ZEISS VISUPHOR 500 and ZEISS VISUSCREEN 500

Benefits for practice and patient with ZEISS VISUPHOR 500 and VISUSCREEN 500

Faster process than with a trial frame due to guided and customisable refraction workflow.

Reassure patient by maintaining physical distancing due to iPad control.

Visible display to patient of best practice hygiene routine with easy clean, even surface vs trial frame.

With the ZEISS Lens Rebate Scheme you can use your lens spend to cover the full cost of ZEISS equipment.*

Equipment	Months	Price	Monthly payments	Required lens spend per month to receive 100% of investment
ZEISS VISUPHOR 500*	36	£9,500	£303	£3,027
ZEISS VISUSCREEN 500	36	£7,000	£223	£2,230
ZEISS VISUSCREEN 100	18	£4,000	£291	£2,911

*VISUPHOR 500 must be purchased with either VISUSCREEN 500 or 100 as a bundle package. The VISUSCREEN is controlled via an iPad which in turn controls the VISUPHOR for a contactless, streamlined workflow. Full bundle cost for VISUPHOR 500 and VISUSCREEN 500 is £16,500 and for VISUPHOR 500 with VISUSCREEN 100 is £13,500.
