KONICA MINOLTA bizhub C4050i Color Compact Multifunction Printer

The new i-Series compact color MFPs house a powerful engine, a quad-core Central Processing Unit with standard 5 GB of memory and 256 GB SSD, which allows for quick-response and high-performance operations. The advanced Emperon print system, standard wireless connectivity and web browser, dual scan document feeder, high-speed fax and intuitive touchscreen operation make this a valuable stand-alone solution or versatile addition to mixed networks of large and small MFPs.

HP PageWide XL 4600 Printer

Do the work of two printers with one—faster and lower cost than LED. Choose a printer or multifunction device that allows you to consolidate into a single device for all your monochrome and color printing/scanning needs. Produce excellent technical prints with vivid color, crisp lines and smooth grayscales that beat LED.

Virginia Business Systems Professional Services

Our Mission is to do the best for our clients and to completely satisfy them by providing quality business systems and superior services.

To accomplish this, we dedicate ourselves to:

- Training our people and providing them with the resources they need to advance their skills and knowledge.
- Maintaining an environment that values and encourages personal and professional growth.
- Upholding the highest ethical standards in all of our corporate relationships, with our clients and with each other.
- Earning a financial return that ensures future growth and long-term stability.
- Reaching a balance between business and the environment, aspiring to be environmentally conscious and use sustainable principles in all aspects of our business.

And to be contributing members of the communities we serve.

This is our mission.
This is our commitment.
