TITANIUM PARTS

TITANIUM AXLES

- Warp 9 Titanium Axles and swingarm spindles are CNC machined from Solid Ti Bar stock
- Threads are rolled threads, not cut like some brands. This gives a stronger and smoother thread and also provides a more accurate torque setting
- The heads on the axles and swingarm bolts are forged giving a far stronger head than standard CNC cut heads
- 45-50% lighter weight than OEM axles
- 1 OEM matching Aluminum axle block is included to make installation easier

TITANIUM SWING ARM BOLT

- Warp 9 Titanium Swingarm spindles are CNC machined from Solid Ti Bar stock
- Threads are rolled threads, not cut like some brands. This gives a stronger and smoother thread and also provides a more accurate torque setting.
- The heads on the swingarm bolts are forged giving a far stronger head than standard CNC cut heads.
- 45-50% lighter weight than the OEM swingarm Bolt

TITANIUM SPOKES

- Titanium spokes saves 1/2 lbs or more per wheel
- Usually reserved for factory teams these are now available to the public but in very limited supply. Call for details

TITANIUM ROTOR BOLT KIT

Step it up to Warp 9 Titanium hardware! As a general rule Ti is 45-47% lighter weight than steel bolts.

Warp 9 Ti fasteners are CNC machined from Ti Bar stock, then the threads are rolled threads, not cut like some brands. This gives a stronger and smoother thread and also provides a more accurate torque setting.

REPLACEMENT TIPS

DR650 BRAKE PEDAL

- Stainless pin mounts in the frame eliminating the pin wearing out the frame like the OEM pedal
- The pin then rides on a roller bearing, for super smooth no slop movement
- The arm is machined from billet and is beefy 8mm thick
- Includes a frame brake snake cable and frame tab, tab is not needed if they have the Warp 9 skid plate as we added a hole for the brake cable
- The Tip will slide to 3 different positions. OEM length and 10mm forward or backwards from stock tip location
- Black arm with black tip

GEAR SHIFTER

- Black Cast arm
- Knurled aluminum folding tip
- Stainless return spring
- Replaceable Stainless Hinge pin with Stainless clip
- Aluminum tip is replaceable in the event of any damage or if you just want to change out the color
- Includes pinch bolt
