Delivering Genuine Benefits

- One size fits all to accommodate NEC displays from 46" to 55" in size, for landscape and portrait orientation.
- Just a single-handed pop-out release at the top and bottom of the mount allows for easy serviceability. The optional quick release tab mechanism offers even more convenient display access.
- Eliminate guesswork and on-site installation calculations with reusable custom wall spacer accessories, resulting in a faster install and lower cost.
- Tool-less micro-adjustments of up to 1.5" of travel on each x, y and z axis.
- Enhanced cable management allows cables to effortlessly travel in and out with the display.
- Supports an unlimited number of displays without video wall configuration limitation.
