Easily share this scanner with multiple users.

Get more from your budget by sharing one scanner with multiple users. Easily add this scanner to your existing network without IT support using the built-in Ethernet connection. Plus, control user access with optional PIN security.

Get the versatility to meet all your needs—from scanning legal-size documents, bound materials and business cards to digitizing images, slides and negatives. Even put several items on the flatbed at once and save the images as separate files.

Easily select tasks using the scanner's four-line LCD display and 10-digit keypad, then complete jobs faster with the 50-page automatic document feeder. Plus, scan both sides of a page hands-free, thanks to the built-in duplexer.
