Total % of Credits													66.0%	34.0%				

Note 1: Cross-listed courses in Banner are counted as one class instance. The enrollments are totaled in calculating average class size.

Note 2: For team taught courses, credits were evenly distributed across all faculty teaching the course.

Note 3: For team taught courses, average class size was credited to only the instructor identified as the primary in Banner. Otherwise, the course would be counted multiple times in the average.

Note 4: Zero credit courses are included (ie, ESL and MBA pre-qualifiers).

Note 5: Freshman Studies courses, while technically residing in the College of Education, are included in "Special Programs" since that is the faculty's home college/school.

Note 6: School of Medicine is excluded.
