### Notice of Public Hearing on Proposed Revisions to 30 TAC Chapter 50

The Texas Commission on Environmental Quality (commission) will conduct a public hearing to receive testimony regarding proposed re-

visions to 30 (Texas Administrative Code) TAC Chapter 50, Action on Applications and Other Authorizations, §50.131, under the requirements of Texas Health and Safety Code (THSC), §382.017 and Texas Government Code, Chapter 2001, Subchapter B.

The proposed rulemaking would implement a correction to an agency rule to conform with statutory requirements. The agency would delete 30 TAC §50.131(c)(1) and renumber the remaining parts of §50.131(c). This would remove the exemption for a motion to overturn the executive director's decision on registrations for authorization under an air quality standard permit, as required by THSC, §382.016(b).

The commission will hold a hybrid virtual and in-person public hearing on this proposal in Austin on Monday, August 1, 2023, at 10:00 a.m. in Building E, Room 201S at the commission's central office located at 12100 Park 35 Circle. The hearing is structured for the receipt of oral or written comments by interested persons. Individuals may present oral statements when called upon in order of registration. Open discussion will not be permitted during the hearing; however, commission staff members will be available to discuss the proposal 30 minutes prior to the hearing.

Individuals who plan to attend the hearing virtually and want to provide oral comments and/or want their attendance on record must register by Friday, July 28, 2023. #### Notice of Application for Approval of the Provision of Non-Emergency 311 Service

Notice is given to the public of an application filed with the Public Utility Commission of Texas (commission) for approval to provide non-emergency 311 services.

Docket Style and Number: Application of Southwestern Bell Telephone Company dba AT&T Texas for Administrative Approval to Provide Non-Emergency 311 Service for the City of Huntsville, Docket Number 55180.

The Application: On June 27, 2023, Southwestern Bell Telephone Company dba AT&T Texas filed an application with the commission under 16 Texas Administrative Code §26.127, for approval to provide non-emergency 311 service for the City of Huntsville. As a certified telecommunications utility (CTU), Southwestern Bell Telephone Company dba AT&T Texas seeks approval on behalf of Huntsville to provide non-emergency 311 services to Huntsville's residents within the city limits of Huntsville, Texas, and to portions of surrounding communities in Southwestern Bell Telephone Company dba AT&T Texas's certificated service area.

Non-emergency 311 service is available to local governmental entities to provide to their residents an easy-to-remember number to call for access to non-emergency services. By implementing 311 service, communities can improve 911 response times for those callers with true emergencies. Each local government entity that elects to implement 311 service will determine the types of non-emergency calls their 311-call center will handle.

Persons who wish to comment on this application should notify the commission by August 14, 2023. Requests for further information should be mailed to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326, or you may call the Public Utility Commission's Customer Protection Division at (512) 936-7120 or toll free at (888) 782-8477.
