# PrismaGuard® Premium Finishes

Bring the authentic look of wood to life with rich tones that add dimension and are designed to enhance the wood grains or add a pop of color to Thermo-Tru® doors, composite door frames and door surrounds, and tailor the look of the entry to make a beautiful lasting impression. PrismaGuard premium finish undergoes rigorous testing with specialized equipment to help ensure it delivers a consistent high-end appearance with a low-maintenance coating that preserves the door's color for years to come.

# SoftLite Premium Finishes

Our state-of-the-art process produces a resilient and durable finish that can't be duplicated in the field. We use an environmentally friendly, water-based finish with a very low solvent content that provides proven durability in all weather conditions. Additional benefits include lasting color vibrancy, expanded color and gloss retention, and high abrasion and humidity resistance. All of our finishes are backed by a 10-year warranty.
