Fraud prevention and detection

In order to prevent and detect fraud we may at any time:

- check your personal data against counter fraud systems
- use your information to search against various publicly available and third party resources
- use industry fraud tools including undertaking credit searches and to review your claims history
- share information about you with other organisations including but not limited to the police, the Insurance Fraud Bureau (IFB), other insurers and other interested parties.

If you provide false or inaccurate information and fraud is identified, the matter will be investigated and appropriate action taken. This may result in your case being referred to the Insurance Fraud Enforcement Department (IFED) or other police forces and fraud prevention agencies. You may face fines or criminal prosecution. In addition, Zurich may register your name on the Insurance Fraud Register, an industry-wide fraud database.

Claims history

We may pass information relating to claims or potential claims to the Claims and Underwriting Exchange Register (CUE), where the data is controlled by the Motor Insurers' Bureau, and other relevant databases.

We and other insurers may search these databases when you apply for insurance, when claims or potential claims are notified to us or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

This helps to check information provided and prevent fraudulent claims.

Employers' Liability Tracing Office (ELTO)

We are members of the Employers' Liability Tracing Office (ELTO), an independent industry body who maintains a centralised database that helps those who have suffered injury or disease in the workplace to identify the relevant Employers' Liability insurer quickly and efficiently.

It is important, for the services of ELTO to be fully effective, that you inform us of your ERN (Employer Reference Number also known as the Employer PAYE reference) and all subsidiary company names and their ERNs if applicable.

As members of ELTO we will forward details of your policy if it contains Employers' Liability cover to ELTO together with details of any ERNs you have supplied to us.

General conditions

The following conditions apply to the whole policy except Section J – Legal expenses unless stated otherwise below. Other special conditions that may be applicable to a section of cover will be set out in the section of cover.

1. Alteration

You must notify **us** as soon as possible during the period of insurance if there is any change in circumstances which materially increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change **we** will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to **us** then **we** may no longer be able to provide **you** with cover.

If **you** do not notify **us** of any such change this policy may be affected in one or more of the following ways depending on what **we** would have done had **we** known about the change in circumstances:

- a) if **we** would not have continued to provide **you** with any cover **we** may treat this policy as if it did not exist from the date of the change in circumstances; or
- b) if **we** would have applied different terms to the cover **we** may treat this policy as if those different terms applied from the date of the change in circumstances; and/or
- c) if **we** would have charged **you** a higher premium for providing the cover **we** will charge **you** the additional premium which **you** must pay in full.

You should keep a record (including copies of letters) of all information supplied to **us** in connection with this insurance.

2. Arbitration

If **we** admit liability for a claim but there is a dispute as to the amount to be paid the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by **you** and **us** in accordance with the law at the time. **You** may not take any legal action against **us** over the dispute prior to the arbitrator having reached a decision.

3. Cancellation by you

If **you** decide **you** do not want to accept this policy or any subsequent renewal of it please tell **us** (or **your** broker or insurance intermediary) within 14 days of receiving this policy or renewal notice. **We** will charge **you** on a pro rata basis for the time **we** have been on cover subject to a minimum policy premium of £50 plus insurance premium tax (IPT).

If the policy is cancelled at any other time **we** will charge **you** on a pro rata basis for the time **we** have been on cover subject to the minimum policy premium.

We will not refund any premium if **we** have paid a claim or one is outstanding when the policy is cancelled. Where a claim is submitted after the policy has been cancelled **we** will deduct the amount of any premium returned to **you** following the cancellation from any claim payment **we** may make to **you**. If **you** are paying by instalments and **you** have made a claim **you** must still pay **us** the balance of the full annual premium. If **you** do not do this **we** may take the balance of any outstanding premium from any claim payment **we** are making to **you** subject to the Consumer Credit Act 1974 if it applies.

4. Cancellation by us

We have the right to cancel this policy or any section or part of it by giving 14 days notice in writing to **your** last known address.

You will be entitled to a pro rata return of premium from the date of cancellation subject to a minimum policy premium of £50 plus insurance premium tax (IPT).

We will not refund any premium if **we** have paid a claim or one is outstanding when the policy is cancelled. Where a claim is submitted after the policy has been cancelled **we** will deduct the amount of any premium returned to **you** following the cancellation from any claim payment **we** may make to **you**. If **you** are paying by instalments and **you** have made a claim **you** must still pay **us** the balance of the full annual premium. If **you** do not do this **we** may take the balance of any outstanding premium from any claim payment **we** are making to **you**.

5. Contractual right of renewal (tacit)

If **you** pay the premium to **us** using **our** Direct Debit instalment scheme **we** will have the right which **we** may choose not to exercise to renew this policy each year and continue to collect premiums using this method. **We** may vary the terms of this policy including the premium at renewal. If **you** decide that **you** do not want **us** to renew this policy provided **you** tell **us** or **your** broker or insurance intermediary prior to the next renewal date **we** will not renew it.

6. Fair presentation of the risk

- a) At inception and renewal of this policy and also whenever changes are made to it at **your** request **you** must:
- i) disclose to **us** all material facts in a clear and accessible manner; and
 - ii) not misrepresent any material facts.
- b) If **you** do not comply with clause a) of this condition and the non-disclosure or misrepresentation by **you** is proven by **us** to be deliberate or reckless **we** may from the relevant date specified in clause d):
- i) treat this policy as if it had not existed; and
 - ii) not return the premium paid by **you**.
- c) If **you** do not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless the cover, meaning this policy or the changes made to it, may be affected from the relevant date in clause d) in one or more of the following ways depending on what **we** would have done if **we** had known about the facts which **you** failed to disclose or misrepresented:
- i) if **we** would not have provided **you** with the cover **we** will have the option to treat the cover as if it had not existed and repay the premium paid for such cover; or
 - ii) if **we** would have applied different terms to the cover **we** will have the option to treat this policy as if those different terms apply; and/or
 - iii) if **we** would have charged **you** a higher premium for providing the cover **we** will charge you the additional premium which **you** must pay in full.
- d) Clauses b) and c) apply with effect from inception, renewal or the date of the changes, depending on when the non-compliance occurred. **We** may also recover any claims payments which have already been made to the extent that the cover under which such payments were made is being treated as if it did not exist or as if it had been subject to different terms under which the claim would not have been payable.
- e) Where this policy provides cover for any person other than **you** and that person would if they had taken out such cover in their own name have done so for purposes wholly or mainly unconnected with their trade, business or profession **we** will not invoke the remedies which might otherwise have been available to **us** under this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular insured person other than **you**.

Provided always that if the person concerned or **you** acting on their behalf makes a careless misrepresentation of fact **we** may invoke the remedies available to **us** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

7. Fraudulent claims

If **you** or anyone acting on **your** behalf:

- a) makes a fraudulent or exaggerated claim under this policy; or
- b) uses fraudulent means or devices including the submission of false or forged documents in support of a claim whether or not the claim is itself genuine; or
- c) makes a false statement in support of a claim whether or not the claim is itself genuine; or
- d) submits a claim under this policy for loss or damage which **you** or anyone acting on **your** behalf or in connivance with **you** deliberately caused; or
- e) realises after submitting what **you** reasonably believed was a genuine claim under this policy and then fails to tell **us** that **you** have not suffered any loss or damage; or
- f) suppresses information which **you** know would otherwise enable **us** to refuse to pay a claim under this policy

we will be entitled to refuse to pay the whole of the claim and recover any sums that **we** have already paid in respect of the claim.

We may also notify **you** that **we** will be treating this policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If **we** terminate this policy under this condition **you** will have no cover under this policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an insured person and not on behalf of **you** this condition should be read as if it applies only to that insured person's claim and references to this policy should be read as if they were references to the cover effected for that person alone and not to the policy as a whole.

8. Legal representatives

If **you** die **we** will insure **your** legal personal representatives for any liability **you** had previously incurred under this policy provided that they keep to the terms of this policy.

9. Payment by instalments

Reference to the payment of premium includes payment by monthly instalments. If **you** pay by this method this policy remains an annual contract.

10. Minimum transaction premium

Applicable to the whole policy including Section J – Legal expenses

If any changes are made to the policy that result in an additional or return premium of less than a minimum transaction premium of £25 plus insurance premium tax (IPT), then this premium adjustment will not be charged or refunded.

11. Reasonable care

You will take any reasonable steps to protect the property, prevent accidents and comply with laws, bye-laws or regulations and take reasonable care in the selection and supervision of **employees**.

12. Sanctions

Notwithstanding any other terms of this policy **we** will be deemed not to provide cover nor will **we** make any payment or provide any service or benefit to **you** or any other party to the extent that such cover, payment, service, benefit and/or any business or activity of **yours** would violate any applicable trade or economic sanctions law or regulation.
