Time Schedule

Winter Quarter 1992

ACADEMIC CALENDARS

WINTER QUARTER 1992

January 6	Monday	Instruction begins
January 20	Monday	Martin Luther King, Jr's Birthday Holiday
February 17	Monday	Presidents' Day Holiday
March 13	Friday	Last day of instruction
March 16-20	Final examinations

SPRING QUARTER 1992

March 30	Monday	Instruction begins
May 25	Monday	Memorial Day Holiday
June 5	Friday	Last day of instruction
June 8-12	Final examinations
June 13	Saturday	Commencement

SUMMER QUARTER 1992

June 22	Monday	Full-term and term a instruction begins
July 3	Friday	Independence Day Holiday
July 22	Wednesday	Term a ends
July 23	Thursday	Term b begins
August 21	Friday	Full-term and term b end

AUTUMN QUARTER 1992

September 30	Wednesday	Instruction begins
November 11	Wednesday	Veterans Day Holiday
November 26-27	Thanksgiving Day Holiday
December 11	Last day of instruction
December 14-18	Final examinations

The listing of courses contained in this Time Schedule is a preliminary list provided for planning purposes. The University reserves the right to (1) add or delete courses from its offerings, (2) change times, days, or locations of courses, (3) change academic calendars, or (4) cancel any courses for insufficient registration or academic/administrative decision without notice. All announcements in the Time Schedule are subject to change without notice and do not constitute an agreement between the University of Washington and the students.

WINTER QUARTER 1992 STUDENT ACTION GUIDE

REGISTRATION

November 18-December 6	Registration Period I.
November 28	STAR closed for Thanksgiving holiday.
December 10	Registration Confirmations and ID Cards mailed for registrations to date.
December 9-January 5	Registration Period II.
December 25	STAR closed for holiday
January 2	STAR closes at 6:00 p.m. for preparation of Instructor's Class Lists.
January 6-17	Registration Period III.
January 13-17	Entry codes required to register for courses.
January 17	Last day entry codes are valid to register for courses.
January 17	Last day to register for Winter Quarter 1992.
January 18	STAR closed.
February 6	Spring Quarter Time Schedules available.
February 18	Spring Quarter Registration begins.

ADDING/DROPPING COURSES OR COMPLETE WITHDRAWAL

January 10	Last day for Winter Quarter 1992 complete withdrawal without owing tuition or fee.
January 10	Last day for graduate students to apply for on-leave status.
January 10	Last day to make change to or from S/NS grade option.
January 12	Last day to add, drop or change a course through STAR without being assessed a \$20 change fee and possible tuition forfeiture.
January 13-17	Entry codes required to add courses.
January 13-February 4	One-half tuition due if officially withdrawing completely for Winter Quarter 1992.
January 17	Last day to add a course. (STAR closes at 6:00 p.m.)
January 17	Last day to change from audit grade option to numeric grade option. (A \$20 change fee is assessed.)
January 21-February 23	Period IV - drops only.
February 5-March 13	Full tuition due if withdrawing completely for Winter Quarter 1992.
February 21	Last day to change to audit grade option.
February 23	Last day to drop a course on star.
March 13	Last day to withdraw completely (dropping all classes for Winter Quarter 1992).
March 13	Last day to re-register if cancelled for non-payment of tuition (additional \$75 fee assessed).

TUITION/FEE ASSESSMENTS AND DEADLINES

January 3	First day tuition balance is available on STAR.
January 6-17	\$25 late fee assessment to late register.
January 6	Tuition statements mailed to all registered students.
January 13	\$20 change fee is assessed to add, drop or change a course. Additional tuition or tuition forfeiture may also be charged.
January 13	\$5 fee assessment for replacement of UW ID Card begins.
January 13	\$10 fee assessment for replacement of U-PASS begins.
January 13-February 4	One-half tuition due if withdrawing completely from Winter Quarter 1992.
January 21	\$75 late registration fee assessment begins. (Registration will only be allowed in rare circumstances.)
January 24	Tuition payment deadline for all registered students.
January 24	Last day to return U-PASS for cancellation of \$20 charge.
January 24	Student Insurance payment deadline. Payments are not accepted after this date.
January 27-31	Late-payment period (requires a late-payment fee).
February 4	Thirtieth calendar day (see Tuition Forfeitures or Refunds section).
February 5-March 13	Full tuition due if withdrawing completely from Winter Quarter 1992.
March 13	Last day to re-register if cancelled for non-payment of tuition (additional \$75 fee assessed).

APPLICATION DEADLINES

January 17	Last day to return approved applications for credit by examination to, 248 Schmitz.
January 21	Applications for Arts and Sciences baccalaureate degrees for Winter Quarter 1992 must be submitted to 9 Communications.
January 24	Applications for baccalaureate degrees and certificates (all schools and colleges) to be conferred Winter Quarter 1992 must be submitted to Graduation Office, 207 Schmitz.
Fifth week of quarter	Credit by examination (students must make arrangements with the Educational Assessment Center, 543-1170).
February 5	Last day to hand-deliver an application for resident status for Winter Quarter 1992 to Residence Classification Office, 209 Schmitz. Applications that are mailed must be postmarked February 5.

GRADES

January 21	W grade and week designation for dropped courses begins.
March 16	First day Winter Quarter 1992 grades available on STAR.
March 25	First day Winter Quarter 1992 GPA's available on STAR.
March 26	Grades for Winter Quarter 1992 mailed to students.

REGISTRATION PERIODS

STAR REGISTRATION

The University of Washington's touchtone telephone registration system is referred to as STAR-Student Telephone Assisted Registration. STAR registers students in course sections immediately and handles subsequent course adds and course drops, lists alternative sections available if the requested sections are closed or cancelled, reports the open/closed status of specified course sections, provides a spoken listing of the confirmed registration schedule, tuition balance, financial aid status, date and amount of last payment, and optional charges.

Students may call STAR from any touch-tone phone and register. Phones are available in the second floor lobby of Schmitz Hall, the T-Wing lobby in Health Sciences, 9 Communications, and the HUB on the ground floor level. These phones are part of the U.S. West phone system and have no special link to the STAR system. STAR will be available all weekdays (except holidays) and most weekends during the quarter. Weekend hours not specifically scheduled are not guaranteed and may be subject to equipment and software maintenance requirements.

REGISTRATION PERIOD I

Via STAR

Monday-Friday: November 18-December 6, 6 a.m. to 12 midnight
STAR is closed November 11 and 28 for holidays

ELIGIBILITY. This period is open only for continuing students currently enrolled Autumn Quarter 1991. Priority registration dates are based on your completed credits plus Autumn Quarter 1991 credits registered in as of November 14. You may call STAR on, or after, your registration date to register and make changes to your schedule. The priority registration schedule follows:

Any day	Graduates and Professionals
November 18	Disabled students only as designated by the Disabled Student Services Office.
November 19, 20, 21	Freshmen (1-44 credits)
November 22, 25, 26	Seniors (135 credits)
November 22, 25, 26	Postbaccalaureates ... (fifth-year)
November 27, December 2, 3	Juniors (90-134 credits)
December 4, 5, 6	Sophomores (45-89 credits)

REGISTRATION CONFIRMATION AND ID CARDS WILL BE MAILED ON DECEMBER 10. Call 543-3868 to record your correct address. You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

REGISTRATION PERIOD II

Via STAR

Monday-Friday: December 9-January 3, 6 a.m. to 12 midnight
STAR is closed December 25 for holiday.
STAR closes at 6:00 p.m. on January 2.
Saturday/Sunday: January 4 and 5, 9:00 a.m. to 12 midnight

ELIGIBILITY. This period is primarily for newly admitted students and returning former students. Advising/registration notice of dates are mailed to newly admitted or readmitted students. You may register on, or after, your date. Continuing students may access STAR any day during this period.

REGISTRATION CONFIRMATION AND ID CARDS. If you register after December 10, your Registration Confirmation and ID Card will be mailed in two working days. Call 543-3868 to record your correct address. Confirmations will not be mailed to addresses outside of the United States and Canada during Periods II and III. If you are using a foreign address, you may claim your confirmation at the Registration Office, 225 Schmitz Hall, within two working days.

You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

CHANGE OF REGISTRATION CONFIRMATIONS. Registration Change

Confirmations will be mailed periodically. You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #).

REGISTRATION PERIOD III

Via STAR

Monday-Thursday: January 6-10, January 13-16, 6 a.m. to 12 midnight
January 11 and 12, 9:00 a.m. to 12 midnight
Friday: January 17, 6 a.m. to 6 p.m.
or via
Registration Office, 225 Schmitz
(open for transactions not available on STAR)
Monday-Friday: January 6-10, January 13-17, 8 a.m. to 5:00 p.m.
STAR will be closed on Saturday, January 18

ELIGIBILITY. This period is open to all students for late registration and course adds and drops. A \$25 late registration fee is assessed and billed to students registering for the first time.

You are encouraged to register and complete changes to registration early in this period to avoid additional fees and being blocked from reaching STAR due to heavy phone usage.

ADD GUIDELINES. Beginning Monday, January 13, an entry code is required to register or add any course. Friday, January 17 is the last day to add a course for Winter Quarter 1992.

STAR will accept entry codes for course overload authorization only up to 115% of classroom capacity to compensate for expected course drops. Although you received an entry code from the department, there is no guarantee that you can register in the course. If you have received an entry code to add a course, enter the data on your touchtone telephone in the following sequence:

Add	Schedule Line Number	Star Key	Entry Code	Number Sign Key
A	□□□□	*	□□□□□	#

COURSE DROP. You may drop courses during this period and receive no entry on your academic transcript. If you completely drop all courses, a complete withdrawal date is recorded on your transcript. Some departments may require entry codes to drop courses.

\$20 CHANGE FEE. A \$20 change fee will be assessed for any number of add, drop or change transactions processed during a given day beginning Monday, January 13. This fee will be billed to students. This fee is in addition to any tuition increase or forfeiture as a result of the change.

WORKING STUDENTS ASSISTANCE. If you need assistance with non-STAR transactions and you work during the day, you may call the Registration Office at 543-8580 and make arrangements to have a staff person stay no later than 5:30 p.m. to assist you.

PERIOD IV - FOR DROPS ONLY, NO ADDS ACCEPTED

Via STAR

January 20-February 21, 6 a.m. to 12 midnight
February 22-23, 9:00 a.m. to 12 midnight

ELIGIBILITY. This period is open for dropping courses only. A \$20 change fee will be assessed for all changes occurring during the same day. This fee is in addition to any tuition increase or forfeiture as a result of the change.

DROP GUIDELINES. A course drop made during this period will be recorded on undergraduate academic transcripts with a "W" and a number designating the week of the quarter in which the course drop occurred; for graduates and professional students a "W" will be recorded for course drops.

TUITION EXEMPTION PROGRAMS FOR UW FACULTY/STAFF AND WASHINGTON STATE CLASSIFIED EMPLOYEES

Students enrolling under these exemption programs must be full-time

permanent employees and meet the criteria established for faculty and staff of the University of Washington or by the employing agency of the state of Washington for non-university employees. University of Washington employees must have been continuously employed full time for six months or more with the university immediately prior to the academic quarter in which they are enrolling. Those who meet the requirements and are admitted to the University of Washington may take up to 6 credits per quarter under the tuition exemption programs. According to legislative action, all registration must be on a space-available basis after other matriculated students have registered. Students cannot register for graduate level independent study courses numbered 600, 700, or 800. Students admitted as nonmatriculated in order to use one of these exemption programs may only register for classes when using the exemption and the exemption request form has been submitted. Matriculated students will be permitted to register even when they are not using the exemption: full tuition and fees will be charged. Deadlines and registration dates are listed below by category:

UW Faculty/Staff

Friday, December 13	Tuition exemption request card due to Registration, 225 Schmitz, PD-10.
Wednesday, January 8	Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.
Friday, January 24	\$5 registration fee due. Fee is billed if a student successfully registers.

Washington State Classified Employees

Friday, December 13	Tuition exemption request card due to Registration, 225 Schmitz, PD-10.
Thursday, January 9	Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.
Friday, January 24	\$30 registration fee due. Fee is billed if a student successfully registers.

Students enrolling under these exemption programs may attend class beginning the first class day if space is available. Please check with the department offering the course to determine the correct classroom location. The building and room number may have been changed by the department since the *Time Schedule* was printed.

ADMISSION STATUS. Program participants who wish to enroll as new matriculated students or in a new matriculated category must apply to the Office of Admissions, 320 Schmitz Hall, by the regular admission closing date; November 1 is the closing date for winter applications. Students applying to the Graduate School must contact the applicable academic department for application information.

Program participants who are applying as new nonmatriculated students should apply at the Office of Admissions. Applications will be accepted up to the beginning of the quarter.

Program participants who are former students returning in the same classification or as nonmatriculated students should apply at the Registration Office, 225 Schmitz Hall. Applications will be accepted up to the beginning of the quarter.

Graduate nonmatriculated-program participants apply through the intended academic department.

HOW TO REGISTER. If the tuition exemption request has been received by the Registration Office in time, program participants may call STAR on or after the appropriate eligibility dates listed above. Registration continues through Sunday, January 12, on STAR without assessment of late fees. Effective Monday, January 13, a \$25 late registration fee is billed if the student is initially registering for the quarter and a \$20 change fee is charged for registration changes. Students participating in the exemption programs listed above will be billed these fees if applicable plus the registration fee when registration in a course is successful.

Students enrolling under these exemption programs will not be permitted to convert to the tuition exemption program if they have already registered for the quarter, and they will be required to pay regular tuition for those credits.

Students participating in these programs are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW students cards will not be issued to students enrolling under the faculty/staff or Washington State classified employee exemption programs. Faculty/staff identification cards may be used for library services. Washington State employees participating in the program may contact the Registration Office in 225 Schmitz Hall for an ID card to be used for library services.

ACCESS PROGRAM FOR OLDER ADULTS

January 8, 8 a.m. to 5 p.m.

Registration Office, 225 Schmitz Hall

Registration time is based on last name.

(Access Students do not register through STAR)

8-9 a.m.	C - E	12-1 p.m.	P - R
9-10 a.m.	F - H	1-2 p.m.	S
10-11 a.m.	I - L	2-3 p.m.	T - Z
11-12 noon.	M - O	3-4 p.m.	A - B

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students, on a space-available basis. The fee is \$5, whether one or two courses are attended and will be billed if registration in a course(s) is completed. The payment is due by Friday, January 24. As auditors, they do not receive credit and are not expected to do laboratory work or to take examinations. A transcript is not maintained. Students who attend the University under the Access program are limited to two courses per quarter.

Registration may be made in person or by mail. For additional information about the program in general, telephone UW Extension Student Services, 543-2300, extension 425, between 8 a.m. and 5 p.m., weekdays.

REGISTRATION ELIGIBILITY

CONTINUING STUDENTS GUARANTEED ELIGIBILITY. University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a postbaccalaureate (fifth year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (see *General Catalog*).

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter not included) will not be eligible to register as continuing students for the third quarter, and must reapply as former students returning to the University.

NEW STUDENTS. Students new to the University or applying for a new classification should contact the Office of Undergraduate Admissions for undergraduate or postbaccalaureate (fifth-year) standing, or the Office of Graduate Admissions for graduate standing. Application closing date is November 1 for new students entering from high school, and for all other new and former students.

RETURNING FORMER STUDENTS. If an undergraduate does not enroll for one or more quarters, or if a graduate goes on-leave, s/he must file an application for readmission with the Registration Office, 225 Schmitz Hall. A \$25 application fee is charged to undergraduates and a \$50 Enrollment Confirmation Deposit will be required of each eligible applicant. Former graduate students who did not request an on-leave status must contact the Office of Graduate Admissions. Space is limited, and enrollment quotas will be filled on a first-paid, first served basis. Application closing date is November 1.

Students who do not maintain continuous enrollment are always eligible to return to the University of Washington in the same category - e.g., undergraduate pursuing an initial bachelor's degree - so long as they submit a returning student application by the deadline date for the quarter they wish to return.

ACADEMIC ADVISING

Students are strongly encouraged to see an academic adviser to discuss their educational objectives, to assess progress toward completion of requirements, and to learn procedures involved in registering at the University. It is wise for students to make appointments with advisers and to have ideas of courses they would like to take by reviewing the *General Catalog* and the quarterly *Time Schedule* before the advising session. If students fail to maintain contact with their advisers and problems develop with degree programs, these problems are the students' responsibilities. The consequence may be additional time to complete degree programs. Advising offices are generally open Monday-Friday, 8:00 a.m. - 4:30 p.m.

ADDITIONAL REGISTRATION INFORMATION AND NOTICES

1. ADDRESS CHANGE TELEPHONE SERVICE - CALL 543-3868.

Students are responsible for notifying the Registrar's Office when their address changes. The Address Change Telephone Answering Service is available 24 hours a day, seven days a week for changes of local and permanent addresses and telephone numbers, restricting release of directory information, and where to mail registration confirmations, ID cards, tuition billing statements, and final grades. Students should always leave a forwarding address with the U. S. Postal Service whenever they move. Addresses may also be changed at the Registration Office, 225 Schmitz Hall.

Students who have applied for financial aid, must also report their address change to the Office of Financial Aid.

2. CLASS ATTENDANCE GUIDELINES.

To provide enrollment space for others, students who do not attend regularly scheduled class meetings during the first week of the quarter are subject to being dropped at the discretion of the teaching departments. Affected courses may be identified in the *Time Schedule* and posted in departmental offices.

Students must not assume that departments will automatically initiate a drop for nonclass attendance. Students who register for courses they do not attend are themselves responsible for officially dropping the courses through STAR. The consequence of not officially dropping courses is a 0.0 grade.

Students should contact the instructor or teaching department if they plan to be absent any day during the first week of the quarter.

No person, other than a faculty member attending informally with the approval of the instructor, may attend a University course in which that person has not been officially registered through STAR. An instructor may allow a student to attend his or her class only if the student's name appears on the official class list from the Registrar's Office. Instructors may permit students attending class under a faculty/staff tuition exemption or the Washington State classified employee tuition exemption program to attend class prior to registration on Wednesday or Thursday respectively of the first week of the quarter provided space is available.

3. REGISTRATION TAMPERING.

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

4. PRIVATE ACCESS CODE TO SECURE YOUR REGISTRATION AND GRADE DATA.

Students who, for any reason, believe that another person might tamper with their registration or hear their grades on STAR and want to avoid this possibility, may go to the Registration Office, second floor, Schmitz Hall and request a private access code (PAC). Ask for the Private Access Code (PAC) and identify the 6 digits code to use instead of date of birth when accessing STAR each quarter.

5. FULL-TIME STUDENT REQUIREMENT.

To be considered full-time, an undergraduate or professional student must register for 12 or more credits and a graduate student must register for 9 or more credits. However, it is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs, e.g., veterans benefits, athletic eligibility, Bureau of Indian Affairs, Vocational Rehabilitation, and various forms of financial aid. Information on full-time requirements of the Department of Veterans Affairs may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

Full-time requirements of the Immigration and Naturalization may be obtained at the International Services Office, 459 Schmitz.

6. OVERLOAD GUIDELINES.

For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Registrar's Office monitors course enrollments throughout the quarter according to the following guidelines:

a. Through the seventh calendar day, a student may add a section without permission unless the class is full or requires permission; then an entry code is required. Beginning the sixth class day, entry codes are required to add any course. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.

b. No course adds are accepted after the 10th class day of the academic quarter.

7. \$20 CHANGE-OF-REGISTRATION FEE.

The \$20 change-of-registration fee is assessed for any number of add, drops or change transactions processed during a given day beginning the sixth class day of each quarter. The \$20 fee is a service charge, not a penalty, and is in addition to any change in tuition or forfeiture as a result of adds, drops or changes.

There is no charge for changes made in Registration Periods I, II and the first week of Period III. This "free" period gives students an incentive to complete their schedule before the quarter is too far advanced.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. Students will be notified of the decision by the Registrar's Office. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

8. COMPLETE WITHDRAWAL FOR THE QUARTER.

(Dropping all courses for the quarter). It is the student's responsibility to withdraw completely if he or she is unable to attend for the quarter. Students may write the Registration Office, 225 Schmitz Hall, Mailstop PD-10, University of Washington, Seattle, Washington, 98195, or withdraw in-person at 225 Schmitz Hall. Complete withdrawal for the quarter is not available via STAR. Withdrawals by mail are effective on the date of the post mark.

Tuition owed will be based upon the date the complete withdrawal is received in the Registration Office or the postmark date for withdrawals received by mail. No withdrawals are accepted after the last day of instruction for the quarter.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter are not recorded on the student's UW transcript; however, the date of the complete withdrawal is recorded.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former student for Winter Quarter.

The forfeiture schedule for a complete withdrawal from the quarter is as follows:

- Students withdrawing before the sixth day of the quarter do not pay tuition. New and returning students forfeit their \$50 enrollment confirmation deposit.
- Students withdrawing on the sixth day through the thirtieth calendar day continue to owe one-half of their tuition.
- Students withdrawing after the thirtieth calendar day continue to owe full tuition.
- Students whose registrations are cancelled for nonpayment of fees will continue to owe the University one-half their tuition and fees.
- International students who are registered for an English as a Second Language course must make a separate request for a refund for that course by contacting the ESL Office in 102 Lewis Hall at the same time they withdraw from the University.
- Students who drop classes on the 8th through the 30th calendar day of the quarter that result in lower tuition, will owe one-half of the tuition associated with the reduced credit hours.

9. HARDSHIP WITHDRAWAL.

Hardship withdrawals are for dropping individual courses only after the seventh week of the quarter. The \$20 change of registration fee will be assessed. (See section on Complete Withdrawal from the University for procedure to follow for dropping all courses for the quarter).

A student may petition the Registrar for a hardship withdrawal if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the drop deadline. See the *General Catalog* for complete information.

10. UNDERGRADUATE SATISFACTORY PROGRESS.

Students admitted to the University to pursue baccalaureate degrees are expected to make satisfactory progress toward the attainment of that degree, and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the *General Catalog* for additional information.

11. STUDENT DIRECTORY INFORMATION. The University will routinely release student directory information, unless requested otherwise by the student. Directory information is defined as student's name, address, telephone number, place of birth, major field of studies, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational institution attended by the student. Students who do not wish to authorize directory release and do not want their name and address to appear in the Student Directory; may call the address change service at 543-3868 to restrict access to this information. Students who wish to change their authorization and allow release, must go to the Registration Office, 225 Schmitz and present identification.

12. DISCLOSURE OF STUDENT RECORDS. As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus, and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records.

13. FOLLOWING RULES AND REGULATIONS. It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student believes that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

14. EQUAL OPPORTUNITY. The University of Washington, as a standing policy, does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in Employment Act Amendments of 1978, Vietnam Era Veteran's Readjustment Assistance Act of 1974, Chapter 28B.110 RCW (prohibits gender discrimination against students), other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the University of Washington with respect to all of these laws and regulations is under the direction of the Equal Employment Officer, Dr. Helen Remick, University of Washington, Equal Employment and Affirmative Action Office, JA-08, 4045 Brooklyn Ave. N.E., Seattle, Washington, 98195, telephone (206) 543-1830, V/TDD.

15. SEXUAL HARASSMENT GRIEVANCE PROCEDURE. Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0283
Human Rights Office, (206) 543-7217

Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

16. DISABLED STUDENTS. Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services (DSS), 482 Schmitz, 543-8924, 543-8925 TDD, for information on equipment services, accessibility, and accommodations to meet individual needs.

Students with disabilities who require special accommodations for science labs, internships, etc., should contact the DSS Coordinator and the academic adviser of that department to work out appropriate services.

The STAR Work Sheet and Instructions are available from DSS in alternate media, including tape recording, large print and braille. Students with disabilities which would limit their ability to use STAR may register through DSS or at the Registration Office, 225 Schmitz Hall.

17. INTERNATIONAL STUDENTS must subscribe to the student insurance plan unless they are covered by another plan. Refer to the STUDENT INSURANCE section for more details.

18. ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW). The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, students must be members. A student's membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union Building.

19. PLACEMENT CENTER. The Placement Center provides comprehensive career and job search information and services for students and alumni to facilitate their transition from academic programs of the UW to the broader society. Services are available to UW students and alumni who are registered with the office. Registration is free for students; alumni must pay applicable fees for the period of time during which services are desired.

Types of services offered include individual career counseling, job search seminars, a career information library, a Minority Job Placement Program, on-campus interviews, job opportunity bulletins, a placement/credential file service, and career- and degree-related summer jobs/internships. To participate in the on-campus interview program, students must attend an orientation session. For more information, please come to the Placement Center at 301 Loew Hall, FH-30, or call (206) 543-0335.

20. UW ID CARD. Students should carry their UW ID Card with them at all times since it is required for a variety of transactions and services on campus. In some situations, students may be asked to provide additional pieces of identification, including one containing their photo. A quarterly validation sticker is mailed with students registration. The sticker should be affixed to the permanent ID Card as soon as it is received. Lost ID Cards may be replaced at the Registration Office, 225 Schmitz, beginning the week prior to the start of the quarter through the fifth class day without charge. Effective the second week of the quarter, a \$5.00 fee is charged for replacements.

21. U-PASS INFORMATION. A U-PASS validation sticker is mailed with students' registration confirmation each quarter. The U-PASS is valid on all Metro and most Community Transit routes at all times and provides parking privileges to carpoolers, riding privileges to vanpool and Night Ride passengers, and merchant discounts. The quarterly fee of \$20 will be included on the tuition bill. Students who do not wish to participate in the U-PASS program must return the validation sticker to the university by the tuition payment deadline. The sticker can be returned by mail in the return envelope provided, or mailed with your tuition payment, or in person at the Student Accounts Office.

Students who withdraw through the seventh calendar day of the quarter without returning the U-PASS sticker will owe \$75 for the U-PASS. Students who withdraw after the seventh calendar day will be charged the applicable tuition and may retain the pass for \$20, or return it no later than the tuition due date for a full refund. There will be no U-PASS refunds after the tuition payment deadline.

Students who did not receive their U-PASS in the mail will be asked to sign a certifying statement and will be issued replacement stickers at no charge through the first week of the quarter. Replacement stickers issued after the first week will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee, which includes a new U-PASS sticker. Students issued replacement stickers will not be permitted to cancel the \$20 U-PASS fee by returning a sticker.

Students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz, anytime during the quarter. The fee will remain \$20 throughout the quarter.

The U-PASS is not transferable. The U-PASS program and replacement policies are subject to change without notice.

22. WITHDRAWAL FOR MILITARY SERVICE. Students conscripted into the Armed Forces or called to active military duty may withdraw through the end of the 7th week of instruction and receive a full refund but no academic credit. Students withdrawing after that date receive a full refund or credit and no refund. Please consult with the Office of the Registrar for complete details.

UNIVERSITY OF WASHINGTON

Call 543-9000, 24 hours a day, 7 days a week
(Outside the area, call (206) 543-9000)

TALIS is a touchtone telephone audio library service of the University of Washington that answers most commonly asked questions. These messages are free, although there will be a charge if you are calling long distance.

HOW TO USE TALIS:

1. Using a touchtone telephone, call TALIS at 543-9000.
2. After the greeting, press the 4 digit code followed by # associated with the information you desire.
3. You may go directly to another message at any time by pressing the associated 4 digit code followed by #.
4. When you are finished, just hang up.
5. Our courteous staff will be happy to answer any additional questions, 8am - 5pm, weekdays.

NEW

HOW TO USE STAR

1. **TOUCHTONE TELEPHONE.** Use only a touchtone telephone to make entries on STAR. Touchtone phones make a different tone after each key is pressed. Telephones that make no tone or only a monotone will not work on the registration system. Your touchtone phone acts as a computer keyboard, enabling you to enter your course requests just as if you were sitting at a computer terminal. Within minutes, you will know your confirmed schedule.
2. **CALLING STAR.** STAR is available during published registration dates and times. STAR is closed on holidays and may close earlier than 12 midnight on a few days to produce registration confirmations, ID cards, and instructors' class list. If STAR does not answer your call, it is not in operation. If the phone line is busy, all lines are being used. Call back later. You may call STAR during, or after, your initial registration date to add, drop, check section status, etc.
3. **VOICE RESPONSE.** A voice response will guide you after each transaction. If you do not understand a response or instruction and would like it repeated, press the star key (*) first, and then the number sign key (#).
4. **IF YOU MAKE A MISTAKE.** If you make a mistake before finishing an entry, press the star key and the number sign key (*#), and your entry will be discarded.
5. **TO SPEED UP YOUR REGISTRATION.** To expedite your registration, you may enter data during the voice response. Be cautious about doing this, since you may miss some important information.
6. **DISCONNECT ACTION.** Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. You may immediately call back to STAR.
7. **TRANSACTIONS.** The transactions you enter on your touchtone telephone communicate to the computer what action to take (such as add a course, drop a course, check a section status, etc.) and what data you want considered. The transaction code legend follows:

A = Add a course	11= Account balance.
D = Drop a course	12= Financial aid summary.
L = Hear a spoken listing of your assigned courses	13= Outside lender loan.
S = Check the open or closed status of a course	14= Last received payment.
T = Terminate your call.	15= Optional charges.
G = List grades and GPA.	* = Star key; used to separate data.
	# = Number sign key; used to send transactions that you enter.
8. **ENTRY CODES.** Entry codes are five digit random numbers issued to you by academic departments as authorization to enroll in restricted course sections. Academic departments have the ability to establish varying levels of enrollment control for course sections in each registration period, or they can maintain the same level of control throughout.

Courses requiring entry codes are designated with the symbol > to the left of the schedule line number (SLN) in the Time Schedule. Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Usually information on where to obtain entry codes is found in the body of the Time Schedule, either as a comment before the course listing or just after the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule.

Instructors may issue entry codes to students when a class is full. You may use this code to override the system but not if the overload will increase enrollment over 115% of room capacity.

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to re-add the section.

When you use an entry code to register, it becomes a part of your registration record, and is visible with your name on computer terminal screens. Entry codes are required to add courses during the second week of the quarter.
9. **LECTURE/LAB/QUIZ/CONFERENCE.** These are combined under one SLN for each possible combination of time and day. On STAR, when you register for a course SLN associated with a lecture, lab and/or quiz or conference, you will be registered for all the lecture, lab, quiz or conference combination as listed under one SLN in the Time Schedule.
10. **ALTERNATE SELECTIONS.** If the section requested is closed you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly Time Schedule). You can then immediately select an alternate section to be added to your schedule. Have a pencil ready and be prepared to write down schedule line numbers (SLN) and meeting times of alternate sections.
11. **TIME CONFLICT.** You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR. If you want two time-conflicting courses, you must add the second course, in person, at the Registration Office, 225 Schmitz. Time conflicts of more than one hour require instructors' signatures for both courses involved.
12. **REGISTRATION HOLDS.** If you have a hold on your registration, you will not be permitted to complete your registration until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold, and where to go to get it released. Registration holds will also prevent access to STAR for grades, tuition, financial aid, or optional charge information.
13. **ELECTING S/NS GRADING OPTION.** You may register for a course on STAR, but you must go in person to the Registration Office, 225 Schmitz to elect the Satisfactory/Not Satisfactory grading option. The deadline to elect the Satisfactory/Not Satisfactory grading option is the fifth class day.
14. **AUDIT.** You must first register on STAR for the course you wish to audit, and then go in person to the Registration Office, 225 Schmitz Hall to set the audit grade option. You may change to audit through the seventh week of the quarter.
15. **CREDIT LIMITATIONS.** Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter.
16. **VARIABLE CREDITS.** Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. To change variable credits beginning the sixth class day, an entry code is required to add the new course credits. After the tenth class day, changes are made at the Registration Office, 225 Schmitz.
17. **SECTION II ON STAR WORKSHEET.** Since Section II requires selection decisions only during your first telephone call this quarter, you may proceed directly from Section I to Section III through Section IX in a random manner when making subsequent calls. STAR will not accommodate changes of your initial decisions in SECTION II. You may go in person to the Registration Office, 225 Schmitz Hall or call 543-3120 to modify selections. Faculty/staff or Washington State classified employees using a tuition exemption program, and branch campus students will not be asked to make decisions for Section II.
18. **MERLIN TELEPHONE.** If using an AT&T Merlin telephone to call STAR, press the # sign key twice to send transactions.
19. **QUESTIONS.** If you have questions regarding registration, please call the Registration Office, (206) 543-3120, Monday through Friday, from 8:00 a.m. to 5:00 p.m.
20. **REGISTRATION IN SEQUENCE COURSES.** Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course would have priority to register in the next course sequence (102) for the succeeding quarter.

TUITION/BILLING INFORMATION AND STUDENT INSURANCE

QUARTERLY TUITION SCHEDULE

Autumn 1991, Winter 1992, Spring 1992

UNDERGRADUATE (Including nonmatriculated and fifth-year)	Resident	Nonresident

4 credits	566	1,434
3 credits	425	1,075
2 credits (minimum)	284	716

*Does not apply to first professional law students.

(Subject to change without notice)

This tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs. For more information, consult the Additional Registration Information and Notices section of this *Time Schedule*.

Special Course and Laboratory Fees

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

TUITION FORFEITURES OR REFUNDS

Students will be billed for the number of credits, including audit hours, on their programs at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after the first week of the quarter. Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition associated with that course. Courses dropped after the thirtieth calendar day receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if a student drops a course after the thirtieth calendar day and adds another, total credit charges will include credits that are added with no reduction for credits dropped.

Course drops become effective the date received and processed on STAR, in the Registration Office, 225 Schmitz, or through the departmental registration screen used in academic departments.

TUITION/FEE ASSESSMENTS AND DEADLINES

1. It is the student's responsibility to see that tuition is paid in full by the tuition due date (third Friday of each quarter). Bills are sent at the beginning of each quarter to facilitate payment. However, failure to receive a tuition bill does not nullify the student's responsibility for payment by the due date. Account balances are available through STAR.

2. You should indicate selection of your permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Cashiers Office, or call STAR for the amount of tuition due.

3. You may pay your fees in person in the Student Accounts and Cashiers Office or mail them to UW, Student Accounts and Cashiers Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks. Payments postmarked on or before the due date are accepted without a late fee. Metered mail received after the due date is subject to penalties as described in #4 below.

4. If you fail to pay by the deadline you may continue to pay your tuition the week following the due date, plus a late fee as follows:

Past Due Balance	Late Fee
Over \$250	\$30
\$30-\$250	\$10
Less than \$30	\$ 0

If payment has not been received in the Student Accounts and Cashiers Office by the end of the late payment period, your registration for the current quarter as well as any future quarters will be cancelled. Students permitted to reregister after cancellation for nonpayment will be charged a \$75 fee, in addition to their tuition.

5. If you reregister, you must reregister for all classes on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) If you wish to drop any courses after you reregister, you may do so on STAR until the end of the seventh week of the quarter. A \$20 change fee will be assessed. No reregistration will be possible after the last day of instruction. Please note: Even if your registration is cancelled you will continue to owe one-half of your tuition.

6. Credit cards are not accepted.

7. Tuition and fees not paid by the end of the academic quarter will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter.

APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. Seattle Campus UW

NEW COURSES FOR WINTER 1992

For descriptions of new courses that will be offered Winter 1992, which were added to the University curriculum after publication of the *1990-92 General Catalog*, see your academic advisor. Student copies of New Course Descriptions are available in the Arts and Sciences Advising Office, 9 Communication, or the Registration Office, 225 Schmitz Hall.

W COURSES OFFERED WINTER QUARTER 1992

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1983, or later, must complete 10 credits of courses designated "W". Some other undergraduate majors also require W courses. W courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer W courses. The following courses being taught Winter Quarter 1992 have been designated as W courses.

INTRAMURAL SPORTS - WINTER QUARTER 1992

Intramurals provide an opportunity for students and Faculty/Staff to participate in special events, leagues, tournaments, and officiating in various sport activities such as: basketball, bowling, innertube basketball, and volleyball. Team registration is due on Wednesday, December 11, 5:00 p.m. in the Intramural Sports Office.

For further information call the IMA Sports Line, 543-8558 daily between 12:00 noon and 8:30 p.m.

Independent Study by Correspondence

Distance Learning offers University of Washington courses through independent study by correspondence. These courses are self-paced. Students complete the required assignments and examinations on their own schedule. The minimum completion time is two months.

Although you cannot enroll in these courses through STAR, you can enroll for a course at any time (not just at the beginning of a quarter) and have up to a year from that date to finish the coursework.

A regularly-enrolled UW student who wishes to register for additional courses through Distance Learning should consult with a departmental adviser to verify applicability to his/her academic program. Fees for Distance Learning courses are separate from Winter Quarter tuition and are \$51 per credit.

Applications and additional information on enrollment procedures may be obtained from the Distance Learning office, 5001 25th N.E., or by telephoning (206) 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses).

College of Arts and Sciences

A SEATTLE TRADITION FOR OVER 37 YEARS

The Northlake tavern & pizza house
has traditionally served pizza for over 37 years
using only the freshest vegetables available, real
Canadian bacon, select toppings from pepperoni
to pastrami and more cheese than any other
pizza. Our secret sauce recipes and special
pizza crusts cannot be found anywhere. All this,
slow cooked in a real pizza oven gives you a
pizza that all others are measured by.

In New York City, the Y's are your best bed.

There are two YMCA's in the heart of Manhattan, both convenient to everything that makes New York the cultural capital of the world. And there's more good news: At both of them you will find—

- Clean, comfortable rooms.
- Affordable rates—the best value in the city.
- Other student guests and young people from here and abroad for congenial company.
- Many Y activities available to overnight guests, including gyms, swimming pools and other fitness facilities.

For reservations in New York and other Y's all over the world, call the "Y's Way" Worldwide Reservation System (212-760-5856), or call or write to one of the addresses below.

The West Side YMCA, 5 West 63rd Street, New York, NY 10023
Tel.: 212-787-4400

Vanderbilt YMCA, 224 East 47th Street, New York, NY 10017
Tel.: 212-755-2410

Please bring this ad with you on check-in and receive a 10% discount from our already low rates.

PRECISION TUNE IS AMERICA'S CLEAN AIR ACT.

According to the Environmental Protection Agency, a poorly tuned vehicle or one that's been tampered with, puts out 200 to 800 times the harmful emissions of one properly maintained. Now there's something you can do to help.

our technicians will tune your car and make sure harmful emissions are at a minimum. Each tune-up includes a 34-point engine diagnosis, an emissions analysis and a 12 month / 12,000 mile guarantee recognized at over 500 centers nationwide.

Bring It To Us First

No Wild, No Wildlife.

PHOTO: TOM & PAT LEESON

Life in the wild can be pretty tough these days. Without the necessary ancient-forest habitat to live in, some species like the northern spotted owl of the Pacific Northwest are severely threatened.

At the Sierra Club, we believe that these owls and the ancient forest ecosystems they depend on need our help.

To learn more about our work protecting the forest habitats of endangered species such as the northern spotted owl, write or call:

Sierra Club, Dept. PB
730 Polk Street, San Francisco, CA 94109

JUNK BONDS

HOW HIGH YIELD SECURITIES
RESTRUCTURED CORPORATE
AMERICA

GLENN YAGO

"Three hearty, full-throated cheers for Glenn Yago's book and research. I've long believed that high-yield securities were the, single most important stimulus to American economic restructuring in the '80s. Yago provides a masterly analysis in defense of such a view"
—Tom Peters, author of *In Search of Excellence*.

"A clear and insightful view of the revolution that struck corporate America in the 1980s. The author is an academic with his feet planted firmly in the real world"
—T. Boone Pickens, Jr.

Junk bonds burst into the nation's headlines as the fastest growing and most controversial financial instruments of the 1980s. Branded with an unflattering nickname, these high yield securities were tarnished in the public eye by waves of negative publicity. By the end of the 1980s, the heyday of junk bonds had seemingly come to a close. But the controversy surrounding junk bonds continues.

Now, in *Junk Bonds*, business professor Glenn Yago turns the tables on conventional wisdom about this new financial technology. He offers the first systematic examination of the facts about high yield securities. His analysis provides hard evidence that demystifies junk bonds and explodes many of the popular myths that surround them.

"I'LL JUST BRACE MYSELF WITH THE STEERING WHEEL"

Who are you trying to fool?
There's no way a steering wheel
can stop you from slamming into a
dashboard. Only a safety belt can.
Stop making excuses and start
buckling your safety belt.

YOU COULD LEARN A LOT FROM A DUMMY. BUCKLE YOUR SAFETY BELT.

HOW TO READ THE COURSE LISTINGS (SEE BACK OF TIME SCHEDULE) > ENROLLMENT IN THIS SECTION IS LIMITED, AND STUDENTS MUST OBTAIN ENTRY CODES.
W = WRITING COURSE MEETING LW REQUIREMENT H = HONORS B = WRITING COURSE AND HONORS * = NEW COURSE (SEE FRONT OF TIME SCHEDULE)

Maybe there is a substitute for experience.

After you're done with school, you face one of the hardest lessons in life:

Without experience, it's tough to get a job. And without a job, it's tough to get experience.

At The Wall Street Journal, we recognize that experience is something you don't start earning until after graduation.

But while you're waiting, we can give you a head start by providing some of the same competitive advantages that experience brings.

For instance, our wide-ranging news coverage gives you a clearer understanding of the whole complex world of business.

Our tightly focused feature reporting prepares you for your more specific ambitions – whether in management, accounting, finance, technology, marketing or small business.

And our in-depth analysis helps you formulate your ideas in a sharper and more persuasive way.

Mail the coupon – and start your subscription to The Wall Street Journal at student savings of up to \$64.50 off the regular subscription price.

That's a pretty generous offer. Especially when you consider what it actually represents. Tuition for the real world.

The Wall Street Journal.

228 East 45th Street, Suite 1515
New York, NY 10017

- Send me one year of The Wall Street Journal for \$74.50 – a savings of \$64.50 off the regular subscription price.
- Send me 15 weeks for \$27.
- Payment enclosed. Bill me later.

Name _____

Student I.D. # _____ Grad. Mo./Yr. _____

Address _____

City _____ State _____ Zip _____

School _____ Major _____

These prices are valid for a limited time for students only in the continental U.S. By placing your order, you authorize The Wall Street Journal to verify the enrollment information supplied above.

SUPPLIES

It now lasts up to five years longer.

Americans live longer nowadays. Up to five years longer, says one study, than in 1970. One reason is that people know more about reducing their risk of heart disease. And we've helped. This year the AHA will invest more than \$70 million in cardiovascular research and organize 2.7 million volunteers to go out and spread the word. To learn more, write us at:
7320 Greenville Ave., Box 10, Dallas, TX 75231.

**SHE
 DOESN'T HAVE
 WHAT IT TAKES
 TO GO
 TO COLLEGE.**

Money. And lots of it. Because all the brains in the world won't pay for a college education. We can't deny students like this the chance they so richly deserve. Please send your check to the United Negro College Fund, 500 East 62nd Street, New York, NY 10021.

United Negro College Fund.
 A mind is a terrible thing to waste. 

FREE

2 ROLLS

35mm Film

*Rave Reviews
from the
Photo Magazines*

Try this Exciting New Film!

"While (this film) has sharpness and fine grain competitive with other films of its speed, its main forte is color reproduction.

Nuances of color are held in the prints; You can see the difference between cherry red and tomato red"
Photographic Magazine

100% Satisfaction Guaranteed

Now you can try the 35mm film *Photographic Magazine* calls the best 200 ASA print film in the World! For Free. To introduce you, we'll send you two rolls Free. Fine grain, rich color, wide exposure latitude — perfect for everyday shots. Shoot in bright or low light — indoors or outdoors. And you can order prints, slides, or both, from the same roll — without the high cost of slide film! Try this remarkable film today.

**Prints or
Slides
from
the same
Roll**

SEND ME 2 ROLLS FREE!

Rush me two 20-exposure rolls of your highly acclaimed 35mm film, one each at 200ASA and 400 ASA. Enclosed is \$2.00 for shipping. Limit 2 rolls per household.

DOC 401

WHAT KIND OF A GUY WOULD JUST STAND THERE WHILE HIS BEST FRIEND STOPPED BREATHING?

A guy who doesn't know CPR. The sad fact is, more people know
how to jump-start a car than know how to save a life.

LEARN HOW TO JUMPSTART A LIFE. LEARN RED CROSS CPR.

American
Red Cross

HOME GAMES IN ALL CAPS

All times are Pacific Standard and are subject to change.

Map compiled, designed and drafted
 in cooperation between Physical Plant
 and the Department of Geography, August, 1971
 REVISED August, 1989 Sheeman

Lake Washington Ship Canal

HOW TO READ THE COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment. Course, term, and section information are listed in the following columnar order:

Department	Section designation	Course number	Course title	Place of meeting	Name of instructor
Entry code required symbol				(* * means "to be arranged")	Time of meeting
Schedule line number					Day(s) of meeting (Arr means "to be arranged")
Special program codes					Meets with
(H) = Honors					Classes taught in the same classroom at the same time—students register and receive credit for one course only
(W) = Writing course meeting					
University requirement					
(B) = Means both honors and writing course					
(%) = New course					

<p>Credit</p> <p>2.5 means 2 1/2 credit</p> <p>(/) means "or"</p> <p>(-) means "to"</p> <p>VAR means variable credit and any number of credits may be elected (however, fractional credit registration—e.g., 1/2 credit—cannot be processed for variable credit courses where the credit may vary from student to student in a single quarter)</p>	<p>Comments and registration restrictions</p> <p>EC = Entry codes</p> <p>DC = Drop codes</p> <p>I = Period I</p> <p>II = Period II</p> <p>III = Period III</p> <p>PERM = Permission</p> <p>INSTR = Instructor</p> <p>* = To be arranged</p> <p>(e.g., Majors Period I, Majors Seniors Period II, Entry codes Period III becomes MJ I, MJ SR II, EC III)</p>	<p>CR/NC ONLY</p> <p>Means course offered for credit/ no credit grading only</p>
---	--	---

GUIDE TO CLASSROOM LOCATIONS

The three letter abbreviation is spoken on STAR and accompanied by the classroom number when the list schedule transaction (L#) is performed. The classroom abbreviation is also printed with the classroom number on your printed Registration Confirmation.
