

# PRODUCT CHANGE NOTIFICATION

Reference: BED.PCN-2  
Title: TT Electronics Semelab Branded Products  
Issue Date: 4<sup>th</sup> January 2023  
Originator: TT Electronics – Welwyn Components Ltd  
Distribution: All Customers

## 1 Summary

We are providing this notification to formally advise customers of the continuation of the TT Electronics Semelab brand and to advise our manufacturers marking designation will be 'SML' for all (see affected products section below) parts transferred to be manufactured or supplied via Welwyn components Ltd for the Semelab portfolio.

The 'SML' marking supersedes the 'WEL' and 'TT' marking previously communicated in SMLPCN98 in 2021.

### 1.1 Affected products

All products previously communicated in SMLPCN98 to transfer to Welwyn Components Ltd will be marked with the manufacturers designated code 'SML'.

Please note:

- SML will be marked where physical space permits
- Products with custom requirements will remain marked as per the agreed customer specification

## 2 Change Information

### 2.1 Detail of change

The Semelab brand has represented high quality semiconductor products designed and manufactured to operate in harsh environments for over 40 years. TT Electronics Semelab Limited manufacturing at the Lutterworth site finished in December 2021 and the retained product portfolio has transferred to TT Electronics Welwyn Components Limited Business (Welwyn Electronics Park, Bedlington, Northumberland, NE22 7AA, England).

This change notification has been provided to support the continuation of the Semelab brand and to align the product marking with the brand.

For active products, quotes will be provided from, orders taken and supplied by Welwyn Components Limited.

### 2.2 Change impact

There is no impact on fit, form or function to products from this change.

Traceability is maintained through the business MRP system, the lot manufacturing codes and the supplied Certificate of Conformity provided with each shipment.

Product documents (i.e. datasheets) referencing Semelab will persist in on the TT Electronics web site and will transfer into the Welwyn business system. It should be noted that where Semelab Ltd is used Welwyn components Ltd will be the supplier. Changes & updates made to Datasheets will be notified under separate PCN's.

### 2.3 Qualification of change

Changes to the marking information does not require re-qualification. No changes to equipment or process are needed. The control of the information change will be managed within the business. Quality of the changed marking will remain in accordance with the existing requirements for the specific products.

#### Important information / Disclaimer

Welwyn Components Limited reserves the right to change test conditions, parameter limits and dimensions without notice. Information furnished by Welwyn is believed to be both accurate and reliable at the time of publication. However, Welwyn assumes no responsibility for any errors or omissions discovered in its use. Welwyn encourages customers to verify that product availability, information and datasheets are current before placing orders.

Semelab Welwyn

# PRODUCT CHANGE NOTIFICATION

Reference: BED.PCN-2

## 3 Implementation of change

### 3.1 Transition

Product released into WIP will not be changed. Shipments of product using the WEL manufacturer marking will continue to occur through 2023 while the transition occurs.

### 3.2 Implementation date

Transition to implement the SML manufacturing marking will start to from January 2023.

### 3.3 Identification of changed product:

Component manufacturer marking will be SML (where physical space permits).

Products can be identified with traceable lot numbers and the marking detail shown on the supporting certificate of conformity. If specific information for last shipment of WEL marked product is required then please contact the customer services team.

## 4 Contact information

To contact TT Electronics regarding this change please use the details at the foot of this document, or, contact your local sales representative.

## 5 Authorisation

	Name	Function	Date
Issued by:	Paul Wallace	Product Engineering	03/01/2023
Approved by:	Clive Lincoln	Quality Manager	04/01/2023
Approved by:	Klaus Zwerschina	VP Sales. Sensors & Specialist Components	04/01/2023

## 6 Customer acknowledgement of receipt

	Name	Function	Date
Received by:
