In addition, Zurich may register your name on the Insurance Fraud Register, an industry-wide fraud database.

Claims history

We may pass information relating to claims or potential claims to the Claims and Underwriting Exchange Register (CUE), where the data is controlled by the Motor Insurers' Bureau, and other relevant databases.

We and other insurers may search these databases when you apply for insurance, when claims or potential claims are notified to us or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

This helps to check information provided and prevent fraudulent claims.

Employers' Liability Tracing Office (ELTO)

We are members of the Employers' Liability Tracing Office (ELTO), an independent industry body who maintains a centralised database that helps those who have suffered injury or disease in the workplace to identify the relevant Employers' Liability insurer quickly and efficiently.

6. Expert opinion

We may require **you** to obtain at **your** own expense an opinion from an expert that **we** consider appropriate on the merits of the claim or proceedings or on a legal principle. The expert must be approved in advance by **us** and the cost agreed in writing between **you** and **us**. Subject to this **we** will pay the cost of obtaining the opinion if the expert's opinion indicates that it is more likely than not that **you** will:

- c) make a successful defence.

7. Fraudulent claims

We will at **our** discretion void this section (make it invalid) from its start date or from the date of claim or alleged claim or **we** will not pay the claim if:

- c) **We** may decide to pay an *insured person* the reasonable value of the claim that the *insured person* is claiming or is being claimed against them instead of starting or continuing legal action. In these circumstances an *insured person* must allow **us** to take over and pursue or settle a claim in their name. An *insured person* must allow **us** to pursue at **our** own expense and for their benefit any claim for compensation against any other person and an *insured person* must give **us** all the information and help **we** need to do so

However if they refuse to act on this basis the most **we** will pay is the amount **we** would have paid if they had agreed to the **DAS standard terms of appointment**

General conditions

The following conditions apply to the whole policy except Section N – Legal expenses. Other special conditions that may be applicable to a section of cover will be set out in the section of cover.

1. Alteration

You must notify **us** as soon as possible during the period of insurance if there is any change in circumstances or to the material facts previously disclosed by **you** to **us** or stated as material facts by **us** to **you** which increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change **we** will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to **us** then **we** are under no obligation to agree to make them and may no longer be able to provide **you** with cover.

If **you** do not notify **us** of any such change **we** may exercise one or more of the options described in clauses c) i), ii) and iii) of General condition 6 – Fair presentation of the risk but only with effect from the date of the change in circumstances or material facts.

You should keep a record (including copies of letters) of all information supplied to **us** in connection with this insurance.

2. Arbitration

If **we** admit liability for a claim but there is a dispute as to the amount to be paid the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by **you** and **us** in accordance with the law at the time. **You** may not take any legal action against **us** over the dispute prior to the arbitrator having reached a decision.

3. Cancellation

If **you** decide **you** do not want to accept this policy or any subsequent renewal of it please tell **us** (or **your** broker or insurance intermediary) within 14 days of receiving this policy or renewal notice. **We** will charge **you** on a pro rata basis for the time **we** have been on cover subject to a minimum premium of £50 plus insurance premium tax (IPT).

If the policy is cancelled at any other time **we** will charge **you** on a pro rata basis for the time **we** have been on cover subject to a minimum premium of £50 plus insurance premium tax (IPT).

We will not refund any premium if **we** have paid a claim or one is outstanding when the policy is cancelled. Where a claim is submitted after the policy has been cancelled **we** will deduct the amount of any premium returned to **you** following the cancellation from any claim payment **we** may make to **you**. If **you** are paying by instalments and **you** have made a claim

you must still pay **us** the balance of the full annual premium. If **you** do not do this **we** may take the balance of any outstanding premium from any claim payment **we** are making to **you** subject to the Consumer Credit Act 1974 if it applies.

4. Cancellation notice

We have the right to cancel this policy or any section or part of it by giving 14 days notice in writing to **your** last known address.

You will be entitled to a pro rata return of premium from the date of cancellation.

We will not refund any premium if **we** have paid a claim or one is outstanding when the policy is cancelled. Where a claim is submitted after the policy has been cancelled **we** will deduct the amount of any premium returned to **you** following the cancellation from any claim payment **we** may make to **you**. If **you** are paying by instalments and **you** have made a claim **you** must still pay **us** the balance of the full annual premium. If **you** do not do this **we** may take the balance of any outstanding premium from any claim payment **we** are making to **you**.

5. Contractual right of renewal (tacit)

If **you** pay the premium to **us** using **our** Direct Debit instalment scheme **we** will have the right which **we** may choose not to exercise to renew this policy each year and continue to collect premiums using this method. **We** may vary the terms of this policy including the premium at renewal. If **you** decide that **you** do not want **us** to renew this policy provided **you** tell **us** or **your** broker or insurance intermediary prior to the next renewal date **we** will not renew it.

6. Fair presentation of the risk

- a) At inception and renewal of this policy and also whenever changes are made to it at **your** request **you** must:
 - i) disclose to **us** all material facts in a clear and accessible manner; and
 - ii) not misrepresent any material facts.
- b) If **you** do not comply with clause a) of this condition and the non-disclosure or misrepresentation by **you** is proven by **us** to be deliberate or reckless **we** may:
 - i) avoid this policy which means that **we** will treat it as if it had never existed and refuse all claims in which case **we** will not return the premium paid by **you**; and
 - ii) recover from **you** any amount **we** have already paid for any claims including costs or expenses **we** have incurred.

c) If **you** do not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless this policy may be affected in one or more of the following ways depending on what **we** would have done if **we** had known about the facts which **you** failed to disclose or misrepresented:

i) if **we** would not have provided **you** with any cover **we** will have the option to:

- 1) avoid the policy which means that **we** will treat it as if it had never existed and repay the premium paid; and
- 2) recover from **you** any amount **we** have already paid for any claims including costs or expenses **we** have incurred

ii) if **we** would have applied different terms to the cover **we** will have the option to treat this policy as if those different terms apply. **We** may recover any payments made by **us** on claims which have already been paid to the extent that such claims would not have been payable had such additional terms been applied

iii) if **we** would have charged **you** a higher premium for providing the cover **we** will charge **you** the additional premium which **you** must pay in full.

d) Where this policy provides cover for any person other than **you** and that person would if they had taken out such cover in their own name have done so for purposes wholly or mainly unconnected with their trade, business or profession **we** will not invoke the remedies which might otherwise have been available to **us** under this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular insured person other than **you**.

Provided always that if the person concerned or **you** acting on their behalf makes a careless misrepresentation of fact **we** may invoke the remedies available to **us** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

7. Fraudulent claims

If **you** or anyone acting on **your** behalf:

- a) makes a fraudulent or exaggerated claim under this policy; or

e) realises after submitting what **you** reasonably believed was a genuine claim under this policy and then fails to tell **us** that **you** have not suffered any loss or damage; or

f) suppresses information which **you** know would otherwise enable **us** to refuse to pay a claim under this policy

we will be entitled to refuse to pay the whole of the claim and recover any sums that **we** have already paid in respect of the claim.

We may also notify **you** that **we** will be treating this policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If **we** terminate this policy under this condition **you** will have no cover under this policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an insured person and not on behalf of **you** this condition should be read as if it applies only to that insured person's claim and references to this policy should be read as if they were references to the cover effected for that person alone and not to the policy as a whole.

8. Legal representatives

If **you** die **we** will insure your legal personal representatives for any liability **you** had previously incurred under this policy provided that they keep to the terms of this policy.

9. Payment by instalments

Where **we** refer in this policy to the payment of premiums this will include payment by monthly instalments. If **you** pay by this method this policy remains an annual contract. The date of payment and the amount of the instalment are governed by the terms of the credit agreement. If an instalment is not received by the due date then subject to the Consumer Credit Act 1974 if it applies the credit agreement and this policy will be cancelled immediately.

10. Reasonable care

Not applicable to Section O – Personal accident

You will take any reasonable steps to protect the property, prevent accidents and comply with laws, bye-laws or regulations and take reasonable care in the selection and supervision of employees.

11. Sanctions

Notwithstanding any other terms of this policy **we** will be deemed not to provide cover nor will **we** make any payment or provide any service or benefit to **you** or any other party to the extent that such cover, payment, service, benefit and/or any business or activity of **yours** would violate any applicable trade or economic sanctions law or regulation.
