# Video Wall Mount PD02VW MFS 46 55 L/P

## Front Serviceable Video Wall Mount

High-end videowall mount with manual front service for installation of NEC MultiSync® 46" to 55" XUN/S/V and UN551S/VS in a videowall.

This videowall mount is designed for easy maintenance and servicing in hard-to-reach installations. Included security hardware prevents the mount from extending out of the wall. Connector Kits are obtainable for the specific display models. Available for landscape and portrait orientation.

Tool-less micro adjustment

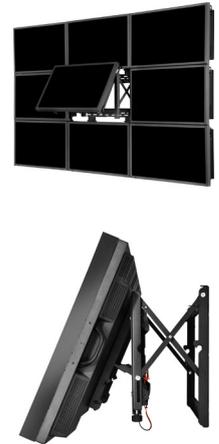

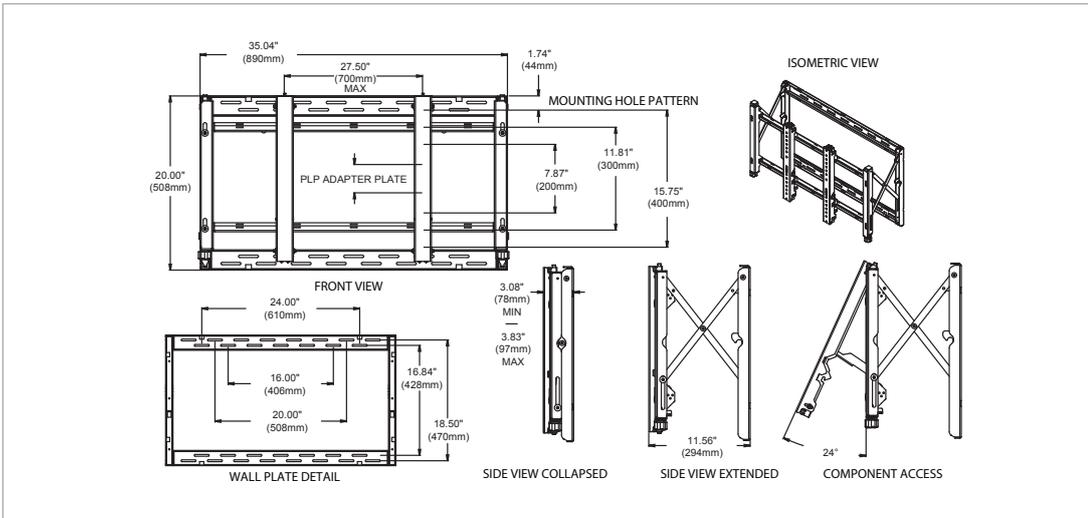

### Delivering Genuine Benefits

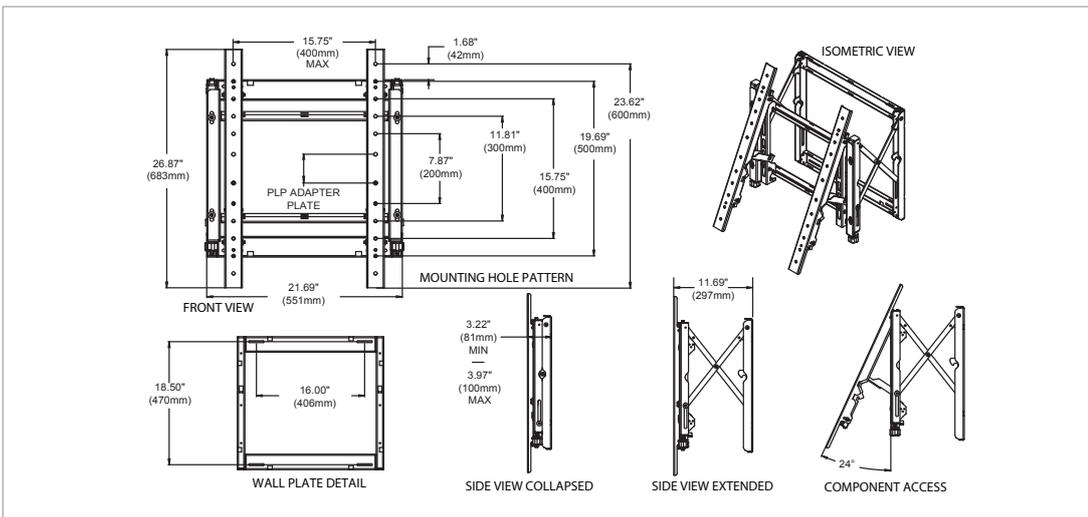

- Supports an unlimited number of displays without configuration limitation
- Connector Kits eliminate guesswork and on-site installation calculations
- Tool-less micro adjustments at 8 points seamlessly align the displays
- Displays click securely into place against the wall with spring - loaded mechanism
- Displays and mounts sit flush against the wall for a clean side appearance
- Pull-out/Prop-open mechanism provides quick service access
- Integrated cable management tie-backs make display-to-display cabling simple
- Included security hardware prevents the mount from extending out from the wall
- Optional Cable Release Kit for larger videowall installations
- Ready-to-install right out of the box
