**The ViewSonic is a minimalistic 32"
Full HD monitor featuring SuperClear®
IPS panel technology, designed to take you to a higher level
of viewing pleasure for both work and entertainment.**

ViewSonic® See the difference™
VX3211-mh

- Full HD 1080p resolution
- SuperClear® IPS technology
- HDMI and VGA for flexible connectivity
- Dual integrated speakers
- Flicker-Free & Blue Light Filter eyecare technologies

The ViewSonic VX3211-mh is a 32" Full HD monitor featuring SuperClear® IPS panel technology, designed to take you to a higher level of viewing pleasure for both work and entertainment. With VX3211-mh's Full HD resolution and SuperClear® IPS panel technology, users will experience an excellent combination of clarity and detail from any viewing angle. A mega dynamic contrast ratio of 80M:1 gives images more depth, improving the user experience when viewing entertainment or working on graphic design. Built-in HDMI and VGA ports can support a wide range of devices to offer flexibility for fulfilling your connection needs. VX3211-mh's minimalist appearance with a slim fishtail shaped stand and matte finish make this monitor the perfect fit for offices and homes of any style. Furthermore, VX3211-mh also comes equipped with ECO-mode, which not only reduces energy consumption but also improves visibility and reduces eye fatigue.
Full HD 1080p

VX3211-mh features a 32" Full HD 1920x1080 resolution panel for unbelievably clear pixel-by-pixel performance. Experience amazing clarity and detail for any occasion, whether working, gaming, or enjoying the latest entertainment.

SuperClear® IPS Panel Technology

Enjoy rich, vivid colour with consistent levels of brightness, no matter the vantage point. With SuperClear® IPS panel technology, the VX3211-mh monitor delivers the same crystal clear image quality whether you are looking at the screen from above, below, the front, or the side.

178° Viewing Angle

SuperCLEAR

Mega dynamic contrast

A mega dynamic contrast ratio of 80M:1 creates depth in images by adding more definition to the relationship between the darkest and brightest colours on the screen to ensure images on VX3211-mh are full of detail.

Normal

80:1 DCR

Flexible connectivity

HDMI and VGA inputs offer a wide range of compatibility, giving you flexibility when connecting your devices.

HDMI   VGA

Dual intergraded speakers

Designed with dual integrated speakers, this monitor combines incredible screen performance with stereo sound for an immersive multimedia experience.
Eye care technology

Flicker-Free technology and a Blue Light Filter minimise eye strain over extended viewing periods.

Blue light filter & Flicker Free

Lower energy consumption

An energy-saving ECO-mode feature along with Energy Star 7.0 and EPEAT Silver compliance incorporates energy efficiency and power savings into its stunning screen performance.

VESA compatibility

Conveniently mount the monitor exactly to your liking by utilising the 100 x 100mm VESA compatible mount design.
