Chairman's introduction

I welcome everyone to our matchday handbook for the third season of the YCSPL.

Last season was our first not to be played under the shadow of the Covid pandemic, and it was marked by the best summer most of us can remember, in which only 37 out of 1,364 league games were lost to, or affected by, the weather.

This season, we welcome one new club in Barnby Dun, and I hope they will have a happy and successful association with us. Sadly, Hampole & Skelbrooke have ceased to function after 120 years; South Kirkby have been relegated back to the Pontefract & District League; whilst two of our clubs, Scholes and Harley, have merged. We now have 60 clubs, with 127 teams, meaning that we are still one of the largest leagues in the UK.

The most significant development over the close season, however, has been that the South Yorkshire Women's and Girls League has come under the umbrella of the YCSPL in terms of governance, safeguarding and discipline. This exciting development represents a great opportunity to strengthen and expand the YCSPL, whilst supporting the further expansion of women's and girls' cricket in South Yorkshire. The YCSPL is only the third Premier League in the UK to have a women's and girls' section.

For me, there are three priorities for the coming season:

- ensuring that the playing standards and facilities in the league are the best they can possibly be
- encouraging our clubs to play their part in ensuring improving standards of discipline on the field
- trying to get everyone to help us tackle the worsening problem of the shortage of umpires

Finally, I would like to thank our sponsors Marshall Wooldridge, Nicholas Associates, Readers and Tiflex for their continued support.

I hope that everyone connected with our league, players, officials and spectators, will have an enjoyable season and that the sun will shine on us again. I hope to see as many of you as possible in the coming months.

League playing conditions

- 1 **General.** These playing conditions will apply to all league games played in the Yorkshire Cricket Southern Premier League. Unless otherwise stated below, all games will be played in accordance with the Laws of the Game, the Spirit of Cricket, and any current ECB directives.
- 2 **Changes to these playing conditions.** Either the relevant cricket committee or clubs may propose changes, which will be voted upon at the AGM by clubs in membership of the appropriate section for the following season. Clubs must notify any proposals for changes to the head of the relevant section no later than 31 August, in order to ensure that they can be properly considered and notice given to clubs.
- 3 **Teams.** All clubs shall play their strongest possible team that is eligible to play in that competition in all games. Teams must be selected in line with the Spirit of Cricket and players from a higher division must not be selected to play in a lower division team to strengthen that team. No game will start unless a minimum of seven nominated players from each side are present on the ground.
- 4 **Start of play**
 - i. *Premier Section.* Unless ground or weather conditions do not permit, all games will commence at 12.00 noon. If play has not started by 15.00 hours, an early tea should be taken at that point. An early tea can be taken at any time if both captains so agree. No game will start after 16.35.
 - ii. *Divisions 1 & 2.* Unless ground or weather conditions do not permit, games will commence at 12.00 noon.
 - iii. *Divisions 3 to 9.* Unless ground or weather conditions do not permit, games will commence at 13.00 hours.
 - iv. In addition, *in Divisions 1 to 9*, if play has not started within two and a half hours of the scheduled start time, the game will be cancelled.
 - v. Where three or more members of a team are delayed in arriving at a ground for a bona fide and unavoidable reason, then the start of the game may be delayed, at the request of their team captain, by up to two hours. In this case, the number of overs to be played shall not be reduced until after one hour has been lost, and there will be a deduction of four overs for every complete 15 minutes lost thereafter.

5 Duration of play

Premier Section

- i. The normal duration of play will be 50 overs per side, unless reduced due to ground or weather conditions under paras 5.ii or 13.i. Any unused overs in the first innings will not be carried forward into the second innings. In order to achieve a result, both sides must have had the opportunity of batting for a minimum of 20 overs.
- ii. Where bad weather is anticipated later in the day, duration of the game may be reduced, if both captains so agree before the toss is made. Both captains must agree on the new number of overs to be played, which shall not be less than 20. The provisions of rule 13 will continue to apply, and for a result to be achieved, both sides must have had the opportunity of batting for a minimum of 20 overs.

Senior section

- iii. Unless reduced due to ground or weather conditions, the normal duration of play will be:
 - *Divisions 1 & 2* - 50 overs per side
 - *Divisions 3 to 5* - 46 overs per side
 - *Divisions 6 to 9* - 40 overs per side
- iv. Any unused overs in the first innings will not be carried over into the second innings.
- v. Where bad weather is anticipated later in the day, duration of the game may be reduced, if both captains so agree, before the toss is made. Both captains must agree on the new number of overs to be played, in accordance with 13 iv & v. The provisions of rule 12.i will also continue to apply, and for a result to be achieved, both sides must have had the opportunity of batting for a minimum of 20 overs.

6 Teams

- i. *Minimum number of players*
 - a. A minimum of seven players shall be required to constitute a team. If a side has less than seven players, they will be deemed to have conceded the fixture.
 - b. Clubs playing less than 11 players in games in the Premier Section and Divisions 1 and 2 may incur the maximum permitted fine and a points deduction.

- c. In the event that a club cannot field 11 players in all of its fixtures on a particular day, then a lower team must not field more than or equal to the number of players in the higher team (for example, if the club has 19 players available, they may play 11 in the first team and eight in the second team, or 10 in the first team and nine in the second team; if there are 30 players available for a club that has three teams, then they may play 11 in the first team and 11 in the Second team, and eight in the third team; or 11 in the first team, 10 in the second team, and nine in the third team).
- ii *Late arrival of players.* The provisions of the Laws of the Game (24 and 25) will apply in the Premier Section and Divisions 1 and 2. In Divisions 3 to 9, any player arriving late may take a full part in the game. Immediately on the arrival of the late player, the captain must inform the umpire of their arrival.

7 Toss, nomination of players and pre-match meeting

- i. *Toss.* The toss will take place at a pre-match meeting between captains and umpires, no later than 30 minutes before the scheduled start time in the Premier Section, or between 15 and 30 minutes before the start time in the Senior Section. If a team does not provide a suitable representative for this meeting, the umpires will at their discretion award or delay the toss.
- ii. *Team cards.* Before the toss for innings, the captain of each side must complete a team card nominating their players and give it to the umpires. This must specify the dates of birth of all players aged under 19 on 31 August in the year before the game.
- iii. *Under-12/13s.* Parental permission must be provided for any player in the under-12 or under-13 age groups.
- iv. *Pre-match meeting.* At the meeting:
 - a. the captains and umpires must agree on drinks intervals and any other issues specific to the game
 - b. both teams will give the umpires a match ball and spares; in the Premier Section the Oxbridge *Windsor* ball must be used, in Divisions 1 & 2 the red Reader *Sovereign* ball must be used, and in Divisions 3 to 9 either the Reader *Sovereign* or *League Special* ball must be used
 - c. the umpires will advise on behaviour standards expected in relation to the Spirit of Cricket, after which captains will be expected to advise their players accordingly

8 Practice on the day of the game

- i. No practice will be allowed on the playing area in the five minutes before the scheduled time of start or the resumption of play after any interval. Other than at these times, practice will be allowed on the playing area on the day of the game whilst play is not in progress, except on the strip being used for the game and the two strips to either side of it. The home team should designate a cut strip on the square and an area on the outfield where the visitors can practice.
- ii. Whilst play is in progress, there will be no practice on the playing area, except that a new bowler will be allowed a maximum of two practice deliveries on the outfield before bowling. The umpires have the authority to stop or not allow practice on the square if weather conditions mean it may cause damage to the surface.

9 Intervals

- i. *Tea.* A tea interval of 30 minutes will normally be taken between innings. When tea is taken during a stoppage due to ground or weather conditions, a further 15-minute interval will be taken between the innings.
- ii. *Drinks.* One drinks interval will normally be taken in each innings; this may be dispensed with or added to only by agreement of both captains at the pre-match meeting.
- iii. *Rolling the pitch.* The pitch may be rolled for a maximum of seven minutes during the interval between innings. The home side must ensure that a roller is available for this purpose. No other rolling of the pitch will be permitted after the toss.

10 **Designated players' viewing areas.** At all games, the home club must provide a designated separate viewing area for players and officials. This may be a balcony or separate area in front of the dressing rooms. In the Premier Section, if this area is not already part of the design of the ground, it should be roped off with appropriate signage.

11 **Teas.** The home club will provide teas for both teams, scorers and umpires at all games. All visiting teams must pay for a minimum of 11 teas. The maximum charge for teas is £5 per tea. Teas must be provided for the umpires and scorers free of charge.

12 Weather conditions

- i. *Rain.* No play will start or restart in rain.
- ii. *Protecting pitches.* Clubs are responsible for taking all possible action to ensure that play can start and restart promptly. Action must be taken to cover the pitch and necessary surrounding areas, where necessary, whenever rain is forecast in the days immediately before the game and on the morning of the game itself.
- iii. *Covering the pitch.* Pitches, including where possible bowlers' run-ups and wicket-ends, should be covered during the game whenever there is a stoppage due to rain.
- iv. *Drying equipment.* Drying equipment, including a soaking machine, forks, and materials to help dry wicket ends, must be available and used on the day of the game whenever necessary.

13 Time lost before and during the game

Premier Section

- i. *Calculating overs lost.* All time lost after the scheduled start time will be aggregated. The first 30 minutes lost will be ignored. The 30 minutes allowed for tea will not count as lost playing time for the purposes of calculating the number of overs to be played, but the additional 15 minutes for the change of innings when tea is taken before the end of the first innings will be counted. Any time lost due to ground, weather or light conditions in excess of 30 minutes (except as in 13.iii) will result in the deduction of four overs for every further complete 15 minutes lost. For example:

<i>Time lost in total</i>	<i>Net loss over 30 mins</i>	<i>Overs deducted</i>
20 mins	Nil	nil
1 hr	30 mins	8
2hrs 25 min	1 hr 55 min	24 (10 min ignored)
4 hrs 10 min	3 hrs 40 min	52 (10 min ignored)

- ii. *Use of DLS.* Where overs are reduced after the start of the game, the result will be determined by the DLS method. DLS version 5 is to be used in all cases.
- iii. *Carrying forward time saved.* Where, for whatever reason, the first innings lasts for less than 3 hours 10 minutes, or a proportionately reduced time, the balance of unused time will be added to the 30 minutes that is allowed before overs are reduced in the second innings. For example, when the first innings lasts for 2 hours 30 minutes and no

time has been lost, there is an unused balance of 40 minutes, which means that in the second innings, 1 hour 10 minutes will be allowed before overs are deducted as above.

Senior Section

- iv. *Reducing overs.* If adverse weather delays the start of a game, umpires will deduct overs on the basis of one over per side for every full seven and a half minutes' play lost. After a game has started there can be no reduction of overs, and the game will continue as long as the umpires consider conditions are fit to do so.
- v. *Reducing overs before the start.* If bad weather is forecast on the day, teams may play a reduced-over game. A minimum 30 overs per side (Divisions 1 & 2) or 25 overs per side (Divisions 3 to 9). If captains cannot agree the umpires will decide. The umpire's fees will remain unchanged in a reduced-over game.
- vi. *Games with no appointed umpires.* Where captains cannot agree on a reduced-over game, the status quo will apply.
- vii. *Safeguarding.* Umpires and captains must be mindful of Safeguarding guidelines when there are ground weather and light issues, or a game continues after normal finishing time.

14 **Over-rates.** Teams are expected to bowl a minimum of 16 overs per hour.

Premier Section

- i. *Target time.* The target time for the completion of a 50-over innings is three hours 10 minutes. This target will be adjusted pro rata in the event of the scheduled number of overs in an innings being less than 50. The umpires may also at their discretion extend the target time allowed for the innings to compensate for unscheduled stoppages.
- ii. *Penalty runs.* Penalty runs will be awarded in the event of an innings not being completed within the target time. The batting side will be awarded five penalty runs for each full over remaining to be bowled at the target time. The over in progress at this time will not count. Penalty runs awarded under this rule will be applied immediately the ball becomes dead after the target time has passed.

Senior Section

- iii. *Target times.* Teams must bowl their overs within the times below:
 - *Divisions 1 & 2* - 3 hours and 10 minutes
 - *Divisions 3 to 5* - 2 hours and 55 minutes
 - *Divisions 6 to 9* - 2 hours and 30 minutes

- iv. *Adjusting target times.* These targets will be adjusted pro-rata in the event of the scheduled number of overs in an innings being less than 50. The umpires may also at their discretion extend the target time allowed for the innings to compensate for unscheduled stoppages.
- v. *Penalty runs.* All sides are expected to be in a position to bowl the first ball of the last over within the allocated playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with five runs for every over that has not been started within the times in 14.iii. This will apply to both innings of the game. If the side batting second is credited with runs in this way, and this consequently takes the score to or past their victory target, then the game will be deemed to have been won by the side batting second.
- vi. All penalties under this rule will be imposed immediately once the ball becomes dead. Play must not continue until the umpires and scorers are satisfied that the score is displayed on the scoreboard. If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings.

15 **Fielding restrictions**

- i. *Fielding circles.* Throughout the game, the fielding side shall have a minimum of six players, including the wicket keeper and bowler, inside a designated area, which is defined by two semi-circles, each with a radius of 30 yards, with their centres being the middle stumps. The ends of each semi-circle shall be joined to the other by a straight line drawn on the field on the same side of the pitch. Clubs must use white plastic discs to mark out the designated area; white lines alone are insufficient.
- ii. *No ball penalties.* Either umpire will call and signal a 'no ball' at the instant of delivery if a fielder infringes this rule.
- iii. *Fielder leaving the field of play.* If a fielder leaves the field during play, or is absent at the start of an innings, they will not incur penalty time under law 24.2 for the first 15 minutes of any absence.
- iv. *Leg-side fielders.* In the Senior Section, no team shall field no more than five fielders on the leg-side at any time. In the event of any breach, either umpire should call and signal 'no ball'.

16 Bowling restrictions

- i. *Short-pitched deliveries.* No bowler may bowl more than two short-pitched deliveries in any over, irrespective of which batsman is on strike. 'Short-pitched' is defined as above shoulder height to the batsman when standing upright in his crease, and will be indicated as such by the bowlers' end umpire. Any subsequent short-pitched delivery will be called a 'no ball.'
- ii. *Full-pitched deliveries.* Any full pitched ball (regardless of pace) which passes or would have passed above waist height of the striker standing upright at the crease shall be called a 'no ball'. The umpire will implement the procedures set out in Law 41.7.1 to Law 41.7.6.
- iii. *Leg-side wides.* In the Premier Section and Divisions 1 and 2, umpires will apply a very strict and consistent interpretation of the law relating to leg-side wide balls. Any ball passing down the leg side of the batsman and outside the line of the leg stump, which does not come into contact with the bat or any part of the batsman's person, will be called and signalled 'wide ball' regardless of any movement on the batsman's part, other than to play a 'reverse sweep' or 'switch hit.' In the latter circumstances, the ball will not be considered a 'wide ball' simply because it has passed the batsman on what would have been his leg-side.
- iv. *Premier Section and Divisions 1 & 2.* No bowler shall bowl more than one-third of the overs in an innings (fractions of an over to count as one over), with an upper limit of 15 overs.
- v. *Divisions 3 to 5.* No bowler shall bowl more than one-third of the overs in an innings (fractions of an over to count as one over), with an upper limit of 13 overs.
- vi. *Divisions 6 to 9.* No bowler shall bowl more than one-third of the overs in an innings (fractions of an over to count as one over), with an upper limit of 10 overs.
- vii. *Reductions to bowlers' overs limits.* The maximum number of overs that a bowler may bowl will be reduced pro-rata if the number of overs in the innings is reduced before the start of the innings. The maximum number of overs permitted per bowler will be as follows:

Premier section		Senior Section		
		Overs/inns	D1-D5	D6-D9
Overs/inns	Max/bowler		Max/bowler	Max/bowler
20	6	20-24	7	6
21-23	7	25-28	8	7
24-26	8	29-33	9	8
27-29	9	34-36	10	9
30-32	10	37-39	11	10
33-35	11	40-43	12	-
36-38	12	44-46	13	-
39-41	13	47-49*	14	-
42-44	14	* Divisions 1 & 2		
45-49	15			

- 17 **Lost balls.** Lost balls are to be replaced with a ball in similar condition. If the away team, when fielding, lose the match ball and the spare, the home team shall provide all additional balls which shall be approved by the umpires. Members of the batting side must search for any lost balls during play

18 Scoring

- i. Each team will provide a scorer for the game. All Premier Section teams must have a scorer working towards ACO level 2 standard.
- ii. Should a team fail to provide a scorer, they must nominate a scorer for the whole game from their eleven nominated players. This acting scorer may only be relieved if a suitable alternative scorer is provided. An acting scorer will be allowed to bowl immediately on taking the field.
- iii. The home club must provide an enclosed area for scorers away from spectators. The scoreboard must be updated accurately, at least at the end of each over, and must display the overs remaining, which will include the over being bowled.
- iv. In the Premier Section, both clubs should check that the scorecard is correctly downloaded after the game, and that any queries, for example, 'unknowns' or registration issues are promptly resolved.
- v. In the Senior Section:
 - a. A full summary result and full detailed scorecard of the game, (referring to the club's Play-Cricket (P-C) administration Action Centre to clear any outstanding issues) together with the leading performances, must be posted by the home team on their clubs P-C website by 22.30hrs on the day of all games.

- b. The home team must confirm the full summary result and full detailed scorecard of the game on their club's P-C website by 22.30hrs on the day of the game. The away team must confirm the full summary result and full detailed scorecard of the game by midday on the day following the game, on their club's P-C website, referring to the club's P-C administration Action Centre to clear any outstanding issues.
- vi. Both the home and away clubs must ensure that all players are registered to the YCSPL and identified correctly in all aspects of the administration scorecard within 48 hours following the game start time for games played on the Saturday, Sunday or Bank Holiday Monday. Any player not identified correctly in all aspects of the scorecard on the administration scorecard will incur a team penalty under League Administrative Rule 13.
- vii. In the Premier Section, all teams must use the P-C *Scorer Pro* and the Live Scores service.
- 19 **Results and point-scoring.** The results of all games will be determined in accordance with Law 21.2.
- i. *DLS operation.* In the Premier Section, the DLS system will be used to determine results in the event of inclement weather. A printer must be provided by the home side to enable DLS printouts to be given to captains and umpires. The DLS par score must be displayed on the scoreboard at the end of each over in the second innings.
- ii. *Award of match points.* Points will be awarded in both Sections as follows, irrespective of whether the game has been played over 100 overs, overs are reduced, or whether the DLS method has been used:
- 12 points for the winning side
 - eight points for both sides in a tied game
 - four points for both sides in any game where a result cannot be achieved
 - bonus points for the losing side based on their second innings performance;
 - for scoring 90% of the total of the side batting first (four points) or 70% (two points) *or*
 - for taking eight wickets (four points) or for taking six wickets (two points)

Bonus points will be awarded irrespective of whether the losing side is bowled out; in games decided by DLS the percentages will be based on the DLS par score at the conclusion of the game. In the Senior Section, as DLS is not used, any bonus points gained in incomplete games will be awarded.

- 20 **Position of teams in the league table.** Where two or more teams have the same number of points in the league table, they will be differentiated by the first of the following criteria that separates them:
- i. the team with the most wins
 - ii. points won in the games between them
 - iii. net run rate
- 21 **Captains' and umpires' reports.** These will be required only in the Premier Section and Divisions 1 to 3. After all games in which 25 overs or more have been bowled, captains and umpires must complete relevant online reports. These reports cannot be completed until the following day but must be personally completed by either the team captain or vice-captain and the umpires within three days. In circumstances where no report is required under this rule, ie, when less than 25 overs are played, either captain or umpire may complete a report if there is any issue they wish to draw to attention.
- 22 **Penalties.** Breaches of these rules may result in penalties being imposed in accordance with League Administrative Rule 13.

Other League rules

All other league rules and policies can be found on our website, under 'governance', at www.ycspl.co.uk. These include:

Administrative rules	Grounds & facilities criteria
Applications to join the YCSPL	Hosting prestige games
Code of Conduct & Spirit of Cricket	K3 Dental and Whitworth Cup rules
Constitution	Live-streaming of YCSPL games
ECB Anti-Discrimination code	Overseas player rules
Electronic media policy	Privacy policy notice
Expenses policy	Safeguarding policy
General conduct regulations	

Rules for all YCSPL Cup & T20 competitions

Cup competitions

1. *Governance.* The following arrangements will apply:
 - i. Yorkshire Leagues Knock-Out Cup (currently the *K3 Dental Cup*). The competition will be jointly owned and managed by Yorkshire Premier League North (YPLN) and the YCSPL (specifically the Premier Section cricket committee). Both leagues will nominate two people to form a cup committee that will decide on all matters relating to the interpretation of the rules and to games played in the competition.
 - ii. Whitworth Cup. The competition will be managed by the Premier Section cricket committee.
 - iii. Mick Savage Trophy, President's Trophy and Billy Oates Memorial Cup. These competitions will be managed by the Senior Section cricket committee.

2. *Playing conditions*
 - i. All cup competitions will follow the ECB Generic 40-Over Playing Conditions except as provided for in these rules. There is no carry-over of overs in any cup competition.
 - ii. Leg-side wides and power plays will apply in all cup competitions, except the President's Trophy and the Billy Oates Memorial Cup.
 - iii. Where powerplays are used, the following will apply. At the instant of delivery:
 - **Powerplay 1** – no more than two fielders shall be permitted outside this fielding restriction area. In an innings of 40 overs, these are overs 1 to 8 inclusive.
 - **Powerplay 2** – no more than four fielders shall be permitted outside this fielding restriction area. In an innings of 40 overs, these are overs 9 to 32 inclusive.
 - **Powerplay 3** – no more than five fielders shall be permitted outside this fielding restriction area. In an innings of 40 overs, these are overs 33 to 40 inclusive.

Any adjustments to powerplays due to over reductions will be in accordance with the ECB Generic 40 Over Playing Conditions

- iv. Fielding restrictions in the President's Trophy and the Billy Oates Memorial Cup will be as in league games, ie, six players within the circle at all times.
3. *Club entry to cup competitions*
 - i. Eligibility for the different cup competitions is as follows:
 - a. *K3 Dental Cricket Cup* – All 12 Premier Division clubs (entry is mandatory).
 - b. *Whitworth Cup* – All 12 Championship Division clubs, the two clubs relegated from the Championship at the end of the previous season, plus the third- and fourth-placed clubs in Division 1 at the end of the previous season (entry is mandatory).
 - c. *Mick Savage Trophy*. The eight remaining Division 1 teams plus all 12 Division 2 teams (entry is mandatory).
 - d. *President's Trophy*. Will be open to all teams in Divisions 3 to 5, subject to a maximum of one team per club (entry is optional).
 - e. *Billy Oates Memorial Cup*. Will be open to all teams in Divisions 6 to 9, subject to a maximum of one team per club (entry is optional).
 - ii. Where it is necessary to vary the competition into which clubs in Division 1 and below are entered, this will be at the discretion of the Senior Section cricket committee.
 4. *Fixtures*. Games will normally be played on Sundays or Bank Holidays. Except in the final, games will start at 12.30hrs (*K3 Dental Cup*) and 12 noon (all others). All finals will start at 12 noon. Games before the final may start later to accommodate a junior or womens' & girls' game, if so agreed by both teams involved. Scheduled dates for each round will be provided by the competitions manager prior to the start of the competition. Where there is a clash with ECB National Club Championship, the latter will take precedence; in the event of a clash with any other cup competition, including the National Village knock-out cup, the YCSPL cup game must take precedence. Otherwise, these dates may only be changed in exceptional circumstances, where agreed by both clubs and the head of the relevant YCSPL Section.
 5. *Late arrival of players*. The provisions of Laws 24 and 25 will apply in the *K3 Dental Cup*, the *Whitworth Cup* and the *Mick Savage Trophy*. In the *President's Trophy* and the *Billy Oates Memorial Cup*, any player arriving late may take a full part in the match. Immediately on the arrival of the late player, the captain must inform the umpire of their arrival.

6. Results

- i. In all games in the *K3 Dental Cup*, the *Whitworth Cup*, and the finals of all other cup competitions, where weather and ground conditions result in a loss of overs, DLS will be used to achieve a result.
 - ii. When DLS is not used and weather and ground conditions result in a loss of overs, provided that a minimum of ten overs have been bowled in the second innings, the result will be determined by comparing the score at the end of the last completed over of the second innings, with the score at the end of the corresponding over in the first innings. The winner will be the side that has scored the most runs, or, if runs are equal, the side that has lost the fewest wickets. It is necessary therefore, where DLS is not being used, for scorers to note the score at the end of each over. If a result cannot be achieved in this manner, 6.iii below will apply.
 - iii. Except in the *K3 Dental Cup*, where a result is not achieved on the field in a game up to and including the quarter-final stage, the game will be decided by a 'bowl out' or 'coin toss'.
 - iv. In order to constitute a game, both sides must have the opportunity to bat for a minimum of ten overs.
 - v. In the event of a reserve date being required, the organising committee may, in exceptional circumstances, allow that date to be adjusted as long as the game is completed at least seven days before the scheduled date for the next round. Any rearrangement must be authorised by the relevant YCSPL Section committee committee by email.
7. *Cancellations*. When a game is cancelled before the scheduled start time, it will be the responsibility of the home team to contact the visitors and umpires to let them know that the game will not take place. They should make verbal contact with the both (it is not acceptable to just leave or send a message).
8. *Concessions*. Clubs conceding cup-ties will be liable to League-point penalties being applied as follows, in addition to any other penalty that the relevant YCSPL Section committee may deem fit:
- i. *K3 Dental Cup* – penalties for any concession will be decided by the joint organising committee, and may include a ban from future competitions
 - ii. *Whitworth Cup* and *Mick Savage Cup* – 12 points
 - iii. *President's Cup* – nine points
 - iv. *Billy Oates Memorial Cup* – six points

9. *Balls.* In the *K3 Dental Cup* and *Whitworth Cup*, a separate pink *Oxbridge Windsor* ball will be used from each end, both of which will be new at the start of each innings. The ball used for the *Mick Savage Trophy*, *President's Trophy* and *Billy Oates Memorial Cup* will be the red *Readers Sovereign* or *League Special*.
10. *Clothing and equipment*
 - i. Coloured clothing must be worn in the *K3 Dental Cup* and *Whitworth Cup*, but equipment such as pads and batting gloves are not required to be colour co-ordinated.
 - ii. White clothing must be worn in the *Mick Savage Trophy*, *President's Trophy* and *Billy Oates Memorial Cup*.
 - iii. The provisions of *League Administrative Rule 43* must also be followed in all cases.
 - iv. Sightscreens may be black or white.

T20 competitions

11. *YCSPL T20 competitions.* Two T20 competitions will be run, the *T20 Blast* and *T20 plate*. The winners of the *T20 Blast* will progress into the national *Vitality T20* competition; the winners of the *T20 Plate* will progress into the national *Vitality T20 plate* competition.
12. *Governance.* The *T20 Blast* competition will be the responsibility of the *Premier Section Cricket Committee* and the *T20 Plate* competition will be the responsibility of the *Senior Section Cricket Committee*.
13. *Playing conditions.* Both competitions will follow the rules of the *ECB Generic 20-over* playing conditions.
14. *Club entry*
 - i. Entry to the *T20 Blast* competition is mandatory for all *Premier Division* clubs.
 - ii. A maximum of 12 clubs not in the *Premier Division* may enter their first XI team in the *T20 Plate* competition. If more than 12 clubs wish to enter, the top 12 will be admitted, based on the previous season's league tables.

15. *Format.* The two competitions will each comprise a group stage, a semi-finals day, and a finals day, as follows:
- i. *In the group stage,* there will be four groups, each comprising of three teams. Each team will play the other two in their group, and points will be awarded on the basis of two for a win; one for a tie or 'no result'; and none for a defeat. Games will be scheduled to start at 10.00, 13.15 and 16.30.
 - i. If two teams finish level at the top of their group, the team that won the game between the two will be the group winner. If this game is a tie or 'no result', the group winner will be decided on net run rate. Net run rate is calculated as (runs scored/overs faced) minus (runs conceded/overs bowled). Where net run rate is used, if a side is bowled out inside its' scheduled overs, the calculation should use the overs allocated rather than the actual overs bowled. The calculation excludes 'no result' games.
 - ii. *In the semi-finals,* the four group winners will play each other on the ground of the club drawn first. Clubs in the semi-final stage may bring games forward by mutual agreement, and they may be played in an evening, provided that they are played by the scheduled date. Any rearrangement must be notified to the head of the relevant YCSPL Section.
 - iii. *The finals* of both competitions will be played on the same day on the same ground, with the Plate final commencing at 11.00 and the Blast final at 15.00.
16. *Cancellations.* When play is cancelled before the scheduled start time, it will be the responsibility of the host team to contact the visitors and umpires to let them know that games will not take place. They should make verbal contact with the both (it is not acceptable to just leave or send a message).
17. *Balls.* In the T20 Blast competition, a new pink Oxbridge *Magna* ball will be used for each innings; in the T20 Plate competition, a new Reader pink ball will be used for each innings.
18. *Clothing and equipment*
- i. Coloured clothing must be worn, but equipment such as pads and batting gloves are not required to be colour-co-ordinated. The provisions of League Administrative Rule 43 must also be observed.
 - ii. Sightscreens may be black or white.

19. *Deciding results of games*

- i. In all games in the T20 Blast and the finals of the T20 Plate, where weather and ground conditions result in a loss of overs, DLS will be used to achieve a result.
- ii. In games in the T20 Plate, other than finals day, DLS may be used to achieve a result when weather and ground conditions result in a loss of overs.
- iii. Where DLS cannot be used, the result will be determined by comparing the score at the end of the last completed over of the second innings, with the score at the end of the corresponding over in the first innings. A minimum of five overs have been bowled in the second innings. The winner will be the side that has scored the most runs, or, if runs are equal, the side that has lost the fewest wickets. It is necessary therefore, where DLS is not being used, for scorers to note the score at the end of each over.
- iv. If a result cannot be achieved by the above means, the game will be decided by a 'bowl out' or 'coin toss'.

General

20. *Playing conditions.* All games in these competitions will be played in accordance with the Laws of the Game, the Spirit of Cricket and all current ECB directives, except where specifically stated in these rules. Free hits will apply in all cup and T20 competitions. Pitches must be marked with the 17" lines to assist umpires judge wide balls in the K3 Dental Cup, Whitworth Cup, the Mick Savage Trophy and both T20 competitions.
21. *Player eligibility.* Players will only be eligible to play in the cup competitions if, as bone fide registered members of their club, they are eligible to play in the YCSPL. A player may only play for one club in any cup competition in a given season. Overseas players and contracted county staff are eligible to play in the competition, provided that they comply with the above. The provisions of administrative rule 47 must be followed in relation to team selection for all cup games.
22. *Scoring.* Clubs must provide a scorer for all games. Where no scorer is provided, a player must be designated to undertake scoring duties and the side must play with a player short. Matches shall be scored where possible utilising electronic methods with live scoring, to promote the competition. Where electronic scoring is not possible, clubs should give regular score updates via social media.

23. *Umpires.* Umpires will be appointed for all games by the Appointments Officer via 'Who's The Umpire'. Where umpires attend the ground, whether the game commences or not, they will be entitled to their full fees.
24. *Match Results*
- i. In all games where Live Scoring is used, both clubs should check that the scorecard is correctly downloaded after the game, and that any queries, for example, 'unknowns' or registration issues are promptly resolved.
 - ii. In games where Live Scoring is not used:
 - a. A full summary result and full detailed scorecard of the match, (referring to your club's Play-Cricket administration Action Centre to clear any outstanding issues) together with the leading performances, must be posted by the home team on their club's Play-Cricket website by 22.30hrs on the day of the match for all matches.
 - b. The home team must confirm the full summary result and full detailed scorecard, after the clearance in their Action Centre on their club's Play-Cricket website of all outstanding issues relating to the match, by 22.30hrs on the day of the match. The away team must confirm the full summary result and full detailed scorecard of the match by midday on the day following the match, on their club's Play-Cricket website, referring to the club's Play-Cricket administration Action Centre to clear any outstanding issues.
 - c. Both the home and away clubs must ensure that all players are registered to the YCSPL and identified correctly in all aspects of the administration scorecard within 48 hours following the match start time for matches played on the Saturday, Sunday or Bank Holiday Monday. Any player not identified correctly in all aspects of the scorecard on the administration scorecard will incur a team penalty as in rule 13.
 - iii Cup Games. Games cannot be entered as abandoned or cancelled, as a result must be obtained at some time. Summary results, scorecards or other details must not be entered if the game was abandoned, cancelled, or requires a replay. The competition administrator must instead be advised of the date of the re-scheduled game.
25. *Reports.* Umpires and captains' reports will only be required in the *K3 Dental Cup*, *Whitworth Cup* and *Mick Savage Trophy*.
26. *Finals.* Costs of the finals for the cup and T20 competitions, including balls, teas and umpires, will be met by the League.

27. *Conduct of games.* In all respects not specifically provided for in these rules, games will be played in accordance with the relevant YCSPL rules and policies.
28. *Disputes.* All issues in connection with the running of these competitions will be decided by the relevant organising committee. In the event of any appeal against any decision of the committee, the grounds for appeal must be notified by email to the head of the relevant YCSPL Section within seven days of the notification of the decision in question. Arrangements will be made for an appeal to be heard by panel made up of three people with no connection with any club involved.

Additional note – Law 41-3 Saliva on the ball:

In all YCSPL games, if the umpires notice any instance of the use of saliva on the ball, they will issue a ‘first and final warning’ to the fielding side before invoking any formal action as in law 41.3.

Match reports

Captains and umpires are reminded that match reports must be completed on *Who's the Umpire* (www.whostheumpire.com) after all games in which 25 overs or more have been bowled in the Premier Section, Divisions 1 to 3, the *K3 Dental Cup*, and the *Whitworth and Mick Savage Cups*. Reports must be personally completed by either the team captain or vice-captain and the umpires within three days after the game (Playing Condition 21).

Cancellations

When a game is cancelled before the scheduled start time, the home team must contact the visitors, the umpires, and the umpires' appointments officer (David Ward 07753 866144 or Linzey Scothern 07704 472132) to let them know that the game will not take place. They should make verbal contact with the visitors and umpires (it is not acceptable to just leave or send a message).

Club directory

Note that all games are to be played on the grounds shown in this section unless specifically shown otherwise in the Fixtures section

Ackworth CC

South Yorkshire Womens' & Girls Cricket League

From 2023, the South Yorkshire Women's and Girls League (SYW&GCL) has come under the umbrella of the Yorkshire Cricket Southern Premier League in terms of governance, safeguarding and the disciplinary structure.

This represents a great opportunity to strengthen and expand the YCSPL, whilst supporting the further expansion of women's and girls' cricket in South Yorkshire.

The SYW&GCL has been rapidly expanding since the end of the pandemic; last year there were four divisions of softball cricket, a hardball cup competition, and a number of clubs also playing hardball league cricket. This season, there will be 36 teams in four softball divisions and 11 teams in the hardball Super 8s – an increase of 10 teams from last year.

Following this very fast expansion of SYW&GCL over a short space of time, it now needs supporting policies and structure to be in place to help its' governance, and the YCSPL is delighted to help support it by sharing its own established infrastructure.

This will not result in any significant change for the clubs and players. Fixtures will be generated and registration for the new season will take place in the normal way. Mel Mahmood, YCSPL Participation Manager, has taken overall responsibility for supporting the Women's & Girls League in the YCSPL, and represents its interests on the League Executive Board.
