Accessories befitting a superior car:

Mercedes-Benz quality in every part. From the wood/leather steering wheel to the child seat, from the light-alloy wheels to the carrier system. Products you can rely on.

You drive a CLK-Class.

What more could you possibly want? Not a lot, because Mercedes-Benz has given the vehicle everything you could wish for: charisma and character, a remarkably dynamic design and innovative, powerful technology.

Creating a car that turns heads wherever you drive.

But wait a minute: there are a few things you could wish for. Items which articulate your own personal preferences. Items which allow you to add your own unmistakable touch to your CLK-Class. And make your journey even more enjoyable.

Your accessories wish list awaits you. To find out more, read on.

Extras to add to the star-quality

Ambience

You may want to rethink your ideas about design.

Of course your CLK-Class comes equipped with almost every conceivable interior comfort. You could be forgiven for thinking it was impossible to improve upon. Until you see the accessories shown here: sumptuous leather, fine wood, steering wheels and shift levers which resemble sculptures. A touch of luxury suits every CLK-Class. And you, of course.

Steering wheels

Shift and selector levers

Interior accessories

Child safety

Illuminated door sill panel

In high-quality stainless steel with CLK lettering and “fin” design element. Available with integral blue illuminated strip

Leather shift lever

Wood/leather steering wheel
burr walnut | stone

Note:

The shift and selector levers and the wood/leather steering wheels are available in various colours to match the interior

BusinessCase

Your mobile office in suitcase format. With separate laptop compartment, theft alarm and 12V socket.

For further details, see the Mercedes-Benz BusinessCase brochure

Inserts for the centre armrest

Subdivide the centre armrest into practical smaller compartments

Cleanbag

The ideal way to keep your car clean when you're on the move: the small “Cleanbag” for rubbish is simply attached to the net in the front passenger footwell or to the ruffled pocket on the back of one of the front seats

Zoom child seat
available with or without transponder

For children between the ages of 4 and 12. Zoom is a raised seat which ensures that the seat belt is in the correct position for the child. Belt guides at the side prevent the lap belt from repositioning itself over the child's abdomen

Isofix Duo child seat
available with transponder

This child seat, with its harness-style seat belt, combines optimum seat comfort with the usual Mercedes-Benz standards of safety. For children aged between approx. 8 months and 4 years or with a weight of between 9 kg and approx. 18 kg. The child seat can also be used in vehicles without Isofix anchorage points | not illustrated |

Vario bag
Plenty of extra space for the really important things in life

Luxury head restraint cover
anthracite | For the front head restraints

ELEGANCE seat cover
Available in various colours to match the interior. Also available for the AVANTGARDE line

Rubber floor mat, anthracite

Mounting for fire extinguisher

Velour floor mat | not illustrated |
Rep floor mat | not illustrated |
Available in various colours to match the interior

Note:
Automatic child seat recognition
Automatic child seat recognition deactivates the airbag when a child seat with transponder is used on the front seat

Fixed sunblind
black | Available for the rear window and the rear side windows | available for the Coupé only, not illustrated |

Electronics

Car electronics designed to make you sit up and take notice.

It's only natural that you will want to make use of the latest communication technology while you're on the move.

The superlatively elegant way in which the car phone, navigation system or audio system are incorporated into the interior of your CLK-Class, on the other hand, is not something to be taken for granted - just pure Mercedes-Benz.

The products shown here are intended to whet your appetite. To find out more, contact your Mercedes-Benz dealer.

Car hi-fi

Telephone accessories

Comfort-enhancing electronics

Audio 30 APS navigation system

Top-class car hi-fi combined with the latest in navigation technology: e.g. intelligent, dynamic route guidance via RDS/TMC. Multiband hi-fi tuner, single CD drive, CD changer controls, automatic telephone mute. The radio can also be operated via the multifunction steering wheel. | see illustration on pages 12/13 |

Audio 10 CD

Hi-fi tuner for FM/SW/MW/LW, single CD drive, CD changer controls, security code, automatic telephone mute. Can also be operated via the multifunction steering wheel.

Note:

The telephone consoles are available in various colours to match the appointments

Regional navigation CD-ROM

For the COMAND system and the Audio 30 APS. (Available for various European countries.) | not illustrated |

Mercedes-Benz CD changer

6-CD changer | not illustrated |

QuickParc

Ultrasonic sensors, integrated in the rear bumper, and an acoustic/visual warning system make parking and manoeuvring easier

Auxiliary heater

For ice and mist-free windows all round. Timer and optional remote control for easy use. A pleasant climate from the moment you get in, even in summer: eliminate the heated air before you set off by switching to auxiliary ventilation | not illustrated |

Mercedes-Benz hands-free system

With automatic radio mute when the phone is in use

Garage door opener on interior mirror

Easy operation of the garage door from the interior mirror

MP3 player

for your car radio's cassette drive

Can also be used outside the car with the supplied headphones; capacity can be expanded using an MMC card (not supplied)

Travel

Sportiness teamed with rational thinking.

Should owners of sporty vehicles have to compromise when it comes to stowage space and transport options? No, was the opinion of our development engineers, who took up the CLK-Class challenge and developed a range of intelligent travel products. Products which allow you to make sensible use of almost every centimetre – from the boot to the roof. Products which embody excellent design.

Carrier systems

Boot accessories

Bicycles

Note:

The products shown on these two pages are only available for the CLK-Class Coupé

1 Alustyle surfboard rack

Taking the maximum roof load into account, a maximum of two surfboard racks can be fitted per pair of basic carrier bars. Made from polyamide with spring steel reinforcements, providing cushioned support for the surfboards

2 Alustyle sports and luggage container

For up to four pairs of downhill or six pairs of cross-country skis, ski sticks and four pairs of ski boots. Capacity approx. 280 litres. Can be opened from both sides

Luggage set

A special 4-piece luggage set is available for the sports and luggage container | not illustrated |

Alustyle ski and snowboard rack

For up to two snowboards or up to four pairs of skis (without sticks) | see illustration on pages 16/17 |

Alustyle basic carrier bars

Simple to fit, thanks to integral screw threads in roof strips. Compatible with all current Alustyle attachment systems

3 Alustyle luggage container

For transporting additional luggage. Capacity approx. 400 litres

4 Alustyle tilt-down ski rack

Two ski racks can be fitted per pair of basic carrier bars, each holding three pairs of skis with sticks. The simple and practical tilt-down mechanism makes it easy to load and unload

5 Alustyle bicycle rack

Suitable for transporting cycles with a frame diameter of up to 82 mm. The support frame folds down, reducing wind resistance when driving without cycles attached

Rear-mounted bicycle rack

For the trailer coupling. For transporting two cycles. Optional rail available for attaching third cycle | not illustrated |

Shallow boot tub

Helps keep the boot clean and stops objects from sliding around. Suitable for transporting foodstuffs | available for the Coupé and the Cabriolet |

Non-slip mat

black | Non-slip mat made from oil and acid-resistant polyester | available for the Coupé and the Cabriolet |

Luggage nets

black | Luggage nets for the floor of the boot and the loading sill help keep various objects securely in place and prevent them from sliding around when you're on the move | available for the Coupé and the Cabriolet |

Drawer for below parcel shelf

The drawer keeps smaller objects out of sight and protects them from sunlight and dust | available for the Coupé only |

Snap-in stowage trays for the spare wheel recess

These snap-in stowage trays partition the spare wheel recess, allowing objects to be stowed away safely and preventing them from sliding around. The trays can be arranged as required | available for the Coupé and the Cabriolet, not illustrated |

Coolbag

Inner capacity of 14 litres plus additional stowage space in the outside pocket

Shopping crate

anthracite, collapsible | not illustrated |

Full-suspension street bike

High-tech all-round bike with air suspension, Shimano gears, disc brakes and state-of-the-art lights

Safety tow rod

2-piece steel rod with safety connection and cotter pin. Suitable for trailer couplings and towing lugs. Approved for vehicles with a gross weight of up to 3.2 tonnes

Trailer coupling

Detachable. Maximum drawbar load of 80 kg | not illustrated |

Full-suspension mountain bike

Excellent ride comfort, thanks to the air suspension system, Shimano disc brakes, professional Shimano XT gears and folding cross-country handlebars

Thanks to the new CAR.RY system, the new Mercedes-Benz bikes can be folded up in a few simple steps and transported in the boot (CLK-Class Coupé only)

Note: For more detailed information, see our Mercedes-Benz bikes brochure
