

Data.census.gov Newsletter – January 2022

Learn about the latest system updates, data releases, and educational opportunities for data.census.gov.

Latest System Updates

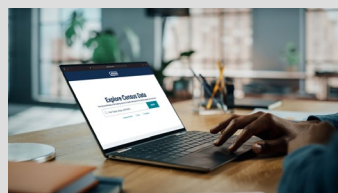

In mid-December, we released new updates to improve your experience on data.census.gov. With this release, you will now see:

- Equal Employment Opportunity (EEO) Occupation Codes

[Learn More](#)

This enhancement supports the first release of data from the American Community Survey (ACS) 5-Year Equal Employment Opportunity

Upcoming Workshops: Basics of Finding Data on data.census.gov

Due to the overwhelming interest in these workshops, we continue to add dates through March 2022.

These participatory classes walk you through examples that cover the basics of using data.census.gov to find demographic and economic data, including ways to search, options available for getting tables into Excel, how to map a table, and more.

Upcoming Webinar:

(EEO) tabulation on data.census.gov. In December, we added the six tables from the 2018 ACS 5-Year EEO tabulation to data.census.gov. We are working to add other tables from this program in the future.

The new feature that supports this release allows you to select four-digit EEO Occupation Codes in the “Codes” filter panel, such as “0120 – Financial Managers”. You may also search “0120” or “financial managers” in the single search bar.

Latest Data Releases

New Data Release:

- [2018 ACS 5-Year Estimates Equal Employment Opportunity \(EEO\) Data](#) – Dec 9
- [November 2021 Current Population Survey Basic Monthly](#) – Dec 9
