

- SuperClear® IPS technology
- Narrow bezel
- HDMI and VGA inputs
- Dual integrated speakers
- ViewMode technology

The ViewSonic® VA10-mh is a Full HD monitor with IPS technology and flexible connectivity for use at home or in the office. With SuperClear® IPS Technology and Full HD resolution, images are clear and detailed from a wide range of viewing angles. The monitor's extensive connectivity options include HDMI and VGA inputs, allowing increased setup flexibility when connecting to other devices. The VA10-mh's narrow bezel design delivers a seamless viewing experience. Built-in dual integrated speakers make this monitor a complete multimedia package. It also comes equipped with Eye Care Technology to help eliminate eye strain caused by extended viewing periods. In addition, ViewSonic's exclusive ViewMode™ function offers a selection of intuitive presets to deliver optimised screen performance for various different applications. With an LED backlight and energy-saving Eco mode, the VA10-mh is an environmentally friendly display choice.

SuperClear® IPS

Enjoy rich, vivid colour with consistent levels of brightness, no matter the vantage point. With SuperClear®

IPS Technology, the VA10-mh monitor delivers consistent image quality whether you are looking at the screen from above, below, the front, or the side.

178°/178°

Narrow Bezel Design for Seamless Viewing

With 10mm narrow bezel, the monitor delivers clean and seamless multi-monitor setup capabilities.
