Invest in agriculture without getting your hands dirty!

Total performance. Exceptional value.

A simple and highly effective means of investing for private clients,
trustees and professional advisers

The Pound a Day portfolio™, managed by FIM Capital Limited, was developed because of the demand for a low cost, transparent investment portfolio service suitable for a wide range of investors. The relatively low minimum initial investment is particularly appealing to investors who may otherwise be overlooked by investment companies no longer interested in serving the needs of clients of this size.

It is an ideal investment platform for investors with £25,000 or more to invest. The investment management fee is, as the title suggests, one pound a day or £365 a year (extra leap year days are free!).

Pound a Day clients enjoy many of the benefits of a fully managed bespoke investment portfolio including,

- Minimum investment £25,000
- Quarterly income if required
- Regular savings scheme
- Comprehensive online reporting
- Regular investment reports

If you would like to learn more about the Pound a Day portfolio and its investment in agriculture, please contact Paul Crocker on **01624 604701** email pcrocker@fim.co.im, Tony Edmonds on **01624 604703** email tedmonds@fim.co.im or Michael Craine on **01624 604704** email mcraine@fim.co.im

An Introduction to Shropshire Sheep

The Shropshire has long been an integral part of the sheep scene in Britain. The breed emerged in the mid-1800s from improvements to the native heath sheep of its home county and north Staffordshire to become the supreme meat breed of the late nineteenth century. Founded in 1882 and publishing its first Flock Book in 1883, the Shropshire Sheep Breeders' Association and Flock Book Society has the distinction of being the oldest recorded sheep breed society in the UK.

Shropshires were exported in vast numbers to the world's developing agricultures, especially to North America and the colonies. In recent years export sales have established a new European profile for the breed with Shropshires sold to Austria, Belgium, Denmark, France, Germany, Ireland, The Netherlands Spain and Switzerland.

The Shropshire breed is often used for crossing to produce prime lamb for slaughter. Docile and hardy, with a sound constitution, thus enabling efficient flock management with minimal time and effort, the Shropshire adapts well to organic and extensive systems, gaining weight mainly off grass. Lambing returns of 160-180 per cent are regularly recorded by breeders and commercial producers alike.

A major attribute is the breed's ability to graze reliably amongst conifers and orchards without damaging the trees. Its value as an eco-friendly, cost-effective weed suppressant is increasingly borne out on large plantations in England, Ireland, Scotland, Scandinavia and elsewhere in Europe.

Shropshire rams are robust with good conformation. They are renowned for producing strong, active lambs with quick growth rates and lean, long, top-quality carcasses.

Shropshire ewes make excellent mothers. Long-lived, milky and prolific, they successfully rear multiples, producing lambs over many years.

Facts and Figures

Wool Properties

The Shropshire clips a heavy, dense fleece of good staple and fine texture. The average weight of a fleece is 3-4 kg, and the average length of staple is 10cm. The wool has a Bradford count of 54-56 (32 microns) and is in demand for traditional hand-knitting.

Crossing Attributes

When used as a terminal sire for prime lamb production, Shropshires are recognised as excellent crossing rams thanks to the superior conformation, growth rates and carcass quality of their lambs. Pure-bred and Shropshire-cross lambs are typically ready for slaughter at 12-15 weeks old, with a typical carcass weight of 18kg and carcass classification of R3L or U3L. The resultant meat is lean, succulent and rich in flavour.

Official Breed Description

The Shropshire is medium sized, with typical mature rams and ewes weighing 120kg+ and 70kg+, respectively. Shropshire Sheep are active and alert with a free action.

- Head** Naturally clean soft black face, with a covering of wool on the poll. Rams should possess a bold masculine head;
- Ears** Soft black in colour, of medium length and well set on;
- Neck** Muscular and not too long;
- Body** Well fleshed, long, deep and symmetrical. A broad, straight back with well-sprung ribs;
Rump – quarters long and wide, dock well set on and gigots full and deep;
- Legs** Medium length, of strong bone and upright joints, well set apart and soft black in colour;
- Skin and Wool** Cherry pink skin covered with a dense, fine quality wool of good staple

Undesirable Traits

Horn stubs.

White specks on face, ears and legs.

Thick, coarse, long, pricked or drooping ears.

Drooping rump (dock set low).

Throatiness.

Roman nose.

Coarse wool on breeches.

Coloured wool in fleece.

Animals exhibiting undesirable traits should not be considered for registration.

NOTE:- Judges/ inspectors are requested to adhere to the above breed standards.

Objectives of the Society

- the promotion of breeding Shropshire Sheep at home and abroad, and the maintenance of their purity
- the publication of a Flock Book, and the annual registration of male and female pedigrees as are proved to the satisfaction of the Council to be eligible for entry
- the annual compilation of a report of the Society's activities including shows, sales and other related events
- obtaining and maintaining breed classes at various shows
- the maintenance and improvement of a high health status
- the continued improvement of the commercial characteristics of Shropshire Sheep and the promotion of commercial opportunities for the breed
- investigating cases of doubtful and suspected pedigrees
- arbitrating upon and settling disputes and questions relating to Shropshire Sheep and their breeding
- furthering the well-being of the breed and the Society by all lawful means

Secretary's Report

to the 2017 Annual General Meeting

Firstly, thank you to all members for another successful year for the society, let's make 2018 even better. Driving down today I worked it out that this is my 8th AGM WOW !!! (I've done well to last).

I must admit this year has been one of the most challenging for me due to lots of last minute changes from both within the society and external parties. But I must thank all those who have helped and assisted me this year and will continue to help.

As the number of members increases in the society it is very important that all members comply with all the **rules and regulations** set out along with all deadlines that are requested. Looking back at other officer reports from 2010 this is a repeat request and it does really help those in the back ground if members all comply.

What's been happening in 2017 –

As even the breed stand has been on its travels to specific shows that council agree are beneficial to the society, we cannot go to all, but we try to go to the ones that have potential for the breed. Thank you to those who assisted with these.

National Shows & Sales –

Shrewsbury – We celebrated 100 years of selling Shropshire sheep at a livestock market in Shrewsbury. Less buyers attended than previous years, but this is being reviewed.

Melton Mowbray – Part of the RBST show & sale. Small attendance with sheep along with less purchasers.

Membership numbers reached **250 in October**, since this I have actually sent out **57 membership application packs** which I have followed up on.

As we progress with numbers of members then all sheep numbers increase and with this the society had invested in computer equipment for the first time (Ruth – **Sheep Database & Laptop**)

Publicity material continues to be updated – ‘Two Crops’, **Pippa Geddes** and **her team**. More in the process, if you have both good and bad pictures of ‘Shropshire Sheep’ we can use them.

‘ShropTalk’ again **Pippa** is always working on the next edition of this for distribution. We send out just under 325 copies each edition.

We hold four council meetings a year and members can request to attend and see what goes on. You may want to join the following year as we are always looking for new ideas, drop me a line for more details.

Shropshire Young Stars – First time a team of junior members entered an international show.

Linked with procedures are times and deadlines and it does not matter if it’s your first year or your 40th year, a junior member or a council member. As a member of the SSBA all deadlines must be met. Valuable time is being wasted chasing up everyone.

If you want to renew your membership, please renew by the 30th November (otherwise you will have to pay a late payment fee).

You want to enter a show around the country – Register / Birth Notify your entries. Agricultural shows require entries to comply with both the show rules and regulations as well as the SSBA regulations. E.g. Animals must be owned by the person entering at the time of entry so please do not submit transfers the week before the show. I have been asked to check!

If anything has a return deadline then please comply with this e.g. “25th June” then post it so it reaches the destination by the 25th. Sorting offices don’t print postdates anymore so any received after dates will be classed as late.

Simon Mackay

Acting President's Report

to the 2017 Annual General Meeting

Another year almost over. Where does all the time go? I'm sure this is as familiar a thing to you, as well as to me. Time is creeping up on us all. I'll mention this again later on.

Everything appears to be going well within the Society with a lot of help from different members all pulling together. As you will have seen in your ShropTalk our President wasn't able to commit the time to the Society alongside all his other business interests. I'm afraid that we lost in the battle and Paul Stead took early retirement from the post. Don't worry as you will still see him out and about with his Shropshires and Alpacas. This then led me to take up the mantle in the interim and carry on in his absence. So just keep your eye on me as I'm still learning.

With regard to the national Shropshire flock this seems to go from strength to strength with membership and stock numbers growing. There has been further demand from Europe for breeding stock with over 180 animals going abroad this year. Thank you to Sue Farquhar and Claire Jackman for their efforts in organizing a very complex manoeuvre that I am fast becoming more aware of. Thank you also to the breeders who supported the export with their stock. These exports not only benefit the exporting breeders but also us non-exporters, in that it helps to set the price of our own stock when selling to our home market.

A further thing on Exports is the ever changing rules and regulations. One thing this year has been the need to open up the Society more to European members. More on this will come from our Registrar later.

One of the Society's major achievements is the registration records on Grassroots. Whilst there have been initial problems - things are settling down nicely as members are getting more familiar with the

process. We now have online information covering our flocks and up to date records of registration, but we must try to keep it current by removing all the culled sheep that we seem to be forgetting to do. Between Ruth Mawer and Alison Schofield, an excellent job is being carried out.

As I mentioned earlier, time is creeping up on us all. We have a number of young members (12) and of these this year, we had three willing volunteers George, Ellie and Owen to take part in the National Young Stars' Competition. It is good to see this young blood coming through to hopefully carry the Shropshire Sheep Society into the future. The Young Stars did an excellent job in pulling together and achieving recognition in the sheep world. Rosie Lee and Sue Farquhar did an excellent job keeping up with these Shropshire Young Shepherds – as mentors. I'll leave the details for Rosie to explain shortly what they were all put through, but it is good to see that our breed is appealing to younger people with some enthusiasm to keep us all going.

Our Signet recording is still going well with 15 member flocks with 814 lambs being recorded this season. (3 recording for 10 yrs and 3 for 6 yrs). Again, these are providing added value to these sheep in the market place reflecting back on the whole breed with regard to prices. Many members of the scheme are finding clear progress in terms of growth rate, carcass conformation and maternal traits as a result of being able to measure and compare performance within and across flocks.

I would like to thank Pippa Geddes for her management of the Signet Recording Scheme and also for the production of Shroptalk that keeps us all informed with happenings within the Society. Marion Webb for her efforts in dealing with our finances which are increasing annually and lastly I must thank Simon Mackay for his efforts as secretary. A demanding role, being a focal point for the whole Society. He does a lot of unseen work to keep the Society

ticking over, so thanks Simon and I'm sure that he has some welcome news regarding the new website.

Finally I would like to pay tribute to all the members who work behind the scenes at our Society sales to make them run as smoothly as they do. Without you all we really would be floundering. See you all again this coming year and don't forget everybody else to come along to support the events.

Barry Hodson.

Sales Officer's Report

to the 2017 Annual General Meeting

Looking from the outside in and looking back at all the hard work over many years from so many of our breeders, I think that as a breed, Shropshire Sheep are extremely lucky to have had such dedication and belief of their capabilities. Not only as weed control which has been their saviour thanks to Graham Allan for the discovery, but also as a truly versatile British breed of sheep.

This is now being recognised throughout the meat trade as well and members receiving premium prices. Some of our members are reporting that they have set up their own clientele with restaurants, butchers and personal clients setting up contracts.

It is up to all breeders to seek outlets when wishing to sell their sheep. One avenue is Sell My Livestock website, why not give this a try, reports are coming back that sheep are being sold very quickly (must be registered).

Website

You will have noticed that we are still without our new website. This has turned out to be a large task but would like to thank you for your patience. Even though it is not kept up to date there is a large amount of information on there and purchasers are still finding their way through when looking for stock for sale.

Breed Stand

Has been to many events this year. Cheshire Show, Barry Hodson. Wonderwool Wales, Pippa Geddes. Sheep Southwest, Liz Bowles & Monique Hustinx. Malvern Three Counties, Sue Farquhar. A special thank you to Harvey Clay and family for hosting a consignment of visitors from Holland courtesy of British Livestock at very short notice. Melton Mowbray Show & Sale, Barry Hodson and Simon Mackay. Shewsbury Show & Sale, Anne Harvey with her

merchandise stand. Thank you all on behalf of the Society for your efforts.

Northern Ireland & Ireland

As always our thanks go out to Pat Delaney our Co-ordinator who keeps us informed and assists many of our Irish breeders.

You will also have seen in ShropTalk, Dolway McCorry from Upper Ballinderry, Northern Ireland received his Bronze Long Service Award for 20 years of breeding Shropshires. Dolway has been a staunch supporter and attended many events on behalf of the society actively promoting the breed.

Exports

At the start of the year I contacted all interested parties who had enquired over the years with the hope we could generate interest. I'm delighted to say it did and received firm orders which resulted in another buoyant year for the society's export market.

2017 saw us successfully export to Holland, Belgium and a new one for the society, Spain.

Mika Rood, BELGIUM who imported last year came back for more. He was so pleased with the job the sheep were doing in his plantation that he needed to increase his numbers. Mika took delivery of a lovely even bunch of 50 shearling ewes and another ram.

Ben Simons, BELGIUM is a new customer who has knowledge of our breed and we were very pleased to accept his order of 70 ewe lambs, 30 shearling ewes and 1 ram.

Johan Wagemaker, HOLLAND turned up at my door, twice. I was happy to show him my flock and receive an order for 8 ewe lambs which I passed onto the society.

Diego Eguia Vega, SPAIN – we have been in communication for some time and due to the Spanish laws it has been a long drawn out process. We discussed the best combination of what he should

purchase taking into consideration the cost and length of journey. Diego is a Kiwi grower in Asturias and the climate is very similar to ours as this was my first concern would it be too hot. The transport cost was shared with other breeds, they arrived tired but in good condition. We've received lovely comments and photographs which were shared with the breeders. Diego's had visits from neighbouring farmers as they've never seen Shropshires before and look forward to a successful lambing. All the girls are behaving very well and no tree damage reported. The rams do not graze in the plantation as they were tempted so quickly removed. Diego ordered 1 ewe lamb, 3 shearling ewes and two ram lambs.

Exports this year came to a total of £44060. To the breeders who stuck with the commitment to supply these orders on behalf of the society Sue and I thank you. It's not easy with increasing costs and the effort involved but I hope you gain the satisfaction that you are helping the society grow and increase the awareness of our wonderful breed.

Thanks to Sue Farquhar who battles through the many obstacles put in our way and never gives up and to DEFRA, Anne Tordoff and her team who guide us through constant changing regulations. W.D. Workman our hauliers who always look after our sheep and they always arrive safely and in good condition.

Show & Sale Shrewsbury

This was a special event for us this year being the anniversary of 100 years since our first show and sale held in 1917 and coincidentally it was at Shrewsbury. Thanks go to Tanners Wine Merchants for helping us celebrate. They have a long history with Shropshire Sheep and we were delighted to accept their lovely gift of champagne which was presented to the champion.

I would also like to thank Alison Schofield on behalf of the membership for researching and finding this anniversary and also for

the wonderful and highly treasured commemorative rosettes that she produced.

Our show Champion winning the Morley Perpetual Challenge Cup was a shearling ewe bred by our Junior member Ellie Butcher from the Hansnett Flock and went on to win the Inter Breed Champion. Opposite sex to the champion and the Roydon Trophy went to Caroline & Steve Dewey with a shearling ram. The Southworth Shield for best pen was won by Stonegrove Livestock. The Junior Member highest placed exhibitor-bred Shropshire in the show went to Ellie Butcher

Prices were down this year but this was the same for a lot of breeds. For the first time not all ewes sold.

A lovely shearling ewe of Mark and Sue Shimwells attained top price for females 560gns and a Stonegrove Livestock shearling ram sold for 400gns.

If you are thinking of selling at any of our sales your Council members/Officers will always be happy to advise and help you prepare. Sheep will be rejected if they don't attain the weight that is set so please be aware of this to avoid disappointment.

Thanks to Janet and Charles Morris for another successful pre event hog roast. This has become really popular with numbers growing. Janet produced a very artful anniversary cake and Charles kindly approached Tanners who generously donated to this event as well.

Show & Sale Melton Mowbray

Congratulations to Alan Oliver for winning the Breed Champion and Robert Webb taking the Reserve Champion. We continue to struggle with this event and the prices were extremely disappointing but would like to thank all the breeders who continue to support this show and sale.

Long Service Awards

As already mentioned Dolway McCorry received his Bronze 20 years of breeding Shropshires but also a brilliant achievement for Alison & Paul Schofield who received their Gold award for 30 years of breeding Shropshires.

Home Market

I'm always happy to help any of our members achieve sales or advise the best way to advertise your stock. As times are going to get tough I cannot stress strongly enough that you need to think of creating your own markets. Check out websites see what other breeders do not just Shropshires. Ask at your local butchers you'd be surprised how keen they might be. Traceability, less travel, less stress is a good start to opening the door to a conversation you might wish to have when pushing the benefits of selling your meat stock.

I'm getting so many help calls with purchasers not knowing the way forward, membership, how to get the sheep put in their name (transfers). It really is good practice if you offer to join them while they are on your premises, have the forms ready. Whether you pay or they do is fine but please get them to join and send the forms off straight away with payment. This way you have a happy purchaser and a happy Sales Officer! Purchasers will always come back to you if you look after them.

I would like to thank the membership for their support. Please continue to contact me if you require any assistance.

Claire Jakeman

Showing Shropshire Sheep

- All sheep must be eligible to enter, (see the SSBA's registration rules and the show societies' rules).
- Exhibitors must be paid up members, at most shows it is possible that the sheep can be led by a third party, check show rules.
- At shows with both breed and Downland/Rare breed sections, exhibitors are asked to support the Shropshire classes.
- Lambs must be born after the 1st December of the current season, and should be trimmed unless entering untrimmed classes, where squaring off of the tail only is permitted.
- Rams and shearlings may be shorn anytime after 1st January.
- Breeding ewes must have reared lamb(s) in the current season and must be shorn after 1st May and be shown untrimmed, except squaring off of the tail.
- SSBA trophies are awarded annually to the exhibitor gaining the most points at their six best shows.
- Points for the Farquhar and President's trophies are only applicable to sheep of exhibitors' own breeding.
- The Farquhar Trophy is open to exhibitors showing in Shropshire breed classes.
- The President's Trophy is open to those showing in Any Other Down Breed or Rare Breed classes.
- The Novice Trophy is open to exhibitors showing in Shropshire breed classes in their first five years of showing, or until they win the Novice Trophy three times.
- SSBA Young Members' Hornpipe Quaich is open to junior members showing in Shropshire breed classes/Any Other Breed and Rare Breed classes. Young Handler classes are also eligible for points. Exhibitors must have a Current Junior Membership and be 18 years of age or under on 31st December of the show season applied for.

Regulations and Conditions of Entry into the Flock Book (Main Flock Book and European Flock Book)

1. The main Flock Book is restricted to sheep registered in the British Isles. The European Flock Book is limited to any country where the SSBA is responsible for the registration of Shropshire Sheep. The European Flock Book is available only in digital format. Where “Flock Book” is used in the following regulations it refers to both Flock Books.
2. The list of countries where the SSBA is responsible for the registration of Shropshire Sheep is published annually in the Flock Book and is kept up to date by the Registrar. If and when required the SSBA will facilitate data transfer to another flock book provider but will not be liable to pay any costs associated with such data transfer. If for any reason beyond the SSBA’s control the Society is unable to continue to provide a registration service for overseas sheep, the SSBA will not be liable for any refunds of registration fees already paid.
3. All registered flockowners must keep a private Flock Book (to be produced to the Registrar if called upon to do so), otherwise they will be barred from registering their flocks, as it is obvious no truthful pedigree can be given unless such a course is adopted.
4. Rams to be eligible for entry must be named. No name which has already appeared in the Flock Book can be duplicated. If this regulation is not observed, the Registrar reserves the right of renaming the ram.

5. No ram will be eligible for entry unless bred by the breeder whose flock is already entered in the Flock Book or accepted for entry in any forthcoming volume.
6. No ram shall be eligible for entry unless the names and numbers of Sire and the Sire of the Dam be given, along with the registration number of the Grand Dam.
7. The Council reserves the right of declining any entry, if so recommended by the Registrar.
8. No breeder's entry will be accepted unless he or she complies with the following conditions:-
 - a. that the whole of the sires used in his/her flock from the date of his/her first registrations be inserted into the relevant Flock Book, and that every ram used subsequently must be entered year by year;
 - b. if required, satisfactory proof must be given of the means by which persons registering rams have hired or purchased them.
9. No pure-bred breeding ewes can be introduced into a registered flock except from that of another registered breeder (i.e. a breeder whose flock is recorded in the last published volume of the Flock Book at the time the stock were disposed of), and the owner must furnish the Registrar with particulars of numbers and breeding, otherwise his/her entries will not be considered.
10. No pedigree breeding animals, their semen, ova and embryos can be accepted into the flock book in any country where the SSBA is responsible for registration unless accompanied by an equivalent Zootechnical Certificate from the equivalent breed society in the country of origin.
11. Only current members of the SSBA may register their sheep as pedigree Shropshires. Animals born in flocks during years

when their membership of the SSBA has lapsed may not be registered.

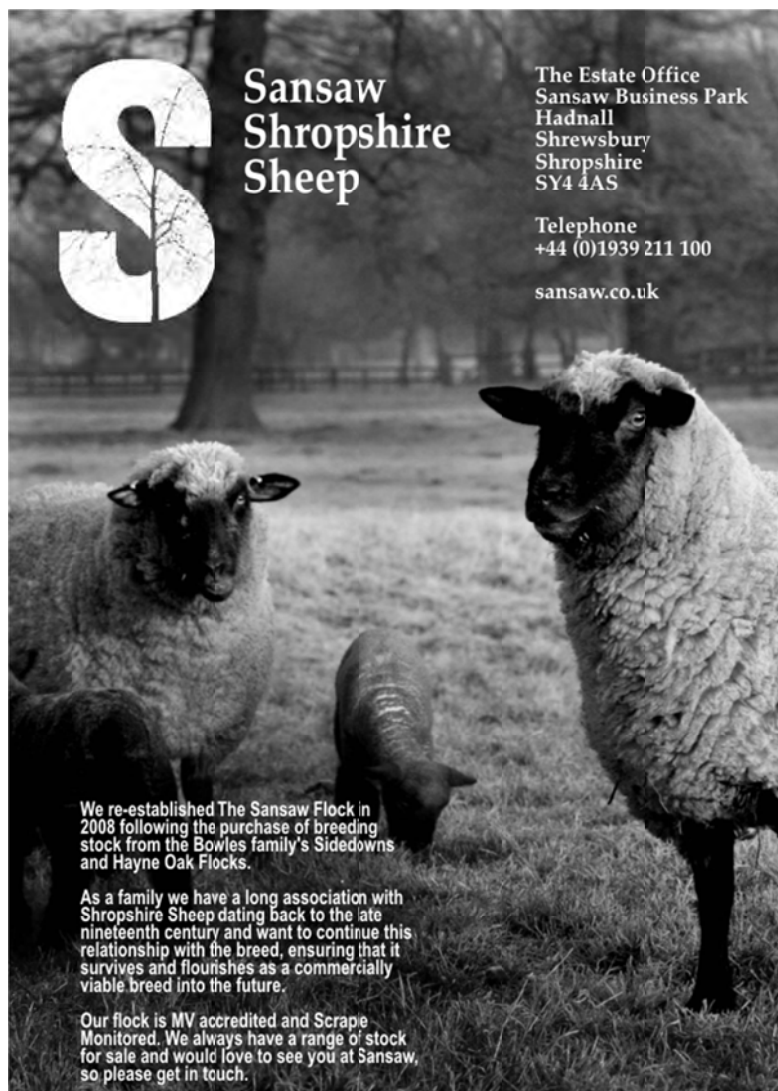

12. The Society's Grading-Up Scheme closed on 31st March 2014. After this date, no new flocks will be allowed to join the Scheme. Flocks already participating will be permitted to complete the Grading-Up process.
13. Any females already on the Grading-Up Scheme must be sired by a registered ram. Female progeny will only be eligible for full registration as pedigree ewes at the third generation.
14. When a flock is advertised to be wholly dispersed, no portion of that flock shall be entered by the vendor when first entering a new flock. If any portion of the flock so advertised is reserved, the sexes, ages and numbers thereof must be fully stated in the catalogue.
15. In case the Council at any future date discover an inaccuracy or fraudulent entry, they reserve the right to cancel such entry and/or expunge the flock in question from the Flock Book.
16. All Rules and Regulations will only be issued in English and if they are translated by anyone the English version is deemed the master. Any disputes and issues regarding entries to the Flock Book, including those that may arise with breeders in countries where the SSBA is responsible for registrations, will be dealt with in English and under English law.

This Flock Book, 2017, is the last one to include both the main Flock Book and the European Flock Book in a hard copy. In subsequent years, the European Flock Book will be produced separately in digital format only.

List of European Countries where the SSBA offers registration services

The SSBA are responsible for the registration of Shropshire Sheep in the following countries:

Country	Region	Restrictions
France	All	None
Ireland	All	None
Belgium	Walonne	Until 5 flocks have been established.

sansaw.co.uk

We re-established The Sansaw Flock in 2008 following the purchase of breeding stock from the Bowles family's Sidedowns and Hayne Oak Flocks.

As a family we have a long association with Shropshire Sheep dating back to the late nineteenth century and want to continue this relationship with the breed, ensuring that it survives and flourishes as a commercially viable breed into the future.

Our flock is MV accredited and Scrape Monitored. We always have a range of stock for sale and would love to see you at Sansaw, so please get in touch.

Regulations for the Export of Sheep

General

1. An Export Sale is defined as any sale where an official ministry health certificate requiring the signature of an LVI (livestock veterinary inspector) is required for the movement of the livestock.
2. If any member of the SSBA is approached regarding ANY (society-led or private) export of Shropshire sheep, they should immediately inform the Sales Officer.
3. Society-led export orders will be organised and managed by the Export Committee, comprising the President, the Export Officer, the Sales Officer, the Treasurer and the Registrar.
4. Export prices will be set annually by the SSBA's Council.
5. Export prices must be adhered to for all sheep, whether sold as part of a society-led export, or sold privately.
6. Any changes to the export levy will be agreed by Council. It is currently 5% of the sale price, where inspection is involved. Where there is no inspection (for example, where Purchasers have selected their own animals) the levy is 4%.
7. All SSBA members exporting sheep, whether as part of a society-led order or as a private sale, must pay the export levy at the relevant level to the breed society.
8. The Export Officer must keep up-to-date with any changes in export regulations and provide an advisory service to non MV flock-owners who wish to export.

Stock Eligibility and Selection

1. Members must indicate on their Annual Flock Return if they wish to supply sheep for export in the coming 12 months and their membership subscription must be received by the registrations clerk by 30th November.

2. Members wishing to export must include the expiry dates of MV Accreditation & Scrapie Monitoring Schemes or Certificate of Compliance signed by their vet on the Flock Return form.
3. Members will then be requested by the Sales Officer to send a copy of their MV & Scrapie Monitored Certificate or Certificate of Compliance to the Export Officer with a deadline date.
4. All sheep forward for export must be registered and registration fees paid within three days of the inspection.
5. To ensure that all members are given an equal chance to export males, the Export Committee shall keep a list of all flocks eligible to export stock. Ram orders shall be allocated in strict rotation and this does not depend upon the breeder supplying females to export orders. If a breeder is unable to supply a ram when first requested, he/she shall remain at the top of the list until able to fulfil an order.
6. Only sheep that have been inspected on farm can be taken to the Assembly Centre. No substitutes allowed.
7. If the blood lines of the ram do not meet the requirements of the order then the next ram on the rota will be considered. The owners/breeders of the ram(s) passed over will maintain their position in the rota until they can fulfil an order.
8. New breeders supplying sheep for export shall be added at the bottom of the Ram Export List and must wait until they reach the top before being invited to send a male for export.
9. By the end of June, all Breeding Ewes accepted for export must have had their lambs weaned and be completely dried off.

Breed Inspections and Export Assembly

1. A number of breed Inspectors appointed by the SSBA's Council will cover different parts of the country.
2. Inspections will ensure that eligible sheep (both male and female) meet breed standards. They will be carried out on the

owner's farm by an appointed Inspector, before sheep are transported to the Export Assembly Centre.

3. The Export Committee will decide upon the most appropriate Export Assembly Centre to use for each consignment, based on the location of breeders supplying stock.
4. The Export Assembly Centre will have Public Liability Insurance.
5. The Inspector is responsible for conformity to breed standard not to the weight of the sheep which is the responsibility of the vendor.
6. All breeders supplying sheep for export will be asked to sign a "disclaimer" which states that the society cannot be held responsible if animals are accidentally injured or fall ill whilst at the Export Assembly Centre, and are subsequently judged unfit by a vet for the export consignment. (Breeders can insure their own sheep for this eventuality). It is the responsibility of the breeder to collect any such sheep within one month of delivery providing the animal is fit to travel and subject to any movement restrictions in place at the time.

Procedure to be Followed by the Export Committee for Society Led Exports

1. The Registrar will inform the Export Committee of members eligible to export and the size of each qualifying flock, as soon as practical after 31st December.
2. On receipt of a sales enquiry the Sales Officer shall contact the potential Purchaser(s) and send them a copy of the Export Order form and confirmation letter, if and when required.
3. On receipt of a completed Export Order form and deposit from a Purchaser or group of Purchasers, the Sales Officer shall contact all members by letter/email that are eligible to supply sheep for export and attach the Ram & Ewe Rotation form.

This shows the allocation for each member for both ewes and rams.

4. Members to confirm to the Sales Officer that they can supply their allocation.
5. Males will be allocated according to the Ram Rotation form and must be tested free from Brucella Ovis and females will be allocated pro rata to the size of breeders' flocks.
6. Breeders supplying sheep for an export order will be contacted by the Export Officer at least one month before the export is due to leave the country.
7. A reserve ram will be nominated (next on the Ram Rotation form). This ram will also be Brucella Ovis tested. If this ram is not required for the final export order, the member will be reimbursed, upon receipt by the Treasurer, of a copy of the veterinary surgeon's invoice up to a maximum value of £50. This sum will be taken from the export levy.
8. If insufficient females are offered by relevant flocks, the spare allocation will be divided equally amongst other participating flocks.
9. The Sales Officer will contact the Society Inspector(s) giving due notice of the deadline by which inspections must be carried out. To include details of stock numbers involved and which flocks to be inspected.

Procedure to be followed for Private Exports

1. Member to inform the Sales Officer of a private export sale. Sales Officer will take full details of the animals, which will include what has been requested, numbers, total cost and when they are scheduled to go.
2. Export prices are to run in line with Society-led exports. All sheep must be pedigree registered before they travel.
3. Sales Officer will inform the Export Committee full details of the sale. At this point the Treasurer will prepare an invoice for

the Vendor with levy due to the Society and this will be sent within two weeks of the export.

4. The Vendor will send a list of sheep exported plus address of the purchaser to the Registrar within two weeks of the export.

Specific to the Nominated Society Sheep Inspectors

1. The Inspectors must have no vested interest in the sheep they are inspecting. This is determined by the Registrar and Export Officer.
2. Inspectors should identify each animal inspected and complete the society form, and for any failing inspection, a reason must be given in a written statement signed by the Inspector. The inspection results should be forwarded to the Export Officer and a copy held by the Registrar for three months after the export has taken place.
3. The reasons why any sheep fail to pass the inspection will be explained to the owner by the Inspector, after the inspection has been completed.
4. The Inspectors will invoice the Treasurer for fuel expenses incurred for inspections at the society's agreed mileage rate within one week of inspections taking place. This will come out of one fifth of the inspection levy (ie 1% of the sale price), and the remainder of the 1%, will be split between the Inspectors pro rata to the number of sheep inspected.

Terms and Conditions Set For Export

1. Overseas Purchasers must confirm their acceptance of the terms and conditions of the export order by signing the Export Order form and returning this to the Sales Officer.
2. A deposit of 20% is required on completion of the Export Order form. The monies will be held in the Society's bank and deducted from the final balance. Should the order be

cancelled, incurred expenses will be deducted before the deposit is returned.

3. All monies for the sheep are to be paid by the purchaser at least 10 working days prior to the date set for the export to the Society's bank account, by money transfer, in pounds sterling.
4. All monies are to be paid by a sterling bank transfer and all charges are to be paid by the purchaser.

Specific to the Export Officer Following the Export

1. All sheep records must be sent to the Registrar for inclusion in the relevant Flock Book.
2. The Publicity Officer must be informed of export consignments for the necessary promotion of the breed to take place.
3. The Export Officer to provide the Treasurer with a full account of the export on the Society invoice form for each flock taking part. This includes numbers sent and sale price, within 48 hours of dispatch.

Specific to the Treasurer

1. All monies will be paid to the Vendor(s) after the deduction of any levies, expenses, fees etc due to the Society, within 5 working days of the export consignment leaving the UK.

SSBA Official Ear Marking System

Each year starts on 1st December to run until 30th November the following year.

The following requirements meet both SSBA and current DEFRA regulations.

For further information refer to the Government website www.gov.uk/guidance/sheep-and-goat-keepers-how-to-identify-your-animals or contact your local Animal Health offices.

The Society's official earmarking requires the following to be adopted by members:

All lambs, before they are over two months old must be tagged in accordance with the DEFRA rules and the SSBA's identification rules.

Eartag Format

The tag information must contain the unique consecutive number of each lamb born followed by the breeder's flock designation letters and the year in which it is born on one side and the official Defra Flock Number on the other.

For example: **001 AA 18 UK 0301102**

Where 001 is the unique consecutive number of the lamb, AA is the breeder's flock designation letters and 18 is the year of birth. UK 0301102 is the official Defra Flock number. Animals with tattoos cannot be exported.

Every flock has breeder's flock designation letters that are assigned to them on joining. These letters appear on every pedigree animal's ear tag and identify the breeder. They can be two or three characters long and can be any combination of letters. The exception being sheep bred outside the British Isles where the letters are three characters long starting with an "F".

Replacement tags should always contain the sheep's original identity. Sheep will not be accepted at shows or sales unless properly tagged/ bolused.

Tags must be officially printed, not hand-written. They can be any colour except RED. (Black is the combination to use with boluses and yellow is used for electronic tags).

Each member must keep a private flock book reflecting a reliable system of earmarking, so as to identify each sheep, and be prepared to produce the same for inspection by the Society's officers. The Society operates a computerised ewe and ram registration scheme. This assists both the Society and the flock owner in determining sire and dam lines.

Exports 2017

This year the Society made its first export to Spain. British Shropshires were purchased by Diego Vega in Asturias, northern Spain to graze between trees in his Kiwi fruit plantation.

Mika Rood from Belgium also imported Shearlings, pictured here grazing in his Christmas tree plantation.

“Young Stars”

The SSBA entered the National Young Stars competition for the first time in 2017. Our team of L to R of George Clay, Ellie Russell & Owen Powell finished a very creditable fourth in the sheep section.

Ellie Russell (Tushbrook Flock) – Reserve Senior Champion of the Young Shepherd of the Year Competition at the Royal Berkshire Show.

Doing Well

George Clay (Swallows Flock) with his Reserve Champion ewe (nearest to George) at Monmouth Show.

Owen Powell with the Coleman family's (Goblindale Flock) Shearling ewe, Champion Shrewsbury Show 2017 together with the Reserve Champion Roydon Relko, owned and bred by Anne Harvey.

Centenary Show &

The Old Shrewsbury Smithfield

100 years on, the new market, now on the outskirts of Shrewsbury at Battlefield.

Sale (Shrewsbury)

Champion – a shearling ewe from the Hansnett Flock (Ellie Butcher) shown by Sue Farquhar. Pictured with Sales Officer Claire Jakeman, James Tanner sponsor, (whose family owned the winner of the Shearling Ram Class at the first Show & Sale) and Charles Morris from the organising committee.

The organising committee, L-R, Alison Schofield, Simon Mackay, Janet & Charles Morris and Jeanette Hares, pictured at the pre event Hog Roast.

 Roydon Rumble.
 Owned and bred
 by Anne Harvey.

Burwarton Show

Champion RJ & JA Hares' (Millenheath Flock) Shearling Ewe and Reserve Champion Mrs S Farquhar's (Piddington Flock) Breeding Ewe. Pictured with judge Mr T Jones.

Oswestry Show

Above, Ewe lamb class. Nine Shropshire exhibitors were at Oswestry in 2017. The Champion was, Mr & Mrs P Geddes' (Alderton Flock) Shearling ewe, shown by Peter.

Signet Performance Winners

Winner of Signet's most improved flock award for the third time, James Thompson, Sansaw Flock.

Winners of the Signet Performance Awards at the Burwarton Show: Two shear ram Hayne Oak Randall and ram lamb Alderton Monty, both ranked in the top 5% of the breed for genetic merit.

Owned by Peter and Pippa Geddes.

Advice & Consultancy
Managing Sheep In Trees &
Establishing New
Plantations

Norway is noted as having
the highest sheep health
status in Europe!

Norwegian Shropshire's
bred with that little extra for
challenging conditions.
An investment for the future.

The Hayne Oak Flock of Shropshire Sheep

MV Accredited

Scrapie Monitored

Member of the SSBA Breed Improvement Programme

Hayne Oak Nelson

BB158C – Most prolific ewe 2014 – Dam of Hayne Oak Nelson

2017 Highlights

The Hayne Oak flock has been named the 'Signet recorded flock which has made the most genetic progress in the last year and in the last decade'. We are bowled over. This is due in large part to the influence of Hayne Oak Nelson in the flock. Semen is now available for UK breeders from Nelson.

Breeding Stock always available from a range of different bloodlines

Liz Bowles and Mike Bray

DISPERSAL 2018

Due to a major change in management, the Timberline Flock of High Genetic Merit Pedigree Shropshire Sheep is going to be dispersed.

All the ewes, shearlings and ewe lambs and one ram will be available to purchase at an affordable price, either individually or in groups from mid-July 2018 onwards.

- We have consistently used rams of sound confirmation and in the top 5% of the Breed based on Maternal Index.**
- Our ewes are of pure Shropshire type and of good reproduction efficiency - we usually lamb the entire flock in 24 days. They are MV Accredited, Toxovax, Enzoitic Abortion and Footvax vaccinated and on the Heptavac P system. The flock is predominately grass fed with no creep used.**

Please contact us at any time for further details or to arrange a viewing of our flock.

Val Tew & Paul Stead

Tel: 01295 721320 or 07776385544

Pedigree Ram		2 nd cross Ewe FC prefix	
	Pedigree Ram	Pedigree Ram	

1. The Society's Grading-Up Scheme was introduced in 2004 and closed on 31st March 2014.
2. No new flocks will be allowed to join the scheme after the March 2014 deadline. Flocks already participating will be permitted to complete the Grading-Up process (see above graphic), although they will not be allowed to add any further "FA" generation ewes after 31st March 2014.
3. Under the Scheme, the descendants of purebred but unregistered Shropshire ewes can progress to become fully pedigree registered animals over three generations, provided the original ewes were inspected and confirmed as being of true breed type, and their female progeny were sired by fully pedigree registered Shropshire rams.
4. The Society's usual registration fee (£5/head) applies to Grading-Up females of the FB and FC generations, and thereafter.
5. For more detailed information about Graded-Up Shropshires, or the Scheme, please contact the Registrar.

The Value of Performance Recording

Emma Steele, Signet Breeding Services

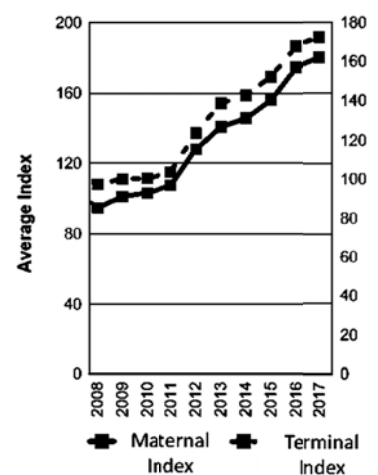

Selective breeding to improve desirable characteristics has happened for thousands of years and is not a new concept, however our ancestors only ever had the opportunity to do this by eye. Signet breeding services provides the national genetic evaluation for sheep within our Sheepbreeder scheme giving breeders the tools to select breeding stock on more than just

looks alone. Signet performance recording uses pedigree information, birth information, 8 week and 17-21 week weights and ultrasound scanning to measure eye muscle and back fat depth to give breeders the ability to select breeding stock on individual genetic potential.

The Sheepbreeder service is available to Shropshire breeders where performance recording members benefit from the generation of individual EBVs (Estimated Breeding Values) and both a maternal and a terminal sire index combining the most commercially important traits. The index is used to rank individuals based on a standard breeding goal. While many breeders use the index to select their Shropshire breeding stock, you can also use the individual EBVs to select stock that provide traits important to you.

There are many reasons to performance record your flock with Signet. Increasing demand for Signet recorded stock from commercial and pedigree breeders is driving prices and clearance rates at sale and will help you to stand out against the competition. The figures also allow you to improve your flock more efficiently at home by allowing you to pair males and females that should produce offspring more closely tailored to your breeding goals. The image to the right shows the genetic progress made by performance recorded Shropshire flocks in the last 10 years. The average recorded Shropshire now has a

maternal index value over 80 points better than it was in 2008, and a terminal index over 75 points better.

By becoming a Signet Sheepbreeder member, you will have access to regular EBV reports for recorded stock. Your top stock sires and ram lambs have the opportunity to appear on our top stock lists available online and sent to all recorded Shropshire breeders. Also online, our inbreeding tool which enables you to easily manage inbreeding within your flock at the click of a button, adding that extra tier of selection for AI and new stock rams. You also have access to accredited ultrasound scanning technicians that will come to you and scan your lambs for accurate muscle and fat depth measurements that will feed into your analysis. Your information will all be readily available online where you can print sales cards and EBV charts to promote stock at sale. If you have any queries, you have access to a Signet breed specialist that will personally guide you through performance recording and getting the most out of your figures.

There has never been a better time to start recording with Signet. Signet have recently undergone a fee structure change where flocks that choose to provide data electronically (Excel spreadsheet/farm software output) or online are rewarded with cheaper fees making performance recording even more cost effective.

	Paper	Online	Electronic
Flock Fee	£120.00	£95.00	£95.00
		Additional £/ewe	
First 50 ewes	£3.00	£2.50	£2.50
51-150 ewes	£3.00	£2.00	£2.00
151-400 ewes*	£3.00	£1.00	£1.00

*paper based services will no longer be offered to new clients with over 250 ewes

If you want more information on becoming a Signet member or anything in this article, contact Emma at: emma.steele@ahdb.org.uk or alternatively have a look at our website www.signetfbc.co.uk.

CELEBRATING TEN YEARS OF THE SHROPSHIRE BREED IMPROVEMENT SCHEME 2007 TO 2017

The Shropshire Breed Improvement Scheme (SBIS) is based on Signet Performance Recording. It is open to all members of the Breed Society. For more information please contact Pippa Geddes, SBIS Coordinator on 01743 741689
Pippa@aldertonfarm.co.uk

Recording your sheep is now cheaper and easier

Why record with Signet?

- The most accurate assessment of genetic potential
- Access to promotional reports, charts and marketing material
- Breeders can now scan more lambs prior to slaughter
- Free inbreeding software
- Recorded rams are in demand. Premiums are paid for high EBV stock

Recording has never been better value with reduced fees for clients submitting data online or via electronic files.

Society Forms and Regulations

For Their Use

Annual Flock Return

1. You will receive this form in the post or via email in the autumn. It must be completed and returned with the necessary remittance to the address on the form by 30 NOVEMBER each year for your flock details to be included in the Flock Book. (NO reminders will be sent).
2. You may register on the flock return ewes not previously registered that are in-lamb for the first time. (These animals must be birth notified)
3. If you have used a ram lamb, or a previously unregistered ram (must be birth notified) it also needs to be registered.
4. £1 is payable for every ram used in your current breeding programme.
5. In the envelope you should place:
 - a. Membership Renewal Form
 - b. Flock Return Form
 - c. Annual Ewe List –
Can also be completed on line via PedeWeb
 - d. Annual Return Survey–
Can also be completed on line via PedeWeb
 - e. Cheque to include All Fees

Post to Address on the form.

Birth Notification

1. Birth Notification must include ALL of the following data:-
Eartag or Reg No. of Dam, Reg No. of Sire, Date of Birth and the sex and tag number of all the lambs. You can use any

method to send the data for example the official Birth Notification Forms or electronically via Ped eWeb.

2. To be sent or completed on line within 90 days of birth and not less than 2 weeks before being shown. NB ALL lambs must be birth notified before being shown. You will receive a certificate of Birth Notification to take to shows.
3. Your Sheep will be issued with a “BN” number visible via Ped eWeb.
4. Remember to keep a copy for your records.

Post to Address on the form.

Service Certificate

Can be completed either on line via Ped eWeb or by using the service certificate form.

1. When selling in-lamb ewes - complete a Service Certificate and give this to new owner.
2. When using a hired ram ensure that the owner of the ram completes a service certificate as proof of its use.

Registration

Can be completed either on line via Ped eWeb or by using the registration form.

Ewes and Rams

1. All female sheep, including lambs, destined to be sold at a designated breeding sale MUST be registered prior to entry. Male sheep must be eligible for registration ie birth notified. Sheep sold at a primestock only sale do not have to be registered.
2. The animal's Scrapie Genotype can be included on the registration certificate, if the animal has been scrapie genotyped. The genotype result should be supported with documentation from the testing laboratory and will only be included by request.

3. All shearlings and older sheep MUST be registered before being shown. Any entries not registered will be withdrawn.
4. Home-bred ewes in-lamb for the first time can be registered via the Flock Return or by using the Registration Form.
5. As all lambs are birth notified only the ear tag number or "BN" number is required as information is already stored on computer. Lambs can be registered at any time.
6. Ewes and ewe lambs over four months old being sold privately MUST be registered by the Breeder even if sold to an unregistered or non-Shropshire flock. Ewe lambs under four months old need only be birth notified.
7. Only current Full Members, Junior Members or Registering Overseas Members of the SSBA may register sheep as full pedigree animals. Females and males born in flocks of lapsed members may not be registered.
8. Your Sheep will be issued with a registration number and you will be emailed a certificate when payment has been received by the Society. A posted certificate is also available at extra cost.
 - a. All females bred in the British Isles; registration number will be prefixed by an "F"
 - b. All grading up first generation females bred in the British Isles; registration number will be prefixed by an "FA" (no longer issued).
 - c. All grading up second generation females bred in the British Isles; registration number will be prefixed by an "FB"
 - d. All grading up third generation females bred in the British Isles; registration number will be prefixed by an "FC"
 - e. All females bred by a Registering Overseas Member; registration number will be prefixed by an "FE"
 - f. All males bred in the British Isles; registration number will be just a number.

- g. All males bred by a Registering Overseas Member; registration number will be prefixed by an "E"

Post to Address on the form

Transfer of Ownership

Can be completed either on line via Ped eWeb, completing the tear off part of the pedigree certificate, or by using the transfer form. There is no fee for this.

Private Sales

1. Whenever a registered Shropshire is sold, the completed signed form should be sent to the registrations clerk within 10 days of the sale. The future progeny of sheep that have been sold cannot be registered with the SSBA until this has been completed.
2. The top half of the Registration Certificate to be given to the Purchaser.
3. If lambs sold at foot under 4 months are birth notified they can be transferred, then registered by the purchaser. If older than 4 months, they have to be registered by the original breeder
4. Please inform secretary whether new owner (if not already a member) requires membership forms.

National Show & Sales

Registrar to give all Pedigree Certificates to the Auctioneer, who will give them to the purchasers.

PLEASE NOTE, ALL OFFICIAL SSBA FORMS CAN NOW BE DOWNLOADED FROM THE BREED SOCIETY'S WEBSITE (PUBLICATIONS AND FORMS SECTION)
