order to sell back vacation leave, an employee must make an irrevocable election (i.e., pre-designation) during the month of December, specifying the number of hours to be sold back from the next year's vacation leave accrual. During the calendar year following the pre-designation, no more than three (3) requests may be made to cash out the vacation leave in a single block of not less than eight (8) hours and no more than sixty (60) hours. An employee shall be eligible to cash-out vacation leave hours accrued up to the preceding pay period in which he/she requested the cash-out. For example, an employee who requests a cash-out in pay period 15 can only cash-out the vacation leave accrued through pay period 14. The number of hours requested for cash-out shall not exceed an amount equal to or less than the amount accrued. For example, an employee in December 2014 makes a pre-designation to cash-out 25 hours. The employee accrues 4.61 hours of vacation leave per pay period. At the end of pay period 2 the employee can request to cash-out the 8 hours of vacation leave that she had accrued, but is not yet eligible to cash-out the entire 25 pre-designated hours because the employee has yet to accrue 25 hours of vacation leave. Once an election is made, if the employee does not request that the designated number of hours be sold back by pay period 25 of the calendar year in which the election is effective, the hours will be automatically converted to cash in pay period 26 . The vacation leave cash-out shall sunset upon the expiration of the agreement.
(d) Prior Service -

## ELIGIBLE UNITS:

- MANAGEMENT UNIT
- NURSES SUPERVISORY \& MANAGEMENT UNIT

Only Includes "MANAGEMENT LEVEL" Nurses in the Unit (i.e., Clinical Director II, Clinical Director I, Unit Manager, Clinic Unit Manager)

New employees hired into the County in regular positions who have been employed by a public jurisdiction in a comparable position or a position, which has prepared such employees for an assignment to a position in the Management Unit may receive credit for such previous experience in the former agency(s) in determining their vacation accrual rate. Such determination as to the comparability of previous experience and amount of credit to be granted rests solely with the Director of Human Resources. Requests for prior service credit should be made at the time of hire or as soon as possible thereafter, but in no event later than one (1) year from the employee's hire date.
(e) Prior Service -

## ELIGIBLE UNITS:

- NURSES SUPERVISORY \& MANAGEMENT UNIT

Excluding "MANAGEMENT LEVEL" Nurses in the Unit (i.e., Clinical Director II, Clinical Director I, Unit Manager, Clinic Unit Manager)

New employees hired into the County in regular positions who have been employed in a public jurisdiction in a comparable position may receive credit for up to four (4) years (full time equivalent) previous experience in the former agency(s) in determining their vacation accrual rate. Such determination as to the comparability of previous experience and amount of credit to be granted rests solely with the Director of Human Resources. Requests for prior service credit should be made at the time of hire or as soon as possible thereafter, but in no event later than one (1) year from the employee's hire date.

## (f) Prior Service -

## ELIGIBLE UNITS:

## - SUPERVISORY UNIT

New employees hired into regular positions who have been employed in a public jurisdiction in a comparable position may receive credit for up to four (4) years (full time equivalent) previous experience in the former agency(s) in determining their vacation accrual rate. Such determination as to the comparability of previous experience and amount of credit to be granted rests solely with the Director of Human Resources. Requests for prior service credit should be made at the time of hire or as soon as possible thereafter, but in no event later than one (1) year from the employee's hire date.

## SECTION 4 - HOLIDAY LEAVE

(a) Fixed Holidays - All employees in regular positions shall be entitled to the following holidays:

January 1st<br>Third Monday in January<br>Third Monday in February<br>Last Monday in May<br>June 19th<br>Second Monday in October<br>November 11th<br>Thanksgiving Day<br>Day after Thanksgiving<br>December 24th<br>July 4th<br>December 25th<br>First Monday in September<br>December 31st

(b) Floating Holidays - Employees in regular positions shall be entitled to accrue one floating holiday (eight (8) hours holiday time) during the first pay period prior to the third Monday in January, provided that the employee is not on unpaid leave for the entire pay period and is in a paid status.

Floating holidays accrued shall be available for use on the first day following the pay period in which they are accrued, with the approval of the appointing authority. Appointing authorities have the right to schedule employees' time off for accrued holidays to meet the needs of the service but with consideration given to the well-being of the employee. Employees in regular positions budgeted less than eighty (80) hours per pay period or job-shared positions shall receive floating holiday accruals on a pro-rata basis.
(c) Eligibility for Holiday Pay - Except as provided in Section 5 of this Article, to receive holiday pay for a fixed holiday, the following conditions must be met during the pay period in which the fixed holiday fell.
(1) The employee must have been hired prior to or at the start of the pay period and not have separated prior to the end of the pay period in which such fixed holiday fell.
(2) The employee must be paid for at least one-half (1/2) of their regularly scheduled hours.
(3) The employee must have been on an approved leave of absence for any unpaid hours.
(4) The employee must have not had any unauthorized leave.
(d) Holiday During Vacation - When a fixed holiday falls within a vacation period, the holiday time shall not be charged against an employee's earned vacation benefits. As such, the employee shall receive holiday pay for any fixed holiday that falls within a vacation period, provided the employee is eligible for that fixed holiday pay. For example, an employee has approved vacation leave from Tuesday through Thursday and Wednesday is a fixed holiday. Tuesday and Thursday would be coded as vacation leave but Wednesday would be coded as holiday leave.
(e) Working on a Holiday - Whenever an employee is required to work on a fixed holiday or the fixed holiday falls on an employee's regularly scheduled day off, the employee shall accrue, on an hour for hour basis, up to a total of eight (8) hours floating holiday time. At the request of the employee, and with approval of the appointing authority, straight time payment can be made in lieu of accrual provided such compensation is approved during the pay period in which it is worked. Employees scheduled to work on a holiday but who call off sick shall code, but not accrue, holiday leave for that
day, provided that the employee has at least eight (8) hours of sick leave available. Employees with less than eight (8) hours of sick leave available who call off sick on a holiday shall code sick leave or other appropriate available accrued leave, if approved by his/her supervisor, but shall not be eligible to accrue the holiday leave.
(f) Weekend Holidays - When a fixed holiday falls on a Saturday, the previous Friday will be observed as the fixed holiday except that when the preceding Friday is also a fixed holiday, the preceding Thursday will be observed as the fixed holiday. When a fixed holiday falls on a Sunday, the following Monday will be observed as the fixed holiday except that when the following Monday is also a fixed holiday, the following Tuesday will be observed as the fixed holiday.

For those County department operations which operate six (6) and seven (7) days per week facilities, fixed holidays which fall on either a Saturday or Sunday shall be observed on those days by employees of those operations scheduled to work.
(g) Holiday Time Accrual
(1) Upon retirement or termination, employees shall be compensated for any unused accrued holiday time at the then current base rate equivalency.
(2) An employee may code vacation or other appropriate accrued paid leave time on a fixed holiday only under the following circumstances:
(i) An employee on an alternate work schedule such as a $9 / 80$ or $4 / 10$ may code accrued vacation hours on a fixed holiday that falls on a workday up to an amount that if combined with his/her fixed holiday accrual would equal the total number of hours the employee would have been scheduled for that day (e.g., an employee on a $4 / 10$ work schedule normally works ten (10) hours on Mondays, when the fixed holiday falls on a Monday the employee codes eight (8) hours of holiday and may code up to two (2) hours of vacation).
(ii) An employee in a regular part-time or job share position who does not accrue eight (8) hours of holiday leave due to the employee's reduced work schedule may code accrued vacation leave hours on a fixed holiday that falls on a normal workday up to an amount that if combined with the employee's fixed holiday accrual would equal the total number of hours the employee would have been scheduled for that day (e.g., an employee due to his/her reduced work schedule accrued four (4) hours of holiday, but normally would have worked eight (8) hours on the day in which the holiday occurred, may code four (4) hours of accrued vacation leave in addition to the four (4) hours of holiday.

## SECTION 5 - LEAVE ACCRUALS WHILE ON DISABILITY LEAVE

Employees receiving the benefits of Workers' Compensation or short-term disability insurance leave receive partial replacement of their income through these benefits. Employees on these types of disability leaves may choose to fully integrate, partially integrate, or not integrate personal leave time with these disability payments.

The maximum amount the employee receives from integrating leave time with disability payments shall not exceed $100 \%$ of the employee's base salary. Paid personal leave time coded on the employee's Time and Labor Report will be limited to the amount of leave necessary to integrate benefits to the level designated by the employee. When the exact amount is not known, a good faith estimate may be made and the amount will be adjusted later as necessary. If any overpayments are made, the employee will be
required to repay that amount in accordance with the Payroll Adjustments Article. An employee who knowingly receives payment in excess of their regular base salary is required to report it to their Departmental payroll clerk.

Employees who are fully integrating accrued leave time with disability benefits shall be eligible to receive full accruals of vacation and sick leave. Employees who are not fully integrating shall earn prorated vacation and sick leave accruals based upon paid leave time coded on the Time and Labor Report only.

Employees who are fully integrating paid leave time with disability benefit(s) will be eligible for fixed holiday pay provided that they are on the payroll for the entire pay period and have no unapproved leave for the pay period. Employees who are partially integrating or not integrating paid leave time with disability benefits will be paid for holidays in accordance with the holiday leave provisions in Section 4 of this Article.

## SECTION 6 - COMPULSORY LEAVE

If, in the opinion of the appointing authority, employees are unable to perform the duties of their position for physical or psychological reasons, they may be removed from duty without pay, unless the employee is permitted to use appropriate accrued paid leave for which they are eligible. In addition, such employees may be required to submit to an examination by either a physician or other competent authority designated by the Director of Human Resources or designee or by their own physician or other practitioner, as appropriate. If the examination report of the competent authority (e.g., physician, appropriate practitioner) shows the employee to be in an unfit condition to perform the duties required of the position, the appointing authority shall have the right to compel such employee to take sufficient leave of absence with or without pay, to transfer to another position without reduction in compensation, and/or follow a prescribed treatment regimen until medically qualified to return to unrestricted duty. An employee who has been removed from duty for physical or psychological reasons by the appointing authority, and the employee was required to submit to an examination, may not return to duty until such time as medical clearance has been obtained.

Additionally, if an employee otherwise fails to maintain required licensure for any reason, said employee shall be removed from duty without pay, unless the employee is permitted to use appropriate accrued paid leave for which the employee is eligible. Nothing herein is intended to preclude the employer from taking appropriate administrative action with regard to the employee.

## SECTION 7-MILITARY LEAVE

As provided in the California Military and Veterans Code Section 395 et seq., and any amendment thereto, and the federal Uniformed Services Employment and Reemployment Rights Act of 1994, a County employee, regular, extra-help, or recurrent may be entitled to the following rights concerning military leave:
(a) Definition - Military leave is defined as the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training (weekend drills), full-time National Guard duty, and a period for which an employee is absent for the purpose of an examination to determine the fitness of the person to perform any such duty.
(b) Notice and Orders - All employees shall provide advance notice of military service unless military necessity prevents the giving of notice or the giving of notice is impossible or unreasonable. Where available, copy of military orders must accompany the request for leave.
(c) Temporary Active Duty - Any employee who is a member of the reserve corps of the Armed Forces, National Guard, or Naval Militia shall be entitled to temporary military leave of absence for the purpose of active military training provided that the period of ordered duty does not exceed one hundred eighty (180) calendar days, including time involved in going to and returning from such duty. While on paid status, an employee on temporary military leave shall receive the same vacation, holiday, and sick leave, step advances and benefits that would have been enjoyed had the employee not been absent, providing such employee has been employed by the County for at least one (1) year immediately prior to the date such leave begins. In determining the one (1) year employment requirement, all time spent in recognized military service, active or temporary, shall be counted. An exception to the above is that an uncompleted probationary period must be completed upon return to the job. Any employee meeting the above one (1) year employment requirement shall be entitled to receive their regular salary or compensation, pursuant to Section (e) of this Article.
(d) Full-Time Active Duty - Employees who resign from their positions to serve in the Armed Forces for more than one hundred eighty (180) days, shall have a right to return to their former classification upon serving written notice to the appointing authority, no later than ninety (90) days after completion of such service. Returning employees are subject to a physical/psychological examination.

Should such employee's former classification have been abolished, then the employee shall be entitled to a classification of comparable functions, duties, and compensation if such classification exists, or to a comparable vacant position for which the employee is qualified.

The right to return to former classification shall include the right to be restored to such civil service status as the employee would have if the employee had not so resigned; and no other person shall acquire civil service status in the same position so as to deprive such employee of this right to restoration.

Eligible employees are also entitled to the reemployment and benefit rights as further described in the Uniformed Services and Employment and Reemployment Rights Act, 38 U.S.C. Sections 43014333. Specifically, a returning employee will receive restoration of original hire date, salary step, vacation accrual rate, sick leave balance (unless the employee has received payment for unused sick leave in accordance with provisions contained herein), the retirement plan contribution rate and retirement system contributions (provided the employee complies with any requirements established by the Retirement Board). However, such employee will not have accrued vacation, sick leave, or other benefit while absent from County employment, except as provided in the temporary duty provision.
(e) Compensation - This provision does not include an employee's attendance for inactive duty, commonly referred to as weekend reserve meetings or drills. Employees must use their own time to attend such meetings. Should the meetings unavoidably conflict with an employee's regular working hours, the employee is required to use vacation or holiday leave, leave without pay, or make up the time. Employees who are called in for a medical examination to determine physical fitness for military duty must also use vacation leave, leave without pay, or make up the time. Employees cannot be required to use their accrued leave. Any employee meeting the requirements in (c) and (d) shall be
entitled to receive their regular salary or compensation for the first thirty (30) calendar days of any such leave. Pay for such purposes shall not exceed thirty (30) days in any one fiscal year and shall be paid only for the employee's regularly scheduled workdays that fall within the thirty (30) calendar days.
(f) Extension of Benefits - The County recognizes the increased requirements of the military due to the current threats facing the United States of America and, as such, has established a program under which employees may be eligible for an extension of benefits. Employees who are called to active duty as a result of the activation of military reservists beginning in September 2001, and who are eligible to receive the thirty (30) calendar day military leave compensation, and meet the requirements established by the Board shall receive the difference between their base County salary and their military salary starting on the 31st calendar day of military leave. The difference in salary shall continue for the period approved by the Board of Supervisors. During this period, the County will continue to provide the employee the benefits and all leave accruals as was provided prior to such active duty. Retirement contributions and credit will be granted if the employee had enough pay to cover the entire contribution. If the employee does not get enough pay to cover the retirement contribution, no contribution or credit will be given. Employees should note that the Accidental Death and Dismemberment (AD\&D) plan contains a war exclusion.

If the employee becomes eligible for full County payment for the first thirty (30) days of military leave provided in (c) of this Article, the extended payments provided under this Section shall be suspended and shall be continued after the 30 days compensation has been completed.

No compensation shall be paid beyond the thirty (30) day leave period, unless such compensation is expressly approved by the Board of Supervisors. The County may unilaterally extend the benefits of this subsection upon the approval of the Board of Supervisors.
(g) Vacation and Military Leave - Employees shall not be permitted to take vacation or other accrued leave in lieu of the military leave provisions provided in Section (c) of the Article. Employees may elect to use accrued leave time, except sick leave, in lieu of the integrated pay in Section (f) of this Article under the following conditions:
(1) The employee must decline in writing the benefits of Section (f) of this Article prior to the due date of the Time and Labor Report (TLR). The employee must include the dates for which he/she is declining the benefit.
(2) The employee must use accrued leave time for the entire pay period (i.e., County pay will not be integrated with military pay for partial pay periods).
(3) Such written declination cannot be revoked or amended at a later date for a pay period for which the TLR has already been submitted.
(4) Benefits, leave accruals, and pay will be administered per normal procedures for vacation pay; no additional benefits otherwise granted under this Article will be available.

Employees may elect to use accrued leave time, except sick leave, once all paid benefits have been exhausted.

## SECTION 8 - POLITICAL LEAVE

Any employee who is a declared candidate for public office (i.e., a candidate who has filed the appropriate documents) shall have the right to a leave of absence without pay with or without right to return for a reasonable period to campaign for the election. Such leave is subject to the conditions governing special leaves of absence without pay under Section 9.

## SECTION 9 - SPECIAL LEAVES OF ABSENCE WITHOUT PAY

(a) General Provisions

A special leave of absence without pay for a period not exceeding one (1) year may be granted to an employee who:
(1) Is medically incapacitated to perform the duties of the position.
(2) Desires to engage in a relevant course of study, which will enhance the employee's value to the County.
(3) Takes a leave of absence pursuant to the federal Family Medical Leave Act, the California Family Rights Act, and/or Pregnancy Disability Leave provisions under the Fair Employment and Housing Act (FEHA).
(4) For any reason considered appropriate by the appointing authority and the Director of Human Resources.
(b) Types of Leaves of Absence

There are four (4) types of leaves of absences. All requests must be in writing and require the approval of the appointing authority or designee and the Director of Human Resources or designee. Upon request, the appointing authority or designee and the Director of Human Resources or designee may grant successive leaves of absence. All benefits shall be administered in accordance with the appropriate Article of this Agreement.

## (1) Leaves of Absence With Right to Return

Leaves of absence with right to return may be granted to employees in regular positions for a period not exceeding one (1) year. The employee remains in his/her position.
(2) Family Leave

Leaves of absence will be granted in accordance with the federal Family Medical Leave Act (FMLA), the California Family Rights Act (CFRA) and/or Pregnancy Disability Leave (PDL) provision under Fair Employment and Housing Act (FEHA). This leave can be concurrent with use of paid leave or leave of absence without pay with right to return.

An employee on an approved leave of absence without pay under this provision will continue to receive the benefits specified in Section 5 of the Medical, Dental and Vision Coverage Article of this Agreement. Certification from a health care provider is required for all instances of medical leave under this provision. Employees are required to inform supervisors of the need for leave at least thirty (30) days before commencement where possible.

In instances where the leave is for the birth or placement of a child and both husband and wife are County employees, both employees are limited to a total of twelve (12) weeks between them.

## (3) Leaves of Absence Without Right to Return

(i) Definition - Leaves of absence without right to return may be granted to employees with regular status for a period not exceeding one (1) year. Employees without right to return shall be removed from their position. Retirement contributions shall remain in the system and cannot be requested for distribution until the expiration of the leave. The employee shall be eligible to purchase medical benefits pursuant to federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA).
(ii) Return Process - An employee may return to the same department in the classification from which the employee took the leave of absence with the approval of the appointing authority and the Director of Human Resources. Alternatively, the employee may apply through Human Resources by the last day of the leave of absence. The employee will be placed on the eligible list for the classification from which he/she took the leave of absence without examination. Placement on the eligible list will be administered in accordance with the requalification provisions of the Personnel Rules. If the employee does not return to a regular position within ninety (90) calendar days of the expiration of such a leave the employee shall be terminated from County service. If reemployed, the employee shall be required to serve a new probationary period. The Director of Human Resources or designee has the discretion to waive the requirement to serve a new probationary period.
(iii) Benefits Upon Return - An employee who returns to a regular position within ninety (90) days after the expiration of the leave of absence without right to return shall retain hire date for purposes of leave accruals and step advances; except that the employee will not receive service credit for the period of time the employee is on the leave of absence without right to return.

To be reemployed and retain the above benefits, the employee must be appointed to a position no later than ninety (90) calendar days after the date of expiration of the leave of absence. The ninety (90) days shall run concurrently with the first ninety (90) days of the one (1) year period provided in the Reemployment Article.
(4) Long-Term Medical Leave of Absence
(i) Definition - An employee with regular status who suffers from a serious condition may be placed on a medical leave of absence for up to one (1) year, only after FMLA, CFRA and/or PDL have been exhausted. However, if an employee meets the service requirements for eligibility for a disability retirement, the Long-Term Medical Leave of Absence may be extended. The employee is responsible for providing documentation from a qualified health practitioner prior to approval. The County retains the right to request medical documentation regarding the employee's continued incapacity to return to work.

The employee will be removed from his/her position so that the department may fill behind the employee. Retirement contributions shall remain in the system and cannot be requested for distribution until the expiration of the leave. The employee shall be eligible to purchase medical benefits pursuant to the federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA).

Upon the employee's ability to return to work or the expiration of the leave of absence,
whichever comes first, the employee will have the right to return to the classification within the department from which he/she took a leave of absence when a funded vacancy for which the employee meets the qualifications is available. If the employee does not return to work by the expiration date of the leave, or the soonest date after that for which the department has a vacancy (but in no event later than ninety (90) days following the expiration of the medical leave of absence), the employee relinquishes the right to return.
(ii) Upon return from a medical leave of absence, the employee shall retain hire date for purposes of leave accruals and step advances; except that the employee will not receive service credit for the period of time the employee is on the medical leave of absence.

## SECTION 10 - JURY DUTY LEAVE

Employees in regular positions who are ordered/summoned to serve jury duty including Federal Grand Jury duty shall be entitled to base pay for those hours of absence from work, provided the employee waives fees for service, other than mileage. Such employees will further be required to deliver a "Jury Duty Certification" form at the end of the required jury duty to verify such service. If an employee is required to report to jury duty during hours the employee is not scheduled to work (e.g., it is the employee's normal day off, the employee is off work pursuant to an FMLA, CFRA, or workers' compensation leave, the employee is not in a paid status for the pay period, etc.) the employee is not entitled to Jury Duty Leave for those hours. When practicable, the appointing authority will convert an employee's regular tour of duty to a day shift tour of duty during the period of jury duty. Employees required to serve on a jury must report to work before and after jury duty provided there is an opportunity for at least one (1) hour of actual work time. The employee will not be required to return to work if more than one (1) hour remains after the employee has completed jury duty and the employee has received prior approval from the appointing authority or designee to use appropriate leave from the employee's accrued "leave bank." Employees volunteering to serve on a Grand Jury shall be granted a leave of absence without pay to perform the duties of a member of the Grand Jury, in the same manner as provided in Section 9 of this Article.

## SECTION 11 - EXAMINATION TIME

Employees having regular status in regular positions at the time of application, or employees who do not have regular status but have previously held regular status and continuously remained a County employee, shall be entitled to a reasonable amount of time off with pay for the purpose of attending all examination processes (e.g., selection interviews) required for selection to a different County position. Employees are responsible for notifying and obtaining approval from their immediate supervisor prior to taking such leave. Examination time off shall not be charged against any accumulated leave balances and shall be compensated at the employee's base hourly rate. An employee is not entitled to compensation if the employee is able to complete the examination on his/her own non-working time (e.g., online exams). If an employee is unable to complete an online examination as a result of lack of access to the necessary equipment/software, the employee must contact Human Resources prior to the specified test completion deadline and alternative arrangements will be made for the employee so that he/she can complete the online exam. Employees must report to work before and after examination time provided there is an opportunity for at least one (1) hour of actual work time. The employee will not be required to return to work if more than one (1) hour remains after Examination Time and the employee has received prior approval from the appointing authority or designee to use appropriate leave from the employee's accrued "leave bank."

## SECTION 12 - WITNESS LEAVE

Employees in regular positions shall be entitled to a leave of absence from work when subpoenaed to testify as a witness, such subpoena being properly issued by a court, agency, or commission legally empowered to subpoena witnesses. This benefit shall not apply in any case in which the subpoenaed employee is a party to the action or the subpoena has arisen out of the employee's scope of employment. Witness Leave shall not be charged against any accumulated leave balances and shall be compensated at the employee's base hourly rate. This benefit will be paid only if the employee has demanded witness fees at the time of service of the subpoena, and such fees are turned over to the County. If an employee is required to testify as a witness during hours the employee is not scheduled to work (e.g., it is the employee's normal day off, the employee is off work pursuant to an FMLA, CFRA, or workers' compensation leave, the employee is not in a paid status for the pay period, etc.) the employee is not entitled to Witness Leave during those hours.

## SECTION 13 - BLOOD DONATIONS

Employees in regular positions who donate blood without receiving compensation for such donation, may have up to two (2) hours off with pay to recover with prior approval of the immediate supervisor for each such donation. This benefit shall not be charged to any accumulated leave; provided, however, if the employee is unable to work, any time in excess of two (2) hours may be charged to accumulated sick leave or be taken as leave without pay. Evidence of each donation must be presented to the appointing authority to receive this benefit.

Employees in regular positions who are apheresis donors may have up to four (4) hours off with pay to recover with prior approval of the immediate supervisor for each such donation, provided no compensation is received for such donation. This benefit shall not be charged to any accumulated leave; provided, however, if the employee is unable to work any time in excess of four (4) hours may be charged to accumulated sick leave or be taken as leave without pay. Evidence of each apheresis donation must be presented to the appointing authority to receive this benefit.

## SECTION 14 - TIME OFF FOR VOTING

(a) If an employee does not have sufficient time outside of working hours to vote at a statewide election, the employee may, without loss of pay, take off enough working time that, when added to the voting time available outside of working hours, will enable the employee to vote.
(b) No more than two (2) hours of the time taken off for voting shall be without loss of pay. The time off for voting shall be only at the beginning or end of the regular working shift, whichever allows the most free time for voting and the least time off from the regular working shift, unless otherwise mutually agreed.
(c) If the employee on the third working day prior to the day of election knows or has reason to believe that time off will be necessary to be able to vote on Election Day, the employee shall give the employer at least two (2) working days' notice that time off for voting is desired, in accordance with this section.

## SECTION 15 - EDUCATION LEAVE AND TRAINING ELIGIBLE UNITS:

- NURSES SUPERVISORY \& MANAGEMENT UNIT

## Section 1

Effective pay period 1 of each year, each regular full-time employee with one (1) or more years of service shall be credited with a bank of twenty-four (24) hours of leave with pay (i.e., Education Leave), upon approval, to attend (e.g. online, in person, etc.) Board of Registered Nursing approved continuing education courses, seminars, training programs, conferences, workshops, or classes, including those necessary to obtain and/or maintain RN licensure or certifications. Such bank shall be reflected on the employee's pay stub. An employee may upon their request to Human Resources, also receive their available balance of Education Leave Hours.

Written requests for such Leave must be submitted thirty (30) calendar days in advance before the leave is to be taken or at least five (5) days before the schedule is released. If an employee submits a request for Education Leave prior to the current schedule being finalized, the County will make reasonable efforts to accommodate the employee's Leave request. An employee seeking to attend education courses, seminars, training programs, conferences, workshops, online courses or classes on a scheduled day off shall be eligible to use up to twelve (12) hours of Education Leave for the actual course time. Department responses to requests for Education Leave will be provided within fourteen (14) days of any such written Leave request.

An employee who is approved to attend an education course, seminar, etc. on a day that is the employee's scheduled workday, whose shift was not backfilled, shall discuss with his/her supervisor if the employee will return to work or use appropriate paid leave or VTO for the remainder of the employee's scheduled workday. An employee's requests to use appropriate paid leave or VTO for this purpose shall not be denied arbitrarily and/or capriciously.

## Section 2

An employee with unused Education Leave at the end of pay period 26, or 27 when applicable, are eligible to carry over up to twelve (12) hours of Education Leave into the next calendar year provided, however, that the amount carried over combined with the Education Leave credited to the employee in pay period 1 shall not exceed thirty-six (36) hours, or forty-six (46) hours in the case of an employee who receives an additional ten (10) hours of Education Leave as provided in Section 4 of this Article.

## Section 3

An employee who is required or mandated to attend a specific class or training, including but not limited to work on their assigned unit, by the Appointing Authority or designee shall not have the time spent attending such class or training counted against this Education Leave. The County will pay the cost of the class/training and the employee shall be paid his/her base rate, and this time shall be counted as time worked. Examples of a mandatory class are those conducted through ARMC's Healthstream system and the Driver Awareness class required by County Risk Management.

## Section 4

Effective pay period 1 of each year, each regular full-time employee with one (1) or more years of service who is currently certified by a national specialty organization shall be provided an additional ten (10) hours of Education Leave each year, and thereafter, as long as the certification is maintained.

Each regular full-time employee who has obtained a national certification shall then be provided an additional ten (10) hours of Education Leave prorated on a monthly basis, based upon the annual rate of ten (10) hours.

## LIFE INSURANCE

## ELIGIBLE UNITS:

- ALL UNITS
(a) The County agrees to pay the premium for a term life insurance policy for each employee based on scheduled work hours according to the table below. Life insurance will become effective on the first day of the pay period following the employee's first pay period in which the employee is in paid status and shall continue for each pay period in which the employee is in a paid status. For pay periods in which the employee is not in paid status, the employee shall have the option of continuing life insurance coverage at the employee's expense.

| Bargaining Unit | Amount of Life Insurance |  |
| :---: | :---: | :---: |
|  | Scheduled Hours from 40 to 60 | Scheduled Hours from 61 to 80 |

(b) The County further agrees to make available to each employee a group term life insurance program wherein the employee may purchase additional term life insurance in the amounts specified in the Certificate of Insurance. New employees shall become initially eligible to participate in these programs on the first day of the pay period following the pay period in which the employee works and receives pay for one half plus one of their regularly scheduled hours.

The County agrees to provide these benefits subject to carrier requirements as specified in the Certificate of Insurance. Selection of the insurance provider(s) and the method of computing premiums shall be within the sole discretion of the County.

## LOW CENSUS

If during the term of this agreement the County determines that conditions exist that, due to low workload (e.g., low patient census, etc.), would require the County to implement measures to deal with such conditions, the parties agree that, regular employees at Arrowhead Regional Medical Center covered by this MOU may be relieved from duty without pay at any time if it is determined that the workload is such that their services are not immediately necessary.

Before regular employees are relieved from duty, the following must first occur:
(1) Any temp agency or registry employee will be relieved from duty.
(2) Employees working a non-regularly scheduled shift shall be relieved from duty.
(3) Employees will be polled to determine whether or not any of them wish to volunteer for relief from duty. Employees who volunteer for relief from duty shall be eligible to use appropriate paid or unpaid leave (e.g., Vacation, Holiday, Compensatory Time, Voluntary Time Off).
(4) Any extra-help, intermittent, or "Per Diem" employee will be relieved from duty.
(5) Any traveler employee will be relieved from duty.
(6) Any Contract employee in a Teamsters Local 1932 bargaining unit will be relieved from duty.
(7) Any regular employee working a regularly scheduled shift will be relieved from duty.
(8) The order of call off may be altered to retain an employee whose skills and competencies are required for safe patient care, but shall not be used in a punitive or arbitrary manner.

## Special Provisions

(1) An employee who is not notified at least two hours prior to the beginning of a scheduled shift and who reports for work, will be provided a minimum of four (4) hours of work. This minimum guarantee shall not apply if the County has contacted the employee by telephone at least two (2) hours prior to the beginning of the shift.
(2) An employee who is called off for a shift during a pay period shall, consistent with the Overtime article, have the opportunity to work additional hours, shifts, etc., provided the additional hours, shifts, etc., are available and the employee is approved to work.
(3) An employee who is called off or who volunteers for relief from duty shall be eligible to use appropriate paid or unpaid leave (e.g., Vacation, Holiday, Compensatory Time, Voluntary Time Off) provided the employee meets the eligibility requirements to use such leave.
(4) The County shall notify the Union, upon its request, of any employees who are called off.

## MEAL AND BREAK PERIODS

## ELIGIBLE UNITS:

- ALL UNITS - EXCEPT MANAGEMENT

## MEAL PERIODS

Meal periods are nonpaid, duty-free, nonworking time and shall not be less than one-half ( $1 / 2$ ) hour, or greater than one (1) hour when scheduled. Every effort will be made to schedule such duty-free meal period during the middle of the shift when possible.

If a regularly scheduled tour of duty does not include a duty-free meal period, appointing authorities shall allow employees a maximum of twenty (20) minutes per shift to eat a meal. Such time shall be considered work time.

Additionally, the Parties mutually agree upon Meal Periods provided for in this article as opposed to those provided for under applicable State law for employees covered under SB1334 as determined by the County, who provide direct patient care or support direct patient care in a general acute care hospital, clinic, or public health setting. Thus, if an eligible employee does not receive a meal period as required by this article, the County shall pay the affected employee one additional hour of pay at the employee's regular rate of compensation for each workday that the meal period is not provided.

## BREAK PERIODS

Employees shall be entitled to rest periods in accordance with the schedule contained herein. Rest periods shall be scheduled in accordance with the requirements of the department, but in no instance shall rest periods be scheduled within one (1) hour of the beginning or ending of a tour of duty or meal period, nor shall such time be accumulative or used to report to work late or leave early. Rest periods shall be considered as time worked. Employees required to work beyond their regular tour of duty shall be granted a ten (10) minute rest period for each two (2) hours of such work. Rest periods may not be divided so as to increase the total number of rest periods taken. For example, a twenty (20) minute rest period may not be divided by the employee into two rest periods of ten (10) minutes duration.

| Regularly Scheduled Tour of Duty | Number and Limit of Rest Period |
| :--- | :--- |
| After 3 hours and through 6 hours | One -15 Minute Rest Period |
| After 6 hours and through 8 hours | Two -15 Minute Rest Periods |
| After 8 hours and through 10 hours | Two -20 Minute Rest Periods |
| After 10 hours | One -25 Minute Rest Period and <br> One -20 Minute Rest Period |

Additionally, the Parties mutually agree upon Break Periods provided for in this article as opposed to those provided for under applicable State law for employees covered under SB1334 as determined by the County, who provide direct patient care or support direct patient care in a general acute care hospital, clinic, or public health setting. Thus, if an eligible employee does not receive a rest period as required by this article, the County shall pay the affected employee one additional hour of pay at the employee's regular rate of compensation for each workday that the rest period is not provided.

## MEDICAL, DENTAL, AND VISION COVERAGE

## SECTION 1 - MEDICAL AND DENTAL COVERAGE

## ELIGIBLE UNITS:

- ALL UNITS
(a) The parties agree that Teamsters Local 1932 may establish a healthcare trust (the "Trust") that offers medical coverage compliant with Internal Revenue Code (Code) section 4980H and the Affordable Care Act (ACA), dental coverage, vision care coverage for active employees in the ADMINISTRATIVE UNIT; CLERICAL UNIT; CRAFT, LABOR \& TRADES UNIT; MANAGEMENT UNIT; SUPERVISORY UNIT; NURSES SUPERVISORY \& MANAGEMENT UNIT; and TECHNICAL \& INSPECTION UNIT (the "Bargaining Units") who are members of Teamsters Local 1932. Active employee is defined as an employee who has not terminated employment from the County including those on paid status and on approved unpaid leave of absence.
(b) Active Bargaining Unit employees who are members of Teamsters Local 1932 may choose to participate in medical and prescription drug coverage, dental coverage, and vision coverage offered by either the County or by Teamsters Local 1932 through the Trust. (d) For employees in all units, the wage differential shall be considered as part of the base hourly rate when calculating the following: the County contribution to the employee's Retirement Medical Trust (RMT) account, differentials paid on a percentage basis (e.g., $5 \%$ Respiratory Critical Care Differential), longevity, sick leave cash-outs (if any) pursuant to the RMT Article, and leave cash-outs. Provided below is an example of how the County's contribution to the RMT would be calculated:

EX: An employee with 11 years of continuous County service and an 80 -hour per pay period schedule selects the MBO. The employee's base hourly rate is $\$ 25$ per hour. This employee is eligible for a County contribution to the RMT equal to $1.50 \%$ of the employee's base bi-weekly salary. The County contribution to the RMT is calculated as follows:

80 hours X (\$25.00 per hour + \$1.75 MBO Wage Differential) = \$2,140 base bi-weekly salary for purposes of County contribution to the RMT \$2,140 X 1.50\% Contribution Rate $=\$ 32.10$

The County will contribute $\$ 32.10$ to the RMT on behalf of the employee that pay period.

## SECTION 3 - BENEFITS AND LEAVES

Except as provided in this Section 3, employees who select the MBO shall receive the same benefits and leaves that employees who select the Traditional Benefit Option receive in the MOU.

Employees who select both the Blue Shield PPO Bronze Plan and enroll in the FSA shall not receive the County contribution to the Retirement Medical Trust.
(e) Retirement Medical Trust: Employees who select the MBO and enroll in the Blue Shield PPO Bronze Plan and the FSA shall not receive a County contribution to the Retirement Medical Trust, but shall be eligible for a County match to the FSA as provided in part (d) above.
(f) Deferred Compensation 457(b): Employees shall be eligible to participate in the County's 457(b) Deferred Compensation Plan, but shall not receive a County match.
(g) Paid Time Off (PTO):
(1) Definition: Paid Time Off (PTO) is granted to employees who select the MBO in lieu of any other Vacation, Sick, or Holiday accrual leave provisions, except as provided in this Section 3 (h)(2). Supervisory Unit and Management Unit employees who select the MBO shall continue to be eligible to receive Administrative, Attorney, and/or Annual Leave.
(2) Accumulation: Employees who select the MBO shall accrue PTO each pay period and shall be eligible for prior service credit as provided in Section 3 (d), (e), or (f) of the Leave Provisions article. Employees who have standard hours of less than eighty (80) hours per pay period shall accumulate PTO on a pro-rata basis; provided, however, that the maximum allowed combined unused vacation and PTO balance shall not be prorated. PTO shall be available for use on the first day following the pay period in which it is earned.
(i) Employees in Classifications that are Regularly Scheduled to Work Holidays - Employees in classifications that are regularly scheduled to work on holidays (e.g., Respiratory Care Practitioner II or Sterile Processing Technician) shall accrue PTO each pay period as provided in the chart below.

**The employee's maximum allowed PTO balance may not exceed 270 or 324 hours, as applicable.
(ii) Employees in Classifications that are Not Regularly Scheduled to Work Holidays Employees in classifications that are not regularly scheduled to work on holidays (e.g., Public Works Engineer III or Nurse Supervisor) shall accrue PTO each pay period as provided in the chart below and shall receive holiday pay as provided in this Section 3 (h)(2).

**The employee's maximum allowed PTO balance may not exceed 169, 229, or 289 hours, as applicable.
(3) Administration
(i) PTO for Vacation Leave Purposes - When PTO has been requested for vacation leave purposes, PTO shall be administered according to the Vacation Leave section of the Leave Provisions Article of the MOU.
(ii) PTO for Sick Leave Purposes - When PTO has been requested for sick leave purposes, PTO shall be administered according to the Sick Leave section of the Leave Provisions Article of this MOU.
(4) Separation: Employees separating from County employment shall have any unused PTO administered in the same manner that Vacation Leave is administered at separation according to the Vacation Leave section of the Leave Provisions Article of the MOU.

Employees who are hired into a position in a bargaining unit (except for employees who are hired into the Per Diem Nurses Unit) that does not contain the MBO, shall carry over their existing PTO balance and begin accruing vacation, holiday, and sick leave immediately. Employees who are hired into a position in the Per Diem Nurses Unit shall have any existing leave balances (e.g., PTO, vacation, sick, etc.) administered in the same manner as an employee who is in the Traditional Benefit Option who is hired into a Per Diem Nurses Unit position.
(5) PTO Cash-Out - On one occasion each calendar year until the expiration of this contract, an employee who had used eighty (80) or more hours of PTO/vacation during the preceding calendar year may elect to convert up to sixty (60) hours of accrued PTO into a cash payment, at the base rate of pay in effect at the time of the cash-out. In order to sell back PTO, an employee must make an irrevocable election (i.e., pre-designation) during the month of December, specifying the number of hours to be sold back from the next year's PTO accrual. During the calendar year following the pre-designation, no more than three (3) requests may be made to cash out the PTO in a single block of not less than eight (8) hours and no more than sixty (60) hours. An employee shall be eligible to cash-out PTO hours accrued up to the preceding pay period in which he/she requested the cash-out. For example, an employee who requests a cash-out in pay period 15 can only cash-out the PTO accrued through pay period 14. The number of hours requested for cashout shall not exceed an amount equal to or less than the amount accrued. For example, an employee in December 2023 makes a pre-designation to cash-out 25 hours. The employee accrues 4.31 hours of PTO per pay period. At the end of pay period 2 the employee can request to cash-out the 8 hours of PTO that she had accrued, but is not yet eligible to cash-out the entire 25 pre-designated hours because the employee has yet to accrue 25 hours of PTO. Once an election is made, if the employee does not request that the designated number of hours be sold back by pay period 25 of the calendar year in which the election is effective, the hours will be automatically converted to cash in pay period 26 . The PTO cash-out shall sunset upon the expiration of the agreement.
(h) Holiday Pay:
(1) Employees in Classifications that are Regularly Scheduled to Work Holidays - Employees in classifications that are regularly scheduled to work on holidays (e.g., Respiratory Care Practitioner Il or Sterile Processing Technician), shall not accrue any holiday leave, but shall be paid twice their base hourly rate for all hours actually worked on the following holidays:

January 1st
Last Monday in May
July 4th
First Monday in September
November 11th

Thanksgiving Day
Day after Thanksgiving
December 24th
December 25th
December 31st
(2) Employees in Classification that are Not Regularly Scheduled to Work Holidays - Employees in classifications that are not regularly scheduled to work on holidays (e.g., Public Works Engineer III or Nurse Supervisor), shall receive holiday pay according to the Holiday Leave section of the Leave Provisions Article of this MOU, except such employees will not be eligible for the floating holiday.
(i) Accrual Carryover Following Benefit Change
(1) Traditional Benefit Option to Modified Benefit Option - Employees who convert from the Traditional Benefit Option to the MBO shall carry over and may utilize their existing vacation, holiday, and sick leave balances; provided, however, that the employee shall no longer accrue vacation, holiday, and sick leave after converting to the MBO, except as provided in this Section 3 (g)(3)(ii). SUPERVISORY UNIT, NURSES SUPERVISORY \& MANAGEMENT UNIT, and MANAGEMENT UNIT employees who convert from the Traditional Benefit Option to the MBO shall have any existing Administrative, Attorney, and/or Annual Leave carried over.

After converting to the MBO the employee shall be immediately eligible to accrue PTO; however, the employee's combined Vacation and PTO balance shall not exceed the applicable caps established in the chart above. For example, if an employee with less than 10,400 service hours and in a classification that is regularly scheduled to work holidays carries over 200 Vacation Leave hours the employee shall only be eligible to accrue up to 120 PTO hours. If such employee then uses some Vacation Leave or PTO, the employee shall be eligible to accrue additional PTO hours, not to exceed the applicable cap.

However, an employee with a previously approved waiver of the maximum allowed unused vacation balance as provided in the Vacation Leave section of the Leave Provisions Article may temporarily exceed the caps in the chart above.

An employee who carries over Vacation Leave hours shall be eligible to accrue the maximum amount of PTO once the employee has exhausted all of his/her carried over Vacation Leave hours.
(i) Vacation Cash-Out: Employee who met the eligibility requirements for the vacation cash-out prior to selecting the MBO and predesignated to cash-out vacation leave during the required pre-designation period while in the Traditional Benefit Option, shall remain eligible to cashout vacation leave. However, employees enrolled in the MBO shall not be eligible to predesignate to cash-out vacation leave while enrolled in the MBO unless employee intends to convert to the traditional benefit option during next calendar year's open enrollment period and starts accruing vacation that calendar year.
(2) Modified Benefit Option to Traditional Benefit Option - Employees who convert from the MBO to the Traditional Benefit Option shall carry over and may utilize their existing PTO balance (if any) and begin accruing vacation, holiday, and sick leave immediately; however, the employee's combined Vacation and PTO balance shall not exceed the applicable vacation caps established in the Vacation Leave section of the Leave Provisions article. For example, if an employee with less than 18,720 service hours carries over 270 PTO hours and 30 Vacation Leave hours the employee shall only be eligible to accrue up to 20 Vacation Leave hours since the maximum allowed unused Vacation Leave is 320 hours. If such employee then uses some Vacation Leave or PTO, the employee shall be eligible to accrue additional Vacation Leave, not to exceed established cap. Supervisory Unit and Management Unit employees who convert from the MBO to the Traditional Benefit Option shall have any existing Administrative, Attorney, and/or Annual Leave carried over.
(i) PTO Cash-Out: Employee who met the eligibility requirements for the PTO cash-out prior to converting from the MBO to the Traditional Benefit Option and predesignated to cash-out PTO during the required pre-designation period while in the MBO, shall remain eligible to cash-out. However, employees enrolled in the Traditional Benefit Option shall not be eligible to predesignate to cash-out PTO while enrolled in the Traditional Benefit Option unless employee intends to convert to the MBO option during next calendar year's open enrollment period and starts accruing PTO that calendar year.

capture unit eligible employees. The County shall provide employees that become eligible to a Teamsters bargaining unit due to promotion, classification change, etc. a one-time 30-minute session on County paid time to meet at the worksite location with Teamsters Local 1932. Teamsters Local 1932 shall be limited to one monthly group session scheduled at least 30 days in advance with each affected department and the session shall not interfere with department operations.

This program will expire on March 22, 2024, unless mutually agreed to by the County and the Teamsters Local 1932 (Teamsters) to extend the program. The IHR Program is being developed to reduce the utilization of outside temporary staffing services for short notice staffing needs provided by the department or the Sheriff's Correctional Facilities Point of Contact (POC). (b) All IHR shifts must be scheduled and pre-approved shifts. The parties shall meet and confer on or before September 30, 2023, to establish the criteria for scheduling, pre-approval, and/or cancellation of an IHR shift.
(c) The following indicators are measures or predictors of changes in demand and/or resource availability that may result in the use of the IHR rate:
(1) The Director/Manager or departmental designee is balancing the department schedule and filling in pre-existing schedule slots,
(2) There is an unforeseen and immediate need for a complete shift, due to a call-off i.e. sick, unplanned leave
(3) There is an additional shift being added to cover a patient care need, i.e. extended delays, offering weekend services.
(d) Per Diem Requirement: Per Diem employees may be eligible for IHR compensation provided they have worked a minimum of 72 hours ( 84 hours for Licensed Vocational Nurses - Corrections) in the pay period. Per Diems will follow all other establish IHR criteria.

IHR Compensation - IHR will be at a rate of two (2) times base rate.
An IHR shift is defined as one extra shift, or portion of a shift (minimum of 2 hours for shift), of actual hours worked in addition to an employee's regularly scheduled hours (e.g., an employee regularly scheduled at the hospital for $72 / 80$ hours will receive the IHR rate only for extra shifts, or portion of a shift, of actual hours worked above these hours. Licensed Vocational Nurse II - Corrections regularly scheduled at a Sheriff's Correctional Facility for 84 hours will receive the IHR rate only for extra shifts worked above these hours).

If an employee calls off (e.g., personal reasons), calls in sick, or takes any leave time (holiday, vacation, education) that is not pre-scheduled on a regularly scheduled shift(s), the employee will no longer be eligible for the IHR compensation, for that pay period. Pre-scheduled means that the holiday, vacation, education was approved at the time the schedule was posted. ## PILOT IN-HOUSE REGISTRY PROGRAM - NURSES SUPERVISORY \& MANAGEMENT UNIT

## ELIGIBLE UNITS:

## - NURSES SUPERVISORY \& MANAGEMENT UNIT

Introduction: The County established a Pilot In-House Registry (IHR) Program. This program will expire on January 12, 2024, unless mutually agreed to by the County and the Teamsters Local 1932 (Teamsters) to extend the program. The IHR Program is being developed to reduce the utilization of outside temporary staffing services for short notice staffing needs provided by the ARMC Central Staffing Office (ACSO) or the Sheriff's Correctional Facilities Point of Contact (POC). Specifically, it is the intent to utilize IHR to cover short staffing needs caused by such things as call-offs, absences, unanticipated increases in-patient census, etc.

It is not the intent to change the current County policy/practice for filling overtime shifts in units.

Departments: Only the Arrowhead Regional Medical Center (ARMC) and San Bernardino County Sheriff's Department are authorized to participate in the In-House Registry program.

## Eligibility:

(a) In order to be eligible for the IHR compensation, the employee must be assigned an IHR designated shift and must be in the following classification(s):

- Assistant Unit Manager I
- Assistant Unit Manager I Specialty Care
- Assistant Unit Manager I Specialty Critical Care
- Assistant Unit Manager II
- Assistant Unit Manager II Specialty Care
- Assistant Unit Manager II Specialty Critical Care
- Case Management Supervisor
- House Supervisor
- Sheriff's Nurse Supervisor I
- Sheriff's Nurse Supervisor II
(b) Eligible employees at ARMC shall only be eligible to work in those areas for which the employee has demonstrated a competency that has been validated and in which the employee is competent.
(c) IHR may be used for, but not limited to, the following ARMC in-patient specialty and critical care service areas: Med/Surg, Med-Surge/Tele, Critical Care (Neuro Cardiovascular Intensive Care, Surgical Intensive Care Unit, Medical Intensive Care Unit, Burn, Emergency Department and PostAnesthesiology Care Unit for Intensive Care Unit holding, Cath Lab, IR, Pre-Operative Hold and Operating Room, Post-Anesthesiology Care Unit, Gastro-Intestinal Lab, Pain Clinic) Maternal/Child Health (MCH - Labor \& Delivery, Post Partum-Couplet Care, Neonatal Intensive Care Unit, Pediatrics, Nursery), Emergency, Trauma, Dialysis, Behavioral Health, and Case Management.
(d) The following indicators are measures or predictors of changes in demand and/or resource availability that may result in the use of the IHR rate:

| Department | Indicator |
| :---: | :---: |
| ARMC Hospital | No coverage or break relief - Unit Manager identifies schedule coverage <br> deficient impacting coverage or break relief. |
|  | Charge Nurse Patient Assignment - Charge nurse reassigned temporarily <br> to provide patient care. |
|  | Nursing Ratios - Nurse to patient ratio exceeds established standard. |
|  | High call-offs, vacancies, or absences. Department discretion |

(e) The establishment of an IHR program is not intended as a guarantee of work.
(f) The parties shall meet and confer on or before September 30, 2023, to establish the criteria for scheduling, pre-approval, and/or cancellation of an IHR shift.

Registration: All IHR shifts must be recorded with the ACSO. An employee may sign up for an IHR shift ahead of time or in cases were signing up ahead of time is not feasible, the employee, unit manager, or designee must notify the ACSO of all IHR shifts in advance, but no later than the start of the IHR shift. At initial sign-up, employees shall provide the ACSO the service line in which they would like to work and their availability (i.e., dates and shifts) for the following work period. After initial sign-up, employees will be required to contact the ACSO in advance to provide their availability for the following work period. Employees may change their availability during a work period by contacting the ACSO.

Sheriff's Nurse Supervisors at a Sheriff's Correctional Facility shall contact the POC schedule coordinator to provide availability.

Removal from IHR Program: An employee may be removed from the IHR program if they do not report or refuses an otherwise reasonable request to report to an IHR shift they previously requested. Removal from IHR Program may be appealed to the Human Resources Business Partner (HRBP) for the respective department.

In addition, an employee may be removed from the IHR program if there are performance or job-related disciplinary issues in the course of their employment with the County.

Timekeeping: Employees will sign in and out on the IHR Log, clock in/out for their shift and code their time using designated TRC codes on the timekeeping system. At the end of the pay period, hours worked will be verified with the appropriate supervisor/manager in the unit that the employee worked an IHR shift.

IHR Compensation: IHR rate will be a differential at a rate of double time.

An IHR shift is defined as one extra shift, or portion of a shift (minimum of 2 hours for shift), of actual hours worked in addition to an employee's regularly scheduled hours (e.g., an employee regularly scheduled at the hospital for $72 / 80$ hours will receive the IHR rate only for extra shifts, or portion of a
shift, of actual hours worked above these hours. Sheriff's Nurse Supervisors regularly scheduled at a Sheriff's Correctional Facility for 80 hours will receive the IHR rate only for extra shifts worked above these hours).

If an employee calls off (e.g., personal reasons), calls in sick, or takes any leave time (holiday, vacation, education) that is not pre-scheduled on a regularly scheduled shift(s), the employee will no longer be eligible for the IHR compensation, for that pay period. Pre-scheduled means that the holiday, vacation, education was approved at the time the schedule was posted. Employees sent home due to low census will not be disqualified for IHR, but must still comply with all other requirements.

Compensation at the IHR rate is contingent upon the employee reporting for duty and working regularly scheduled hours during the pay period that the employee works an IHR shift (not including hours placed on stand-by).

Department shall continue to fill shifts on the schedule with regular, registry, travelers, and per diem staff when necessary.

There are four (4) types of return-to-work compensation covered by this Article: on-call, standby, call-back, and Arrowhead Regional Medical Center critical on-call. (b) This Section shall not apply to employees in the SUPERVISORY UNIT or NURSES SUPERVISORY \& MANAGEMENT UNIT.
(c) On-call duty requires the employee to return a call, text, or email as soon as practicable but not to exceed approximately fifteen (15) minutes.
(d) The employee shall not receive on-call compensation during working hours, during meal/break periods, or during periods where the employee is taking paid time off (e.g., Sick Leave, Vacation Leave, PTO, Administrative Leave, etc.). On-call would begin no earlier than when the employee has left the work site and end upon the employees return to the work site.

Employees assigned to be on-call who are expected to return to work shall: (1) leave a telephone number where they can be reached or carry/wear a communicating device; and (2) be able to report to their work site within one (1) hour after notification. Employees can also be given a designated time of more than one (1) hour to report by the appointing authority or designee.

Employees assigned to be on-call who are expected to return to work be compensated at the rate of four dollars (\$4.00) for each full hour of duty or portion thereof. On-call time shall not count as hours worked.

Such employees shall be compensated at the applicable rate of pay for the time spent responding to the phone calls and any required work related to the phone call. The employee shall record time to the nearest one-quarter hour.

## SECTION 3 - STANDBY COMPENSATION

(a) Standby is intended to be used in the rare circumstance when the employee's use of his/her own time is restricted in such a way that he/she is unable to effectively use his/her own time for personal activities (e.g., frequent requirements to report to the worksite, strict geographical limitations not to exceed travel time from home to the worksite, etc.).
(b) Standby duty requires the employee to return a call, text, or email as soon as practicable but not to exceed two (2) minutes.
(c) Employees assigned to standby duty shall: (1) leave a telephone number where they can be reached or carry/wear a communicating device; and (2) after being told to report to work, the employee shall immediately report to work and arrive at the work site no later than the time it takes to commute between the employee's home and the work site or in a lesser period of time if required by the

(d) For employees in the SUPERVISORY UNIT and NURSES SUPERVISORY \& MANAGEMENT UNITS, standby duty shall be compensated at the rate of $\$ 3.50$ for each full hour of duty or portion thereof. Examples of application of this provision for computing overtime:
Employee earning $\$ 15.00$ per hour works 40 hours in a work period, plus 20 hours of standby.

```
40 x $15.00 (base salary rate) }\mp@subsup{}{}{1
= $600.00
20 x $8.00 (standby minimum wage*) = $160.00
20 hours overtime ($12.67 x .5) = $126.70
$600.00 plus $160.00 = $760.00
divided by 60 hours worked (regular rate of pay) }\mp@subsup{}{}{2}==$12.6
```

Pay for this week should be:

| 40 hours regular pay | $=$ | $\$ 600.00$ |
| :--- | :--- | :--- |
| 20 hours standby $x \$ 8.00$ per hour | $=$ | $\$ 160.00$ |
| 20 hours overtime $(\$ 12.67 \times .5)$ | $=$ | $\$ 126.70$ |
|  |  |  |
| Total $\$ 600.00$ plus $\$ 160.00$ plus $\$ 126.70$ |  | $\$ 886.70$ |

${ }^{1}$ Base salary rate is defined in Salary Adjustment, Section 2.
${ }^{2}$ Regular rate of pay is defined within the requirements of the Fair Labor Standards Act to include all remuneration for employment paid to the employee. When more than one rate of pay is paid for hours worked, the regular rate of pay is calculated using the weighted average of the rates of pay.
*This is an example only and may not contain the current State minimum wage.
(f) The employee shall not receive standby compensation during working hours, during meal/break periods, or during periods where the employee is taking paid time off (e.g., Sick Leave, Vacation Leave, PTO, Administrative Leave, etc.). Differentials and other compensation shall be paid only if applicable to the higher level position assignment. Overtime compensation shall be administered according with the Overtime article of the MOU. Upon assignment to the higher level position, the employee's service hours for determining salary step in the preassignment position shall continue to accrue. Upon completion of assignment, the employee shall be returned to his/her former position classification. If, while on the temporary assignment, the employee's step due date occurs, the employee shall receive their salary step effective the pay period they are returned to their former classification; provided, however, that the employee received a Work Performance Evaluation of at least "Meets Job Standards" while on the temporary assignment. If the employee was due a step advance while on the temporary assignment and no evaluation has been completed or if the employee was not rated at least "Meets Job Standards," the employee shall be evaluated within three (3) pay periods of return to former classification, and if rated at least "Meets Job Standards," the employee shall receive his/her step advance retroactive to the date of return to former classification. Under no circumstances will the step advancement be retroactive beyond the date of the return to former classification. Step placement upon promotion to the same or other higher level position following completion of the temporary assignment will be determined based upon salary rate in the pre-assignment position in accordance with the Promotions Article.
(3) Project compensation shall be in the form of a specified percentage of the employee's base pay. The Director of Human Resources or designee will determine the amount in increments of onehalf (1/2) percent from a minimum of two and one-half percent ( $2-1 / 2 \%$ ) up to a maximum of seven and one-half percent ( $7-1 / 2 \%$ ). The bonus will be computed at the specified percentage of the current base pay of the employee for each pay period. The bonus shall be considered earnable compensation and shall be considered part of the employee's regular rate of pay for purposes of calculating overtime, if applicable. Such increases in pay shall not affect the employee's step advancement in the base range pursuant to the Article on "Salary Rates and Step Advancements."

Requests for Temporary Performance Compensation shall be initiated by the appointing authority when the appointing authority deems it is necessary for an employee to temporarily perform higher level duties. In such circumstances, the appointing authority maintains responsibility for initiating the compensation request in a timely manner and adhering to the compensation provisions defined in this Article. This does not preclude the employee from requesting Temporary Performance Compensation via the appointing authority. It is important to attempt to obtain Human Resources Department review of the request in advance of the date the employee begins the assignment, because there is no guarantee the request will be approved. Temporary Performance Compensation is to be effective only with the Director of Human Resources, or Chief Executive Officer, as applicable, written approval, assignment of the greater level of duties, and signed acceptance by the employee.

Under no circumstances will Temporary Performance Compensation be granted retroactively, unless there is an unreasonable delay or denial in the processing of the Temporary Performance Compensation caused by the County (e.g., a supervisor goes on a 3 month leave of absence and before going on leave forgets to submit the signed form, etc.). If there is an unreasonable delay or denial caused by the County, the Temporary Performance Compensation shall be granted retroactive to the date that the approved form (i.e., the form executed by the Department) was signed by the employee.

Requests for Temporary Performance Compensation shall be reviewed by the Director of Human Resources or designee. Requests for Temporary Performance Compensation for employees in the Human

Resources Department shall be reviewed by the County Chief Executive Officer or designee.

Denial of compensation due to assignment \{Assignment Criteria (b)\} shall not be subject to the Grievance Procedure; provided, however, that employees who are denied compensation may submit a written appeal to the Human Resources Director or designee. The Human Resources Director or designee shall review the matter and provide a written response to the employee within 30 days unless the parties mutually agree to extend the timeframe.

The provisions of this Article shall not be utilized to circumvent the provisions of or provide additional compensation over and above that which may be provided in the Article on "Classification." The Articles, "Temporary Performance of Higher Level Duties," and "Classification" are mutually exclusive concepts and as such there shall be no dual or multiple requests and/or appeals, where the latter is applicable for a single situation.

The County reserves the right to schedule and assign staff as necessary to meet the needs of the department. The following scheduling guidelines represent a discussion between the parties, but is not binding:
(a) Employees will be scheduled to work seven (7) 12-hour shifts during a pay period.
(b) Employees will (generally) work three (3) days on, four (4) days off, four (4) days on, and three (3) days off.
(c) There will be four (4) shift teams designated as A.M.-1, A.M.-2, P.M.-1, and P.M.-2.
(d) The A.M. shift will be from 0730 to 2000 hours. The P.M. shift will be from 1930 to 0800 hours.
(e) There will be a one-half hour briefing at the beginning of the shift and a one-half hour unpaid uninterrupted lunch.

## SECTION 6 - REST PERIODS

Employees shall be entitled to rest periods in accordance with the schedule contained herein. Rest periods shall be scheduled in accordance with the requirements of the department, but in no instance shall rest periods be scheduled within one (1) hour of the beginning or ending of a tour of duty or meal period, nor shall such time be accumulative or used to report to work late or leave early. Rest periods shall be considered as time worked. Employees required to work beyond their regular tour of duty shall be granted a ten (10) minute rest period for each two (2) hours of such work.

| Regularly Scheduled Tour of Duty | Number and Limit of Rest Period |
| :--- | :--- |
| After 3 hours and through 6 hours | One -15 Minute Rest Period |
| After 6 hours and through 8 hours | Two - 15 Minute Rest Periods |
| After 8 hours and through 10 hours | Two - 20 Minute Rest Periods |
| After 10 hours | One -25 Minute Rest Period and One - <br> 20 Minute Rest Period |

## SECTION 7-OVERTIME SCHEDULING GUIDELINES

Regular employees can sign up ahead of time for anticipated scheduled overtime. Such employees shall not be eligible for call back pay. Employees cannot sign up for scheduled overtime on days the employee is already working.

For unscheduled overtime, employees will be able to sign up on a list in the watch commander's office to volunteer to be called to work on their scheduled days off. Such employees will not be required to be available and accordingly will not be eligible for on-call pay. However, regular employees being called in for unscheduled overtime (even if such employees volunteer for unscheduled overtime), will be compensated accordingly under the applicable provisions of this Agreement.

Generally, overtime will be restricted to thirty-six (36) hours per pay period and a maximum of sixteen (16) hours per day; however, pursuant to facility needs, management reserves the authority to increase the overtime cap per pay period as needed. Employees shall have seven and one-half (7-1/2) hours off prior to working their next shift. The Sheriff continues to reserve the right to require overtime to be worked as necessary, and employees may be assigned to work overtime on a regularly scheduled day off. The department further reserves the right to assign overtime. Matters pertaining to the management and control of overtime shall be governed by applicable provisions of this Agreement.

## SECTION 8 - LEAVE ACCRUALS

Employees will continue to accrue the same number of hours per year of sick leave, vacation leave, and holiday leave, as specified in the Leave Provisions Article of this Agreement. Accrual rates will not increase as a result of the 12 -hour schedule. Employees will be required to use twelve (12) hours of the appropriate leave time if they do not report to work due to illness, vacation, or any other absence. All other provisions of the Leave Provisions Article of this Agreement shall remain in effect. In addition, the notification requirement of employees to call in at least one (1) hour prior to the start of their shift is of significant importance. At a minimum, employees will need to strictly comply with this provision in order for the 12hour shift to be successful, and accordingly the Sheriff's Department will enforce it. Similar guidelines need to be followed for any unplanned absence.

## SECTION 9 - RETIREMENT SYSTEM CONTRIBUTIONS

The provisions of this Agreement and applicable law govern retirement contributions. Retirement contributions and benefits are based on the number of hours the employee is regularly scheduled to work. The employees' regularly scheduled hours will increase from eighty (80) to eighty-four (84). Accordingly, both the employees' and the County's required contributions will increase.

## SECTION 10 - TEMPORARY ASSIGNMENT TO 12-HOUR SHIFTS

It may be necessary to temporarily assign an employee to work a 12-hour shift in Corrections. An assignment will be considered temporary if it is expected to last no more than two (2) months. Employees on temporary assignment will continue to be paid under the same provision as all other general employees, i.e., they will receive overtime based on forty (40) hours in a week. Their retirement contributions and benefits will be based on eighty (80) hours in a pay period. They will be required to use leave time in accordance with their regular schedule (typically eight (8) hours per day).

## SECTION 11 - EVALUATION OF THE 12-HOUR SHIFT SCHEDULE

The Sheriff's Department is committed to making the 12 -hour shift schedule work. The Sheriff has the authority to retain the 12 -hour shift schedule as described in this Article, or return to the schedule in place prior to implementation of this 12-hour shift schedule.

(b) Those employees in the CRAFT, LABOR \& TRADES UNIT eligible to receive a uniform allowance who are appointed after July 1 , shall receive a prorated uniform allowance payment at the time of their appointment. - ALL UNITS

The use of Union Training Leave shall not unduly interfere with operations of County departments nor shall the County unreasonably deny any request for use of Union Training Leave. Teamsters Local 1932 shall maintain accurate and current records of Union Training Leave used by its members. These records shall be provided to the County upon its request.

## SECTION 2 - UNION PAID LEAVE OF ABSENCE.

(a) Purpose. An employee, not currently on any other leave of absence from the County, shall, upon the request of Teamsters Local 1932 and approval of the County, be granted a Union Paid Leave of Absence, which is a reasonable leave of absence from the County without loss of compensation (up to the employees standard hours per pay period) or other benefits for the purpose of the employee's service to Teamsters Local 1932 as a steward, officer, or representative of Teamsters Local 1932. Any request by Teamsters Local 1932 shall not be unreasonably denied. Compensation during this leave of absence shall not exceed payment for the employee's standard tour of duty and excludes differential or other specialized pay for duties the employee will no longer perform. A leave under this section may be granted on a full time (e.g. leave of absence for any number of consecutive days), part-time, periodic or intermittent basis (e.g. every month to present at New Employee Orientation or to attend Executive Board meetings or as provided for under Section 1 and 2 of the Authorized Employee Representatives Article), as approved by the County. Full-time continuous leave shall not exceed one (1) year from the first day the leave commences, as approved by the County. Section 2 is intended to satisfy Government Code section 3558.8.

A request for a full-time Union Paid Leave of Absence under Section 2(a) shall be submitted in writing by Teamsters Local 1932 to the Human Resources Director at least sixty (60) days in advance of the requested release date.
(c) Employee Responsibilities. While on a Union Paid Leave of Absence, the employee shall be required to adhere to the same requirements, processes and expectations for use of leave (e.g., sick, vacation, holiday, etc.) consistent with the MOU, and accurate reporting of time in the County's payroll system. Additionally, an employee shall not perform any county work while on a Union Paid Leave of Absence.
(d) Payment to the County. Teamsters Local 1932 shall reimburse the County for all costs associated with a Union Paid Leave of Absence, as determined by the County, including, but not limited to, base pay, the County's retirement fund contributions, medical premium subsidy, the value of pro-rated leave accruals and County-paid benefits received (e.g., Medicare contributions, life insurance premiums, workers compensation, etc.) Reimbursement to the County by Teamsters Local 1932 shall be made no later than 30 calendar days from receipt of the County's certification of expenses to Teamsters.

Teamsters Local 1932 and/or the employee shall be required to execute any payroll forms, certifications of time or other documents required by the County to ensure that the time reporting is accurate and the employee is performing the duties of a steward or officer or representative of Teamsters Local 1932 during all reported working hours. Teamsters Local 1932 agrees that the work assigned to County employees on a Union Paid Leave of Absence is exempt from overtime under the Fair Labor Standards Act and that the County assumes no financial responsibility for any wage and hour claims arising out of hours worked for Teamsters Local 1932 during the Union Paid Leave Of Absence
(e) Reinstatement. As soon as practicable after the conclusion or termination of the Union Paid Leave of Absence, the employee shall be reinstated to the same position and work location held prior to the leave, or, if not feasible, a substantially similar position without loss of seniority, rank, or classification.

Teamsters Local 1932 retains the right to terminate a Union Paid Leave of Absence at any time. Teamsters Local 1932 agrees to notify the County of the termination of a full-time or part-time Union Paid Leave of Absence at least fourteen (14) calendar days in advance of the termination.

(f) Work Urgency. The County reserves the right to recall any employee on a Union Paid Leave of Absence due to a work urgency.
(g) Adherence to County policy and laws. During the Union Paid Leave of Absence Teamsters Local 1932 agrees to report to the County any egregious misconduct (e.g., workplace violence/threats/harassment, substance abuse, etc.) while the employee is on the Union Paid Leave of Absence.
(h) Indemnification. Teamsters Local 1932 agrees to indemnify, defend, and hold harmless, the County for any act or omission of, or an injury suffered by an employee on Union Paid Leave of Absence if that act, omission, or injury occurs during the course and scope of the Union Paid Leave of Absence. An employee on a Union Paid Leave of Absence shall not be covered by the County's Worker's Compensation Insurance while performing work for Teamsters Local 1932.

All notices to be posted must be dated and signed by an authorized representative of Teamsters, with a copy to be submitted (electronically, delivered, or faxed) to the Employee Relations Division Chief or designee for review prior to posting or distribution through the County's mail room.

## VOLUNTARY TIME OFF

## ELIGIBLE UNITS:

## - ALL UNITS

Voluntary Time Off (VTO) Program is intended to provide employees a means of taking unpaid (i.e., noncompensated) time off work without losing fringe benefits (e.g., Medical Premium Subsidy, OptOut/Waive amount, Vision, RMT contribution, Life Insurance), which depend on the employee being in a paid status. The following conditions apply:
(a) VTO may be taken in the same manner as vacation time except that the increment is one (1) hour and is limited to eighty (80) hours per calendar year.
(b) When VTO is taken, leave accruals continue as if the employee were on paid time. Vacation maximum accrual limits will be extended by the amount of VTO taken provided that the employee takes the vacation time off during the first thirteen (13) pay periods of the following calendar year. VTO time counts toward satisfying the minimum hour requirement to receive the fringe benefits, such as Medical Premium Subsidy, Opt-Out/Waive amount, County-paid life insurance, and County-paid vision care.
(c) Contributions to the retirement system under the Retirement System Contributions Article will only be paid if the employee is in a paid status in any pay period in which VTO is used and the employee receives enough earnings to pay his/her retirement contribution in that pay period.
(d) VTO may not be used for situations that would otherwise require leave without pay, or in conjunction with leave without pay. VTO may be used only by an employee who is otherwise on paid status.
(e) VTO is an entirely voluntary program. No employee may be required to take VTO.
(f) VTO may be taken by request of the employee and upon approval of the appointing authority.

## APPENDIX D - LVN PER DIEM

## PER DIEM LICENSED VOCATIONAL NURSES

## TERMS AND CONDITIONS OF EMPLOYMENT

Unless otherwise specified in the MOU, provided below are the applicable terms and conditions of employment for employees in the Per Diem Licensed Vocational Nurse classification.
(a) The following Articles shall apply to employees in the classification of Per Diem Licensed Vocational Nurse, as applicable: Preamble; Recognition; Access to Personnel Records; Access to Work Locations; County Identification/Access Cards; County Management Rights; Direct Deposit; Disaster Service Workers; Employee Rights; Expense Reimbursement; Fitness for Duty; Full Understanding; Grievance Procedure (Except Section 11); Implementation; Labor-Management Task Force; Meal and Break Periods; Modified Agency Shop; Non-Discrimination; Obligation to Support; Pay Period; Payroll Adjustments; Payroll Deductions; Provisions of Law; Recruitment/Retention Salary Adjustment; Renegotiation; Salary Adjustments; Term; Time and Labor Reports; Use of Bulletin Boards; Use of County Resources; and Work Disruption.
(b) Wages. The hourly salary rate for Licensed Vocational Nurse—Per Diem is provided in Appendix C in this MOU. Licensed Vocational Nurse-Per Diem must possess a valid Licensed Vocational Nurse license issued by the State of California, one year of experience as a Licensed Vocational Nurse and Basic Life Support certification. Intravenous therapy and blood withdrawal certifications may be required depending on the area of assignment.
(c) Working on a Holiday. Per Diem Licensed Vocational Nurses shall be paid twice the base hourly rate for hours worked on the following holidays:

| January 1 | Last Monday in May |
| :--- | :--- |
| July 4 | First Monday in September |
| November 11 | Thanksgiving Day |
| Day after Thanksgiving | December 24 |
| December 25 | December 31 |

Holiday hours for the purpose of these holidays will begin with the night shift the day before the holiday and end with the evening shift of the day of the holiday. Time worked on these holidays shall be considered as hours worked for purposes of computing overtime.
(d) Overtime. Per Diem Licensed Vocational Nurses shall be paid at one and one-half times their regular rate of pay for hours worked in excess of forty (40) hours per work week or twelve (12) hours per day. Work week shall be defined as 12:01 a.m. each Saturday and end at 12:00 a.m. (midnight) the following Friday.
(e) Differentials.
(1) Evening and Night Shift Differentials. Employees assigned to a continuous or regularly recurring evening or night shift schedule shall receive additional shift differential over and above the established base rates of pay for all hours actually worked. Further, employees who provide relief work for other employees assigned to continuous or regularly recurring evening or night shift schedule shall receive shift differential compensation with prior approval of the appointing authority for all hours actually worked.

Employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 6:00 p.m. and 12:00 a.m. (midnight), shall receive one dollar and twenty cents ( $\$ 1.20$ ) per hour over and above their base hourly rate for all hours actually worked. Effective August 10, 2024, employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 6:00 p.m. and 12:00 a.m. (midnight), shall receive one dollar and thirty five cents ( $\$ 1.35$ ) per hour over and above their base hourly rate.

Employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive one dollar and seventy cents ( $\$ 1.70$ ) per hour over and above their base hourly rate for all hours actually worked. Effective August 10, 2024, employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive one dollar and eighty five cents (\$1.85) per hour over and above their base hourly rate.

As provided above, employees shall be eligible to receive shift differential compensation only when the majority of hours worked are covered by a shift differential. For example, an employee is assigned to work from 12:30 p.m. to 10:00 p.m. (i.e., a 9 hour shift with a 30 -minute meal period). Since the majority of hours worked (i.e., 5.5 hours less a 30 -minute meal period) are not covered by a shift differential, the employee is not eligible to receive shift differential compensation.

When hours worked overlap more than one shift differential period, employees shall receive the applicable shift differential based on the majority of shift worked, for the total number of hours during that shift. For example, an employee is assigned to work from 8:00 p.m. to 5:30 a.m. (i.e., a 9 hour shift with a 30 -minute meal period). Since the majority of hours (i.e., 5.5 hours less the 30 -minute meal period) are worked during the period of time covered by the Night Shift differential, the employee would receive the Night Shift differential (i.e., REG3) for all hours during that shift (i.e., 9 hours).
(2) Medical Support Weekend Differential. Per Diem Licensed Vocational Nurses assigned to hospital, mental, or correctional institutions, who are called into work on a weekend that the nurse was not pre-scheduled to work, shall be paid an additional three dollars and fifty cents (\$3.50) per hour actually worked over and above their base hourly rate. Weekend for purposes of this provision is between 11:00 p.m. Friday through 11:00 p.m. Sunday night. In no event shall this differential be paid for a weekend which the Per Diem Licensed Vocational Nurse was already prescheduled to work.
(3) Inpatient Assignment Compensation. Per Diem Licensed Vocational Nurses with a continuous work assignment in the Behavioral Health Inpatient Unit of Arrowhead Regional Medical Center (i.e., the usual assignment where the employee performs his/her work duties) shall receive
inpatient assignment compensation in the amount of one dollar and fifty cents (\$1.50) for each hour actually worked in this assignment.
(4) Detention Facility Differential. Per Diem Licensed Vocational Nurses who are regularly assigned to a detention facility (i.e., the usual assignment where the employee performs his/her work duties) shall receive a differential of one dollar (\$1.00) per hour over and above their base hourly rate for all hours actually worked at the Detention Facility, up to eighty ( 80 ) hours per pay period.
(5) Dialysis Unit Differential. Per Diem Licensed Vocational Nurses assigned by the appointing authority to the Dialysis Unit at the Arrowhead Regional Medical Center shall receive a differential of one dollar and fifty (\$1.50) per hour over and above their base hourly rate for all hours actually worked in the Dialysis Unit, up to eighty (80) hours per pay period.
(6) Bilingual Pay. Employees in positions designated by the appointing authority which require employees as a condition of employment to perform bilingual translation involving the use of English and a second language (including American Sign Language) as a part of their regular duties, shall be entitled to bilingual compensation. Such compensation shall apply regardless of the total time required per day for such translation. Employees in such positions must be certified as competent in translation skills by Human Resources to be eligible for compensation. There are three (3) levels of competency certification solely determined and administered by Human Resources: Level 1 - verbal skill level: the use of English and a second language in verbal contexts which may require interpretation of simple documents in the second language; Level 2 - written skill level: reading, writing and speaking English and a second language; and Level 3 - technical skill level: reading, writing and speaking English and a second language using medical or legal terminology. Compensation per pay period shall be effective as follows: verbal skill level at sixtytwo cents (\$0.62) per hour, up to 80 hours per pay period, written skill level at sixty-nine cents ( $\$ 0.69$ ) per hour, up to 80 hours per pay period, and technical skill level at seventy-five cents ( $\$ 0.75$ ) per hour, up to 80 hours per pay period.
(f) Retirement.
(1) PST Deferred Compensation Plan. Per Diem Licensed Vocational Nurses are not eligible to participate in the County's defined benefit plan. Per Diem Licensed Vocational Nurses shall participate in the County's PST deferred compensation plan in lieu of participation in the defined benefit plan. Said employees shall contribute seven and one-half percent (7.5\%) of the employee's biweekly base compensation. However, effective January 21, 2017, in consideration of employees not participating in the defined benefit plan employees shall be eligible for a county contribution to the PST Deferred Compensation Plan as provided in the chart below.

| HOURS WORKED AS A PER DIEM - LVN SINCE <br> THE EMPLOYEE'S MOST RECENT DATE OF <br> HIRE IN THE CLASSIFICATION | COUNTY <br> CONTRIBUTION | EMPLOYEE <br> CONTRIBUTION |
| :---: | :---: | :---: |
| 0 through 2,079 hours | No Contribution | $7.50 \%$ |
| 2,080 through 6,239 hours | $1.00 \%$ | $6.50 \%$ |
| 6,240 through 14,559 hours | An additional $1.00 \%$ for <br> a total of $2.00 \%$ | $5.50 \%$ |
| 14,560 through 20,799 hours | An additional $1.00 \%$ for <br> a total of $3.00 \%$ | $4.50 \%$ |
| 20,800 or more hours | An additional $0.75 \%$ <br> for a total of $3.75 \%$ | $3.75 \%$ |

Employees shall be eligible to begin receiving the applicable County contribution effective the pay period following the employee's completion of the required number of hours worked.

The employee's contributions to PST deferred compensation shall be automatically deducted from employee's earnings. Employees shall enroll in the plan on forms approved by the Employee Benefits and Services Division. This Section shall not apply to any employee who is otherwise covered by the County retirement system.
(2) Deferred Compensation. Per Diem Licensed Vocational Nurses may participate in the Section 457(b) deferred compensation plan administered by County, to the maximum extent provided by law, but shall not receive a County match.
(g) Unclassified Service. Per Diem Licensed Vocational Nurses are in the Unclassified Service, and therefore do not have Civil Service Commission appeal rights as they are at-will and serve at the pleasure of the appointing authority, except as otherwise provided by law. As such, the Personnel Rules shall not apply to employees in the Per Diem Licensed Vocational Nurse classification.
(h) Hours of Work. Employees shall be required to work during such hours as necessary to carry out the duties of their position, as designated by the appointing authority, and such hours may be varied so long as the work requirements and efficient operations of the County are assured. This includes being available to work any minimum number of hours, days, and/or weekends established by the appointing authority.
(i) Dependent Care Assistance Plan. The purpose of the Section 125 Dependent Care Assistance Plan (DCAP) is to permit eligible Per Diem Licensed Vocational Nurses to make an election to pay for certain dependent care expenses with salary reduction from compensation contributed to the Plan before federal income tax is paid to the Internal Revenue Service ("Salary Reduction") in accordance with Sections 125 and 129 of the Internal Revenue Code (IRC) of 1986 and regulations issued pursuant thereto. DCAP shall be construed to comply with said Code Sections and to meet the requirements of any other applicable provisions of law.

DCAP will be administered by the County's Human Resources Employee Benefits \& Services Division consistent with said IRC Sections and the County's Dependent Care Assistance Plan Document.

Enrollment. Enrollment in the Plan is required every Plan Year and is limited to the annual open enrollment period or within sixty (60) calendar days following the date of becoming eligible due to a mid-year Change in Status event. Failure to submit a participation agreement within the time frame shall result in an election to not participate in the Plan.

Elections. Eligible Per Diem Nurses may contribute, on a pre-tax basis, each bi-weekly pay period, an amount up to the IRC annual maximum. DCAP contributions will be automatically deducted from the employee's pay warrant, or in the absence of sufficient earnings to cover the deduction, the employee will be offered the option to contribute by another method as provided by the DCAP Document. An employee election to participate shall be irrevocable for the remainder of the Plan Year. Once a salary reduction has begun, in no event will changes in elections be permitted during the Plan Year except to the extent permitted under Internal Revenue Service rulings and regulations and the County's Dependent Care Assistance Plan Document.

Remaining Balances. Pursuant to IRC Section 125, any amounts remaining in the employee's account at the end of a Plan Year must be forfeited. The County will use any forfeited amounts to help defray the Plan's administrative expenses.
(j) Sick Leave. Per Diem Licensed Vocational Nurses shall be provided paid Sick Leave as required by law. Paid sick leave is an insurance or protection to be granted in circumstances of adversity to promote the health of the employee. It is not an earned right to time off from work. Sick leave is the authorized absence from duty of an employee for the following purposes:

- Diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee's family member. Family is defined as a child (biological, adopted, foster child, stepchild, legal ward, or a child to whom the employee stands in loco parentis regardless of age or dependency status); a biological, adoptive, or foster parent, stepparent, legal guardian of an employee or employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor; spouse, registered domestic partner; grandparent; grandchild; sibling; or any person designated by the employee at the time the employee requests paid sick days. An employee shall not identify more than one "designated person" as a family member in a 12-month period from the first date of designation.
- If the eligible employee is a victim of domestic violence, sexual assault, or stalking, for the purposes described in subdivision (c) of Section 230 and subdivision (a) of Section 230.1 of the California Labor Code.

Sick Leave for Bereavement - A maximum of three (3) days earned sick leave may be used per occurrence for bereavement due to the death of a family member of the employee's, as defined herein (except for a person "designated" by the employee for sick leave purposes), or any relative who resided with the employee.

Separation - No paid sick leave shall be used as vacation, cashed-out upon separation, termination, retirement, or other separation from employment.

Notice of Sickness - The employee shall provide reasonable advance notification of the need for paid sick leave if the leave is foreseeable. In twenty-four (24) hour departments and for employees whose work assignment requires leaving their assigned work site together with one or more other employees shortly after reporting to work (e.g., road crews), the appointing authority or designee should be notified at least two (2) hours prior to the start of the employee's scheduled tour of duty of a sickness on the first day of absence and must be notified at least one (1) hour prior to the start of the employee's scheduled tour of duty. In other departments, the appointing authority or designee must be notified within one-half ( $1 / 2$ ) hour after the start of the employee's scheduled tour of duty of a sickness on the first day of absence.

Minimum charge - The minimum charge against sick leave shall be no less than fifteen (15) minutes.
Compensation - Paid sick leave will be compensated at the employee's base hourly rate.
If the employee has different base hourly pay rates within ninety (90) days of using paid sick leave then the paid sick leave shall be compensated with a blended rate.

Review - Use of paid sick leave accrued pursuant to the terms of the California Healthy Workplaces, Healthy Families Act, is not subject to a requirement of a doctor's note or proof of illness, unless there is a reasonable belief of misuse.

Accrual - Employees shall accrue paid sick leave at a rate of one (1) hour per every thirty (30) hours worked. Employees will be eligible to use sick leave on the first day following the pay period after
ninety (90) days of employment, with a cap on annual usage of three (3) days or twenty-four (24) hours per year, whichever is greater. One year shall be calculated on a 12 -month basis from the first date the employee is eligible to use paid sick leave.

(10)Retirement. Contractor's participation in the general retirement system shall be in accordance with the applicable terms of the County Employees Retirement Law of 1937, the California Public Employees' Pension Reform Act of 2013 (Gov't Code section 7522 et seq.), and the By-Laws and other requirements of the San Bernardino County Employees Retirement Association. If Contractor does not meet the applicable conditions for participation in the general retirement system Contractor shall, in lieu of participation in the County retirement system, participate in the County's PST Deferred Compensation Plan.
(11)Deferred Compensation. Contractor shall be eligible to participate in the County's 457(b) Salary Savings Plan as per the Plan document, but shall not receive a County match.
(12)Medical and Dental Coverage. If Contractor is regularly scheduled to work and regularly works a minimum of forty-one (41) hours per pay period, Contractor is eligible to enroll in a medical and dental plan offered by either the County or by Teamsters Local 1932 through the Trust. Contractor may elect to participate in or terminate such coverage at the time of initial hire and during standard open enrollment periods as determined by the County. Contractor shall not receive any benefit to offset the cost of health plan premiums charged to Contractor.
(13)Supplemental Life Insurance. If Contractor is regularly scheduled to work and regularly works a minimum of forty-one (41) hours per pay period and has completed thirteen (13) pay periods of employment, Contractor shall be eligible to purchase supplemental term life insurance.
(e) Miscellaneous Terms. Nothing herein is intended to preclude the inclusion of other terms into the employment contract with a Contract Ultrasound Technologist, Contract Radiological Technologist, or Contract Special Procedures Radiological Technologist provided, however, that such additional terms shall not be considered part of the MOU or subject to the Grievance Procedure. Such additional terms may be, but are not limited to, the following: Conflict of Interest, Use of County Vehicle, and Evidence of Eligibility to Work.
(f) Unclassified Service. The County and Teamsters agree that Contract Ultrasound Technologists, Contract Radiological Technologists, and Contract Special Procedures Radiological Technologists will not attain regular status in the Contract position. Contract Ultrasound Technologists, Contract Radiological Technologists, and Contract Special Procedures Radiological Technologists are in the Unclassified Service, and therefore do not have Civil Service Commission appeal rights as they are atwill and serve at the pleasure of the appointing authority, except as otherwise provided by law. As such, the Personnel Rules shall not apply to Contract Ultrasound Technologists, Contract Radiological Technologists, and Contract Special Procedures RadiologicalTechnologists.
(g) Closed Examinations. The County and Teamsters agree that Contract Ultrasound Technologists, Contract Radiological Technologists, and Contract Special Procedures Radiological Technologists shall be eligible to participate in any closed examination process. ## SECTION C - PER DIEM ANNUAL HOURS REVIEW

Following the creation of the Per Diem Medical Imaging classifications, the County shall, upon Teamsters' request, provide Teamsters the annual hours worked for any Per Diem Medical Imaging employees.

## APPENDIX G - PER DIEM TEAMSTERS

| Per Diem - Patient Care Assistant |

Employees who have previous County service in the corresponding contract and/or regular classification shall have all such County service hours credited for the purposes of meeting the 1,040 service hour requirement to be assigned to the higher hourly salary rate. For example, a newly hired Per Diem Radiological Technologist has 4,160 service hours with the County as a regular Radiological Technologist. Because the employee has at least 1,040 service hours with the County as a Radiological

Technologist, the employee shall be hired at the rate of $\$ 48.60$ (rate effective upon Board approval of this MOU - see Appendix C). Additionally, employees hired into one of the above classifications who have been employed by a private/public hospital in a comparable classification for at least one year shall be eligible for hire into the 1,040 service hour or more hourly rate.
(c) Working on a Holiday. Per Diem employees covered by this Appendix H shall be paid twice the base hourly rate for hours worked on the following holidays:

| January 1 | Last Monday in May |
| :--- | :--- |
| July 4 | First Monday in September |
| November 11 | Thanksgiving Day |
| Day after Thanksgiving | December 24 |
| December 25 | December 31 |

Holiday hours for the purpose of these holidays will begin with the night shift the day before the holiday and end with the evening shift of the day of the holiday. Time worked on these holidays shall be considered as hours worked for purposes of computing overtime.
(d) Overtime. Per Diem employees covered by this Appendix H shall be paid at one and one-half times their regular rate of pay for hours worked in excess of forty (40) hours per work week or twelve (12) hours per day. Work week shall be defined as 12:01 a.m. each Saturday and end at 12:00 a.m. (midnight) the following Friday.
(e) Differentials.
(1) Evening and Night Shift Differentials. Employees covered by this Appendix H, except the ARMC House Supervisor Per Diem, assigned to a continuous or regularly recurring evening or night shift schedule shall receive additional shift differential over and above the established base rates of pay for all hours actually worked. Further, employees who provide relief work for other employees assigned to continuous or regularly recurring evening or night shift schedule shall receive shift differential compensation with prior approval of the appointing authority for all hours actually worked.

Employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 6:00 p.m. and 12:00 a.m. (midnight), shall receive one dollar and twenty cents ( $\$ 1.20$ ) per hour over and above their base hourly rate for all hours actually worked. Effective August 10, 2024, employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 6:00 p.m. and 12:00 a.m. (midnight), shall receive one dollar and thirty five cents (\$1.35) per hour over and above their base hourly rate.

Employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive one dollar and seventy cents $(\$ 1.70)$ per hour over and above their base hourly rate for all hours actually worked. Effective August 10, 2024, employees who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive one dollar and eighty five cents (\$1.85) per hour over and above their base hourly rate for all hours actually worked.

As provided above, employees shall be eligible to receive shift differential compensation only when the majority of hours worked are covered by a shift differential. For example, an employee is assigned to work from 12:30 p.m. to 10:00 p.m. (i.e., a 9 hour shift with a 30 -minute meal period). Since the majority of hours worked (i.e., 5.5 hours less a 30 -minute meal period) are not covered by a shift differential, the employee is not eligible to receive shift differential compensation.

When hours worked overlap more than one shift differential period, employees shall receive the applicable shift differential based on the majority of shift worked, for the total number of hours during that shift. For example, an employee is assigned to work from 8:00 p.m. to 5:30 a.m. (i.e., a 9 hour shift with a 30 -minute meal period). Since the majority of hours (i.e., 5.5 hours less the 30 -minute meal period) are worked during the period of time covered by the Night Shift differential, the employee would receive the Night Shift differential (i.e., REG3) for all hours during that shift (i.e., 9 hours).
(2) Medical Support Shift Differentials. Per Diem Respiratory Care Practitioners and ARMC House Supervisor Per Diems assigned to hospital, mental, or correctional institutions who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 6:00 p.m. and 12:00 a.m. (midnight), shall receive two dollars (\$2.00) per hour over and above their base hourly rate for all hours actually worked.

Per Diem Respiratory Care Practitioners who work the majority of shift, including at least four (4) hours with or without intervening meal time, between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive three dollars and thirty five cents (\$3.35) per hour over and above their base hourly rate for all hours actually worked.

Employees in the classification of ARMC House Supervisor Per Diem who work the majority shift, including at least four (4) hours with or without intervening meal time, between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive three dollars and fifty cents (\$3.50) per hour over and above their base hourly rate for all hours actually worked.

Employees shall be eligible to receive shift differential compensation only when the majority of hours worked are covered by a shift differential. For example, an employee is assigned to work from 12:30 p.m. to 10:00 p.m. (i.e., a 9 hour shift with a 30 minute meal period). Since the majority of hours worked (i.e., 5.5 hours less a 30 minute meal period) are not covered by a shift differential, the employee is not eligible to receive shift differential compensation.

When hours worked overlap more than one shift differential period, employees shall receive the applicable shift differential based on the majority of shift worked, for the total number of hours during that shift. For example, an employee is assigned to work from 8:00 p.m. to 5:30 a.m. (i.e., a 9 hour shift with a 30 minute meal period). Since the majority of hours (i.e., 5.5 hours less the 30 minute meal period) are worked during the period of time covered by the Night Shift differential, the employee would receive the Night Shift differential (i.e., REG3) for all hours during that shift (i.e., 9 hours).
(3) Medical Support Weekend Differential. Per Diem Respiratory Care Practitioners and Per Diem Patient Care Assistants assigned to hospital, mental, or correctional institutions, who are called into work on a weekend that the employee was not pre-scheduled to work, shall be paid an additional three dollars and fifty cents (\$3.50) per hour actually worked over and above their base
hourly rate. Weekend for purposes of this provision is between 11:00 p.m. Friday through 11:00 p.m. Sunday night. In no event shall this differential be paid for a weekend which the Per Diem employee was already pre-scheduled to work.

ARMC House Supervisor Per Diems assigned to hospital, mental, or correctional institutions, who are called into work on a weekend that the employee was not pre-scheduled to work, shall be paid an additional four dollars and fifty cents (\$4.50) per hour actually worked over and above their base hourly rate. Weekend for purposes of this provision is between 11:00 p.m. Friday through 11:00 p.m. Sunday night. In no event shall this differential be paid for a weekend which the Per Diem employee was already pre-scheduled to work.
(4) Inpatient Assignment Compensation. Per Diem Occupational Therapy Assistants, Per Diem Patient Care Assistant and Per Diem Occupational Therapist Assistant with a continuous work assignment in the Behavioral Health Inpatient Unit of Arrowhead Regional Medical Center (i.e., the usual assignment where the employee performs his/her work duties) shall receive inpatient assignment compensation in the amount of one dollar and fifty cents (\$1.50) for each hour actually worked in this assignment.
(5) Advanced Cardiac Life Support Certification. ARMC House Supervisor Per Diems who possess and maintain an Advanced Life Support Cardiac Certification (ACLS) shall be eligible to receive the ACLS Certification Differential. The Differential shall be three dollars ( $\$ 3.00$ ) per hours for all hours actually worked.
(6) Medical Imaging Specialty Differential. Per Diem Special Procedures Radiological Technologists who possess and maintain licenses/certifications and competencies required to provide care to patients in multiple medical imaging areas, and who make themselves available to work in those areas, shall receive a differential of five percent (5.00\%) above their base hourly rate for all hours actually worked (i.e., REG hours), up to their standard hours per pay period. All technologists must perform X-rays as assigned and two or more of the following specialty areas to be eligible: CT, MRI, IR, Cath Lab, or Angio.
(7) Respiratory Critical Care Differential. Per Diem Respiratory Care Practitioners who have completed at least 8,320 hours of continuous service as a Per Diem Respiratory Care Practitioner, Contract Respiratory Care Practitioner II, and/or Contract Respiratory Care Practitioner II with the County, possess and maintain qualifications as determined by the Department required to provide care to patients in two of the following three specialties, and who make themselves available to work in those units, shall receive a differential of five percent ( $5.00 \%$ ) above their base hourly rate for all hours actually worked (i.e., REG hours), up to their standard hours per pay period:

Adult Mechanical ventilation via high frequency ventilation, Trauma/Emergency Room, or Neonatal Intensive Care

This differential shall sunset on September 22, 2023.
(8) Bilingual Pay. Employees in positions designated by the appointing authority which require employees as a condition of employment to perform bilingual translation involving the use of English and a second language (including American Sign Language) as a part of their regular duties, shall be entitled to bilingual compensation. Such compensation shall apply regardless of the total time required per day for such translation. Employees in such positions must be certified as
competent in translation skills by Human Resources to be eligible for compensation. There are three (3) levels of competency certification solely determined and administered by Human Resources: Level 1 - verbal skill level: the use of English and a second language in verbal contexts which may require interpretation of simple documents in the second language; Level 2 - written skill level: reading, writing and speaking English and a second language; and Level 3 - technical skill level: reading, writing and speaking English and a second language using medical or legal terminology. Compensation per pay period shall be effective as follows: verbal skill level at sixtytwo cents ( $\$ 0.62$ ) per hour, up to 80 hours per pay period, written skill level at sixty-nine cents ( $\$ 0.69$ ) per hour, up to 80 hours per pay period, and technical skill level at seventy-five cents (\$0.75) per hour, up to 80 hours per pay period.
(f) Retirement.
(1) PST Deferred Compensation Plan. Per Diem employees covered by this Appendix H are not eligible to participate in the County's defined benefit plan. Per Diem employees covered by this Appendix H shall participate in the County's PST deferred compensation plan in lieu of participation in the defined benefit plan. Said employees shall contribute seven and one-half percent (7.5\%) of the employee's biweekly base compensation.
(2) Deferred Compensation. Per Diem employees covered by this Appendix H may participate in the Section 457 (b) deferred compensation plan administered by County, to the maximum extent provided by law, but shall not receive a County match.
(3) Unclassified Service. Per Diem employees covered by this Appendix H are in the Unclassified Service, and therefore do not have Civil Service Commission appeal rights as they are at-will and serve at the pleasure of the appointing authority, except as otherwise provided by law. As such, the Personnel Rules shall not apply to employees in the Per Diem classifications covered by this Appendix H .
(g) Hours of Work. Employees shall be required to work during such hours as necessary to carry out the duties of their position, as designated by the appointing authority, and such hours may be varied so long as the work requirements and efficient operations of the County are assured. This includes being available to work any minimum number of hours, days, and/or weekends established by the appointing authority.
(h) Dependent Care Assistance Plan. The purpose of the Section 125 Dependent Care Assistance Plan (DCAP) is to permit eligible Per Diem employees covered by this Appendix H to make an election to pay for certain dependent care expenses with salary reduction from compensation contributed to the Plan before federal income tax is paid to the Internal Revenue Service ("Salary Reduction") in accordance with Sections 125 and 129 of the Internal Revenue Code (IRC) of 1986 and regulations issued pursuant thereto. DCAP shall be construed to comply with said Code Sections and to meet the requirements of any other applicable provisions of law.

DCAP will be administered by the County's Human Resources Employee Benefits \& Services Division consistent with said IRC Sections and the County's Dependent Care Assistance Plan Document.

Enrollment. Enrollment in the Plan is required every Plan Year and is limited to the annual open enrollment period or within sixty (60) calendar days following the date of becoming eligible due to a mid-year Change in Status event. Failure to submit a participation agreement within the time frame shall result in an election to not participate in the Plan.

Elections. Eligible Per Diem employees may contribute, on a pre-tax basis, each bi-weekly pay period, an amount up to the IRC annual maximum. DCAP contributions will be automatically deducted from the employee's pay warrant, or in the absence of sufficient earnings to cover the deduction, the employee will be offered the option to contribute by another method as provided by the DCAP Document. An employee election to participate shall be irrevocable for the remainder of the Plan Year. Once a salary reduction has begun, in no event will changes in elections be permitted during the Plan Year except to the extent permitted under Internal Revenue Service rulings and regulations and the County's Dependent Care Assistance Plan Document.

Remaining Balances. Pursuant to IRC Section 125, any amounts remaining in the employee's account at the end of a Plan Year must be forfeited. The County will use any forfeited amounts to help defray the Plan's administrative expenses.
(i) Sick Leave. Per Diem employees covered by this Appendix H shall be provided paid Sick Leave as required by law. Paid sick leave is an insurance or protection to be granted in circumstances of adversity to promote the health of the employee. It is not an earned right to time off from work. Sick leave is the authorized absence from duty of an employee for the following purposes:

- Diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee's family member. Family is defined as a child (biological, adopted, foster child, stepchild, legal ward, or a child to whom the employee stands in loco parentis regardless of age or dependency status); a biological, adoptive, or foster parent, stepparent, legal guardian of an employee or employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor; spouse, registered domestic partner; grandparent; grandchild; sibling; or any person designated by the employee at the time the employee requests paid sick leave. An employee shall not identify more than one "designated person" as a family member in a 12-month period from the first date of designation.
- If the eligible employee is a victim of domestic violence, sexual assault, or stalking, for the purposes described in subdivision (c) of Section 230 and subdivision (a) of Section 230.1 of the California Labor Code.

Sick Leave for Bereavement - A maximum of three (3) days earned sick leave may be used per occurrence for bereavement due to the death of a family member of the employee's as defined herein (except for a person "designated" by the employee for sick leave purposes), or any relative who resided with the employee.

Separation - No paid sick leave shall be used as vacation, cashed-out upon separation, termination, retirement, or other separation from employment.

Notice of Sickness - The employee shall provide reasonable advance notification of the need for paid sick leave if the leave is foreseeable. In twenty-four (24) hour departments and for employees whose work assignment requires leaving their assigned work site together with one or more other employees shortly after reporting to work (e.g., road crews), the appointing authority or designee should be notified at least two (2) hours prior to the start of the employee's scheduled tour of duty of a sickness on the first day of absence and must be notified at least one (1) hour prior to the start of the employee's scheduled tour of duty. In other departments, the appointing authority or designee must be notified within one-half (1/2) hour after the start of the employee's scheduled tour of duty of a sickness on the first day of absence.

Minimum charge - The minimum charge against sick leave shall be no less than fifteen (15) minutes.

Compensation - Paid sick leave will be compensated at the employee's base hourly rate.

Review - Use of paid sick leave accrued pursuant to the terms of the California Healthy Workplaces, Healthy Families Act, is not subject to a requirement of a doctor's note or proof of illness, unless there is a reasonable belief of misuse.

Accrual - Employees shall accrue paid sick leave at a rate of one (1) hour per every thirty (30) hours worked. Employees will be eligible to use sick leave on the first day following the pay period after ninety (90) days of employment, with a cap on annual usage of three (3) days or twenty-four (24) hours per year, whichever is greater. One year shall be calculated on a 12-month basis from the first date the employee is eligible to use paid sick leave.

The use of paid sick leave does not count toward the accrual for further sick leave or in the calculation for the purposes of overtime. Unused accrued sick leave shall carry over to the following year; however, the leave balance will be capped at six (6) days or 48 hours, whichever is greater.
(j) Bereavement Leave - Per Diem employees are entitled to a total of 5 days of unpaid bereavement leave. The bereavement leave shall be completed within three months of the date of death of the family member.
(k) Low Census. At the sole discretion of the County, Per Diem employees covered by this Appendix H may be called off without pay at any time if it is determined that the patient census is such that their services are not immediately necessary.
(I) Closed Examinations. Per Diem employees covered by this Appendix H shall be eligible to participate in the closed examination process. For the purposes of this Section (I), a closed examination shall be an examination that is limited to a particular agency or department.

## APPENDIX I - NURSES SUPERVISORY \& MANAGEMENT UNIT CLINICAL LADDER

The parties commit to the joint establishment of a Clinical Ladder. To that end, within the term of the contract of the MOU, the parties agree to meet, as part of a labor management committee, to research, discuss, and establish a clinical ladder. The committee will include representatives from ARMC, Human Resources, the Teamsters' labor representative and at least three (3) Teamsters' appointed employees in the represented unit.

## APPENDIX J - CLINICAL LADDER FOR RESPIRATORY CARE PRACTITIONERS

## SECTION 1 - GENERAL PROVISIONS

(a) The County shall establish a Clinical Ladder Program (the Program) for full-time employees in the Respiratory Therapist, Respiratory Care Practitioner, Contract Respiratory Care Practitioner, Pulmonary Function Specialist, Supervising Respiratory Care Practitioner, and Assistant Director of Respiratory Care Services classifications (collectively RCP) assigned to the Arrowhead Regional Medical Center's.
(b) The Program will provide an opportunity to earn additional compensation as they progress up the clinical ladder and continue to advance and develop their clinical knowledge and skills while providing direct patient care.
(c) Participation in the Program is voluntary.

## SECTION 2 - PROGRAM LEVELS

RCPs will have the opportunity to progress through the following four levels:

- Level 1
- Level 2
- Level 3
- Level 4

See Section 7 for a summary of each level.

## SECTION 3 - ENTERING THE PROGRAM

(a) Eligible employees who are interested in participating in the Program and have received a "Meets Job Standards" or above Work Performance Evaluation (WPE) in the last 12 months may submit a program application along with all appropriate documentation to the RCP Clinical Ladder Review Committee (the Committee).
(b) Eligible employees shall be eligible to apply to the Program after they receive their first "Meets Job Standards" or above WPE by submitting a program application and all appropriate documentation to the Committee.
(c) Eligible employees who are accepted into the Program shall be placed at the appropriate level on the clinical ladder based on their years of work experience, education, state and national credentials, competencies, certificates, continuing education units, and organizational contributions as outlined in Section 7. The number of employees needed at each level in the Respiratory Therapy Unit shall also be considered by the Committee when determining the level of placement of each employee.
(d) Once accepted into the Program, the employee shall maintain a portfolio. The purpose of the portfolio is to track performance requirements needed to remain in the Program at the current level and to advance to the next level.

## SECTION 4 - PROGRESSING AND REMAINING IN THE PROGRAM

(a) To Remain in the Program at Current Level:
(1) Employees in the Program who wish to remain in the Program shall submit their portfolios to the Committee on a semi-annual basis.
(2) The Committee will review portfolios semi-annually to determine each employee's continued eligibility in the Program. Committee reviews shall be scheduled during the months of April and October.
(3) If the Committee determines that an employee has met all performance requirements for his/her level, the employee shall continue at that level in the Program.
(4) If the Committee determines that an employee has not met one or more of the performance requirements (e.g., earning less than 6 credits per year toward a qualifying bachelor's degree or not completing enough annual organizational contributions), the employee shall have until the next semi-annual review period (i.e., approximately 6 months) to complete needed requirements while maintaining his or her current level. However, an employee shall be paid the lower level differential while he/she completes necessary requirements, provided all requirements of the lower level are met. If all requirements are met by the next semi-annual review period, the employee shall resume receiving the higher-level differential the first day of the pay period after Human Resources approves reinstatement of the higher-level differential. If an employee does not complete requirements by the next semi-annual review period, the employee shall return to the next lower level of the Program, provided all requirements of lower level are met, and will need to reapply to advance to the next level as provided in Section 4 (b).

Example 1: During the April 2022 semi-annual review, the Committee determines that a Level-3 employee did not perform all annual organizational contributions required to remain at Level 3. The Committee notifies the employee of the specific organizational contributions needed to remain at Level 3. The employee has until the next semi-annual review in October 2022 to complete the necessary organizational contributions. In the meantime, the employee will remain at Level 3, but will receive the Level 2 differential of $2.5 \%$, provided all requirements of Level 2 are met. The employee completes all required organizational contributions by October 2022 and submits an updated portfolio to the Committee for review. The Committee determines that all requirements have been met and forwards a recommendation to maintain the employee at Level 3 to Human Resources, who then approves this recommendation. The employee resumes the Level 3 differential of 5\% the first pay period following Human Resources approval.

Example 2: Same scenario as in Example 1 except an employee does not meet required annual organizational contribution by October 2022. In this instance, the employee will return to Level 2 and continue receiving the Level 2 differential ( $2.5 \%$ ). By the next review period in April 2023, the employee meets all Level 3 requirements. The employee will submit his/her portfolio and request advancement to Level 3 as provided in Section 4 (b) of this article.
(5) If at any time during the year, an employee is aware that he or she is not meeting a performance requirement (e.g., failed to obtain required certification) of his or her current level, the employee shall notify the Associate Hospital Administrator (AHA) responsible for Respiratory Care immediately. The employee shall have until the next semi-annual review period to complete requirements while maintaining his or her current level. However, the employee shall be paid the lower level differential while he/she completes necessary requirements, provided all
requirements of the lower level are met. If all requirements are met by the next semi-annual review period, the employee shall resume receiving the higher-level differential the first day of the pay period after Human Resources approves reinstatement of the higher-level differential. If an employee does not complete requirements by the next semi-annual review period, the employee shall return to the next lower level of the Program, provided all requirements of lower level are met, and will need to reapply to advance to the next level as provided in Section 4 (b).
(6) In situations where an employee receives a differential that he or she is not eligible to receive (i.e., employee is not meeting requirement for such differential), said employee shall be obliged to repay by payroll recovery the amount the employee was not eligible to receive. Repayments shall be administered in the same manner as "overpayments" as provided in the Payroll Adjustments article.

Example: A Level 4 employee fails to renew his/her certification that is required at Level 4 of the Program. The employee does not report the lapse of certification to the AHA and continues to receive the Level 4 differential of $7.5 \%$. During the October review, the Committee discovers that the employee has not had a valid certification for six pay periods. As such, the employee should have been receiving the Level 3 differential of 5\% instead of the Level 4 differential of $7.5 \%$ for the six pay periods that the employee did not have the required certification. The Committee then notifies the employee of the missing requirement and notifies Human Resources to begin the recovery process of $2.5 \%$ (i.e., the difference between $7.5 \%$ and $5 \%$ ) of base salary that was overpaid for six pay periods.
(b) Progressing to a Higher Level:
(1) Employees on Levels 1 through 3 who have met the performance requirements for the next level of the Program and wish to advance to the next level shall submit an application and portfolio to the Committee for their review and consideration for advancement.
(2) The Committee will review all applications to advance to the next level on a semi-annual basis. Committee reviews shall be scheduled during the months of April and October.
(3) If the Committee determines that an employee has met all performance requirements to progress to the next level, and there is a need for an employee at such level, the employee will begin at the next higher level and receive the corresponding differential effective the first pay period of the month following the semi-annual review.
(4) Example: In March 2022, an employee at Level 2 has obtained 4 years of work experience as an RCP in an acute care hospital setting and has met all other performance requirements to advance to Level 3. The employee will then submit to the Committee his or her portfolio with an application asking to advance to Level 3. The Committee will review this application during the next semi-annual review in April 2022. If the Committee determines that the employee has met all Level 3 requirements, he/she shall begin receiving the Level 3 pay differential effective the first pay period in May.
(5) Special Provision: All employees at Level 1 of the Program shall prepare to advance to Level 2 and submit an application for advancement by their third complete year of qualified work experience as an RCP. If an employee does not meet the performance requirements for Level 2 after 3 years of completed work experience, the employee shall be disenrolled from the Program.

## SECTION 5 - DIFFERENTIAL PAY FOR RESPIRATORY CARE PRACTITIONER LEVELS 2 THROUGH 4

The County shall establish the following differentials for employees at Levels 2 through 4 of the Clinical Ladder:
(a) Level 2 Differential - Eligible employees who meet and maintain all Level 2 performance requirements (e.g., continuing enrollment in qualifying bachelor's program, renewing certifications/state credentials if necessary, performing required organizational contributions) of the Program's Clinical Ladder as provided in Section 7 and as determined by the Committee on a semi-annual basis shall receive a differential of two and one-half percent (2.5\%) above their base hourly rate for all paid hours, up to their standard hours per pay period.
(b) Level 3 Differential -
(1) Eligible employees who meet and maintain all Level 3 performance requirements (e.g., continuing enrollment in qualifying bachelor's program, renewing certifications/state credentials if necessary, performing required organizational contributions) of the Program's Clinical Ladder as provided in Section 7 and as determined by the Committee on a semi-annual basis shall receive a differential of five percent (5\%) above their base hourly rate for all paid hours, up to their standard hours per pay period.
(2) Effective upon board approval but no earlier than September 23, 2023, this 5\% Level 3 differential will replace the current 5\% Respiratory Critical Care Differential. Once additional performance requirements are completed, the employee shall submit an application along with any other supporting documentation to apply for the Program and receive the Level $35 \%$ differential.
(c) Level 4 Differential - Eligible employees who meet and maintain all Level 4 performance requirements (e.g., continuing enrollment in qualifying bachelor's program, renewing certifications/national credentials if necessary, performing required organizational contributions) of the Program's Clinical Ladder as provided in Section 7 and as determined by the Committee on a semi-annual basis shall receive a differential of seven and one-half percent (7.5\%) above their base hourly rate for all paid hours, up to their standard hours per pay period.

The Respiratory Care Practitioner Level 2, 3, and 4 Differentials in Section 5 are not cumulative. Effective upon board approval but no earlier than September 23, 2023, the Clinical Levels differential will replace the current 5\% Respiratory Critical Care Differential.

Employees shall not receive differentials in Section 5 (a), (b), and (c) during a leave of more than two full pay periods (e.g., sick, vacation for sick leave purposes, etc.).

## SECTION 6 - RCP CLINICAL LADDER REVIEW COMMITTEE

(a) The County established an RCP Clinical Ladder Review Committee that will be responsible for the following:
(1) Reviewing all documentation (i.e., application, portfolio, and other relevant documentation) submitted by the employee for admission into the Program and to advance to a higher level in the Program, and
(2) Determining and recommending RCP's admission and advancement in the Program.
(b) The Committee shall consist of the Associate Hospital Administrator responsible for Respiratory Care, Director of Respiratory Care Services or the Assistant Director of Respiratory Care Services, one Supervising Respiratory Care Practitioner, two Respiratory Care Practitioner IIs (at least one must be Contract) who are participating in the Program, and a representative from Human Resources.
(c) All Committee recommendations to admit an employee into the Program or to advance an employee to a higher level are subject to the review and approval of the ARMC Chief Executive Officer or his/her designee.
(d) Recommendations made by the Committee with respect to advancing a level, maintaining the employee's current level, or being moved down a level are not subject to appeal (e.g., grievance). However, if the employee disagrees with the determination of the Committee, the employee may submit supporting information/documentation for consideration by the Committee.
(e) Meeting frequency: The Committee shall meet semi-annually in the months of April and October.
