

SEVEN-FIGURE COLTS HEAD STRONG TATTERSALLS TRADE

Lot 277, the 1.2-million gns son of Sea The Stars | Tattersalls

By Emma Berry and Kelsey Riley

NEWMARKET, UK—Watership Down Stud's signature family of Darara (Ire) brought yet more success for breeders Lord and Lady Lloyd Webber when their Sea The Stars (Ire) colt out of So Mi Dar (GB) (Dubawi {Ire}) sold to Bill Farish for 1.2 million gns at Tattersalls.

As the bidding progressed, Andrew Lloyd Webber appeared in the ring seconds before Anthony Stroud and the Godolphin team gave way to Charlie Gordon-Watson, who was bidding on behalf of the American owner of Lane's End Farm.

"We don't ever expect to break the million-pound barrier, and in fact Andrew walked in just in time to see it happening so he must be our good luck charm," said Madeleine Lloyd Webber as she greeted the colt and gave him a final pat on leaving the ring. "He ran out of the taxi into the ring and saw a million-pound sale."

She continued, "The Darara family is carrying on and that is what it's all about with a foundation mare. We are in the third generation now and it is wonderful to see this family keep going. He is a beautiful horse, hopefully he'll go on to win the Guineas and keep winning Group 1s like the rest of the family."

GROUP 1 WINNER NO SPEAK ALEXANDER RETIRED

Group 1 winner **No Speak Alexander (Ire)** (Shalaa {Ire}--Rapacity Alexander {Ire}, by Dandy Man {Ire}) has been retired from racing and will begin broodmare duties from 2022, trainer Jessica Harrington announced via Twitter on Wednesday.

Bred by Noel O'Callaghan's Mountarmstrong Stud, the €190,000 Goffs Orby RNA yearling raced for Charles, Noel and Paul O'Callaghan. She won at second asking at Roscommon last July and ran fourth in the G2 Prix du Calvados in August of 2020 before taking second in a listed race at Leopardstown that September. The bay ended her juvenile season with another fourth, this time in the G3 Weld Park S.

No Speak Alexander kicked off this season with a win in the G3 Athasi S. at The Curragh in May before running third in the G1 Irish 1000 Guineas. [Cont. p14](#)

Tattersalls October Yearling Sale Book 1

- Bill Farish of Lane’s End Farm swooped in to purchase the new sale topper, Andrew and Madeleine Lloyd Webber’s 1.2-million gns son of Sea The Stars, for his Woodford Racing.
- Galileo sits as the sale’s leading sire by average with seven sold for an average of 520,714gns. Dubawi has had 10 average 450,000gns, while Galileo’s younger brother Sea The Stars’s 12 have averaged 336,667.
- With John Magnier and Sheikh Mohammed both having been present at Park Paddocks during the week, it was no surprise to see familiar names at the top of the buyers’ list. Respectively, their Coolmore and Godolphin operations have spent 4,385,000 gns and 4,275,000 gns on 17 yearlings between them in the first two days.
- Twelve individual buyers have so far spent at least one million gns, and at least 33 yearlings have so far been bought by 11 different American entities.
- The comparative figures were far in advance of the equivalent session last year. The turnover of 30,116,000gns was up by 41%, while the 231,662gns average was up by 29% and the median of 160,000gns rose by 28%.
- The clearance rate jumped to 87% from 77% during this session last year.

With the G3 Musidora S. winner and full-sister to young stallion Too Darn Hot (GB) as his mother and the celebrated Dar Re Mi (GB) (Singspiel {Ire}) as his grandam, there was plenty to recommend the colt, and the man who did the bidding on behalf of Farish’s Woodford Racing knows this particular family better than most. Gordon-Watson bought the Watership Down foundation mare and Group 1 winner Darara (Ire) (Top Ville {Ire}), a half-sister to Darshaan (GB), for the stud back in 1994.

He said, “Bill Farish of Lane’s End rang me and said ‘what about this horse, what do you think?’ And I said that I thought he was the best horse I’d seen in the sale and I know the family backwards, as he does, and he’s a great friend of Simon [Marsh, stud manager] but he didn’t want Simon to know anything about it.”

Confirming that the colt would remain in the UK for now, Gordon-Watson added, “It all happened in the last hour and a half. I think I got the valuation right as I said he would make between 800,000gns and 1.2 million.

“He’s very typical of the family—maybe a bit bigger because Darara is quite small and Sea The Stars adds a bit of substance—but he’s so athletic. I’ve been going on about lot 277 for a long time, ever since I knew his lot number.”

Bill Farish | Sarah Andrew

Woodford Racing was among the leading buyers at last month’s Keeneland September Yearling Sale, with most of the 16 yearlings it signed for alone or in partnership being, like lot 277, colts with stallion potential.

Speaking from the U.S., Farish said, “I’m very close to Simon Marsh and to the Lloyd Webbers, and I’ve been watching this family for three generations. It’s just the most prolific and one of the best families in Europe.” [Cont. p3](#)

He added, "I've been hearing about this horse since he was a foal, not only from Simon, but from Charlie Gordon-Watson and others, though they never thought that I would be the buyer. But it is one of those things where everything out of Dar Re Mi (GB) has been a runner at the highest level. Even the ones who didn't win Grade Is had Grade I potential. All of that, combined with the fact that he is such a nice individual just had me very excited about the opportunity to buy him, though I hoped I'd get him for less, of course."

Questioned about a trainer of choice, Farish added, "I'm not going to say just yet, I'm going to breathe a little bit before I decide."

On a day that started and ended with six-figure lots and pretty much stayed that way throughout, along with two millionaire highlights, the comparative figures were far in advance of the equivalent session last year. The turnover of 30,116,000gns was up by 41%, while the 231,662gns average was up by 29% and the median of 160,000gns rose by 28%. This was largely brought about by the clearance rate shooting up from 77% to 87%, meaning that only 19 of the 149 yearlings offered through the second session of Book 1 failed to find a buyer.

Rock Solid

The second millionaire of Book 1 materialized late in Wednesday's session when Corduff Stud's **Kingman (GB)** colt out of multiple group-race winner Turret Rocks (Ire) (**Fastnet Rock {Aus}**) sparked a titanic bidding battle between Coolmore and

Godolphin out front of the ring. In the end it was MV Magnier who had the final say at 1.1-million for **lot 321**, with Peter Brant's White Birch Farm also joining the ticket.

The colt is the first foal out of Turret Rocks, who was bred by Jim Bolger and raced by the master trainer in partnership with the late Paddy Power co-founder John Corcoran, who died in 2019. Turret Rocks won the G2 May Hill S. at two and was second in the G1 Prix Marcel Boussac. She added the G3 Blue Wind S. at four and was third in the G1 Pretty Polly S. A typical

hard knocker from the Bolger programme, Turret Rocks continued to train on at five, adding the G3 Meld S. and the Listed Victor McCalmont Memorial S.

David Egan of Corduff Stud noted that Corcoran had eventually bought Bolger out on Turret Rocks, and that the **Kingman** colt was owned in a partnership between Corduff and Corcoran's children, Andrew Corcoran and Roseanne O'Grady Walshe, under the Farmleigh banner.

"He was a magnificent horse," Egan said. "I'm delighted they got him. I didn't think they were on him and they stood up and bought him, so it was really great. John had a vision of what he wanted to do with the horse, and he facilitated it in a way that it could happen. We owned this horse with John's children, and it's great. John unfortunately is dead but he was very involved in the planning of the mating, and he chose **Kingman**."

Of Turret Rocks, Egan added, "She's a beautiful mare; she's big, strong and robust. She was so honest on the track. The mare has a very nice Too Darn Hot colt at home and we bred her back to **Kingman**." **Cont. p4**

Another **Kingman** colt to find favour on Wednesday was the Keswick Family's colt out of the G1 1000 Guineas and four-time Group 1 winner Sky Lantern (Ire) (Red Clubs {Ire}) (lot 274), who fetched 625,000gns from agent Oliver St Lawrence.

"What can I say? He was a lovely horse out of a champion filly who has bred a good filly," said St Lawrence. "He's for my Bahraini clients, and I'm not sure who will train him."

The colt is the fifth foal out of Sky Lantern, whose leading light thus far has been Snow Lantern (Ire) (**Frankel** {GB}), the winner of this year's G1 Falmouth S. Sky Lantern has an as-yet unraced 2-year-old colt by Galileo (Ire) named First Emperor (GB) who is as yet unraced but listed in training with Donnacha O'Brien for the Keswicks' Rockliffe Stud in partnership with Susan Magnier and Michael Tabor. She produced a **Kingman** colt this year before being covered by **Frankel**.

A Frankel For Coolmore

Andrew Stone provided one of the leading lots of the opening session when Whatton Manor Stud sold his Lope De Vega (Ire) colt out of God Given (GB) (Nathaniel {Ire}) for 725,000gns, and

the breeder who operates as St Albans Bloodstock enjoyed an even better result on Wednesday. Stone keeps 15 mares at Newsells Parks Stud, which was the consignor of his colt by **Frankel** (GB) out of the listed winner Qushchi (GB) (Encosta De Lago {Aus}), who went through the ring as lot 227.

An extended exchange of bids outside the ring between Anthony Stroud and MV Magnier saw the latter prevail at 925,000gns for the half-brother to Mrs Sippy (**Blame**), who won the GII Glens Fall S. in Stone's colours.

"I feel rather emotional," said Stone after Magnier signed the ticket for the colt, whose grandam La Persiana (GB) (Daylami {Ire}) is a listed-winning half-sister to Grand Lodge. "I breed these horses to race really but every now and then you have to sell some to keep it all going. Newsells Park Stud do a fantastic job." **Cont. p5**

Magnier was also quick to pay tribute to Newsells Park Stud, which changed hands in June from the Jacobs family to Graham Smith-Bernal.

“We’ve been lucky buying from Newsells in the past and we wish Graham and his family the very best of luck with the new venture. Long may the rich history of Newsells continue,” he said. “This colt looked a nice type, he’s a very good mover and Frankel is doing so well.”

Galileo Filly Makes Noise

David and Diane Nagle’s 13-year-old mare Quiet Oasis (Ire) (Oasis Dream {GB}) has provided her owners with some memorable results both on the racetrack and in the sales ring. The dam of G3 Gladness S. winner Lancaster House (Ire) (Galileo {Ire})’s most notable sales ring touch came at the 2019 edition of the Tattersalls October Yearling Sale when her Galileo (Ire) filly sold to MV Magnier and Westerberg for 2.1-million gns. Quiet Oasis was back in the spotlight again at Tattersalls on Wednesday when a full-sister to the aforementioned 2-year-old, now named Drummer Girl (Ire), and Lancaster House bred and sold by the Nagles’ Barronstown Stud (lot 226) fetched 800,000gns from agent Alex Elliott on behalf of an undisclosed “new owner.”

Like Elliott, Quiet Oasis spent a stint in California. She ran for owner Paul Reddam with trainer Ben Cecil and won the GIII Wilshire H. and the GII Royal Heroine Mile both over 1600 metres. Quiet Oasis had been mated exclusively with Galileo prior to this year, when she visited Wootton Bassett (GB), and lot 226 is her fifth foal.

“She’s a collectors item, really,” Elliott said of the filly. “She’s very hard to fault. I remember Quiet Oasis from when I was in California and she was a very good racemare for Paul Reddam and she’s obviously produced Lancaster House. She’ll go to Ralph Beckett. It’s very exciting to buy a filly with that kind of potential.

Elliott admitted he was close to reaching his budget for the descendant of the excellent producer Park Express.

“We were getting there, but it’s a privilege to be able to buy a filly like that,” he said. “We’ve been able to buy a lot of horses we want to buy this year, which is great from our point of view. We think the market has been extremely fair. We’ve bought a lot of yearlings, so we’re looking forward to next year.”

The 14 Galileos catalogued this week mark some of the last yearlings by the late great sire that will come on the public market, and therefore it was no surprise to see Coolmore’s MV Magnier spring into action a short time later for lot 241.

Offered by Camas Park Stud, the filly is out of the unraced Rock Orchid (Ire) (**Fastnet Rock {Aus}**), a half-sister to Oaks winner Dancing Rain (Ire) (Danehill Dancer {Ire}).

Dancing Rain is herself a multiple stakes producer, and her sister Sumora (Ire) is the dam of Maybe (Ire) (Galileo {Ire}), a champion and the dam of G1 2000 Guineas winner **Saxon Warrior (Jpn)** (Deep Impact {Jpn}). The pricetag on lot 241 was 540,000gns.

Lordship Stud Recruit More Stars

Fresh from celebrating the G1 Qatar Prix de Royallieu victory of homebred Loving Dream (GB) (**Gleneagles {Ire}**) on Saturday, the Harris family of Newmarket's Lordship Stud added a future broodmare prospect to their Thoroughbred portfolio in **lot 318**. The daughter of Sea The Stars (Ire), bought for 680,000gns, is a half-sister to G1 Moyglare Stud S. winner Cursory Glance

(Distorted Humour) and was bred by Craig Bennett of Merry Fox Stud. Another half-sister, the unraced Willow View (Lemon Drop Kid), is responsible for a further top-level winner close up in the family in GI Turf Classic S. victor Digital Age (Ire) (Invincible Spirit {Ire}), who was also a graduate of this sale.

Gary Hadden, bloodstock advisor to Bennett, said of the filly, a daughter of the winning Sadler's Wells mare Time Control, "I've heard her described many times this week as the stereotypical queen. She's been by far the most beautiful individual out of the mare."

He continued, "The Sea The Stars/Sadler's Wells cross has been so strong. She has presence; she's never blinked an eyelid up here, she's been so professional every show. She was out 140 times and

she's had the most vets we've ever had on a yearling. Regardless of what she does on the racecourse she'll let down into a lovely mare." **Cont. p7**

He added, "It was a very tough decision to let her go, but we decided to try out the market and other people agreed with us. It's hard to lose one like her but we have lots of the family with Cursory Glance, Willow View, Acer Alley. You can't keep them all, but it's just a great result. Hopefully one day for the Harris she's going to be a very nice mare."

Hadden added that the 16-year-old Time Control now in foal to Make Believe (GB), while her daughter Willow View is in foal to **Kingman (GB)** with a Dubawi foal at foot.

The good day for the progeny of Sea The Stars continued right through to the final lot through the ring, Lodge Park Stud's son of the Lingfield Oaks Trial winner Vow (GB) (Motivator {GB}). **Lot 334** brought the hammer down for the final time on Wednesday at 450,000gns in favour of Oliver St Lawrence, standing alongside Sir Mark Prescott, who will train the colt for Fawzi Nass and team.

Kingman Queens

Craig Bernick believed enough in his **Kingman (GB)** filly out of Galileo Gal (Ire) (Galileo {Ire}) to retain her at 500,000gns on the opening day of Book 1, and Bernick reaffirmed his belief in that cross when going to 650,000gns on Wednesday for **lot 238**, a

filly by Juddmonte's ascendant sire out of the well-related Ring The Bell (Ire) (Galileo {Ire}). Consigned by Hazelwood Bloodstock for breeder John Camilleri of Winx (Aus) and Vancouver (Aus) fame, the filly is a granddaughter of G2 Prix du Gros-Chene scorer Beauty Is Truth (Ire) (Pivotal {GB}), the dam of Group 1 winners Hydrangea (Ire), Hermosa (Ire) and The United States (Ire), all by Galileo (Ire), and the Group 3-winning and multiple Group 1-placed Fire Lily (Ire) (Dansili {GB}).

"We bought a **Kingman** filly yesterday that we thought was the second-best filly here, and we thought this filly was the best," Bernick said. "It's a great family; there are a lot of Group 1 winners down the page. We have a filly out of Fire Lily with Jessie Harrington [2-year-old Willamette Valley] and we were a little disappointed when she ran the first time, but we like her and it's just a great filly family. **Kingman** has probably had more colts than fillies that have been good so far, but I can't imagine he won't be a good sire of fillies, too. She comes from a great breeder, and from Hazelwood Bloodstock; Adrian O'Brien keeps a lot of our mares too and John Camilleri has bred good horses all over the world so we're excited about the horse."

Bernick said it is undecided yet whether Glen Hill Farm will race the filly alone or in partnership, but that it is likely she will start her racing career in Europe.

“A horse like this could go anywhere, but I think she’ll at least start out here,” he said. “I think she’d be a miler. [The American] pattern is a little different and the good filly races at a mile really start for older horses in America, and there are more mile-and-a-quarter and mile-and-a-half races. So it really wouldn’t make much sense to send her over until she’s four anyway, but hopefully she can do something here.”

Bernick—who has 10 mares in Europe and a small handful in training in addition to others in partnership—admitted that prizemoney in Britain is a concern, but said his involvement on these shores is about building families.

“The prizemoney is a huge problem here, don’t get me wrong, but I think if you can race black-type horses you can establish a value for those horses,” he said. “The prizemoney in Europe, they’re going to need to

address it, but the quality of the racing is so established and recognized all over the world that I think when horses do well here, there is a benchmark there you can take away from it. I think our racing in the States is great, but there’s an impression that, ‘they won in the States, how good are they really?’ I think that’s wrong, but you can’t argue with the market. Everyone really holds the racing here at the top.”

“We like the business over here; we can get up early in the morning and watch them run and don’t have to wait until late for Santa Anita,” he added.

Seth Klarman of Klaravich Stables has had plenty of success with Kingmans purchased from this sale—namely Domestic Spending (GB) and Public Sector (GB)—and thus it has been no

surprise to see his representatives making a bold play for more progeny of the Juddmonte sire this week.

Klaravich's Wednesday haul included **lot 210**, Clearwater Stud's daughter of the multiple listed-winning Polly's Mark (Ire) (Mark Of Esteem {Ire}), for 240,000gns. Klaravich has purchased five for 1.12-million through the first two days of Book 1, two of those being by **Kingman**. Mike Ryan likewise signed for Newsells Park Stud's **Kingman (GB)** filly out of Secret Sense (Shamardal) (**lot 261**), a daughter of the stud's excellent producer Shastye (Danehill), for 340,000gns. Ryan has signed for five through the first two days of the sale for 1.45-million. The **Kingman (GB)** half-brother to Ghaiyyath (Ire) (Dubawi {Ire}) was unsold at 575,000gns.

Dubawi Double For Godolphin...

Dubawi's 10 yearlings sold so far through Book 1 have brought a nice round average price of 450,000gns. While Tuesday's top price by the sire had been an 800,000gns filly bought by Juddmonte, on Wednesday it was Round Hill Stud's half-brother to dual Group 1 winner Rizeena (Ire) (Iffraaj {GB}) who led the way for the Darley stallion.

Offered as **lot 265**, the colt out of Serena's Storm (Ire) (Statue Of Liberty) was bought for 625,000gns by Godolphin, who already race another half-sibling, the former €800,000 breeder

Summer Romance (Ire) (**Kingman {GB}**). The Charlie Appleby trainee is now the winner of group races in Britain and Dubai as well as being Grade I-placed in America.

"He's a lovely horse with a lovely temperament," said Round Hill Stud's Bobby Donworth. "I've never seen him put a foot wrong."

Serena's Storm is herself a half-sister to the G1 Prix d'Ispahan winner Zabeel Prince (Ire) (Lope De Vega {Ire}) as well as the Group 2-winning Shamardal siblings Puissance De Lune (Ire) and Queen Power (Ire).

Donworth added, "We bought [grandam] Princess Serena in 2003 and she has done all this for us. It's an amazing family and we hope this colt is very lucky for his owners."

The G2 Park Hill S. runner-up Phiz (Ger) (Galileo {Ire}) had already provided a sale-ring highlight via her Le Havre (Ire) yearling of 2019 who sold for 825,000gns to MV Magnier, and on Wednesday it was her Dubawi colt who made his mark at 425,000gns.

The chestnut (**lot 202**), bred by Willie Carson's Minster Stud, is another to be joining the Godolphin ranks after Anthony Stroud outbid Oliver St Lawrence.

"I was brave when I bought Phiz," recalled Carson, who bought the 11-year-old at Arqana four years ago for €600,000. Phiz is now in foal to **Wootton Bassett (GB)**. **Cont. p10**

Tattersalls October Yearling Sale Book 1 Day 2 Cont.

He added, “The Dubawi nomination was paid for by Martinique, and Aidan O’Brien tells me she is going well and leads Snowfall at home. He feels he will get black type with her.”

The former champion jockey added of the yearling colt, “This guy had no faults. He wasn’t a star to look at but he has great balance and is really good-natured. I am very hopeful that he will help the mare in the sales ring in the future.”

...And For Mike Ryan

Watership Down Stud’s good day was extended by the sale of a Dubawi filly (lot 217) to Chad Brown and Mike Ryan at 400,000gns. Bred by Alan Spence, the filly is out of the group-winning sprinter Priceless (GB) (Exceed And Excel {Aus}), whose first foal, the once-raced juvenile Sacred Jewel (GB), is also by Dubawi and is in training with Charlie Appleby.

Ryan, by now a well-known face at Tattersalls who has made some notable Book 1 purchases who have gone on to be successful in the United States, said, “She’s the complete package. Her dam could really run, she was a Group 2 winner, and this filly looks as though she has after-burners. She looks very quick, as though you just need to press the button.

“These Dubawis are so driven, they are so consistent, they have fire in their belly. A couple of years ago we bought six here, and we’ve had a couple of stakes winners, including Sifting Sands who is a good horse. There are remarkable stallions over here—Dubawi, Frankel and Kingman—we can’t [get] enough of them.”

Sifting Sands, a Dubawi half-sister to Classic winner Legatissimo (Ire) (Danehill Dancer {Ire}), has won three of his five starts for Brown and Peter Brant, including the Better Talk Now S. at Saratoga in August. **Cont p11**

As if to underline his point, Ryan had also signed for a Dubawi filly out of Knocknagree (Ire) (lot 100) at 340,000gns during the opening session on Tuesday.

Also in the market for a Dubawi filly was John Dance of Manor Farm Stud. Through retained trainer James Horton, Dance went to 400,000gns to recruit lot 193, the first foal of German Group 3 winner Peace In Motion (Hat Trick {Jpn}) from Newsells Park Stud.

The filly is from the same family as the Minster Stud mare Phiz, whose Dubawi colt was another star of the day, and other relations include G3 Prix La Force winner Pao Alto (Fr) (Intello {Ger}).

225 f Kodiak (GB) Queen's Code (Ire) 140,000
Consigned by Tally-Ho Stud
Purchased by C Gordon Watson Bloodstock

Tally-Ho Stud shelled out 20,000gns for the placed Queen's Code (Ire) (Shamardal) at the 2016 Tattersalls July Sale. They covered her with resident sire Kodiak (GB) the following spring and that resulting foal, a filly, was bought by Blandford Bloodstock for £75,000 at last year's Goffs UK Breeze-Up Sale. Named Umm Kulthum (Ire), she won last year's G3 Firth Of Clyde S. and has been placed in the G1 Cheveley Park S., G2 Lowther S. and G3 Sandy Lane S. She therefore added plenty of value to her full-sister, the mare's third foal. Queen's Code has a Galileo Gold (Ire) filly foal and received a marked update when visiting **Kingman (GB)** this spring.

240 c Australia (GB) Rocana (GB) 350,000
Consigned by Glenvale Stud
Purchased by Avenue Bloodstock

Peter and Ross Doyle picked up this half-brother to G3 Chester Vase winner Youth Spirit (Ire) (**Camelot {GB}**) for 125,000gns in this ring in December.

242 f Churchill (Ire) Rosie's Premiere (Ire) 160,000
Consigned by Rathbarry Stud
Purchased by Galloway Stud

This filly was a 70,000gns purchase at Tattersalls December. She benefitted from some black-type updates from her 3-year-old half-sister Louliana (Ire) (Acclamation {GB}), who won this year's Listed Prix Marchand d'Or after placings in the G3 Prix Imprudence and G3 Prix Texanita, as well as the good first season with runners being enjoyed by her sire.

TATTERSALLS OCTOBER YEARLING SALE BOOK 1 DAY 2

Lot	Sex	Sire	Dam	Price (gns)
200 f		Frankel (GB)	Permission Slip (Ire)	380,000
<i>Consigned by Clare Castle Stud</i>				
<i>Purchased by A C Elliott, Agent</i>				

Cormac McCormack signed for the French listed-placed Permission Slip (Ire) (Authorized {Ire}) for €80,000 at Goffs February in 2017. Clare Castle Stud sold the foal she was carrying then, a colt by Night Of Thunder, for €65,000 at Goffs Orby and he materialized into a 300,000gns Tattersalls Craven breezer. The mare's **Australia (GB)** colt fetched 100,000gns at Book 2 of the Tattersalls October Yearling Sale last year, and her latest yearling realized her best price to date.

204 f		Dark Angel (Ire)	Pixeleen (GB)	225,000
<i>Consigned by Yeomanstown Stud</i>				
<i>Purchased by Kevin Ryan</i>				

Yeomanstown Stud spent 140,000gns on the stakes-placed Pixeleen (GB) (Pastoral Pursuits {GB}) at the Tattersalls December Mares Sale in 2017. They put her in foal to their resident sire Dark Angel (Ire) the following spring and sold the resulting colt for 100,000gns to Clive Cox at Book 2 of the Tattersalls October Yearling Sale. Repeating the dose the following year, this filly resulted and continued the good sales ring record for the young mare. Yeomanstown Stud enjoyed a similar result on Wednesday with **lot 271**, a Dark Angel colt bought by the Hong Kong Jockey Club for 360,000gns. He is out of a mare bought five years ago for £50,000 that has since become a stakes producer.

248 f		Lope De Vega (Ire)	Sagaciously (Ire)	310,000
<i>Consigned by Camas Park Stud</i>				
<i>Purchased by White Birch Farm/Demi O'Byrne</i>				

Blandford Bloodstock went to 210,000gns for this second foal out of the Listed Upavon S. second Sagaciously (Ire) (Lawman {Fr}) at Tattersalls December, and the team behind the filly were rewarded for a bold pinhook on Wednesday. **Cont. p14**

The filly has enjoyed some significant updates under the second dam courtesy of this season’s dual Group 1-winning 2-year-old Perfect Power (Ire) (Ardad {Ire}).

292 c Kodiak (GB) Stars In Your Eyes (GB) 320,000

Consigned by Tally-Ho Stud

Purchased by MV Magnier

Tally-Ho Stud scooped up this colt’s dam, Stars In Your Eyes (GB) (Galileo {Ire}), for just 32,000gns at Tattersalls December in 2018 in foal to Lawman (Fr). That resulting colt, Sonny Liston (Ire), was bought by Charlie Gordon-Watson for 60,000gns at Book 2 last year, his stocks having been raised by the G2 Prix de Pomone victory of his elder half-sister Dame Malliot (GB) (Champs Elysees {GB}) two months before the sale. Dame Malliot went on to add the G2 Princess of Wales’s Tattersalls S. last year, and was placed in three consecutive Group 1s in the Preis von Europa, Prix Vermeille and British Champions Fillies & Mares S.

No Speak Alexander Retired Cont. from p1

Unplaced in the G1 Prix Rothschild, she ecked out a neck victory in the G1 Matron S. at Leopardstown on Sept. 11 and ended her career with a sixth in the G1 Kingdom of Bahrain Sun Chariot S. at Newmarket on Oct. 2. The daughter of listed winner Rapacity Alexander retires with a mark of 10-3-1-1 and \$347,921 in earnings.

No Speak Alexander | Scoop Dyga

“No Speak Alexander headed off to her retirement yesterday,” Harrington tweeted. “She won three of 10 including [the] G1 Coolmore Matron S. at Leopardstown on Irish Champions Weekend and also [was] a brilliant third in the G1 Tattersalls Irish 1000 Guineas. Best of luck for the future, we look forward to your progeny.”

Her dam is a full-sister to Hong Kong champion Peniaphobia (Ire) (Dandy Man {Ire}), as well as a half to the GI Molecomb S. third Safari Sunset (Ire) (Fayruz {GB}).

TORQUATOR TASSO TO RETURN FOR ANOTHER ARC BID

The upset winner of the 100th Qatar GI Prix de l’Arc de Triomphe, **Torquator Tasso (Ger)** (Adlerflug {Ger}) will not go to Japan, as his connections have decided he has done enough for the year, according to a report in the *Jour de Galop*. Instead, he will remain in training to make a run at the 101st edition of the ParisLongchamp showpiece in an attempt to become the ninth two-time winner of the race. Until now, no 4-year-old male winner of the Arc has succeeded in making it a double at five.

Julia Römich, a representative of Marcel Weiss’s stable, told *Equidia*, “The Marcel Weiss stable thanks everyone for this unforgettable day Sunday at Longchamp. Torquator Tasso will not run again this year. His owners have resisted the temptation to go to the G1 Japan Cup so that he can rest up for next year. The objective is to defend his title in the Qatar Prix de l’Arc de Triomphe. As such, we will come back to Longchamp next year.”

GUINEAS TARGETS FOR FABRE FILLIES

Both Group 1 winner **Zellie (Fr)** (**Wootton Bassett (GB)**) and ‘**TDN Rising Star**’ **Raclette (GB)** (**Frankel (GB)**) will not be seen on a racecourse again this season, but trainer Andre Fabre has highlighted 1000 Guineas targets for his charges. Owned for her last three starts by Ali Hamad Al Attiya’s Al Wasmiyah Farm, the bay won three races for Fabre’s daughter Lavinia including the July 11 Listed Prix Roland de Chambure. She ran second in the G3 Prix Six Perfections at Deauville in August in her first run for her new owner and then was second again in the G3 Prix d’Aumale prior to Sunday’s G1 Prix Marcel Boussac victory.

“She has come out of the race very well,” said Fabre. “She is finished for the season--she will go for the French Guineas, for sure.”

Undefeated in a Deauville maiden in August and a Sept. 17 Chantilly conditions race, Raclette missed an intended start in the Prix Marcel Boussac due to the heavy ground. **Cont. p15**

Zellie | Scoop Dyga

Fabre Fillies Cont.

She was to run in Friday's G3 Oh So Sharp S. but missed a workout and the decision has been made to head to winter quarters. The Juddmonte filly will aim for the G1 1000 Guineas or the French equivalent in 2022.

"She was supposed to work on Sunday," he said. "But there was a storm in Chantilly, and I couldn't work her, so I decided not to run her at Newmarket.

"She is done for the season. One of the Guineas, the French or the English, will be her first target. Then we will see. She will probably get further."

SACRED BRIDGE PUT AWAY FOR THE YEAR

Group 3 winner **Sacred Bridge (GB)** (**Bated Breath (GB)**) will return next season in a Guineas trial. The Juddmonte homebred won four races consecutively, starting with a maiden victory at Naas on debut in June, followed by the Listed Tipperary S. on June 30, the lucrative Aug. 2 Ballyhane S. and the Aug. 27 G3 Round Tower S. Trained by Ger Lyons, she was only eighth in the G1 Cheveley Park S. at Newmarket on Sept. 25.

"Nothing really came to light after Newmarket," said Barry Mahon, Juddmonte Racing Manager. "She'd gone a little bit woolly in her coat and she got a bit sweaty beforehand.

"There's a possibility with fillies at this time of year that it was one race too many. She came out of the race well, she's fine-[but] she's gone a bit wintry looking, so we'll put it down to it being late in the year for a filly.

"We'll probably start her off in a Guineas trial and take it from there. We were hoping to find out a bit more in the Cheveley Park, but obviously we didn't."

Another Juddmonte colourbearer, **Sunray Major (GB)** (Dubawi {Ire}), captured an Ascot handicap on Friday to bring his record

to three wins from four starts. The John and Thady Gosden trainee was named a **'TDN Rising Star'** for a victory at Newmarket last June and, after running fourth in another contest there later that month, returned after a year-plus break to win at Chelmsford on Sept. 16 and in Friday's seven-furlong race.

"He's a beautiful looking horse and has always been held in high regard by John and Thady and the team there," said Mahon of the half-brother to top miler and successful sire **Kingman (GB)** (Invincible Spirit {Ire}).

"He's a horse that is progressing. Obviously he's had a few setbacks, but we'll probably look towards the Balmoral H. He'd only run if the ground wasn't too testing, though.

"Good to soft is fine for him, but he wouldn't want it any softer."

STARS TAKE PART IN ROR PARADE AT DUBAI FUTURE CHAMPIONS FESTIVAL

Prince of Arran (GB) (Shirocco {Ger}) and **Purple Moon (Ire)** (Galileo {Ire}), who were both placed in the G1 Melbourne Cup, will parade with seven other retired racehorses during the Dubai Future Champions Festival at Newmarket's Rowley Mile on Oct. 9. Beginning at 12:15 p.m., the parade aims to showcase the versatility of the thoroughbred together with the range of activities now open to horses when they finish their racing careers, thanks to the work of Retraining of Racehorses (RoR). Five of the nine former runners were raced by Godolphin, each of which has benefitted from the Godolphin rehoming programme en route to finding a long-term home and a second career. Bustled along with three furlongs remaining, the 5-4 chalk tackled Approachability (GB) (New Approach {Ire}) passing the two pole and stayed on resolutely under continued urging to assert by 1 1/4 lengths from that rival. HERRING ISLAND (IRE) (c, 2, Australia {GB})--Apticanti, by Aptitude), third going seven furlongs in his Sept. 16 debut at Naas last time, broke smartly to claim an early lead and the rail here. Holding sway throughout, the well-backed 10-3 third choice was nudged along when threatened approaching the final quarter mile and kept on gamely under a late drive to hold the persistent bid of Barud (GB) (Kodiac {GB}) by a neck. Ninja (Ire) (Galileo {Ire}), a half-brother to G1 Cheveley Park S. heroine Tiggy Wiggy (Ire) (Kodiac {GB}), shaped with promise and ran on from a position in rear to finish eighth. "Nobody wanted to go on and he was left in front, but he stays well and I was happy to keep pressing on from the three [-furlong pole] and make it a test," said rider Declan McDonogh. "He got to the line, but wasn't doing a stroke [in front] and was just waiting on them. He would possibly be better with a lead and it was just the way it fell today. He showed a good attitude at the finish and he's a nice colt. He got through the ground well, he's a likeable horse and I'd say there is plenty left in the locker. I'm very happy with him and next year he's going to get a distance as he's a lovely, staying type." Herring Island, kin to a yearling filly by **Camelot (GB)** and a weanling colt by **Churchill (Ire)**, is the fifth of seven surviving foals produced by a half-sister to G1 Dewhurst S.-winning sire Distant Music (Distant View). Descendants of the January-foaled bay's second dam Musicanti (Nijinsky II) include last month's runaway G1 Vincent O'Brien National S. winner Native Trail (GB) (**Oasis Dream {GB}**), G1 Haydock Sprint Cup heroine African Rose (GB) (Observatory) and G3 Prix d'Aumale victrix and G1 Prix Marcel Boussac runner-up Helleborine (GB) (Observatory), herself the dam of MGSW G2 Coventry S.-winning sire Cayx (GB) (**Kingman {GB}**). DUKE OF MARMALADE PENSIONED IN SOUTH AFRICA

Five-time Group 1 winner **Duke of Marmalade (Ire)** (Danehill--Love Me True, by Kingmambo) has been pensioned from stallion duty on veterinary advice, Drakenstein Stud announced via Twitter on Wednesday. **Cont. p19**

Duke of Marmalade Cont.

Bred by Southern Bloodstock, the bay raced for Mrs. John Magnier and Michael Tabor. A winner at two for Aidan O'Brien, Duke of Marmalade was also second in the G2 Vintage S. At three the colt did not win, but placed three times in Group 1 company when second in the St. James's Palace S. and the Irish Champion S. and third in the Queen Elizabeth II S.

Kept in training at four, the half-brother to G1 Derby winner Ruler of the World (Ire) (Galileo {Ire}) reeled off five consecutive Group 1 wins from seven starts—the Prix Ganay, the Tattersalls Gold Cup, Royal Ascot's Prince of Wales's S., the G1 King George VI & Queen Elizabeth S. and finally the G1 Juddmonte International S. Unplaced in his final two runs--the G1 Prix de l'Arc de Triomphe and the G1 Breeders' Cup Classic--his record at retirement stood at 16-6-4-1 and \$2,777,768 in earnings.

"Duke of Marmalade has been retired from the breeding shed on veterinary advice," the stud tweeted. "He will live out his days at Drakenstein Stud and watch from his paddock his every growing influence as a broodmare sire around the world."

Retired to Coolmore Stud in Ireland where he covered mares from 2009 through 2013, Duke of Marmalade moved to South Africa's Drakenstein Stud for the 2014 season. The bay sired a total of 46 black-type winners internationally, 26 at the group level. His best runners were a septet of Group 1 winners led by G1 St Leger winner Simple Verse (Ire), G1 Gold Cup hero Big Orange (GB), and G1 Prix de Diane heroine Star of Seville (GB). As a broodmare sire, his six of his seven black-type winners were at the group level.

Also a half-brother to group winners Norway (Ire) (Galileo {Ire}) and Annus Mirabilis (Ire) (Montjeu {Ire}), Duke of Marmalade's female family traces to the prolific producer Lassie Dear (Buckpasser) as his third dam, responsible for Group 1 winner and sire Wolfhound (Nureyev) and dual Grade III winner and G1 La Canada S. second Weekend Surprise (Secretariat). The latter foaled American Horse of the Year and top sire A.P. Indy (Seattle Slew).

STRONACH GROUP WARNS OFF BUZZER USE IN TRAINING AND RACING

Aidan Butler | *Coglianese*

by Dan Ross

September was a busy month for buzzers.

On Sept. 15, the Monmouth Park board of stewards suspended jockey Tomas Mejia for 10 years and fined him \$5,000 for possessing an electrical device--commonly referred to as a "buzzer"--during a race run there Sept. 3.

That same day at Indiana Grand, leading Quarter Horse jockey, Sammy Mendez, was "summarily suspended for actions not in the best interest of racing," and is awaiting a full hearing before the track's board of stewards. According to the *Paulick Report*, the suspension is connected to use of an illegal electrical device.

Citing these two cases, The Stronach Group--under its 1/ST moniker--circulated at the end of September a memo among the company's racing offices and veterinarians warning that such devices are "illegal and will not be tolerated" in racing, training or on site at any TSG facility.

"Any exercise rider, jockey or horsemen who is found to be using any type of electrical device on a horse will receive a ban from all 1/ST Racing and Training facilities and be escorted off the premises immediately," wrote Aidan Butler, the company's chief operating officer.

The memo was subsequently circulated among California horsemen. **Cont. p3**

PED FORMULATOR FACES THREE YEARS IN PRISON

by T.D. Thornton

The doping conspiracy case that has been winding through the federal court system since March 2020 netted its seventh guilty plea Wednesday when a 63-year-old Massachusetts man with a doctoral degree in cancer-related toxicology admitted to a judge that he mixed formulas that sometimes included steroids and shipped them in unlabeled vials to a Florida veterinarian who allegedly sold them to racetrack clients.

By pleading guilty Oct. 6 to one count of drug adulteration and the misbranding of performance-enhancing drugs (PEDs), Jordan Fishman now faces three years in prison and a fine of up to \$10,000 when he gets sentenced Feb. 8. **Cont. p4**

Stronach Group Warns Off Buzzer Usage cont. from p1

Butler explained in the memo that it came about after consultation with the Maryland Thoroughbred Horsemen’s Association, the Thoroughbred Owners of California, the California Thoroughbred Trainers, and the Florida Horsemen’s Benevolent Protection Association.

“I am asking each of you and your track employees (e.g., outriders, etc.) to be vigilant during training and racing in watching for these devices. If anyone observes horses that are acting unusually such as tail flagging among other behaviors, please follow up with the exercise rider/jockey immediately,” wrote Butler, in the memo. “Enough is enough.”

Stronach Group-owned training and racing facilities include in California Santa Anita, Golden Gate Fields and San Luis Rey Downs. In Florida: Gulfstream Park, Gulfstream Park West and Palm Meadows Training Center. And in Maryland: Laurel Park, Pimlico, Rosecroft Raceway and the Bowie Training Center.

The California Horse Racing Board (CHRB) already prohibits use of electrical devices like buzzers--used to shock horses into going faster--during “recognized” meetings within the state.

Part of the rule for “possession of contraband” states: “No person shall have in his possession on the premises during any recognized meeting any electrical stimulating or shocking device commonly known as a battery, or any mechanical stimulating device, or any other appliance, which might affect the speed or actions of a horse.”

According to CHRB spokesperson Mike Marten, in roughly 40 years no jockey in California has been found guilty of actually using an electronic device in a race. Rather, relevant cases have related to possession--or suspected possession--of such a device.

Wednesday, the TDN asked the CHRB for recent rulings against license holders believed to have contravened that rule. **Cont. p4**

“To the best of our knowledge,” the following is accurate, said Marten, who explained that it isn’t a comprehensive overview of such cases due to the time given to compile the list and the accuracy of agency records.

The agency’s database shows that jockey Carlos Bautista was suspended for one year--between July of 2007 and July of 2008--having been suspected of possessing an electronic device at Fairplex Park in September of 2006.

Pony person Jose Barajas was summarily suspended having failed to appear before the board of stewards at Golden Gate Fields in November of 2012, having been suspected of possessing electronic “contraband.”

In 2018, jockey/valet Pablo Fernandez-Macias was summarily suspended--and his case referred to the CHRB--having failed to appear before the board of stewards at the Los Angeles County Fair Meet at Los Alamitos, again for alleged “possession of contraband.”

On or around Mar. 1 of last year, jockey Cesar Franco was summarily suspended after a buzzer was found in his car at Los Alamitos.

Seventh Guilty Plea in FBI Indictments cont. from p1

Appearing via videoconference in United States District Court (Southern District of New York) to change his previous pleading of "not guilty" as part of a plea agreement, Jordan Fishman also directly implicated Seth Fishman, the Florida veterinarian who is a co-defendant in the case and has a trial scheduled for January.

Jordan Fishman said Wednesday that between 2017 and his arrest in March 2020, "Seth Fishman provided the materials and formula requests. And then I made the solutions consistent with those formulas."

Jordan Fishman said the various substances he created contained vitamins, amino acids, nutraceuticals, and, at times, steroids.

Judge Mary Kay Vyskocil did not ask Jordan Fishman to elaborate on the steroid aspect of the PED creation process. But she did want to know if he was aware the substances were to be used on racehorses.

"At the time I did it, I was not aware that they were going to be used on Thoroughbred racehorses," Jordan Fishman said. "I knew that Seth had a [veterinary] business that involved that. I knew that the FDA was fielding complaints about Seth Fishman, and I should have looked into that further."

The judge also wanted to know specifically why the vials were not labelled with their contents. **Cont. p5**

"Seth had requested that he be allowed to label them," Jordan Fishman said. "And I should have known the he was doing something illegal. Obviously, it was to conceal it from whoever Seth [would] sell them to ... I knew that I was not licensed to be able to move this material to Seth in interstate commerce."

Jordan Fishman said that sometimes these PEDs got shipped outside of the country, although he was not pressed by the judge to provide specifics on those destinations.

"When I sent these items in interstate commerce, I knew that that was illegal. And I should have known it was something I shouldn't have done," Jordan Fishman said.

The judge wanted to know if the two Fishmans are related. Jordan said they are not, but that they have known each other professionally since 2008.

Although it was not discussed during Wednesday's criminal proceedings, the two Fishmans have previously squared off in court.

TDN has obtained a copy of a federal lawsuit filed in May 2020 by Seth Fishman against Jordan Fishman and his Massachusetts-based company, 21st Century Biochemicals, Inc.

That suit--which was filed about a month after the two pled not guilty in the doping conspiracy case--alleged that Seth Fishman made \$1 million in loans to Jordan Fishman's company over a period of years, and that in addition to allegedly not getting paid back, "Jordan, acting as the [president and majority shareholder of the firm], has also engaged in a scheme to defraud Plaintiff of his money."

That case never went to trial. Both parties agreed to have it dismissed after reaching a settlement that involved the company paying \$275,000 to Seth Fishman.

The alleged international "corrupt scheme" to manufacture, mislabel, rebrand, distribute, and administer PEDs to racehorses all across America and in international races began with a blitz of coordinated Federal Bureau of Investigation arrests nationwide on Mar. 9, 2020. All of the defendants initially pled not guilty, but plea changes have rolled in over the past year as the cases get closer to trials.

The veterinarian Scott Robinson was the first to be sentenced in March 2021. He got 18 months in prison and had to forfeit \$3.8 million in profits.

In June, Sarah Izhaki was sentenced to time already served plus three years of supervised release for selling misbranded versions of Epogen.

Scott Mangini, a pharmacist who admitted to creating custom equine PEDs, got sentenced Sept. 10 to 18 months in prison, plus an \$8.1-million forfeiture.

Michael Kegley Jr., a contractor for the Kentucky-based MediVet Equine, pled guilty to one count of drug adulteration and misbranding. He is to be sentenced Nov. 22.

Kristian Rhein, a suspended veterinarian formerly based at Belmont Park, has pled guilty to one count of drug adulteration and misbranding for use in the covert doping of Thoroughbred racehorses. As part of a plea bargain, he has agreed forfeit \$1.02 million in profits plus pay \$729,716 in restitution. He is to be sentenced Dec. 2.

The barred trainer Jorge Navarro has pled guilty to one count of conspiring to administer non-FDA-approved, misbranded and adulterated drugs, including PEDs that Navarro believed would be untestable and undetectable. Navarro faces a maximum prison term of five years when he gets sentenced Dec. 17. Navarro's plea deal also stipulates that he must pay \$25.8 million to a list of victims that has not yet been made public.

A number of others still have their cases pending. Among them are the barred trainer Jason Servis, whom the feds allegedly recorded in wiretapped phone conversations discussing the doping of **Maximum Security**, the former \$16,000 maiden claimer who crossed the wire first in the 2019 GI Kentucky Derby but was disqualified for interference.

CRICHTON SAYS KEENELAND WILL NOT ACCEPT ENTRY FOR SPINSTER

by Bill Finley

Trainer Rohan Crichton said he has given up on his attempts to run **Bajan Girl** (Speightstown) in Sunday's GI Juddmonte Spinster S. at Keeneland after being told he would not be allowed to enter.

Crichton is one of five trainers recently suspended by Gulfstream officials after it was found that they were violating house rules regarding clenbuterol. He is in the midst of serving a 30-day suspension and cannot run at any of the tracks owned by The Stronach Group. However, a suspension issued by a racetrack is not reciprocal and, unlike a suspension coming from a regulatory agency, does not have to be honored elsewhere.

The TDN was unable to reach anyone from Keeneland Wednesday night to conform that Bajan Girl cannot run in the race.

Bajan Girl | Ryan Thompson

"We are not running at Keeneland," Crichton said. "I'll just sit back now and let the whole process play itself out. One day, we'll be able to look back."

Crichton said he understood why Keeneland took the position that it did.

"I think the bad publicity around this whole thing caused them to do what they did," Crichton said. "I understand. It's not their fight and they didn't cause this. It is what it is."

Earlier in the week, Crichton listed Sunday's GI Beldame S. at Belmont as another possibility for his filly, but he said he would not attempt to enter that race either. When asked to clarify NYRA's position on Bajan Girl, NYRA said that it will discourage any trainer under suspension at Gulfstream from entering races at Belmont.

"NYRA is reviewing the action taken by 1/ST to suspend a group of trainers for violating house rules at Gulfstream Park,"

said NYRA spokesman Patrick McKenna. "As that process continues, NYRA is requesting that these trainers immediately refrain from running horses at NYRA tracks for the duration of the suspension imposed by 1/ST. Should those trainers not honor this request, then NYRA will consider a number of options to determine if additional sanctions are warranted."

Bajan Girl would have been a double-digit longshot in either the Beldame or Spinster. She's never won a stakes race and is coming off a fourth-place finish in the Love Sign S. at Colonial Downs.

GOING TO VEGAS LIKELY TO SUPPLEMENT TO BREEDERS' CUP

Though not nominated to the Breeders' Cup, it appears that GI Rodeo Drive S. winner **Going to Vegas** (Goldencents) will put her three-race winning streak on the line in the GI Breeders' Cup Filly & Mare Turf.

"The owners haven't collectively come together, but all indications are that she's going to the Breeders' Cup," said MyRacehorse Founder and CEO Michael Behrens. "That was our expectation going into the Rodeo Drive, that if she ran well, the plan would be to go to the Breeders' Cup."

Cont. p8

Going to Vegas | Benoit

It will cost \$100,000 to get her into the race, which is a "Horse of Racing Age" payment. The owners will not have to pay any additional entry fees, which have been waived because of her win in the Rodeo Drive, which is a 'Win and You're In' race for the Breeders' Cup.

MyRacehorse owns 51% of the 4-year-old filly as part of a partnership that also includes Abbondanza Racing LLC and Medallion Racing. She was purchased for \$500,000 after finishing fourth in the GII Buena Vista S. in February and has since won the GIII Santa Ana S., the GII John C. Mabee S. and Saturday's Rodeo Drive at Santa Anita. Behrens said that there are more than 3,000 people involved in the MyRacehorse partnership.

MyRacehorse partners pay a one-time fee when they sign up to buy a micro share of a horse and are not required to make any additional payments. That meant that Behrens and his team had to get creative when it came to raising the money to pay for the supplementary fee. He said that the purse money earned in the Mabee and the Rodeo Drive has not been paid out, so that there was an available source of money available to get into the Breeders' Cup.

"We have the money on hand," he said. "Usually, we distribute the money 15 minutes after a race. As soon as there is liquidity, we put it back into their wallets. But we reserve the right to hold money back for situations like this. If we decide we want to nominate to the Breeders' Cup, we will have the cash on hand. If we don't, we'll just redistribute the cash back to them."

HANDICAPPING, TURF WRITING LEGEND STEVE CRIST JOINS WRITERS' ROOM

Revolutionary handicapper and racing writer Steve Crist has been out of a public eye after retiring five years ago, but still has as much passion and enthusiasm for racing as he's ever had, and Wednesday morning, he joined the TDN Writers' Room **presented by Keeneland** for an expansive discussion on a variety of industry issues. Calling in via Zoom as the **Green Group Guest of the Week**, Crist discussed his increasing involvement in the game from an ownership standpoint, racing's progress on detecting and punishing cheaters, the Bob Baffert saga of 2021 and much more.

Asked for his reaction to the FBI indictments of Jason Servis and Jorge Navarro and the potential enactment of the Horseracing Integrity and Safety Act, Crist said, "The Servis/Navarro stuff, I think every horseplayer knew that these guys were cheating. This was not exactly something you were shocked to learn; you knew what these guys were doing, with the routine form reversals and the accompanying floods of money on their horses. I'm delighted that racing finally went after actual cheaters, instead of continuing to dither about Lasix and accusing every prominent trainer who wins at 25% of cheating. These are two different things, and I hate to see racing having wasted so much time on issues like Lasix instead of going after real cheaters."

Crist mainly spent his career as a horseplayer and writer, but now owns a handful of horses, and spoke about how that's changed his perspective on the game.

"I've got to say, it's been more fun than I expected," he said. "It really is. There's a different kind of enjoyment and a different kind of rooting that goes on when it's your horses, I've thoroughly enjoyed that part of it. But I've also had my eyes even more opened to the fact that it's so difficult for people to stay in this game now." **Cont. p9**

“Unless you're a plutocrat or a super trainer, this industry had become very, very hard to make a living in,” he continued. “Our trainer, Phil Gleaves, retired at the end of the Saratoga meeting, in part because it's just so hard to make a go of it as a small stable these days. Hiring help, dealing with workman's comp, and all these other issues have made it really hard for smaller trainers to stay in business. That's not a healthy thing long term for the game. And I don't think we want to end up with 10 super stables and no small outfits in American racing. That's not going to be good.”

Elsewhere on the show, which is also sponsored by [West Point Thoroughbreds](#), [Legacy Bloodstock](#) and [Woodford Thoroughbreds](#), Joe Bianca and Bill Finley broke down the ramifications of Bob Baffert's loss in court Tuesday, reacted to the strong handle numbers thus far for 2021 and applauded Gulfstream for its suspensions of trainers for clenbuterol use. RACE TO GIVE LAUNCHES 'RUN-A-MUCK CHALLENGE'

Coady

The “Race to Give,” [began last month](#) by Hagyard Equine Medical Institute and Thoroughbred Charities of America (TCA) as an online giving and awareness program to support Thoroughbred aftercare, has launched the “Run-A-MUCK Challenge.” Styled by Hagyard in a similar vein to the “ALS Ice Bucket Challenge” that swept the country in 2014, the

Run-A-MUCK Challenge asks participants to challenge friends, family, colleagues, and vendors to either donate money directly to the Race to Give or to muck a stall (ideally both).

Participation guidelines on how to issue, accept, and document a challenge include:

- 1). Issue a challenge
 - Call out three to five people by name on social media, stating something similar to the following, “To help support the Race to Give, I am challenging [insert name and affiliation] to donate [dollar amount of choice] or to muck the stall of my choosing.”
 - End the challenge with, “You can either take your wallet out, or you can MUCK OUT!”
 - Use the hashtag #aracetogive.
- 2). Confirm and capture the challenge outcome
 - When people respond and commit to the donation, document it with a picture or video of them opening their wallet, writing a check, or filling out the online form.
 - When people respond and commit to mucking a stall, capture a series of pictures or a video of the location of the stall, the condition of the stall, and the actual mucking or “Running-A-MUCK.”
- 3). Post on social media and thank participants
 - Posting and re-posting the photos and/or videos on social media shows the challenge was accepted and completed, as well as brings awareness to Thoroughbred aftercare.
 - Use the hashtag #aracetogive.
 - Thank them. Have a little fun at their expense in the spirit of friendly, good-natured competition, but please also let them know they are appreciated for participating and for making a difference in the important topic of aftercare.

The Run-A-MUCK Challenge is meant to help build awareness and raise money for the Race to Give while also having fun. Please visit the [Race to Give's website](#) for more information.

Shannon Arvin | Keeneland photo

Shannon Arvin, president and chief executive officer of Keeneland, has been named to The Jockey Club Safety Net Foundation Board of Trustees. She fills the vacant position left by D.G. Van Clief, Jr.

A member of The Jockey Club (TJC) and a former member of the law firm Stoll Keenon Ogden (SKO), Arvin has served or currently serves on the boards of Bluegrass Care Navigators (Hospice), Horse Country, The Lexington School, and the University of Kentucky Gluck Equine Research Foundation. She is also past president of the Thoroughbred Club of America.

“We are delighted to welcome Shannon Arvin to The Jockey Club Safety Net Foundation board of directors,” said C. Steven Duncker, the foundation’s managing trustee. “Shannon’s contributions to the racing industry are well-known, and we are thankful that she will bring her insight, intelligence, and enthusiasm to the task of helping people in need in the horse racing industry. We are thankful to D.G. for his many years of dedicated service and wish him the best of luck with future leadership roles in our industry.”

In addition to bringing Arvin onto the Board of Trustees, TJC also launched a new advisory board for the Safety Net, a charitable trust that provides financial relief and assistance to needy members of the Thoroughbred industry and their families. The advisory board promotes the work of the foundation and is seeking to revamp the charity’s marketing strategy and media presence.

“Along with welcoming Shannon, we want to welcome the members of the Safety Net’s new advisory board,” said Duncker. “They bring a wide range of skills from various backgrounds, and they will be extremely impactful in widening the reach of the Safety Net Foundation.”

KEENELAND EXPANDS SPANISH-LANGUAGE COVERAGE OF FALL MEET

Keeneland will debut a number of new initiatives for the 2021 Fall Meet, which opens Friday, aimed at broadening coverage and growing viewership among Spanish-speaking fans of Thoroughbred racing. Enhancements include a livestream of Fall Stars Weekend race cards in Spanish, Spanish translation of the Keeneland Race Day App as well as handicapping content and analysis in Spanish on Keeneland.com. Coverage of Keeneland's star-studded Friday, Saturday and Sunday race cards, held Oct. 8-10, will be enhanced with expert analysis and commentary from *DRF en Espanol* all three days. Breeders' Cup En Vivo, a series of digital handicapping shows covering Breeders' Cup Challenge races across the country produced by America's Best Racing, will take place Saturday and Sunday.

"Keeneland has seen tremendous interest in recent years from our Spanish-speaking audiences in our traditional racing content," Keeneland Vice President and Chief Marketing Officer Christa Marrillia said. "We are excited to work with our partners at the Breeders' Cup, *DRF en Espanol* and America's Best Racing to provide this valuable content to our Spanish-speaking fans. These outreach efforts are key to growing our fan base and strengthening our sport."

The daily schedule for Spanish coverage of Fall Stars weekend (Friday, Saturday and Sunday) includes:

- 10 a.m.--"Keeneland Hoy!," a 45-minute preview show;
- 12:30 p.m.--Full race-day coverage begins with live race

calls, analysis and interviews in Spanish;

- Saturday at 3:45 p.m.--"Breeders' Cup En Vivo" covers the GII Thoroughbred Club of America S., GI First Lady S., GI Claiborne Breeders' Futurity and GI Keeneland Turf Mile S.; and
- Sunday at 4:45 p.m.--"Breeders' Cup En Vivo" covers the GI Juddmonte Spinster S. and GII Castle & Key Bourbon S.

"In our continuing efforts to reach the widest audience possible with new and innovative content in the digital space, we are proud to partner with Keeneland, America's Best Racing and DRF en Español in promoting 'Breeders' Cup En Vivo' for our Challenge Series races at Keeneland," said Justin McDonald, Breeders' Cup Senior Vice President of Marketing. "We are sure that our Spanish-language audience will enjoy the comprehensive analysis and commentary of Keeneland's Fall Star races and the Breeders' Cup Challenge Series nationwide."

THREE RULES TO STAND IN FLORIDA AT WESFIELD

Three Rules (Gone Astray--Joy Rules, by Full Mandate), named the Florida-bred Horse of the Year and champion 2-year-old male in 2016 after sweeping the male division of the FTBOA Florida Sire Stakes that year, has been retired and will stand the 2022 breeding season at Robert Smith's Wesfield Farm in Ocala. His fee has not been announced.

Three Rules, winner of the 2017 GIII Carry Back S. and third-place finisher in the GII Xpressbet Fountain of Youth S., was bred in Florida and raced for Bert Pilcher in the name of his Shade Tree Thoroughbreds in partnership with Geoff Roy and Tom Fitzgerald.

"Robert Smith at Wesfield will stand Three Rules for us," Pilcher said. "He wants to breed some of his mares to him and some of his clients have inquired about breeding some of their mares. Of course, I will be supporting him and I have clients who are excited to see him at stud and plan to breed their mares to him. I think he will be very popular in Florida and I think he will produce a very nice race horse."

Three Rules finished his career with six wins, two seconds and two thirds while earning \$972,825.

TAKNTOTHECLEANERS (f, 3, Secret Circle--Golden Lady, by Medaglia d'Oro) beat up on two rivals in this off-the-turfer with a 19 1/4-length, wire-to-wire tally as the 3-5 favorite. A winner of her first two starts at Indiana, including a runaway debut victory in the mud in May, she entered off a second-place finish over the Arlington grass Sept. 11. 5th-Delaware, \$38,000, Msw, 10-6, 2yo, 1 1/16m (off turf), 1:44.90, wf, neck.

SPEAKING SCOUT (c, 2, Mr Speaker--Miss Scout {SP}, by Pleasant Tap), a debut second for C M Thoroughbreds and trainer Carlos Munoz over the Colonial lawn July 28, was a decent fourth in his first start for these connections versus much tougher over the Saratoga grass Aug. 8. Adding Lasix in this off-the-turfer, the 4-5 favorite stalked from a three-wide third, gained a narrow advantage nearing the quarter pole, and, after a long drive, got the better of well-bred Godolphin newcomer Walhalla (**Frosted**) by a hard-fought neck. Miss Scout, purchased by Mike Abraham for \$75,000 at the 2017 KEENOV sale, hasn't produced a foal since Speaking Scout. Sales history: \$10,000 Wlg '19 KEENOV; \$3,000 Ylg '20 OBSOCT. tries at Indiana, finishing second Aug. 18 and third Sept. 14, respectively. Favored at 3-5 to break through here, she vied for early command and began to shake clear rounding the far turn. Miss Dial (**Dialed In**) loomed large at the top of the stretch and gave the chalk a good run for her money, but Ten At Twelve dug in gamely to graduate by a neck. After producing a colt by Vino Rosso this year, the winner's dam was bred back to **Violence**. Sales history: \$90,000 Ylg '19 KEEJAN; \$300,000 Ylg '19 FTSAUG. Lifetime Record: 3-1-1-1, \$30,600. Adding blinkers and Lasix here, the 2-1 chance raced on the inside in fourth, awaited racing room on the far turn and punched in nicely once clear to run down Never Say Know (Ire) (**No Nay Never**)--who got the jump and led by two lengths at the stretch call--to take it by a head.
