.. SOUND DAMPING

Significantly reduces interior noise levels and unwanted vibration

Orderless

Won't fall off

Easy to cut and install

.. POWER INVERTER

PI150

150 Watt Power Inverter

- 150 Watts/250 Watts Surge
- 1 Plug Receptacle
- Cigarette Plug Included
- Power On/Off Switch
- Power and Protection Indicator

NOW WITH AMPLIFIER LIKE TERMINAL STRIP

AMT250

Sound Barrier Material

- Versatile, two layer, .250" (1/4") thick noise control material for under carpet and on transmission tunnels. A strong defense is the best defense. By keeping as much noise as possible out of the vehicle's interior, less interior noise control is needed. AMT250 is a specially constructed barrier material that uses a two layer technique to block the pass-through of most unwanted noise. Tough and flexible, AMT250 is ideal for floor pans, transmission tunnels, luggage areas, truck floors, and more.
- .250" thick. Box of (4) 24" x 27" panels - 18 square feet.

PI350

350 Watt Power Inverter

- 350 Watts/700 Watts Surge
- 2 Plug Receptacles
- Battery Clamp Cables Included
 - Cigarette Plug Included
 - Power On/Off Switch
- Power and Protection Indicator

NOW WITH AMPLIFIER LIKE TERMINAL STRIP

AMT750

Sound Absorbing Material

- Noise absorbing foam for use as a hoodliner. Absorption material can be used both offensively and defensively to defeat noise. By treating high noise source areas like engine compartments and under the hood, unwanted noise can be absorbed before it even has a chance to make it inside the vehicle. Underhood, inside trunks, engine compartments and more - all benefit from the better control characteristics of AMT750.
- .750" thick. Box of (2) 24" x 27" panels - 9 square feet.

.. SOUND BARRIER

.. SOUND ABSORBING

..: SOUND DAMPING

AMT060HFSK

Hyperflex Sound Damping Material, Speaker Kit

- Hyperflex sound damping material for interior panels and around speakers. AMT060HFSK offers superb flexibility for better installations, and with pressure sensitive adhesive is extremely easy to use. AMT060HFSK exudes no odors, and significantly reduces interior noise levels and unwanted vibration and heat.
- .060" thick. Box of (2) 12" x 12" sheets - 2 square feet.

AMT060HFDK

Hyperflex Sound Damping Material, Door Kit

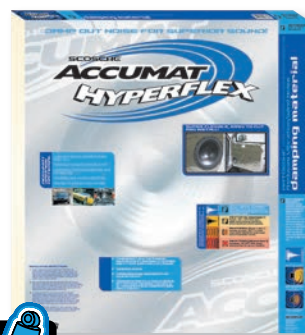

- Hyperflex sound damping material for interior panels and around speakers. AMT060HFDK offers superb flexibility for better installations, and with pressure sensitive adhesive is extremely easy to use. AMT060HFDK exudes no odors, and significantly reduces interior noise levels and unwanted vibration and heat.
- .060" thick. Box of (4) 12" x 27" sheets - 9 square feet.

AMT060HF

Hyperflex Sound Damping Material

- Hyperflex sound damping material for interior panels and around speakers. AMT060HF offers superb flexibility for better installations, and with pressure sensitive adhesive is extremely easy to use. AMT060HF exudes no odors, and significantly reduces interior noise levels and unwanted vibration and heat.
- .060" thick. Box of (8) 24" x 27" sheets - 36 square feet.

AMTSMPL

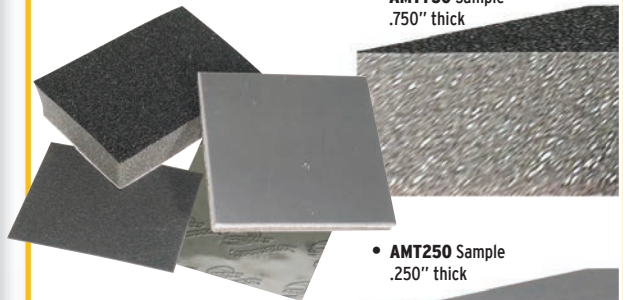

Accumat Samples

(Actual thickness shown below)

- AMT750 Sample .750" thick

- AMT250 Sample .250" thick

- AMT060 Sample .060" thick

AMTPD

Accumat Plexiglass Slatwall Display

- Designed to be mounted in showrooms where space is at a premium.
- This handy grey plexiglass display mounts to existing store slatwall.
- The consumer can test the Accumat sound damping material by tapping on untreated and treated cymbals to hear, see and feel the difference accumat can make.

Speaker Grill Cloth

Speaker Grill Cloth

- This grill cloth is a great match up to nearly any interior surface. It's 100% acoustically transparent which means that there is no loss of sound. It resists fading in the sun and is able to stretch to accommodate even the most custom grill patterns. Sold in 1 and 5 linear yards, 68" wide; packaged in a bulk polybag. The grill cloth is sold in 9 colors.

Our non-backed carpet is a very low pile, durable multi-purpose carpet that is suitable for any application requiring that "upscale" look. It is omni-directional which means your seams will almost never show. It is lightly backed, which means it holds its shape in even the most demanding installations. "Latex backed" is the ideal carpet for true custom installations. Sold in 10 and 50 yard rolls. Rolls are 72" in width, sold in linear yards.

Trunk Liner, Latex Backed

STR

Stripper

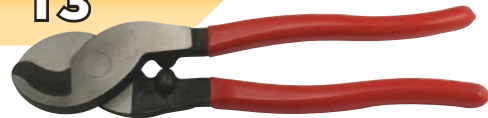

- Wire Stripper

T3

Heavy Duty Cable Cutter

- Professional quality 9" cutter. Forged steel with insulated grips. Cuts 8 gauge to 1/0 gauge cable.

T1

Ultra Heavy Duty Crimp Tool

- Ultra Heavy Duty Crimp Tool Lever-style crimping tool with permanently attached adjustable dies. Compound linkage for easy crimping. Crimps 8 gauge to 6/0 gauge terminals.

T2

Heavy Duty Crimp Tool

- Ultra Heavy Duty Crimp Tool Lever-style crimping tool with permanently attached adjustable dies. Compound linkage for easy crimping. Crimps 8 gauge to 6/0 gauge terminals.

ODP

Overdriver Pro

- Overdriver Pro is used like a conventional ratchet screwdriver to loosen or tighten fasteners securely. Instantly provides 4X speed needed to spin loose fasteners in or out, reducing work time up to 75%. Comes with 4 bits.

PRO

Pro Driver

- Scosche's Pro Driver heavy duty cast aluminum version of the original Skewdriver. This professional quality offset screwdriver incorporates a detachable steel shaft with heavy duty rotating leverage handle and steel gears. Works with all power screwdrivers and drills.

TOOLS

TOOLS

PRST

Skewdriver Pro Set

- Skewdriver Pro Set includes the Pro Driver (PRO) along with an assortment of bits, Skewsockets and extension adapters. 26 bits included. Sturdy injection-molded ABS plastic case. Contains 7 commonly used bits and a combination of English and metric Skewsockets.

Patent: US 7,735,806 B2

TK12

Complete Car Stereo Tool Kit

- Every tool you'll need to install a stereo system like a professional. Comes with crimper, screwdriver, RCA runner, panel removal tool, test light, 8 driver bits, 20 butt connectors, 6 cable ties & 3/4" electrical tape.

TOOLS

DT1B

DIN Radio Removal Tool

- DIN Tool for many DIN radios and the following factory radios: Audi, Ford, Lincoln, Mercury, Mazda, Merkur, Porsche, Saab, Sterling, and Volkswagen.

GRTB

2004-up Pontiac GTO - Radio Removal Tool

DT2B

DIN Radio Removal Tool

- DIN Removal Tool for European DIN radio extraction. Applications on select vehicles: 1992-up Mercedes, 1996-up Audi, and 1996-up Volkswagen.

Special Billing Instructions: _____

The undersigned hereby authorizes Scosche Industries, Inc. to make such inquiries as are necessary to obtain credit information and authorizes our bank(s) of record to release information regarding our account(s). Upon failure of buyer to pay any indebtedness to Scosche when due, Scosche Industries may declare the entire balance of all indebtedness in default. In this event, upon notice to buyer, the entire balance of all indebtedness shall become immediately due and payable. In the event of delinquency or default of buyer, buyer agrees to pay Scosche Industries standard late charge plus reasonable collection costs and attorney fees incurred by Scosche Industries. The above statements are certified to be true and correct and are submitted in support of and as part of the application for credit made herein.

Scosche Industries, Inc.
P. O. Box 2901
Oxnard, CA 93034

WILL CALL: Our Will Call Desk is located at 1550 Pacific Avenue #A, Oxnard, California 93033. Will Calls must be called in one day in advance.

PREPAID ORDERS

Payment must accompany order. Payment can be made by a **cashier check, money order, company or certified check.** Orders made with company or personal checks may be held until check clears. Call ahead for freight charges.

C.O.D. DEALER ORDERS

Payment method on C.O.D. orders greater than \$600.00 must be approved before shipment. Shipping and C.O.D. charges will be added to all C.O.D. orders.

First time orders must be paid by cashier check or credit card only.

O.E.M. AND QUANTITY ORDERS

O.E.M. and quantity prices are available upon request.

Open Accounts:

Credit will be extended to qualified firms **with an approved credit application.** All orders are prepaid or C.O.D. until credit is approved. Open Account terms are: Net 30 days. To establish a line of credit with Scosche, an application must be submitted, listing a minimum of three (3) trade references, listing the address, phone and fax number of each reference, and a bank reference. The application must be signed by a principle or authorized officer of the company. A credit line will be established by our credit manager.* The account must be maintained with a current status according to the terms (net 30 days). Collection and attorney fees will be added to any account placed for collection.

WARRANTY

All items sold are price grade and 100% Q.C.'d. All Scosche products carry a 1 year limited warranty. An even exchange will be awarded for any defects in manufacturing and workmanship. All defective parts must be returned to Scosche (shipping paid by sender). The provision of this guarantee shall not apply to any product which is used for

a purpose for which it is not designed or which has been altered adversely affecting its performance and reliability, or which has been subject to misuse, neglect or accident. The only liability Scosche Industries is limited to is the replacement cost of the defective part.

NOTE: Electronic products returned as defective and found to be in working order will be returned to the customer and will be subject to a 15% service charge.

PRICES AND SPECIFICATIONS

Are subject to change without notice.

Shipping:

All items are sold F.O.B. Oxnard, CA or F.O.B. Russellville, AL. All title passes at F.O.B. point. All claims to be made against carrier. **Any discrepancies must be reported to Scosche within ten (10) working days of receipt of goods.** Air freight and mail service is also available upon request.

PENDING SHIPMENT

Any order that has a product we are unable to ship will be placed in pending shipment. We will ship as soon as possible unless otherwise advised to cancel pending shipment.

DROP SHIPPING

Any drop ship order under \$100 will be charged an additional \$8.00 drop ship fee. No exceptions.

Drop shipping is a supply chain management technique in which the retailer does not keep goods in stock, but instead transfers customer orders and shipment details to either the manufacturer or a wholesaler, who then ships the goods directly to the customer.

Refused Shipments:

A shipment that has been refused by the customer for any reason is subject to a 20% or minimum \$5.00 restocking fee.

RETURNS/ RESTOCKING FEE

All sales are final. No returned goods will be accepted without prior written authorization. All goods returned must be in resalable condition. Returns will be subject to a restocking charge of a minimum 10%, maximum of 25%. Any return without return authorization will be refused.

SHORTAGE/DAMAGE

Claims must be made within ten (10) working days.

NSF CHECKS

Any checks returned to Scosche for non-sufficient funds will be subject to the California Bad Check Law Number AB 1226. The law states that the recipient may collect 3 times the amount of the check plus all filing and court costs. A \$35.00 service charge will be assessed on all returned items.

Discover, Visa, MasterCard and American Express accepted.

*Please allow minimum of 2 weeks for Credit Applications to be processed and an Open Account amount to be established.
